MEMO FOR: Dick Carter - TD State Editor.

Dick, I know I've been relentlessly flooding you with copy for the past ten days and you're sure good to us, but I'll swear the attached photo looks like a good un to me.

As soon as the mint blossoms bud forth I'll have something else to occupy me and won't be loadin' you up like this..... or maybe you can come up to cover the convention and I can load you up, mint blossoms and all.

Regards,

Lea Booth

P. S. And this is an invitation.....LB
