## MANAGER GLASGOW ANNOUNCES SCHEDULE

Games With Virginia, Navy, V. P. I., Tennessee, Swarthmore, St. Johns, and M. A. C.

Thomas McP. Glasgow, manager of the 1911 basketball team, has announced the following schedule to the Athletic committee and student body of Washington and Lee:

- Dec. 27—Lynchburg Y. M. C. A., Lynchburg, Va.
- Dec. 28—Asheville Athletics, Asheville, N. C.
- Dec. 29—Asheville Athletics, Asheville, N. C.
- Dec. 30—Charlotte Y. M. C. A., Charlotte, N. C.
- Dec. 31—Charlotte Y. M. C. A., Charlotte, N. C.
- Jan. 13—Roanoke College, Lexington, Va.
- Jan. 20—St. Johns College, Lexington, Va.
- Jan. 27—Maryland Agricultural College, Lexington, Va.
- Jan. 30—University of Virginia, Charlottesville, Va.
- Jan. 31—Maryland Agricultural College, College Park, Md.
- Feb. 1—U. S. Naval Academy, Annapolis, Md.
- Feb. 2—Swarthmore College, Swarthmore, Pa.
- Feb. 3—Franklin and Marshall College, Lancaster, Pa.
- Feb. 4—Mt. St. Mary's College, (afternoon), Emmetsburg, Md.
- Feb. 4—Frederick Athletic Association, (night), Frederick, Md.
- Feb. 10—University of Virginia, Lexington, Va.
- Feb. 17—University of Tennessee, Lexington, Va.
- Feb. 24—V. P. I., Lexington, Va.
- March 4—V. P. I., Blacksburg, Va.

This is not only the longest but undoubtedly the best schedule a blue and white team has ever had in this now popular winter sport.

For the first time the team took a Christmas vacation trip through North Carolina, which will serve to help get the men in shape for the home games. Only five teams of last year's schedule, St. Johns, Virginia, V. P. I., M. A. C., St. Mary's and Frederick Athletic Association, appear on the schedule again this year. St. Johns will play in Lexington this year, while last season they were played on the Northern trip in Annapolis. The usual two games with Virginia and V. P. I. remain unchanged; one each will be played at home and the other abroad. Two games will also be played with Maryland Agricultural College. They have been on previous schedules, but have always been played in College Park, Md.

One of the best attractions is the game with the Naval Academy, to be played in Annapolis on the Northern trip. It was thought that this game would have to be cancelled, owing to the fact that it is a mid week game and the Academy athletic authorities at first stated that only Saturday games would be played.

## HOLIDAY TRIP OF BASKET BALL TEAM

Five Games Played With Southern Y. M. C. A. Teams—Asheville Athletics Defeated for First Time in Three Years—Even Break With Charlotte

For the purpose of getting the basketball team together early for the regular college games Manager Glasgow arranged a series of games for Christmas week with Y. M. C. A. teams in Southern cities. The team which made the trip was not the regular varsity team, but was composed of the men who showed best of the small number who reported for practice before college closed in November. At that time only a few men had come out for basketball, as several candidates were still playing football. In addition to that fact the team was handicapped by the fact that they had never played together until the Lynchburg game. Boyd captain of last year's team was expected to make the trip, but at the last moment wired that owing to an injured ankle, he would be unable to play. Considering all the circumstances the showing made by the team was not a discreditable one, and there is no reason to be ashamed of it. The trip accomplished the object desired, the conditioning the men for the regular schedule which begins next Friday.

Those who made the trip were: Manager Glasgow, Captain Hannis, Graig, R. C. Moore, John McDonald, Bear and Ruffner Campbell. Five games were played, one with Lynchburg Y. M. C. A. and two each with Charlotte Y. M. C. A. and the Asheville Athletics.

The following detailed accounts are from the local papers:

### Lynchburg Y. M. C. A.

"In a spirited contest, replete with brilliant plays and fast work by both sides, the Washington and Lee University quint met defeat last night before the Y. M. C. A. representative team, in the gymnasium of the Association, by the score of 35 to 18. After the first minute of play the absence of team work on the part of the University boys was plainly in evidence, although the local team had to work for every point made.

"Washington and Lee scored first, after the Association boys had failed in an attempt to get first honors. The first half, played under Y. M. C. A. rules, ended with the score 15 to 7 in favor of the locals, while the second under collegiate style of play ended 20 to 11 in favor of the Association five.

"The playing of Johnson and Jamerson bordered on the sensational. Their playing brought forth numerous rounds of applause, as they shot the goal on many difficult chances. Glasgow did the stellar work for Washington and Lee. Washington and Lee scored first in both halves, and their spurts of speed placed the goal of the Y. M. C. A. boys in danger more than once, McDonald was substituted for Bear, in center, just before the close of the last half. Campbell, captain of Association quint, was absent owing to a death in

the family. If he had been in his position there is no telling what the score would have been.

The game was a pretty contest, and many remarked that it was one of the fastest they had ever seen.

The following is the line-up:

### Asheville Athletics, First Game

"In the swiftest and hardest fought game played in this city in several years, the basketball team from Washington and Lee University won from the Asheville Athletics last night by the close score of 36 to 35. The game throughout was featured by the hard playing of the boys on each team. There was not a moment of dragging, but the game was kept going with a snap and vim every minute. The boys from Virginia had the best of the local players in the team work and in their ability to shot goals from long distance.

The game started off with some of the roughest work seen on the local floor for a long time, foul after foul being called on Washington and Lee for a variety of offenses. The Athletics were playing in perfect form, and before the first half was half over the local boys had run up the score to 17 as against 1 for the visitors. But then the college boys began to get busy. Fouls ceased, and they began to shoot goals with a remarkable rapidity. The result was a score in their favor of 22 to 18 when the first half ended.

"The second half was even more spectacular than the first, the game moving along swifter and both sides playing cleaner ball. Excitement reached fever heat when the local ran up to tie with the visitors by two exceedingly difficult goals made by Lynch and Boger, and still higher when a few moments later another goal sent the score on the right side for the Athletics. But it was not to stay that way. The visitors were in the game every minute, and when the final whistle blew were just one point ahead, thereby inflicting the first defeat in three years upon the local team.

"The balcony of the Y. M. C. A. was packed last night to see the game every seat being sold and numbers of people standing. A small bunch of Washington and Lee students cheered their team on to victory while the

## W. L. MEN WED DURING HOLIDAYS

Student of Law School Returns to College With Bride

### Rhodes—Fergus

A wedding of unusual interest occurred during the Christmas holidays when J. W. Rhodes, Jr., of Osceola, Ark., was married to Miss Carrie Fergus of Elm Springs. The following account of the wedding is taken from the local paper:

"A beautiful home wedding was solemnized at Elm Springs on last Thursday uniting the lives of Joseph Wickes Rhodes, Jr., and Miss Carrie Fergus. The wedding was the culmination of a romance which began several years ago, when both young people were students at the State University at Fayetteville.

The lovely old Southern home of Dr. and Mrs. J. W. Fergus was decorated with Christmas holly and mistletoe and made an effective setting for the wedding party. At 2 o'clock, the hour for ceremony, Miss Francis Oakley of Rogers, beautifully sang, "O, Promise Me." The bridal party then entered to the strains of Lo-hengrin's wedding march, artistically played by Miss Elizabeth Risser of Fayetteville. Rev. H. Rand, the officiating minister, led the way, then came C. R. Rhodes and Miss Alice Read of Fayetteville followed by the groom with the fair bride.

After spending a week with his parents in Osceola, Mr. Rhodes will take his lovely bride to Lexington, Va., where he is a Senior in the Law Department of Washington and Lee University. He is also a member of the Kappa Alpha fraternity and his bride is a member of the Chi Omega Sorority.

### Staples—Watts

Roanoke Va., Jan. 5.—The marriage of Miss Jean Duncan Watts and Abram P. Staples, Jr., of this city, was solemnized at 4:30 o'clock this afternoon in the home of the bride's mother, Mrs. J. Allen Watts on Mountain avenue, S. W. The Rev. W. C. Johnson, rector of St. Johns Episcopal church, was the officiating clergyman.

Only a few relatives and close friends were present, and the marriage was very quiet. The bride was given away by her brother, William Watts.

Mr. and Mrs. Staples left on the Memphis special for New York. On their return they will stay at Judge Waller R. Staples' home for a while, before going to housekeeping.

The bride is the only daughter of the late J. Allen Watts, who was at one time a distinguished member of the Virginia senate; and was until his death, six years ago, a prominent member of the Roanoke bar, representing the Norfolk & Western railroad as general counsel for years. She is a charming and talented young woman and a leader in social circles.

Mr. Staples is a son of Professor A. P. Staples of Washington and Lee University, and is a member of the local bar. He is a graduate of the Washington and Lee Law School,

great majority of the people present were cheering for the local team. The game tonight should prove even more interesting and exciting than the one last night and a large crowd will probably be present.

"The lineup of the teams follows:  
W. and L. Athletics  
Moore R. F. Schartle  
Hannis L. F. Boger  
Baird C. Lipinsky  
Craig R. G. Brown  
Glasgow L. G. Lynch  
Summary—Field goals, for W. and L., Moore 6, Hannis 7, Baird 1; for Athletics, Scharle 2, Boger 2, Lipinsky 3, Brown 2, Lynch 1. Fouls, for W. and L., Hannis 4, Athletics, Brown 14. Points awarded to Athletics 1. Referee L. W. Young, timekeeper W. A. Kinder, score Sevier."

### Second Game

"With their doughty opponents contesting every inch of ground the Asheville Athletics basketball team turned the tables on the Washington and Lee University team last night, defeating it by the score of 41 to 14. Asheville's victory was won before a record breaking crowd, the balcony of the Y. M. C. A. auditorium being packed to the guards. Enthusiasm ran high and every good play of the local players was cheered to the echo.

Shining prominently with brilliant goal throwing was Louis Lipinsky, who, playing center of the Asheville team, threw six goals from the field. Brown also played a star game, throwing five goals and pitching seven from the foul line. Young played a fine game throwing three goals, while Boger, playing a scientific game, distinguished himself by successful blocking and plucky interference. "Diamond" Lynch returned to his old time form and tackled and blocked in brilliant style. He was a strong favorite with the crowd. Schartle, who replaced Young toward the close of the second half, threw a field goal shortly after getting on the floor. The entire Asheville team played a championship game, its passing, tackling and goal throwing being far above the average. A faster, snappier game has never been seen in Asheville, and it is safe to say that basketball as a winter sport has earned many new admirers this season.

"The Washington & Lee team put up a splendid game and its work was warmly applauded. In the second half the University boys warmed up to their work and threw three goals in the first three minutes. Nine more were added to their score before the end of the half, and there were many anxious moments for the local rooters. Mr. Lawrence Young as referee, gave general satisfaction.

Following is the summary:  
Field goals, for Asheville, Lipinsky 6, Boger 1, Young 3, Brown 5, Schartle 1.  
For Washington and Lee, Moore 1, Hannis 1, Bear 1, Craig 2, Campbell 1.

Referee, L. W. Young; timekeeper, W. A. Kindel; Scorer, Dr. J. Sevier.

### Charlotte Y. M. C. A., First Game

"With Charlotte's star out of the game the Washington and Lee University basketball team walked over the local Y. M. C. A. team last night after the latter had started off the game in a most hopeful way by the disheartening score of 22 to 30.

The game started off in the most encouraging manner for the local

quintet, and when the first goal was thrown by the locals it brought the large audience to their feet in their gladness. The first half ended with the score marked up 14 to 10 in favor of the locals.

"Stewart for the locals led all of his teammates in throwing goals, he having put in the basket four of the ten executed by the local fellows. Hannis for the visitors eclipsed his fellows in the goal throwing, his record being six out of the 15-goals thrown.

"The last half of the proceedings was one of snap, rush and fast playing, and these same ingredients went somewhat in making up the first half. "The winners started off in the last stage of the game with three straight goals almost as fast as the referee could toss the ball and blow the whistle. This somewhat put the local boys behind, and before they could rally, Washington and Lee's men with their team work were beyond the local's reach.

### Second Charlotte Game

"Breaking even in the last game of the series the Y. M. C. A. last night in the fastest but most hotly contested basketball game of the season defeated the Washington and Lee University team by the score of 38 to 19.

"Undoubtedly the star of the whole last proceedings was Wellman, inspired by the fast backing up of his teammates, of whom Stewart played the most prominent part. The latter played a game that had never before been unequalled during his history as a basketball pleyer. The spectacular throw made by Stuart as the game was drawing to a close was one of the prettiest ever seen on the local floor, the ball being put with exact precision from the center of the floor into the basket. Allison in his position as center starred both by fast goal throwing and all around playing, being always in the place where he could aid his team in the best manner. Page played one of the prettiest aggressive games that has ever been seen here. Alexander, one of the guards for the locals, played the game in a style seldom witnessed in these parts, his ever ready aggressiveness being plainly the stumbling block which kept the visitors from scoring a number of times. Stewart threw the greatest number of goals for the locals, his record being 8 goals out of 18 thrown by the association boys.

"For the collegians Glasgow was as usual the star, throwing 4 of the 8 goals executed by them, while Hannis, the largest goal thrower of Friday night ran him a close second for the honor; throwing 3 of the 8. Craig of Washington and Lee threw the other remaining goal. The team mates of these players put up a fast, clean game, as well as the others mentioned above.

"The game in the first half started off with the first goal for Y. M. C. A., and from then on it was one fast rush for the local boys to a decisive victory. At the end of the first half the score stood 8 to 18 in favor of the locals. They came in from their ten minutes rest between the halves, resolved more than ever to win the game. The defeat for the college boys was the result.

"The visit of the collegians in the city was a delight for the Charlotte people; the former stated that they had enjoyed the visit immediately. They are gentlemen all and just as good losers as they are winners."

"Ralph Roister Doister," the Pre-Elizabethan comedy, was presented last week by the Philolexian Society of Columbia University, was a decided success.

with the class of 1908, as member of the Phi Kappa Sigma fraternity and of the Phi Delta Phi Legal fraternity.

**Newman—Ayres**

John William Newman, '08, was married on Dec. 29th to Miss Mattie Ayres, daughter of Dr. and Mrs. Brown Ayres. The wedding took place at the home of the brides parents on the University campus in Knoxville. It was a very brilliant affair and was attended by many relatives and friends from a distance.

Miss Ayres has many friends in Lexington. She is the daughter of Dr. Brown Ayres, B. S., '74, who is now president of the University of Tennessee, and also a granddaughter of Mrs. John R. Anderson, at whose home here she always spent the summer, as a young girl. Mr. Newman is also well remembered here as a student of Washington and Lee University, where he received the degree of Bachelor of Law in 1908. He is now a member of the law firm of Hammock & Newman, Little Rock, Ark.

**H. MANN PAGE DIED IN CHARLES TOWN, W. VA.**

Henry Mann Page died Sunday, Dec. 12 of typhoid fever at the home of his parents, Mr. and Mrs. Henry C. Page, in Charles Town, W. Va.

Mr. Page was a former resident of this community, where his parents lived from 1903 to 1908, when he was a student at Washington and Lee. He endured a long illness from typhoid fever, contracted early in July, while he was a medical student of the University of Virginia, employed in the University hospital at Charlottesville, and his suffering has been noted with much solicitude by friends here. A dispatch Sunday to the Rev. W. Cosby Bell, conveyed intelligence of his death.

He was graduated at Washington and Lee with the degree of bachelor of arts in 1907. He then took up the study of medicine at the University of Virginia. He was an earnest Christian, being a communicant of R. E. Lee Memorial Episcopal church and in his death a life full of much promise and usefulness was cut off. The interment was made Tuesday morning at Winchester. He was 25 years of age.

**WASHINGTON PREP. SCHOOL MEN**

A meeting for the purpose of organizing a club composed of those students in the University who attended any of the Washington, D. C., preparatory schools was held in November in Reid Hall. At this meeting the following officers were elected: Mr. John G. Herndon, Jr., Central High School, president; Mr. T. Yancey Milburn, Georgetown Prep., vice president; Mr. John Shiles, Central High School, secretary and treasurer, and Mr. L. H. Hanna, Georgetown Prep., historian.

The Washington prep. School men in addition to those named above are: From Central High School, Houston Willis, John A. Bowman, Alexander M. Hits, Malcomb Trimble; from Eastern High School, Oscar H. Herring, R. E. Royal; from Western High School, R. S. Walters, W. T. Thom, Jr.; from Georgetown prep., J. H. Miller, Kenneth R. Cobb; from Washington School for Boys, A. Wilkins. All others who may be eligible are asked to hand in their names to the secretary.

**DR. W. D. WEATHERFORD TO VISIT WASHINGTON AND LEE**

The announcement that Dr. W. D. Weatherford of Nashville, Tenn., will visit Washington and Lee on Feb. 2nd, will be gladly received by many students who are familiar with his work. His power as a speaker has given him an international reputation and it has been arranged to have Dr. Weatherford address the students on this visit. Being Intercollegiate secretary for the student Y. M. C. A., his work has been among students and few men know college men as does Dr. Weatherford. Owing to his personality and his experience, he will no doubt have something interesting in his address for every man in college, and it will be looked forward to by the student body.

It will be remembered that Dr. Weatherford is the author of the recent book on the Negro Problem, entitled "Negro Life in the South," which has had a wide circulation. Many students here at Washington and Lee have been studying this book in Mission study classes conducted by the Y. M. C. A., and have become familiar with Dr. Weatherford through this work.

**MONOGRAMS AWARDED**

Football monograms for the 1910 season were awarded on Jan. 5th by the University athletic committee on recommendation of Coach Pollard and Captain Waddill to the following men:

- Captain R. A. Waddill.
- Manager R. G. Thach,
- J. R. Blackburn.
- E. F. Burke.

**GRAHAM-LEE**

At the regular meeting of the Graham-Lee Saturday night a short, but interesting program was rendered. There were declamations by Messrs. Somerville and Lemon. Mr. Guthrie read an entertaining account of the current events. The question for debate, Resolved, That the Faculty should give academic credit for Literary Society work, was upheld by Mr. Haden and opposed by Mr. Blake. The judges decided in favor of the affirmative.

S. B. Hayser was a delegate to the Sigma Nu convention in Cleveland.

proved these predictions correct. More than that, the usual number of new men has entered, keeping the entire enrollment almost up to the standard set in the fall term.

As to the fever situation, there is now absolutely no ground for uneasiness. The disease stopped as suddenly as it began, and almost upon the exact date named by the health authorities for its disappearance, showing their theory as to its origin to be correct. The fact that no case has appeared since the early part of the term is sufficient proof that the disease has been eradicated. The added water supply at Lexington is making plans to secure the same set of circumstances as was present last fall and would never arise again, so that there is no reason to suppose that we shall ever again be troubled with an epidemic of typhoid.

In the opinion of the editor the matter of the class football championship, as set out in the communication on this page, is a local issue. It now makes no material difference to the student body to which class the supremacy is awarded, in view of the fact that the contest ended in a tie. For this reason it seems unnecessary and inappropriate to revive the matter at this time. But a considerable number of the junior class thought otherwise on the subject, and are anxious to have the controversy officially decided by the athletic committee even at this late date, in view of the fact that there has been no opportunity for them to do so earlier. Yielding, therefore to the earnest solicitation of the juniors, and under the feeling that the paper belongs to the student body as a medium for the expression of their views, the editor consented to the publication.

All indications point to a most successful basketball season. With the best schedule in the history of the sport here. All of last year's team out again, and the largest squad of candidates ever trying for the team, the record of the season should be unusually good. The games played during the holidays do not furnish a true criterion of the strength which the team should show. For it must be remembered that the men who played those games had never before worked together, even in practice; that they were not the regularly chosen team of the University, and that what little practice they had had was five weeks previous to the Lynchburg game. No idea of the strength of the team can be founded on this

trip, but looking to the other circumstances there is every reason to expect an excellent season.

COMMUNICATION

In view of the result of the game played Saturday, Nov. 25, the Junior class hereby claims the championship of the classes of Washington and Lee University for the football season of 1910. The validity of this claim will be upon consideration recognized by every member of the student body. The grounds upon which it is based are as follows: By its defeat on November 25, this class having been defeated on a former date by the Sophomore class, the Freshmen class is eliminated from the contest for class championship. This class having been eliminated the class championship lies between the Junior and Sophomore classes, the Senior class having no representative football team this season.

On Friday, Nov. 11th, the Junior and Sophomore classes met on Wilson field to compete for the inter-class championship for season 1910. The relative strength of the two teams and the final score is already known to every student and need not be discussed here. It is sufficient to say that the Sophomores were out-classed in every particular, making their first downs only three times during the entire game, the ball being during all four quarters of the games in their territory and the Juniors failing to score by an unparalleled series of hard luck events. The score at the end of the game stood nothing to nothing. There had been several disagreeable issues between the two classes prior to the game regarding eligibility of various players, and in view of these facts the Juniors were desirous of accepting the hard luck of the former game, letting the score stand nothing to nothing without playing the tie off. The Sophomores however were very anxious that another game be played, the manager, captain, representative to student executive committee and various other prominent members of that class coming to the captain of the Junior team and asking that he do what he could to arrange for another game. Having been thus urged by the Sophomores, a meeting of the Junior football squad was called and the matter discussed. After consideration the team decided that they would send a challenge to the Sophomore team offering a game for Tuesday, Nov. 26, with same line-up as first game and gate receipts to go 60 per cent to winners and 40 per cent to losers. This action was ratified by the

Junior athletic committee and challenge officially submitted to the Sophomores. This challenge the Sophomores refused to accept because of the proposed arrangements regarding gate receipts, but stated that they would have accepted these arrangements for receipts taken in at the game played on Nov. 11th. But owing to apparent strength of the relative teams manifested in the game played on that date they were unwilling to accept these arrangements for Nov. 26. We would ask that you note that the Sophomores claimed that officially the two teams, Junior and Sophomore, were equals at the completion of the game of Nov. 11, and in the sight of official records exactly as when they appeared on the field before that game and also, that had we offered the receipt basis of 60 per cent. to winners and 40 per cent. to losers for the first game they would have accepted this arrangement.

In view of these facts the Sophomores are brought to face the following dilemma, accepting either horn of which will give the Junior class the class championship for season 1910: The two classes must necessarily be either equals or unequals; if they are equals and the Juniors offer them a game upon terms which they would have accepted before Nov. 4, when they were undoubtedly equals, and the Sophomores refuse to accept these terms altho they claim that the classes were exactly as when they appeared on the field before that date, then they, the Sophomores, forfeit their claim to class championship by default. If they take the only course open to them, namely that we are unequals and as stated by their manager and captain that there was no doubt as to which was the superior team, and should we play again they expected to lose and that the only reason they wished to play again was to secure additional finances to assist in defraying the expenses of a certain social event to be given by them in the near future, then by the generally accepted definition as found in both Webster's and the Standard unabridged dictionaries, namely, "an acknowledged superiority to all competitors," The Sophomores' own admission and consent recognizes the Juniors as holding the class football championship for season 1910.

Thus accepting either horn of this unavoidable dilemma gives the class football championship for the season 1910 to the Junior class.

ANNOUNCES SCHEDULE**

Continued from page 1

The Northern trip has been lengthened from five to seven games. The Navy, Swarthmore, Maryland Agricultural College, and Franklin and Marshall being added, while St. Johns, as before stated, is played in Lexington and the Central Y. M. C. A. of Baltimore, is dropped. Athletic relations will be established between the University of Tennessee and Washington and Lee by a game to be played on the local floor on Feb. 17.

**SQUAD OF THIRTY**

A squad of 30 men are practicing every afternoon at the skating rink under Coach Pollard. Besides Captain Hannis, Manager Glasgow, Boyd, Burk and Craig of last year's varsity, Humphreys, Phillips and Bear of last year's scrub team are again out. The most promising men of the new material are Herman, Moore, McDonald, Campbell, Wood, Hamilton, Jones, Dudley and Nolly. There are plenty of men in the University not out who should come out now before the home season opens. The team has not been picked and although several veterans are out, there is plenty of opportunity for a man to develop into Varsity material.

**J. A. MOELICK**

James Albert Moelick, a student Washington and Lee, died early Sunday morning, Dec. 10, at the age of Dr. Andrew D. Estill in Lexington. The cause of his death was typhoid fever. It developed in an aggravated form just after Thanksgiving on his return from a visit to his home. He had left a few days before to accompany the football team on its journey to Washington and Lee, where he was suffering with fever. His condition was very unfavorable throughout the week. His untimely death much surprised his friends. He was a member of the graduating class this year at the University and stood high in the esteem of his instructors and fellow students. He was a member of the R. E. Lee Memorial Episcopal church and lived an exemplary life.

He was the son of Mr. J. W. Moelick of Pulaski City who was with him throughout his illness. His mother, who is now dead, was Miss Bertie Davidson, a daughter of Captain Albert L. Davidson of Lexington, and a niece of Mrs. Andrew D. Estill.

He was buried Sunday Dec. 12 in the Presbyterian cemetery at Lynchburg, by the side of the grave of his mother. Funeral services were held at 8:30 o'clock Sunday morning at the home of Dr. and Mrs. Estill, at which the Rev. W. Cosby Bell and Rev. Alfred T. Graham, D. D., officiated. The body was taken to Lynchburg on the 9:45 train and the interment followed the arrival of the train there. Edward C. Burks, president of the student body, and Thomas McP. Glasgow accompanied the remains as the representatives of the students. Rev. Mr. Carter, rector of Grace Episcopal church, Lynchburg, and Rev. Mr. Bell, officiated at the burial service.

The Kappa Alpha fraternity now occupies the Bledsoe house on the campus.

**J. RANDOLPH T. CARMICHAEL DIED  
IN WEST VIRGINIA**

Mr. John Randolph Tucker Carmichael of Charleston, W. Va., died Sunday night, Dec. 12, at Huntington, W. Va. The cause of his death was typhoid fever, to which he succumbed after an illness of two weeks. His mother, Mrs. Virginia T. Carmichael, and two brothers, John Carmichael of Baltimore, and Harry T. Carmichael of Cumberland, Md., were with him when he died.

Mr. Carmichael was the eldest son of the late Captain John Carmichael and Mrs. Virginia Tucker Carmichael, his wife. He was the grandson of Hon. John Randolph Tucker, whose name he bore. He was born Nov. 25, 1872, at Atlanta, Ga.

He was brought up in this community and was educated at Washington and Lee university in letters and law, receiving in 1893 the degree of bachelor of law. He settled in Charleston, W. Va., to practice his profession, but gave it up to follow commercial pursuits, in which he was engaged when his illness overtook him. He married Miss Nellie M. Hubbard of Charleston, who was ill in their Charleston home when he was taken sick and unable to come to his bedside.

He was a genial, wholesome man and popular with a large acquaintance. As a student he was conspicuous in athletic sports. He was prominent in the Masonic order in West Virginia, and Mr. Strothers of Charleston, accompanied the body to Lexington as the representative of the Masons.

The body was brought to Lexington and buried in the cemetery here at noon Dec. 21.

Funeral services were held from R. E. Lee Memorial Episcopal church at 11 o'clock, the Rev. W. C. Bell, officiating. He was buried with Masonic honors by Mountain City lodge of Masons of Lexington, Rev. W. C. Bell officiating as chaplain.

Mrs. Virginia T. Carmichael and Messrs. John and Harry T. Carmichael and Mr. R. G. Hubbard of Charleston, a brother-in-law, accompanied the remains to Lexington. Among those present at the funeral were Hon. and Mrs. Harry St. G. Tucker and Miss Laura Tucker, who came up from Norfolk, Mrs. Harry T. Carmichael and Harry T. Carmichael, Jr., of Cumberland, Md., Randolph T. McGuire and Dr. Hunter McGuire of Winchester.

**WASHINGTON AND LEE FURNISHES  
A SUPREME COURT JUSTICE**

In the nomination of Joseph Rucker Lamar of Georgia, Monday morning, Dec. 12, to be an associate justice of the United States supreme court, President Taft elevated an alumnus of Washington and Lee university to this office, one of the most exalted in the world.

The new justice is one of the foremost lawyers of Georgia; a few years ago he resigned from supreme court of his state to resume practice. He studied law at Washington and Lee during the sessions of 1871-78, under Professor Charles A. Graves, whose distinguished career as teacher of law was then in its beginning.
