Dear George:

I have your letter of December 3rd concerning the Washington and Lee invitation and have also received a letter from the Mock Convention Chairman.

I have written to them that if they can await a definite reply until sometime after the first of the year, I shall be glad to consider the possibility of accepting, but if I were compelled to give an answer at this time, I would have to decline because I am not sure that I could fill the engagement when the time comes.

I appreciated your telephone call and shall give earnest consideration to the possibility of accepting.

Cordially yours,

Alben W. Barkley
