VICE PRESIDENT AND GENERAL MANAGER

Dr. Francis P. Gaines
President
Washington and Lee University
Lexington, Virginia

Dear Dr. Gaines:

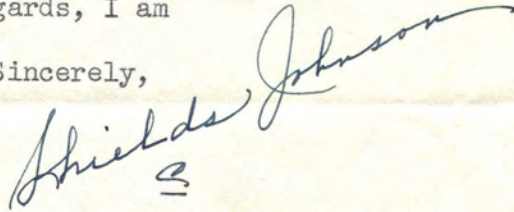

I don't know whether you had seen a column, "Dave Reque on TV", from the Washington Daily News, under date of May 9, which referred to the picture-taking incident at Washington and Lee.

If you had not seen it, I thought you might like to do so and enclose a copy herewith.

My sister had seen it in the Washington paper and sent it along to me.

With kindest regards, I am

Sincerely,

Vice President and
General Manager
