

Sweet Springs 9 Sept 1867

My dear Mr Campbell

I had proposed leaving here today for Lexington but am so feeble that the Dr is reluctant for me to take the journey - I fear therefore I may not reach Lexington before the beginning of next week. Will you therefore assembly the Faculty & ask them to prepare the schedule of recitations & make the necessary preparations for the commencement of studies, accommodation of the students etc-

Regretting my inability to be with you

I am with kind regards to all the Faculty

Very truly yours

R E Lee

Profr Campbell

Note on the reverse:

Faculty will please meet at 3 1/2 P. M. today in Gen. Lee's Office.
