GENERALS OPEN SEASON VICTORIOUS

Blue and White Quint In Poor Condition — Capt. Bryant Tosses First Goal of Season

When Captain Buck Bryant standing in mid-floor neatly tossed the spheroid into the net Tuesday night for the initial basket of the year, he inaugurated the 1920 basketball season in a manner which augurs well for the success of the White and Blue quint.

The Generals easily administered defeat to the Hampden-Sidney basketeers, and were not entirely forced to rely upon their own prowess as the powers of darkness came to their aid early in the game, in the shape of defective lighting, which in at least one case obscured the opponents' goal in the nick of time, though it would have made no material difference in the score. The game was delayed until 9 p. m. in order that the students be given the opportunity of hearing Dr. Myers, '98, at the Presbyterian Church. This proved a sound business proposition as the loyal alumnus brought a great part of his congregation with him. His quartette sung between the halves.

As was to be expected the game was slow—painfully so, and many kinks were apparent in the White and Blue machine. These minor defects are all explained by the little practice the men have had—only one week in which it is impossible to condition a team and attain a teamwork of any precision. A natural absence of wind was likewise noted among the W. & L. players.

FOOTBALL SCHEDULE COMPLETED

1920 Schedule Hardest Ever Attempted By a W. & L. Eleven—Ratified By Faculty

The Football Schedule for the season of 1920 completed by Mgr. Bob McDougale of the '19 team and ratified by the Faculty Committee on athletics is the hardest schedule ever attempted by a Washington and Lee football eleven.

Davidson College will appear Oct. 2, on Wilson Field taking the place of Randolph-Macon for the opener.

Then comes Wake Forest, Oct. 9, a team which has not been seen on Wilson Field since 1914.

Oct. 16 Princeton University will be played at Princeton for the first big game—these teams having never met before.

Oct. 23 Roanoke College on Wilson Field.

V. P. I. will be met again in Lynchburg on Oct. 30.

On Nov. 6, after a lapse of several years, the University of West Virginia will be our opponents in Charleston. This game has always been

GROUND BROKEN FOR NEW DORM

Located Opposite Lee's Dorm—To Accommodate 116 Students

The new period in Washington and Lee's development and expansion, as a result of the Million Dollar Campaign, was ushered in last Wednesday, January 14, by the breaking of the ground for the new Dormitory. This modern building is to be located sixty feet directly in front of Lee's Dorm, and entrances will face in all directions except toward the Doremus Gymnasium.

Plans prepared by Mr. B. C. Flournoy of Washington arrived ten days ago, and the site was laid off by Prof. Humphreys. M. L. Donald, of Lexington, is putting in the foundation. No general contract to cover the whole building will be let.

In many ways the new building will conform to Lee's Dorm. The size and general architecture will be practically the same, but the new Dorm will use four stories, whereas the fourth story of Lee's Dorm was never finished. The interior arrangements also will be somewhat different, and the rooms will be made slightly smaller, on the average, to accommodate 116 students compared to the older Dormitory's 75.

It will be of interest of all those who have spent a winter residing on the north side of Lee's Dorm to learn that the new building will be heated with steam-heat, and not with hot water as the older building is.

The Building Committee are considering the construction of a "cottage" somewhere on or near our campus, to be owned and controlled by the University, and to be rented and used by a Fraternity or other club. This "cottage" would accommodate 25 or 30 men and its promised advantages are many. If this new idea is carried into action and proved successful, it will be the basis of extensive building on this plan.

ROANOKE BASKETEERS DEFEATED

Many Brilliant Tosses Made—Score 33 to 18

Showing a decided improvement over their play of Tuesday night the Generals overcame Roanoke College Friday, hanging up a score of 33 to 18. It is well for the locals that they did show better form than that of the Hampden-Sidney game for otherwise the result might have been different. Roanoke's five showed up decidedly well throughout the evening, and made things considerably interesting for Raftery's men. Despite the advance shown in our basketeers' condition, they showed at times that they are not yet up to the notch. The shooting was poor at intervals, and handicapped by woeful luck. Ray Moore was especially unfortunate in this respect, many brilliant tosses from his hand finally rolling outside, when by all laws of nature they should have fallen through the ring.

The game started with a rush, and right after the first tip-off Glenn, the opposing center, rifled the basket from the middle of the floor. The students started some real rooting, but for some time the Generals were unable to score. It was the rough-and-tumble type of play, the members of both teams rolling on the floor in their efforts to retain possession of the ball, and at times falling on it. It was not for some minutes that McCain hooked one over his head, trying the score. Immediately after a good pass from Engleby put Hines open under the goal and he sent the Generals into the lead. From then on W. and L. was never passed. The play continued rough during the first half, but settled down in the second. In the first half four fouls were called on Washington and Lee, and six on Roanoke.

For Roanoke, Glen played best, with Peters taking second honors. Glenn followed the ball well and was good at shooting while being hurried

FOUNDERS' DAY CELEBRATED

Dr. Jas. R. Howerton Addresses University Assembly on "Patriotism of Peace"

In commemoration of the birthday of the great leader of the South, Robert Edward Lee, the faculty, in full academic costume, and the students of Washington and Lee University besides numerous visitors from the town of Lexington assembled in the chapel erected by the General himself, to honor his memory on Monday, January 19.

After a short resume of the work of the present session President Henry Louis Smith announced that almost a third of one million dollars had been subscribed to the endowment fund campaign in the last two weeks, thus making it possible to improve every day the quality of the finished product of the University.

Dr. J. R. Howerton then delivered the address of the day. He chose for his subject, "The application of patriotism to the tasks of peace." He said that in the eyes of the militarist there is no moral substitute for the disciplinary functions of war but that we must get down to the fact that there actually is such a moral equivalent if citizens will restrain their desires and ambitions for the benefit of the common good. He concluded with the words spoken by General Lee when he became president of Washington and Lee University, then Washington College, "I have devoted four years of my life leading the young men of Virginia to battle and to death, and I now propose to spend the remainder of my life teaching the young men of Virginia how to live." That is the ideal application of patriotism to, that asks of peace, the speaker reminded his audience.

Goats Qualify Scholastically—List of Initiates

Having qualified in all scholastic requirements for initiations the fraternity pledges are beginning to enter the secret inner circles of the various Greek Letter organizations on the campus. During the past week the following "goats" have been initiated into the designated Fraternity. Other Fraternities will have their initiations sometime in the near future.

The following is taken from the Literary Digest for Dec. 27, 1919: "During the Meuse-Argonne offensive our aviators took 100,000 photographs in four days. To meet the demand for maps, plenty of them

and at short notice, the engineers erected and operated in France a larger map-producing plant than was possessed by France herself or any of the Allies. In order to provide a more rapid means of obtaining topographical information, Maj. James W. Bagley, of the Engineers, invented an aerial cartograph or mapping camera which takes three pictures at a time from an airplane, mapping a strip of territory three and a half miles wide at five thousand feet elevation."

Major Bagley, referred to above, but better known as "Oom Paul," was a graduate of the Class of '03, and was a member of the famous Bagley family, which has supplied so many athletes to Washington and Lee. "Oom Paul" was a star in both football and baseball.

COMPETITION FOR SWIMMING TEAM IS KEEN

Many Show Up Well In Preliminary—Three Meets To Be Held

Quite a number of men are out for places on the swimming team, which is to represent Washington and Lee in several meets scheduled for this term. Competition is keen and Thornburg, Perry, Steer, Griener, and C. B. Wright are showing up especially well. As already announced Washington and Lee will hold a meet with Johns Hopkins University in the pool in the Doremus Gymnasium on either Jan. 30th or on Feb. 6th. The succeeding week W. and L. will contest with Fishburne for the aquatic honors. Following an interclass meet, which will take place about the middle of the term, there will possibly be another big meet if finances permit.

A preliminary swimming meet was held in the Doremus Gymnasium on Dec. 12 for the purpose of getting a line on the men for the swimming season this spring. The regular intercollegiate events were entered and although the men were not in good condition some expert work was performed which was much enjoyed by the large crowd witnessing the affair. After the meet a water polo game was played for the pleasure of spectators and players. As none of the latter had played the game before, the sides were almost evenly matched and no scoring resulted. The following is the list of events and winners.

Fancy Dive, C. B. Wright, first; Thornburg, second. 50 yard dash, Greiner, first; Steer, second; Perry, third. 50 yard breast stroke, Greiner, first; Leech, second; Poindexter, third. 220 yard dash, Perry, first; Vinson, second; Merriweather, third. Plunge, Perry, first; Copenhaver, second; Bryant, third. Back stroke, Griener, first; Copenhaver, second; Cherry, third. 100 yard dash, Wright, first; Marshall, second; Malone, third. Relay race, Copenhaver, Wright, Perry, Steer, first; Bryant, Smith, Robbins, Leech, second.

VA. CHAMPIONSHIP TRACK MEET TO BE HELD

Prospects Appear Promising—Indoor Meet With Baltimore College May Be Held

Candidates for the indoor track team reported to Coach Fletcher at the Gymnasium Tuesday afternoon for their first workout. There were only twenty men out but it is expected that many more will be added to the squad before the end of the week. Nothing much can be said about the material as yet but the prospects appear very promising.

No definite schedule will be arranged until later in the season when the material has been developed somewhat. Negotiations have been carried on with Baltimore City College for an indoor meet and it is also being arranged to have a Virginia Championship meet. We will be represented in the South Atlantic Meet which will be held in Baltimore. Outdoor meets are being arranged with the following schools—Univ. of N. Carolina, Johns Hopkins, V. P. I., Penn State, Maryland State, Catholic University and Trinity College.

Practically all out-door events are being coached at the gymnasium and it is hoped that more men will report and fall in line with this sport.

GENERALS OPEN SEASON VICTORIOUS

(Continued from Page One)

The team was further handicapped by the absence of Stephens from the line-up, who had been working at center the entire week of practice, and was unable to play Tuesday night.

On the whole the game was no different from most opening contests. Ray Moore at guard displayed a fast, dashing quality of play and should be heard from in all corners of court this year. He vied with McCain for high scoring honors, each caging five baskets. Joe Engleby of the 1916 aggregation, playing the other forward completely lost his man in the melee time and again. His floor work was very good. Among the new men Thomas deserves special mention. This diminutive forward was all over the floor and showed a world of speed which seemed to bewilder his opponent. For Hompsden-Sidney Captain Britts and Luke played best, each scoring two field goals.

by his guard. It is hard to distinguish between the Generals, but McCain had the edge on shooting and Moore on the floorwork. McCain brought the audience to their feet with a goal thrown backwards, while he was on his knees. The like of it was never seen before. Ray Moore seemed to be all over the floor at once and could have done even more had his shoes not been so slippery. The passing of Engleby was especially good and Buck showed that he is still the peer of all guards, while Hines ran Mac second on scoring.

Referee Spruhan handled the game to the satisfaction of all. Dr. Myers' quartet entertained between halves.

NEW RESOLUTIONS

After attending the Evangelistic Services conducted by Dr. Myers at the Presbyterian church during the past week, and after hearing the Y. M. C. A. Secretary's report at student body meeting yesterday, it is certainly obvious that new Resolutions are in order, and they should be put in effect now—yes—today.

Those who heard Dr. Myers' addresses need no one to tell them just what new resolutions are "in order" for themselves, and those who are guilty of the deeds mentioned in the chapel yesterday, should, while putting the new resolutions into effect in their lives, remember the resolution passed by the student body at that time, namely, that every man is to be a committee of one to watch himself first and then his associates to see that neither he nor they are the guilty party in the future.

We feel sure that the guilty party must be a new student who has not taken advantage of his opportunity to imbibe of the true spirit of those immortal heroes, Washington and Lee, that is existant on our campus in the form of our priceless honor system.

Let each man recall to himself the little poem quoted by Dr. Myers:

"He came to my desk with quivering lips,
The lesson was done;
Dear Teacher hast thou a new leaf for me,
I've spoiled this one.
In place of the old leaf so stained and spoiled,
I gave him a new one all unspotted
And into his sad eyes smiled,
Do better, now my child."

"I went to the throne with a sin stained soul,
The old day was done;
Dear Father, hast thou a new leaf for me,
I've spoiled this one.
In place of the old leaf as stained and spotted,
He gave me a new one all unspotted,
And into my sad heart smiled,
Do better, now, my child,"

—And then make the new resolution you need to make.

Appreciation To Dr. Myers

The Student Body of Washington and Lee wishes to express its heartfelt appreciation of the visit of Dr. Myers and his Quartet to Lexington. The series of meetings which they have held at the Presbyterian church have been found very attractive and helpful by the college men, and they wish to express their thanks for the consideration which has been shown to them by those in charge of the meetings in reserving a section in the church for the Students both on Wednesday and Sunday nights, and the many other ways in which they have made it a point to be attentive to the students.

Especial appreciation is due to the quartet which has been rendering such splendid music not only at the regular meetings, but has also generously offered its services in many affairs of a purely college nature, such as the entertainment between the halves of the basketball games. The quartet has been a treat which the Washington and Lee Student Body will not soon forget.

As for Dr. Myers, who as one of the students put it, "has the most gospel truths that he had ever heard," it just goes without saying that his visit has meant much in a very real way to the college and that the influence which he has exerted here in the past week will long serve as a reminder of him to the college men.

COMPETITION—ITS EFFECTS

Those who were students at Washington and Lee last year will remember the poor quality of movies that one was subjected to witness whenever he became so desperate for diversion, from his long, weary hours of study that he went to the picture show. But such is no longer the case. At last competition has come to the students' rescue and it has accomplished what apparently was a miracle.

Since Christmas both of the Theatres here have been running an excellent grade of pictures and a "Current Events" or a "Pathe's Weekly" made in "1902" is seldom seen nowadays.

These facts seem more like a dream than a reality. But, by all means, let's keep on dreaming" and encourage the managements of the theatres all wee possibly can. Let them know when you like the pictures they show.

Dear Sir:

Your Alumni Issue received today, which has proven very interesting reading to me as I have allowed myself to get out of touch with the University and its doings. Please put me down on your subscription list for the Ring-tum Phi for the remainder of the session. The Ring-tum Phi is the best college paper in the country, and I regret not having subscribed sooner.

Very truly yours,

INTER-CLASS TRACK MEET HELD

Sophomores Win Meet—Bailey and Crouch Break Records on Shot-Put

On Monday, Jan. 19, Coach Fletcher called out all track candidates and held an inter-class indoor meet at the gymnasium. Much good material was displayed by both the Freshmen and upper-classmen. The shot-put record was broken by both Bailey and Crouch. Crouch, however, beat Bailey by a few inches. The meet was won by the Sophomores. The following is a brief resume of the events:

Results Inter-class Indoor Track Meet Jan. 20, 1920

FRENCH STRONGEST MAN IN CLASS OF 1923

T. J. Ellis Is Close Second—Method of Calculation Interesting

Each year the Department of Physical Education from the results of the Freshmen physical examinations, compiles statistics as to the strength of the class. The records for this year show that L. C. French with a total strength of 38,557, is the strongest man of the Class of 1923. His closest second is T. J. Ellis with 27,853.

An interesting method is used to calculate a person's strength. The strength in pounds (as shown by apparatus in the gym) of the back and legs, and of the right and left fore-arms is added to one-tenth of the person's weight. This resultant, multiplied by the arm flexors plus the arm extensors, gives the estimated total strength. This same method is used at Yale.

The following is a list of the first few men as shown by the list:

L. C. French—38,557.
T. J. Ellis—27,853.
G. C. Mason, Jr.—26,736.
J. R. Sturm—26,657.
R. E. Berryman—25,760.
J. R. Thomas—25,388.
Geo. S. Vest—25,272.
J. E. Walters—25,110.
W. W. Lynn, Jr.—24,645.
J. W. McCallum—23,752.

W. & L. IN CHINA

10,000 Miles to W. & L. U.

Nov. 29, 1919.

The worst of it is that it will be further than that before I get there, and longer than the month or six weeks usually allowed for that distance—half-way around the world, more than ten thousand miles even at this latitude, I suppose. But what are a few miles and months if old W. L. U. is at the end?

I wish the men who are going into their pockets for C. C. C. could have been the send-off the Chinese boys gave this W. L. U. man and his family as they left. There were enough to make us feel that friends are many even in a far country. Among the rousing cheers from my high school boys I heard one which I confess was a close imitation of our old W. L. U. "Szzz-boom! Cooks!" Only it sounded more like Chinese than that yell, which is already a little like Chinese.

One of the messages given me for you people on that side of the ocean, and given more than once, was, "Tell them how much we Chinese appreciate what you are doing to help us at this time and through so many years."

ON OTHER CAMPUSES

Davidson College has just begun a campaign for a \$1,000,000.00 endowment fund. The Rockefeller Foundation promised to give them \$100,000, if Davidson raised \$400,000.

U. of P. co-ed freshmen are required to carry powder for the upper-classmen and for each violation they are fined one nickel.

The Sophomores at Franklin and Marshall have agreed to wear Sophomore hats to distinguish themselves from the rest of the students.

Twenty-one men were eligible for football letters at Dartmouth this year. The prospects for a good team next year are very good.

Mississippi College: The Faculty of Mississippi College have placed cigarettes under ban. Cigarette smoking is prohibited in the lecture hall and on the college campus as well as on the streets of the town and in all the public places in the town.—The Mississippi Collegian.

The students of the University of South Carolina are petitioning the state legislature to permit them to have national fraternities on their campus. In 1898 a law was passed prohibiting such to take place at the University. It is hoped the petition will be granted.

Vanderbilt University

Vanderbilt has started a new publication. The Jade is a humorous magazine issued quarterly. The first issue received a warm welcome and the first thousand copy supply fell short of the demand.

**DES MOINES DELEGATES IN
CONSTANT DEMAND**

**Delegates Have Rendered Re-
ports To Many Local
Organizations**

The delegates to the Des Moines Conference have been in constant demand since their return to Lexington and first report at the "Y" meeting last week. They have rendered reports of the inspiration of the convention to the Christian Endeavor, the Epworth League, the Baptist Young Peoples Union, and twice to the Student Volunteer Band. However, these are but the beginning of the demands that will be made on these delegates, and they are expecting to carry their inspiration for foreign missions to many of the country churches and mission stations in the vicinity of Lexington.

Miss Dyer—"Mr. Potter, why do you close your eyes when you sing?"
Dick—"Because I hate to see the rest suffer."—Exchange.

"I have been smoking an awful lot of cigarettes lately."
"If that's one, you must be."—Burr.

Mattingly—"What would you give for a voice like mine?"
Pat—"Chloroform."

Paradise

"A shaded room,
An open fire,
A cozy Nook,
And your hearts' desire.

Purgatory

"The self same room,
With lights just few;
The same little nook,
With Ma there, too.

Inferno

"The room, the nook,
The shade, the fire,
The greatest chance
And enter sire."

"What shape I spied,
Gazing on her figger!
She turned her head,
I saw—a nigger."

"Red" Littlejohn (to young lady on train): "My name is Littlejohn."
"Young Lady: "Well, who said it wasn't."—Furman Homet.

Schultz's Services By Na-
tional Association

Official recognition was made of the services of our "Y" secretary, E. B. Schultz, when he was appointed to represent the Southern colleges on the Editorial Board of the student section of "Association Men." This is the official organ of the Student Y. M. C. A. and is edited by a group of Y. M. C. A. leaders located in New York. The local field is represented by three representatives, Prof. Latourette, of Denison College; M. C. Mackey, student secretary at Yale, and E. B. Schultz, of Washington and Lee.

The business of the board will make necessary a monthly trip by the secretary to New York and other work which can be attended to here. Ted is to be congratulated on his splendid record which has led him to be chosen for such an honorable and important position.

FALL OPENING

The young man of today is particular about his clothes.

He insists upon quality, of course; GOOD FABRICS, HONEST TAILORING, all of the points which mean long, serviceable wear.

But he insists on more. He must have THE BEST and LATEST STYLE; he wants to dress appropriately to his age and style.

We sell **ALCO** Clothes because after careful examination of all good lines we find in them the very qualities which appeal to young men.

Alco Clothes are made of ALL WOOL STANDARD FABRICS exclusively; they are hand tailored by experts, and, above all, they represent the last word in snappy, up-to-date style.

The prices are strikingly low when the quality and style are considered.

We sell Florsheim, Walkover & Packard Shoes. Make Suits to order. Fit guaranteed.

WORK ON CALYX PROGRESSING WELL

First Section To Go To Printer This Week—Book To Contain 400 Pages

With a veteran staff working at top speed on the most extensive plans ever drawn up for an annual at Washington and Lee, the 1920 Calyx, says Editor-in-Chief Baber, is rapidly rounding into shape. The first section of the book will go to the printer within the next ten days, and the representative of the White Studios, Broadway, New York, will be here next week to take the photographs.

For complete success, however, it is necessary that every W. & L. man should be personally interested in the publication, and should co-operate in every possible way with its editors. One of the best ways of doing this is to be careful about making appointments with the photographer next week. Another obvious duty of every patriot "General" is to subscribe, and send in his five dollars without waiting for the manager to come around and collect it.

And no one need fear that he will not get his money's worth. Besides all the regular departments, a large alumni section, will try to reawaken the interest of the "old boys" in their alma mater; an Athletic department fifty per cent greater than in any previous number, will do full justice, so far as such a thing is possible, to our baseball team of last year, and our football and basket ball teams of this year; and a big humorous section will gladden the hearts of all. The book will contain at least four hundred pages, and will be finished by a binding of uncommon class and keenness.

Advice to the Plain

"If nature made you ugly,
And for this fact you care,
Just step into a street car and
You'll soon be passing fare."

—Selected.

TWENTY-NINE NEW REGISTRANTS SINCE XMAS

Most of New Men Are Freshmen—Total Registration Now 625

Twenty-nine new students have entered the University since Christmas, making a total registration for the year of six hundred and twenty-five. The Academic Department claimed twenty-one of the men. All of these are freshmen with the exception of four former sons of Washington and Lee who have returned to the pursuit of their elusive "sheep skins" after absences during the war. The remaining eight new men entered the Law School, along with eight old men who were transferred from the Academic school in which they were students prior to Christmas. The total registration for the year will rise a little higher as some new men are still coming in.

SOME MUSIC—HOW ABOUT THE DANCE?

Some band will play for the dance in Doremus Gymnasium next Monday night. How about the dance? The music will be the combined Columbia Saxophone Sextette, Yerkes' Novelty Five, and American Marmaphone Band. You have heard their records and know what they are. It will be the greatest music ever heard in Lexington.

W. & L. has a reputation for dances, and we can not afford to lose it. Here is a chance to help that reputation, but there is also a chance to lose it. Everything that is needed is the girls. We can always get them. It's up to every W. & L. man to wire now to his friend in Lynchburg, Roanoke, Staunton, at Sweet Briar, Hollins, Stuart Hall. Don't put it off. The dance begins at ten o'clock—will be informal and dirt cheap. And don't miss the concert and dance at New Theater immediately before.

HEAVY GYM MEET TO BE HELD IN MARCH

Up until the Christmas holidays 80 men had turned out for boxing and wrestling. Practically all of these men ranges in weight from 125 to 160 pounds. At the indoor heavy gym meet to be held in March the two best men from each of the classes, namely 108, 115, 125, 135, 145, 158, 175, and over 175 pounds in both boxing and wrestling will, after a process of elimination be matched against each other.

In order to make the contest in each class more interesting it is urged that more men of the 108 and 115 pound classes turn out for both boxing and wrestling.

Those who did not come out before the holidays will still be given preliminary instructions if they care to join the class now.

Altho W. & L. is not engaged in intercollegiate boxing and wrestling this year it is possible that the school will next year.

Judge Martin P. Burks is in Richmond. He was engaged Monday in preparing the report on Virginia's new code in the preparation of which he was one of the code commission. Thursday he resumed his seat at the winter session of the supreme court, when for the first time our judges appeared on the bench in gowns.
