## ANNUAL GYMNASIUM EXHIBITION

Held March 17—Captain Wood  
All-Round Champion—Music  
By Band

The annual gymnasium meet was held in the University Gymnasium on Saturday March 18th. Hard individual practicing during the winter months, together with coaching from Captain W. G. Wood, Manager Larrick and Dr. Pollard, made a strong team and a successful exhibition.

The contestants for the all-round championship cup and monogram were Wood, Ghiselin and Breidenbach. On account of a sprained ankle Breidenbach was unable to be present. The entries were as follows:

1. Mats: Wood, W. G., Breidenbach, Cooper, Bush, Ghiselin, Wood, T. M., Seward, Pritchett.
2. Horizontal Bar: Wood, W. G., Breidenbach, Larrick, Webster, F. P., Wood, T. M. Seward Miller, W. M., Ghiselin.
3. Parallel Bars: Wood, W. G., Breidenbach, Larrick, McGill, Ghiselin, Miller, Bush.
4. Rings: Wood, W. G., Breidenbach, Wood, T. M., Ghiselin, Miller, Pritchett.
5. Horse: Wood, W. G., Breidenbach, Ghiselin, Pritchett.
6. Wrestling: Hampton and Davidson.
7. Boxing: Satterfield and Murphy.
8. Double Tumbling: Wood, W. G., Pritchett.
9. Pyramids by team.

The music was furnished by the Washington and Lee Band. The judges were Dr. R. G. Campbell, Captain Johnston of V. M. I. and Dr. Pollard. The cup and medals were presented by Dr. R. G. Campbell to the following winners:

- W. G. Wood—All-round championship cup.  
Bush—Medal on mats.  
Larrick—Medal on horizontal bar.  
Miller W., M.—Medal on rings  
McGill—Medal on parallel bar.  
Ghiselin—Medal on horse.  
Davidson—pennant for best wrestler.

Satterfield—pennant for best boxer. Special mention may be also made of the work of Larrick on the parallel bars, T. M. Wood's giant swinging, Bush's hand-walking on parallel bars.

## JUNIOR LAW SOIREE

On the night of the 31st of March the Junior Law class held a Soiree and oyster roast on the tennis courts below Wilson Field. About 75 members of the class were present, the majority probably celebrating the failure to pass the second term examinations. At 9:45 a special performance at the Lyric was given, where many men enjoyed "Love me with the Tiger Love". The session started at 8:00 and lasted until past midnight. The evening was thoroughly enjoyed and will in all probability be followed next year by the class of 1913.

## ROANOKE COLLEGE FIRST VICTIM

Unable to Hit Moran and Efrid They Were Defeated 13 to 0—Erwin's  
Two Home Runs Feature of the Game—One Collegian  
Passes First Base

The first game of the Washington and Lee baseball schedule, which was to have been played last Wednesday against Swarthmore College, was cancelled on account of rain, and snow. The cancelling was a source of regret to the students, because we wanted a chance to wipe out the double defeat of last season, when Swarthmore arrived on Wilson Field before the team had been picked.

The failure of Swarthmore to play made Roanoke College the first game of the season.

Washington and Lee had little trouble in winning the game by the score of 12 to 0. The weather was anything but baseball weather. A cold wind blowing across the field throughout the nine innings. Notwithstanding this, the nine fielded fast, only two errors, neither of which were costly, being chalked up. The Collegians were unable to do anything with Moran and did not even hit a ball out of the diamond during the five innings in which he was on the mound. He fanned two men in the third, fourth and fifth inning and one in the first and second. They had little better success with Efrid in the last four innings, only hitting one ball out of the diamond to right field for a single and obtaining a scratch hit to shortstop.

### ERWIN'S BATTING FEATURE

The feature of the game was the batting of Erwin, who obtained four hits for a total of ten bases in four times up. The first time up, he clouted the ball over the left field fence for four bases, driving Brown in ahead of him with the first tally. The second time up he singled between short and third, and in the fifth inning he got his third hit, scoring Brown from second base. In the seventh inning he came up his fourth

time. Peery threw him a slow dope ball and Erwin lent on it for a circuit, having clouted the ball over the railroad track. This is the first time a Washington and Lee player has hit two home runs in one game. The afternoon's batting performance should instill confidence in Erwin, which was all he lacked last season. He bats in good form, and steps into them meeting the ball squarely. He learned to play baseball in Arkansas and up at Andover in 1909. The batting of the team was a surprise to everyone, since the men have been handicapped this spring by bad weather and only one scrub game having been played. Nine hits in all were secured by six batters for a total of eighteen bases. Moran in the fourth drove the ball over the center fielder's head for three bases, and Donahue got a two bagger in the sixth.

### FAST ON BASES

The men were fast on the bases, pilfering eight sacks. This should be a big asset again this season in scoring runs. Waddill stole three clean bases and caused the Roanoke catcher no little trouble by making him throw frequently to the bases. More of the throws were wild than good and three runs were scored on the catcher's errors. Only once did Roanoke test Donahue's throwing arm, in the seventh Captain Anderson, after being safe on an error attempted to steal. Although Efrid threw high to Donahue, the little catcher got off a perfect throw to Smith and the would be thief was easily caught.

An unusual characteristic of the game was that none of the Blue and White outfielders got a chance. Game in detail as follows:

## BASKETBALL SWEATERS PRESENTED TO EIGHT

Small Crowd Present at Appearance of Combined Musical Clubs

A small number of students and townspeople greeted the combined musical clubs at their appearance on March 15 in the High School Auditorium, but those who went were well repaid for their time and money. The close proximity of examinations kept many students away, and made the date of the entertainment an unfortunate one. The program, which was participated in by the orchestra, the glee club and the mandolin and guitar club, was entirely of "rag," and the selections rendered brought forth enthusiastic and deserved applause. The purpose of the entertainment was to get sweaters for the basketball players, and at the close of the musical program Dr. Currell presented them in a happy speech. Sweaters were presented to Coach Pollard and to the regulars on the team. The entertainment was closed with the rendition of the Washington and Lee Swing by the orchestra and glee club.

### PENN. STATE HERE 6TH AND 7TH

The Pennsylvania State College baseball team will play the Varsity on Wilson Field April 6th and 7th at 3:30 p. m. This will be the first time since 1907 Washington and Lee has played Penn. State. Three seasons ago we dropped two games to the Pennsylvanians by the scores of 11 to 3 and 6 to 0.

Their line up and batting order will be as follows:

Bubb, right field; Captain Kelly, second base; Workman center, field; Eberlein, first base; Creig, shortstop; Haddow, third base; Carson, left field; Young, catcher; Klepfer, Minick, Whitney, Piollet and Murphy, pitchers.

They carry three substitutes, Miller, Bein and Blythe. Piollet, one of the pitchers is a former Cornell man, and besides playing baseball at State was end on the Varsity eleven last fall.

Penn. State has a good nine, seven of them being veterans. The men who played last season are Captain Kelly, Buff, Workman, Eberlein, Carson, Piollet, Blythe and Bein.

The week will be rather strenuous, four straight games being played.

On Wednesday, April 5, Penn. State will play Virginia in Charlottesville.

**Representatives from Various  
Fraternities Lay Plans for  
Dance at Finals—  
Knote Chosen  
Chairman**

At a recent meeting of representatives from the various fraternities to confer on the subject of the annual inter fraternity dance given at Finals, a permanent organization was effected and the following officers chosen:

G. T. Knote, chairman.

B. R. Hooper, secretary and treasurer.

The sub-committee in charge of arrangements, decoration, etc., will be named later by Chairman Knote.

It was decided by the representatives present that the dance would be held at the same time as last year; i. e., on the Saturday night preceding Final week. Arrangements were also completed through the Final Ball management by which the services of Schroeder's orchestra are secured for the dance Saturday night, as well as for the remainder of the dances at Finals.

**BOYD ON ALL SOUTH ATLANTIC**

**Washington Post Scribe Names Him Best Man in Game in This Section**

Joe S. Jackson, sporting editor of the Washington Post, in his selection of an All-South Atlantic Basketball team gives George Boyd of Washington and Lee the position of left forward. Two players are given to Georgetown, two to Virginia and one to Washington and Lee. The Navy was not considered in making the selections because it plays all of its games on the home floor. Of Boyd the Post says:

"Boyd of Washington and Lee, and Martin of Georgetown are the choices for the forward positions. Boyd is the better of the two, and this is no reflection on the merits of the diminutive Blue and Gray player. "Boyd probably, everything considered, was the best man in the game in the South Atlantic Division. Tall, rangy and fast, he is strong in every department, and an exceptionally good shot."

Schlesser of Georgetown, is given center, with Cecil and Campbell, both of Virginia, guards.

For a second team Rixey, Virginia, and Barriscello, Georgetown, are chosen forwards, Cook of Loyola, center, Monarch, Georgetown, and Schuerholtz, Baltimore Medical, guards.

The Post says further: "Taking it all in all, the standing of the game in this section during the past season was much better than it was in several previous years, and seems to have gained a new foothold after somewhat of a decline.

"It is almost impossible to name the South Atlantic championship team. On account of ties among those which have claims. Georgetown, Virginia and Washington and Lee have an equal right to the honor. Georgetown and Virginia split even in the two game series, and the same thing happened between Washington and Lee and Virginia. The showing of this trio in other games does not offer enough comparison to make a choice."

**NEW CATALOGUE ISSUED**

The catalogue of the University for the present session and announcement for 1911-'12 has recently come off the press and is in the hands of the registrar for distribution. The general arrangement of the bulletin is as heretofore, but a few details have been changed particularly the register of students. Instead of including as heretofore the list of subjects which each student is taking, only his year in college and his department are given. The old statement regarding the contingent fee has been changed in accordance with the action of the Board of Trustees last Finals and it is now stated as follows:

"The Contingent fee of \$5 is required annually of each student on entrance. From this at the end of the session will be deducted all amounts due for breakage or other damage to College property by students, and the remaining will revert to the athletic fund."

The number of students registered in January of this year is shown to be 616, as compared with 597 in 1910, 563 in 1909, and 468 in 1908. The students are divided by departments as follows: Academic 346, Law 169, Engineering 101. Virginia leads in number of students in attendance,

with 266. West Virginia is second, North Carolina third, with Tennessee fourth. Thirty-one states and five foreign countries are represented. The classification by residence is given below:

Alabama 24, Arkansas 14, California 1, Connecticut 2, Cuba, 1, Delaware 1, District of Columbia 11, Georgia 13, Florida 19, Idaho 1, Indiana 1, Kansas 3, Kentucky 13, Louisiana 14, Maryland 18, Massachusetts 1, Mexico 2, Michigan 1, Mississippi 17, Missouri 5, Montana 1, New Jersey 2, New Mexico 3, New York 9, North Carolina 30, Ohio 2, Oklahoma 6, Ontario 1, Pennsylvania 15, Persia 1, Russia 1, South Carolina 6, Tennessee 28, Texas 25, Virginia 266, West Virginia 59. Total 616.

**GROUND BROKEN FOR DINING HALL**

Ground was broken last week for the new dining hall and work will be pushed rapidly forward to completion. It is expected that the building will be ready for occupancy at the opening of next session. The building will be of colonial architecture, constructed of red brick with stone trimmings. It will be located between the dormitory, the library and Newcomb Hall, and the main front will face House Mountain to the west. A portico with six white columns and entrance will be on the main front, with another entrance towards Newcomb Hall.

The main dining hall will be 34 by 45 feet, with a pitch of 18 12 feet. The seating capacity will be from 125 to 150. On the main floor will be rooms for cloaks and offices in the end next to the library, while the kitchen will be in the end next to the dormitory. Over the central room will be six living rooms with bath, designed as living quarters for the family of the manager.

A basement under the kitchen will contain the boiler for supplying heat and steam for cooking; also a coal room.

M. B. Stoddard of Staunton, was the lowest bidder, and was awarded the contract for the erection of the building. Three other bids were submitted by J. C. Loyall of Lexington, W. B. Snead & Co., and C. W. Hancock & Son of Lynchburg. The building and furnishings will come within the appropriation of \$16,000, made last June by the Board of Trustees.

The building commission who awarded the contract are President Denny, Professor Humphreys, Trustees Barclay and Moore and Secretary Campbell. The architect was Benjamin C. Flounroy of Washington. Professor D. C. Humphreys will supervise the construction.

## THE BASKETBALL CHAMPIONSHIP

Elsewhere in this paper we have given the Washington Post's estimate of the South Atlantic Basketball championship. It seems to be generally conceded that Georgetown, Virginia and Washington and Lee were of approximately equal strength. College Topics makes this estimate, and thus the Washington Post sums up the situation. But everybody who has so far written on the subject has entirely overlooked the claims of V. P. I. No mention is made of their team in the Post, and no other write up that we have seen has considered them.

It is true that V. P. I. did not play either Georgetown or Virginia, and thus no direct line of comparison can be gotten between these teams. But it is also true that Washington and Lee did not play Georgetown, and the comparison between the two is the same kind that would have to be made between V. P. I., Georgetown and Virginia. The Techs defeated Washington and Lee twice by decisive scores, proving their superiority to us beyond question. If it is granted then that our team was equal to Virginia's and Georgetown's, V. P. I. must be ranked above them and given the title.

In our opinion V. P. I.'s team

was the best seen here. Their physical condition was superb, and not a substitute was used, while Virginia used practically two teams. In fact V. P. I. used only five men in every game played this year. The Record of the Techs for the past three seasons is unequalled. They have not been beaten in Blacksburg in that time, and have been undefeated by a college team in two seasons. Last season they lost only to Lynchburg Y. M. C. A., and split even with that team by winning the first game there.

The only criticism we have to make of V. P. I. is that they do not play enough teams of equal calibre with their own. With the team they put out this year it would have been possible to defeat almost any team in this section: and the only reason they were not ranked is that they did not play enough hard teams.

"The Ring-tum Phi always has some controversial passage with A. & M. for the editorial page, and this week it is well filled. This is a lively paper though, and very newsy, in spite of its tendency to controversy."—Cardinal and Cream.

If our worthy contemporary will permit us we should like to make a slight correction. The Cardinal and Cream has evidently gathered a wrong impression from our recent account of the effort to get a football game with A. & M. next fall. Careful reading of the editorial columns of this paper will disclose the fact that Washington and Lee has had no controversy with A. & M. in any sense of the word. Our relations with A. & M. have been pleasant and will continue so. The only conflict we have had on that score is among ourselves, and its termination was satisfactory on all sides.

In a dispatch to the Lynchburg News from Raleigh, publishing A. & M.'s football schedule for next fall, the A. & M. correspondent says:

"The date with Washington and Lee University is a source of considerable gratification to the students of A. & M., who deeply appreciate the fine sporting spirit shown in the action of the Washington and Lee students in making a game possible."

The date is also a source of satisfaction here, and the student body of Washington and Lee is glad to have been able to set itself right in the eyes of A. & M. and of the football world generally.

## THE REPORT ON FOOTBALL FINANCES

### Statement Made by Manager Thach With Regard to Audited Report Rendered Athletic Committee

In connection with the detailed report of the football finances last fall, made to the student athletic committee by Robert G. Thach, manager for 1910, Mr. J. W. McClung, expert accountant and auditor, has submitted the following statement to President Denny and Graduate Manager Smith:

March 31, 1911.

Dr. George H. Denny, president, Washington and Lee University; Dr. L. W. Smith, graduate manager, Washington and Lee athletic association; Mr. Robert G. Thach, student manager, Washington and Lee football team, 1910:

Gentlemen:—

At the request of Mr. R. G. Thach, student manager of the 1910 football team, I have made a thorough audit of the books and accounts of the athletic association for the past football season, in which I carefully examined the receipts and disbursements, comparing each voucher with the entry on the books. The amount appropriated by the athletic association, which passed through Manager Thach's hands was referred by me to Graduate Manager Smith for verification and approval.

The results of the examination shows that Manager Thach has kept the accounts with a marked degree of care and exactness, and that his disbursements are properly supported with vouchers, which I passed without question.

There is \$49.82 due Manager Thach, which he has offered to donate to the association, and I have prepared the accompanying statement in accordance with his offer.

Respectfully submitted,  
J. W. McCLUNG, Accountant and Auditor.

Accompanying the detailed report and vouchers, which were placed in the hands of the athletic committee, Manager Thach issued the following statement:

To the Executive Committee of the General Athletic Association and the Student Body:

Heretofore it has been customary for the books of student managers to be audited by the Athletic Executive Committee, but for lack of definite responsibility this auditing has always suffered more or less neglect. I have taken the liberty, therefore, to turn my accounts and vouchers for the past season over to an expert auditor and accountant, with the hope that in the future this method will be adopted in all cases, as being more efficient and business-like than any other way. The entire report of Mr. McClung, the accountant, cannot be given in detail in the Ring-tum Phi's columns, on account of lack of space, but believing that the student body is entitled to know and is interested in knowing the general channels of expenditures of the athletic association's money, I am appending the following figures taken verbatim from the audited report:

The amount spent by student management from the general athletic fund was	\$1,649.43
Less cash returned	811.06
	<hr/> \$838.37

Outstanding indebtedness of the association to J. W. Brine Co. for equipment, and J. P. Bell Co.,

for advertising A. & M. game \$291.14

Total expenditure incurred by Student Management \$1,129.51

The appropriation for football made by the athletic association this fall, was \$1,500, and hence with an expenditure of \$1,129.51, there is an apparent surplus of \$370.49. Athletics as a whole, however, pay \$1,200 towards Dr. Pollard's salary as coach for the entire year, and according to the pro rata made by the athletic committee, football is charged with \$800 of this \$1,200. Deducting the apparent surplus of \$370.41 from \$800, the net excess of expenditures over the general appropriation of \$1,500 was \$429.51.

It is needless to say that it has occasioned the management a great deal of regret not to have turned over a surplus to the athletic association's treasury this year, it being a time when funds mean a great deal to our athletic development, and any open criticism, in good faith, of the manner in which affairs were handled in any particular will be gladly welcomed, in the hope that future student managers can profit thereby, for in the handling of several thousands of dollars by any person with comparatively little business training, there are a great many mistakes that can readily be made.

On its own part, however, the student management desires to make the following comments on several matters which might both serve to correct several wrongful impressions received by members of the student body, and possibly prove of value to others connected with the association in a managerial capacity.

These comments, containing some criticism along certain lines, are made here for no other purpose than to subserve the future welfare of the business end of athletics in the University and with no idea of criticising the MOTIVES OR GOOD INTENTIONS of anybody or to launch forth any EXCUSE why football came out in the hole this fall. The management feels that it owes no excuse for the results under the existing circumstances and the following comments are simply statements of facts, from which anybody may draw his conclusions as he sees fit, the idea being that the University will necessarily be benefited by openness and frankness with the student body in respect to the money which in a large part was contributed by them.

1. In 1909 not over \$75.00 was spent for equipment, with the result that the past season, to properly furnish the men who were sacrificing their time to come out for the team with clean, sanitary and protective outfits, an expenditure of \$351.05 had to be made, a difference of over \$275.00.

2. The A. & M. game caused an outlay of approximately \$100 and A. & M. very courteously waived its rights to the \$175 due them on account of cancellation. It was the judgment of the management, of ten Lynchburg alumni who were consulted, and of the sporting editors of both the Lynchburg papers that this game would have resulted in some profit, though possibly small.

3. Two extra men were carried by order of superior authorities on the trip to Washington, one to Norfolk, and two to Birmingham, over the direct protest of the management. The carrying of these extra men was undoubtedly for the advantage of the team, but it was against all principles of good business to spend money that was clearly not in sight, especially since with the

team's poor record it could not possibly be the drawing card that it should. These items amounted to approximately \$153.

4. The North Carolina game in Norfolk, on which was lost \$333.80, was in a sense scheduled as an investment for future years, as the working up of a good game in a big place like Norfolk will do much towards augmenting the association's revenue. The lack of interest caused by the marked weakness of both Carolina and Washington and Lee the past season, and the scheduling of a jockey meet in Norfolk for the same date, after the football contest had been arranged, were circumstances which caused a greater deficit than could have been possibly expected.

Respectfully submitted,  
ROBERT G. THACH,  
Manager Football, 1910.

**CREW WORK STARTED**

**Albert Sidney Had First Tryout on River Yesterday**

The first call for crew candidates by the Albert Sidney club brought out a large squad of old and new men. The outlook for a successful four this spring was exceedingly dark, owing to the graduation of all of last year's crew, but an abundance of good material insures an average crew.

A great drawback to crew work at Washington and Lee is the lack of experienced material. Unlike the preparatory schools of the North, those in the South do not indulge in this sport; in fact Washington and Lee is the only University in this section which boasts of a crew. Naturally, each year the new men must be broken in and taught what the average freshman in the Northern Universities learned in prep. school. But with all these hinderances our records are above criticism, and may be compared with the best.

The squad now at work includes the following veterans: Dillon, Hobson, C. N., and J. P., Honaker, Atkinson, Dulin, Montgomery, J. N., all of whom are showing good form. Among the new men there are several who bid fair to occupy seats when the race with the Harry Lee's take place. Clovis Moomaw, captain-elect of the eleven, is using his brawn in a manner to please the committee, while Kinnear, weight man on last year's track team, handles an oar as well as he throws the hammer. Others who are showing to good advantage are Murphy, O'Quinn, quarterback on last fall's team, Auerback, Ely, R. W., and Paxton.

Among those who were sent up the river for a short spin yesterday were: Dillon, Moomaw, Hobson, J. E. Atkinson, Bell, Meacham, Murphy, Dulin, Ryan, Reed, Tabb, Sloan, Honaker, Brawner, Auerback, Kinnear, Walters, Dodd, Lively, Somerville, Montgomery, J. N., Hobson, C. N., Ely, R. W., O'Quinn, Preston, Bajach, Coiner, Paxton and Dickey.

**Y. M. C. A. STATE CONVENTION**

Perhaps the largest and best State Convention that has been held in Virginia will take place in Charlottesville April 6 to 9. A strong program has been arranged and those who attend will find that the time has been well spent. W. J. Bryan, R. P. Hobson, Dr. W. D. Weatherford and many other strong speakers will appear on the program.

It is expected that a large delegation will represent Washington and Lee. Several men have already expressed their intention of going. The Faculty will be represented by Dr. J. L. Howe, who will make a speech at a Conference of the faculty men. One or two more of the faculty may go.

Lacrosse is being abandoned at Coleridge on account of lack of interest on the part of undergraduates.

One thousand four hundred and eighty-two periodical publications are regularly received by the libraries of the University of Michigan.

The Princeton English Dramatic club presented Shakespeare's "Comedy of Errors" at the Princeton club in New York last Saturday night.

## CAROLINA TRACK MEET

Postponed to April 21st—Men Practicing Daily on Wilson Field

Manager Bootay received a telegram on Saturday night from Nat. J. Cartmell, coach of the Carolina track team that the dual meet which was to have been run off on April 8th would be postponed until the 21st.

The local men have been held up most of the spring on account of very bad weather conditions. But some of the men have been practicing pretty regularly. There is no reason why Washington and Lee should not be represented by a good team on the cinder path again this season. Last year we had the best team that has ever represented the Blue and White. The men seemed to take more interest in the sport, which should be a major one, than ever before, owing largely to the untiring efforts of Captain Robbins and Manager Knot.

There are a number of old men in College who are out again and also plenty of good new material. All men, whether experienced or not, should come out, if they have any ability in one line or another.

Carolina probably has the best team they have ever had. The Tarheels have taken rapid strides in track in the last two years—since they procured N. J. Cartmell, the former Pennsylvania sprinter and member of the American Olympic team to London in 1908. He has developed Bob Winston into a 10 second century man, besides having aroused the University to take an interest in the sport. The hundred should be a pretty race between Winston and Glass, who is the fastest man Washington and Lee has ever had.

## VETERANS IN COLLEGE.

Among the old men in College are Captain Larrick and Kinnear in the weights, Anderton in the distance run; and broad jump, Glass in the sprints, Burke, Glasgow and Satterfield in the hurdles, sprints and jumps

The best of the new men are T. M. Wood, winner of the cross country last fall and a member of the Freshman basketball team. He should make a good running mate for Anderton in the distances. Harman and O'Quinn are among the candidates from the Freshman class.

## LAFAYETTE HERE TODAY AND TOMORROW

Lafayette College baseball team will play Washington and Lee on Wilson Field April 4th and 5th at 3:30 p. m.

In 1907 the last time the two teams met the Blue and White were defeated on their Northern trip in Easton, Pa. The Eastonians this season are without the services of DeMott, who was reputed the best College pitcher in the East, and in June went to the Cleveland Americans. However in Long they have a veteran who is hard to beat, when his spitter is working. Fager and Nugent are also good men, the former being a good hitter and usually alternating between the box and left field.

Conover is a veteran athletic, besides being a catcher, he is one of the best men who has ever played in a Lafayette backfield. Last fall he was out of the game the last of the season, owing to injuries.

Last week Lafayette broke even with Trinity in Durham and Carolina in Chapel Hill.
