

## A. & M. GAME DEFINITELY SETTLED

### Arrangements Completed to Meet North Carolina in Raleigh Nov. 11

Manager Pipes stated to a Ring-tum Phi reporter yesterday afternoon that it had been definitely decided to play the A. and M. College of North Carolina in Raleigh on Nov. 11. Two games were offered for this date, one with Kentucky State University at Lexington, Ky., and the other with A. and M. An attractive guarantee had been offered by the Kentuckians and negotiations had been practically closed several days ago for the Kentucky game. Moreover it had been thought by the management that on account of faculty objection there would be no chance for playing A. and M. But the faculty committee having withdrawn their objection, and the sentiment of the student body having been expressed so unanimously in favor of giving A. and M. a date, it was decided to close with the North Carolinians for Nov. 11.

The schedule has not yet been completed, but three games have been so far settled. V. P. I. will be met in Roanoke on Oct. 28th. The annual game with North Carolina will again be played in Norfolk on Nov. 18, one week after the A. and M. game. Nov. 4th is an open date, but will probably be filled with a Virginia college. The Thanksgiving game is still pending. It was at first thought that Bucknell would be played in Lynchburg, but satisfactory terms could not be gotten. The completed schedule will in all probability be ready for announcement in the near future.

## REVISION OF EXAMINATION SCHEDULE

Last week the faculty at its regular meeting decided to change the plan of examinations by making the regular period for tests six days instead of ten, as heretofore. It has long been felt that the present plan, giving as it does, 30 days out of the college year to written tests, is unsatisfactory, both because it gives too much weight to examination, and thus minimizes term work, and because too much time is taken from regular work. To remedy this situation two plans were proposed: to reduce the number of examination periods to two instead of three; or to keep the old arrangement of three terms and reduce the period to six days. At the same time the value of class work is emphasized by a regulation that examinations shall count only one third of the student's grade for the term. This provision is aimed at the practice of "cramming" which has heretofore been of much assistance in aiding men who loaf during the term to get credit for their tickets. Stated in more detail the plan is that one week shall be the period allotted in each term for examinations. Three hours instead of five will be allotted to each subject. Two examinations shall be held each day instead of one—the first from 9 to 12 and the second from 3 to 6. Wednesday and Saturday there will be no afternoon examinations and a breathing space will thus be afforded in the middle of the period. The new system will go into effect next fall and will apply only to the academic and engineering schools. The Law examinations will remain as heretofore.

## BAD WEATHER HOLDS UP PRACTICE

The five inches of snow that fell Tuesday forced the baseball squad to practice in the gymnasium all last week instead of on Wilson Field. However it is hoped they will be out on the diamond tomorrow, as it is only two weeks before the opening game with Roanoke College.

However Coach Pollard has not been idle, for he has been putting the squad through rigid gymnasium work every afternoon in order to get their muscles hard and put the men in the best physical condition possible.

The pitchers, Moran, Efrid, Ball, Parades, Gwathmey, Hamilton and Dooley are limbering up and fast getting control. Thompson, who comes from Georgia Tech, will not have much time to be out until after the law exams. Other men who won't be out until the last of the month, on account of law work, are Lemley, 1910 utility man, and Branaman from Roanoke College, who is sure to give someone a tussle for a regular birth in one of the gardens. He is a veteran player, knowing the game, besides being a heavy and consistent hitter.

Things look as though Donahue would step into Wat Efrid's shoes behind the bat. He handles himself like a ball player, besides having a good wing. It is hard to tell who will be seen on the initial sack. Peebles has the advantage, owing to the experience he received in the games he played last season. However he will be hard pushed by Jennings and Clark. If neither of these show up well on the diamond Hamilton may be substituted from the mound to the first sack, where he played at Culver Military Academy. He has both the height and the wing, if he can develop into a good fielder and batter.

## THE PROSPECTS

There is no visible reason why this season Washington and Lee should not be represented on the diamond by the best baseball team she has ever had. With such players as Moran and Efrid in the box, Donahue at the receiving end, Captain Smith on second, Erwin at short and Brown on third, the infield will be hard to beat in the South. Waddill, Smith and Brown are about as fast as any one on the bases, while in the hitting department, it looks as though we will show four or five three hundred hitters at the end of the season with Turbyfill, Webster, Smith, Branaman and Brown.

## WILLIS ELECTED SECRETARY

At a meeting of the Executive Committee of the Student Body last Thursday in Newcomb Hall, J. House ton Willis of Washington, D. C., was chosen secretary of the Athletic Association. This election was made necessary by the withdrawal from college of George M. Anderton several days ago. Under resolutions adopted by the Student Body last spring it devolves upon the Executive Committee to fill vacancies occurring in any offices of the Student Body organization during the year.

Mr. Willis is a member of the Junior law class. This is his second year in college; he was a student in the academic department in 1906-'07. Mr. Willis played third base on the 1907 baseball team. Throughout the season he was an accurate fielder and a dependable hitter, finishing the season at the head of the batting list. Mr. Willis is a member of the Phi Gamma Delta Fraternity, the White Friars and the Sigma Society, and a pledge of the Phi Delta Phi Legal Fraternity.

## THE A. & M. GAME

The committee appointed by the student body at the mass-meeting on March 1 wishes to make public the result of their efforts to bring about the scheduling of a game with the A. & M. College of North Carolina.

A conference was held with the President concerning the possibility of playing the game, at which the resolutions and petition adopted at the mass-meeting and signed by about 500 students, were presented, as follows:

The student body of Washington and Lee University, in mass meeting assembled, on this the first day of March, 1911, feeling that the students of the University, since they support athletics by their contributions, and by their own efforts make athletics possible, should have a voice in the management of athletic matters, do resolve:

1. That it is the sense of this meeting that W. and L. owes it to A. and M. in view of the unwarranted cancellation of the game last fall, to schedule and play a game of football with A. and M. this fall.

2. That Washington and Lee owes it to herself to schedule and play such a game, in order to clear herself of any impression of yellowness on her part by reason of the regrettable cancellation of last year, which impression, we take it, would be fully justified by a refusal to play this fall.

That we petition the President of the University, and those in authority under him and with him, to bring about the scheduling of a football game with A. and M. of North Carolina, for the season of 1911, and that

a date be offered to A. and M. on which it is practicable for them to play.

In reply to the petition the President stated that his objection to the scheduling of a game with A. & M. was purely for financial reasons, and set forth his position in the matter in a letter to the committee under date of March 4:

Lexington, Va.,  
March 4, 1911.

Gentlemen:

My position concerning the petition presented by you on behalf of the student body asking permission to schedule a football game with the A. and M. College of North Carolina, is as follows:

1. With reference to the general question of scheduling games with other colleges, the faculty has given to the President and to the Graduate Manager, jointly, final veto authority. The general question of policy involved is arranging a football game with the A. and M. College would, therefore, be submitted to the president and Graduate Manager for final review. My own vote on this question will be largely determined by the view taken by the faculty committee on athletics and by the responsible coach of the team.

2. With reference to the specific question of granting permission to any particular team to play any particular game away from Lexington (assuming that the game has been agreed upon in the manner authorized under the regulations), the faculty has given to the President alone final authority, subject to the following conditions:

(a) Every outstanding obligation of the Athletic Association must have been already paid.

(b) There must be in the treasury of the Association to the credit of the team an amount of available cash sufficient to cover the necessary expenses of the trip to be made, as estimated by the President. Any amount guaranteed by a competing team, or by other responsible parties, may be regarded as available cash.

Yours very sincerely,

GEORGE H. DENNY,

President.

Messrs:

N. D. Smithson, chairman.  
C. P. Light,  
G. B. Peters,  
Committee.

Dr. L. W. Smith, Graduate Manager of Athletics, was then seen by the committee, and the position of the student body relative to a game was gone over with him. As the decision of the matter rested with the president and the Graduate Manager it was agreed with Dr. Smith that they would consider the petition of the student body and render final answer. Their conclusion is set forth in a letter to the committee, from the President, as follows:

Lexington, Va.,  
March 8, 1911.

Gentlemen:

I sent you under date of March 4th a statement of my position concerning the petition presented by you. I now send you a statement of the conclusions since reached.

1. Dr. Smith and I have fully discussed the question of general policy with reference to playing the A. and M. College of N. C. While we adhere to the view expressed more than

a year ago that the A. and M. College is not a natural rival, yet, in view of the reasons urged for the scheduling of a final game, we are willing, though decidedly against our own judgment, to yield to the insistent wish of the student body, provided, of course, the captain of the team, and a number of your own body, shall sanction the move and approve the date selected. So much for the joint action of Dr. Smith and myself.

2. My own responsibility, under the faculty regulation quoted in my former letter, makes it necessary, in view of the large financial loss incident to the football season last fall, and the unusually large guarantee the A. and M. College has been accustomed to demand when the game has been played under our auspices in Lexington, to make the condition that the next game be played under the auspices of the A. and M. College, at Raleigh, or at some other point to be selected by the A. and M. authorities, the essential requirement being that the A. and M. authorities shall make a guarantee equally as large as the guarantee that our management has been making them. This, I am sure, will strike everyone as fair and reasonable.

Moreover, you inform me in your petition that the A. and M. authorities are asking for the game, and, therefore, they are doubtless willing to assume financial responsibility for it. Finally, the suggestion that the game be played in Raleigh will perhaps help to remove the misapprehension expressed in your petition that the fear of defeat has played some part in the consideration of this matter.

Yours very truly,  
GEORGE H. DENNY,  
President.

Messrs:

N. D. Smithson, chairman.  
C. P. Light,  
G. B. Peters.

It would seem that the matter now rests with the manager of the team to make final arrangements for the game, provided the A. & M. authorities agree to play the game in Raleigh, or some other place under the auspices of A. & M., and under negotiations have been opened up with that end in view.

Signed,

N. D. SMITHSON  
C. P. LIGHT  
G. B. PETERS,  
Committee

## DEATH OF W. C. SCOTT

The classmates and other friends of W. C. Scott were shocked Thursday evening when they received the sad news of his death. After an illness of about three weeks he died at his home at Fishersville, Thursday morning at 8:30. He is survived by his mother and father, Mr. and Mrs. John Scott, and one sister, Mrs. J. W. B. Baylor.

Scott became sick on Feb. 12, with what seemed to be a case of la grippe. As he showed no signs of improvement in several days, he left for his home at Fishersville. A day or two after arriving there he broke out with measles. He failed to improve and in about a week symptoms of typhoid developed. This became complicated with pneumonia, which was the ultimate cause of his death.

Scott was born at Hebron, in Augusta county. His parents, however, bought a farm at Fishersville several years ago and they have made their home there since that time. He had just passed his 21st birthday last December, and had planned to take the place of his father as manager on the farm after several years schooling.

Last September Scott came to Washington and Lee and entered the freshman class, in the academic school. He returned home during the Christmas holidays and came back to school in January and continued his studies until his sickness, about a month later. He stood high in his classes and had made many friends both among the students and professors. He was a young man of strong physique, good mind, noble character, high ideals and bright disposition and his loss is felt deeply.

Rev. H. M. Mann conducted the funeral services at Tinkling Spring Church a 11.30 A. M. Friday the 10th. Interment was made in the Tinkling Spring cemetery. R. E. Layman, H. S. Coffey and M. A. Moore from the University were present at the funeral and acted as pall bearers.

## BIBLE STUDY POLICY Y. M. C. A.

A plan has been inaugurated by the Y. M. C. A. to introduce into the faculty houses and boarding houses a number of student Bible classes to be led by students. The priceless value of the Bible as a source of instruction in the fundamental things of life and its power as a builder of character has commended itself to a great many college men all over the country. Never before have so many students been engaged in the study of the Bible. Last year 490 institutions reported 28,562 men who attended Bible classes for two months or more.

Many students of Washington and Lee attend the Bible classes connected with the various Sunday Schools. But a large number are not reached by this plan and it is thought that if Bible classes are started in the houses of the students the percent. reached will be increased. Several classes have begun and the men are entering enthusiastically upon the study. The course which is being taken up is Bosworth's Life of Christ. The plan of the committee will be broadened until it includes a majority of the larger boarding houses of Lexington,

A graduate of Michigan with the class of 1910 has just been appointed dean of the school of engineering at the Imperial University of Pekin. This is said to be the highest position given an American in the Orient.

**THE BALL GAME**

**PRELUDE**

This is the tale of a baseball game which they played down home last fall.

**CANTO FIRST**

"Umpire Apple, who was rotten, Took his place and yelled, "Play ball."

And when the game had started With Molasses at the stick, Cigar in the box showed lots of smoke And put em over quick. I noticed Smallpox catching, And Horn on first base With Fiddle down on second With a smile upon his face.

**CANTO SECOND**

Axe came to the bat and chopped Song hit to Corn in field. Cigar, it happened, let Brick walk When Iron tried to Steel. Then Sawdust filled the bases. And Twenty made a score. Cigar went out, Balloon went in, The crowd began to roar Balloon thought he had lots of smoke Went up in rapid style, Then Cherry tried to take his place, But failed, for he was wild Old Ice did manage to keep cool, He really used his bean, But when he got hit by the ball You should have hear Ice Cream Cabbage used his head, and Grass could cover lots of ground Then Spider caught a fly And they went round and round, While Bread was loafing down on third Pump Organ shoed up fast, He grabbed a hot one off the bat And put Light out at last The crowd kept roasting Peanuts Till he had to leave his place The Umps declared that Knife was out Because he cut first base

**CANTO THIRD**

Lightning pitched an inning, too And he struck out three m n. The Umps told Horn to take is base And trouble started then, For just as Trees began to leave, While Oats was feeling shocked, Wind blew about what he could do And Hammer also knocked, But Song then made another hit And Trombone made a slide, And Song just then slid into home With the Cubanola Glide.

**CONCLUSION**

The game at last was ended When it was getting late For Meat attempting to steal home, Was put out at the plate. There was lots of betting on the game And Soap, for one, cleaned up But when it came to winning the dough The Coffee took the cup. The score was two to nothing But Door, who hung about, Said that if he had pitched the game He would have shut them out.

## REVIEW OF BASKET-BALL SEASON

Continued from page 1

At Home	4	2	667
Northern Trip	5	3	625
Total	11	8	572

The team, in the 19 games played, scored a total of 672 points to their opponents 520, as follows:

	W. and L.	Opponents
Christmas Trip	134	144
Northern Trip	208	261
At Home	326	115

The team this season was composed of four veteran players, which in part accounts for the good work of the quint. Bear at center, who last season played on the scrubs, was the only new man on the five.

Captain Herbert Hannis has played at left forward for three years on the Varsity. This season was his last and by consistent work he rounded out an efficient career in this sport for Washington and Lee. During the season he scored the largest number of fouls and was second in field goals and total score.

The vacancy, which will be made at right forward by the graduation of George Boyd will be hard to fill next year. For four years he has played on the varsity and every year has been the chief scorer for the quint. This season was his best record, he scored 204 points. This mark has never been equalled before in this state by a college player. For the last two seasons he has been alternating at forward and center, which tended to slightly break up his teamwork. He was captain of the 1910 quint.

Tommy Glasgow has played for three years at left guard. His dribbling and ability to dodge have been his chief assets. If he cannot be persuaded to come out next year his position will be hard to fill. He was manager of this year's team.

For two seasons Craig has been a tower of strength at right guard. While not a large scorer he had the knack of breaking up the opponents team work whenever they got close to their basket. The one vacancy from last years team at center was ably filled by Bear, whose improvement through the year was marked. His return next year will be a nucleus around which the coach can build a winning team.

Both of the substitutes Burke and Moore will be back and are sure to win positions on the team. The return of four old men was the only thing that kept them from being on the team as regulars. Moore played in every game while Burk played in all but one.

Humphrey deserves special credit for the hard and consistent work he did on the squad. Ordinarily he would have made the Varsity, but this season there were too many veterans. However he was out every day and did his share towards developing the Varsity quint.

Campbell will also be back and should be able to fill in one of the positions which will be vacant next season. The team will be presented sweaters at the concert on March 16th at the High School by the Combined Musical Clubs.

Sexton, who last May pitched the 15 inning 0 to 0 game for A. and M. of North Carolina against Washington and Lee, has been bought by the Birmingham Southern league team. Last season he pitched for Lynchburg in the Virginia league.
