Thank you for "The Matted Heart."
It came while I was staying in N. Y.
with Peter, and I just saw it
yesterday.

Tell me more about your visit
to me. It will be so good to see you.
I am thinking about going
to Charleston for some weeks.
So let me know when you are
coming so that I can adjust
my plans. I need to see the
South again. I hope you will be coming

soon. let me know, so that I can

write my Charleston friends. I will

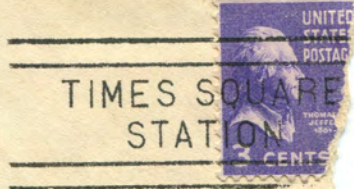

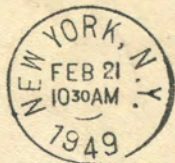

This is just a scratchy note.

Will write again soon.

Fondly,

Person.
