

## Generals Add Another Win By 32-7 Score Over Citadel

Palmer's Great Broken Field Running and Cameron's Line Plunging Feature Irresistible Attack

### CITADEL BREAKS LOOSE ON SCRUBS

The Washington and Lee Generals subdued the fast, aggressive eleven of Citadel College by a 32-7 score on Wilson Field today. The visitors could do little with the defense presented by the Generals and their only means of gaining was by the use of the aerial game. They held the White and Blue to a 6-0 score in the first half, but in the second period, the Generals presented an offense that could not be stopped. Mike Palmer dazzled the crowd with his spectacular broken field running, one time breaking through the line and running sixty-five yards for a touchdown. Eddie Cameron with his line plunging could not be halted, and he accounted for four of the Generals touchdowns.

The Citadel team fought like a tiger during the first half and the darker Blue and White scored their only marker in this period when Cameron went over for a touchdown after the ball had been brought from mid-field by a series of line plunges by Wilson, Cameron and McMillan. Kay Thomas failed to annex the other point.

At the start of the second half, Mike Palmer entered the game and he immediately began his broken field running by carrying the ball to the six-yard line on a series of plays. From here, Eddie Cameron again carried the pigskin over for a touchdown. Thomas kicked goal. A few moments later Cameron scored his third touchdown and Thomas failed at goal.

Palmer broke through the line and ran sixty-five yards for a score. He shook off three would-be tacklers and stiff armed several before he had a clear field. Cameron scored the last marker for the Generals when he caught a pass from McVay behind the goal line. The pass was good for 20 yards.

At this point of the game the Bull Dogs opened up a varied aerial attack and scored their only touchdown when Nesmith caught a long pass from Taylor. They were advancing towards the goal again but McVay intercepted Taylor's pass and the South Carolinians were halted.

**First Quarter**  
The Citadel Bull Dogs won the toss and kicked off to Washington and Lee. Thomas received the kick and ran the ball back to the middle of the field. McMillan and Cameron made the first down by a series of tackle plays. On the next play the Generals fumbled and Citadel recovered. The Bull Dog's first play was an attempted forward pass which was intercepted by Rauber, giving the Generals the ball on the twenty-two yard line. Washington and Lee failed to make a first down and the ball was given to the Citadel. After a four yard off tackle gain by Weinberg the Citadel punted, the Generals receiving the ball on their own forty-five yard line. The combination of McMillan and Cameron was good for a first down on successive off tackle plays. After McMillan failed to gain off tackle Wilson tossed him a pass netting 23 yards. First down and the goal to make. Fighting hard but in vain the Generals could not put the oval over the line for a touchdown and the Citadel got the ball on the twenty yard line as the last pass by the General went over the goal line. The Bull Dogs immediately opened up with an aerial attack which was stopped before it got under way and Berry punted out of danger. When the first quarter came to an end the teams were engaged in a punting duel. Score W and L 0, Citadel 0.

**Second Quarter**  
The Citadel tried several line plunges at the beginning of the second quarter but were forced to kick

when the General's line was found to be solid. With the ball on their own thirty-seven yard line the Generals started down the field with Cameron and McMillan again battering the Citadel line for gains. The Bull Dogs suddenly stiffened and Rauber punted. It was Citadel's ball on the sixteen yard line. Hawkins on the next play made a tackle behind the line throwing the Bull Dog player for a five yard loss.

Berry punted out of danger to Wilson who ran the ball back 17 yards to the Citadel thirty-two yard line. After failing to complete a pass the Generals made 12 yards on an off tackle run by Cameron. The Bull Dogs held again and received the ball on downs. Weeks made four yards around end Berry punted, Wil-

### FROSH POINTED FOR BIG W. VA. GAME

Leave Tomorrow for Armistice Day Struggle in Parkersburg

The Little Generals are leaving Sunday afternoon for Parkersburg, W. Va., where they will meet the University of West Virginia Freshman on Armistice day.

Much preparation has been made by the citizens of Parkersburg for the reception of the two teams.

Coach Eddie Parks Davis has been rounding his men into perfect fighting condition during the past week by numerous signals practices and hard scrimmages, not only with the second freshman team, but with the varsity squads also. He expects his men to put up a strong fight against the West Virginians and to give a good account of themselves.

When the Freshmen arrive in Parkersburg, they will be met at the train by a reception committee which will escort them to the Chancellor Hotel, where they will make their headquarters. After the game the members of the squad will be ban-

### SUCCESS ASSURED INFORMAL TONIGHT

Will Begin At 8:30 Promptly—Southern Collegians Ready To Open Festivities.

With approximately fifty girls already in Lexington and all final plans completed, everything is in readiness for the Informal tonight in the Doremus gymnasium. The early arrival of the girls is perhaps due to the football game on Wilson field at which there were a large number in attendance.

The Southern Collegians have been practicing diligently for the past two weeks and appear on the dance floor in the best condition to furnish a brand of music that will be able to withstand criticism. Their popularity is becoming known off the campus as shown by the contracts recently made to furnish the stimulus for neighboring dances.

The informal tonight will begin promptly at 8:30 o'clock and last until midnight. As announced recently only freshmen who accompany girls will be admitted to the dance floor with the exception of the freshman football team, and all of whom must wear the regulation green tie. Dance control regulations in regard to the drinking of intoxicating liquors will be in force during the dance tonight and any man breaking the regulations will be punished accordingly.

### TENNIS TEAM AGAIN WINS OVER FACULTY

Meet With Virginia Could Not Be Played On Account of Wet Grounds.

The Washington and Lee tennis team after traveling to the University of Virginia and remaining idle there due to wet grounds found stiff opposition on their own courts Wednesday from a team composed of W. & L. faculty members. The majority of the sets were close and only after hard tennis was the Varsity able to overcome the "Professors."

Five single matches were played and two doubles. Capt. St. John defeated Mr. Zerfoss, De Biao won from Coach Williams, Crenshaw put out Dr. Levitt. The remaining singles were won by the faculty. Mr. Funkhouser proved superior to Cassell, while Mr. Sherrill was victorious over Manager Gould. In the doubles the Varsity showed its strength in both of the matches, Capt. St. John and Manager Gould winning from Mr. Zerfoss and Mr. Sherrill, Crenshaw and Cassell from Dr. Levitt and Mr. Funkhouser.

Before the end of the fall season there will probably be other matches with the faculty. No collegiate games are so far scheduled.

## THANKSGIVING DANCES PROMISE ENJOYMENT

Two Dances, a Morning Informal, and Troubadour Show are all on Program

To Miss Elizabeth Pritchard of (New York is given the honor of leading the Cotillion Club Thanksgiving Dance on Friday evening November 28. She will lead with Jennison Cook, President of the by G. T. W. Hendrix with Cotillion Club, who will be assisted Sarah Anne McCue of Charlottesville, Virginia. The Cotillion Club dance, which is the first of the Thanksgiving set of formal, will begin promptly at 8:45 and will last until 2 o'clock.

The annual Sophomore Cotillion to be given on Saturday night will be led by C. J. Crockett, Jr., President of the Sophomore Class, with Miss Margaret Crockett of Detroit, Mich.

### SOPHS VICTORIOUS IN PUSH-BALL TILT

Roll Up Big 87-0 Score on First Yearmen—First Soph Victory in History

For the first time in its history the annual push-ball fight between the Sophomores and Freshmen was won by the upper classmen. They were victorious over the frosh on Wilson field Friday afternoon by the score of 87-0. The winners were captained by R. T. Foree, while the losers were led by S. Jennings.

The Sophomores were first to hit the ball at the opening whistle. They then began a steady march down the field to the frosh twenty-five yard line where the yearlings braced and contested furiously for the twenty-five yards between them and their goal. When the five yard line was reached the freshmen ranks were augmented by some four men who helped return the ball to the ten yard line. There the increased number of freshmen was discovered and the four men were put out of the game. The Sophs then pushed the ball over the goal line, after the first seven minutes of play. The ball was put in play again in midfield and from there the second year men again drove it down the field, this time to the eight yard line. The half ended with the ball there but the freshmen incurred a penalty of ten yards for again having too many men on the field.

At the beginning of the second half the ball was placed on the fresh forty yard line as a result of the penalty. The Freshmen then made their strongest bid for a goal, driving the ball deep into their opposite territory but lacking the punch to push it across.

The entire second half was fairly even, with the edge, if any, going to the freshmen. Milbank, Lancaster, and Cayce were the luminaries in the play of the second year men while Joynes, Hopkins, Phillips, Patterson, and Johnson shone for the frosh. Only two casualties were of such seriousness that the men were compelled to withdraw from the game.

### INTELLIGENCE TESTS FOR ABSENT FRESHMEN

To Be Given Monday; Compulsory For All Frosh Who Missed Last Time.

Psychological examinations for those freshmen who have not previously taken them will be given at 7:30 o'clock, Monday, November 10, in the chemical lecture room (Washington 306). These intelligence tests were first given three weeks ago, but so many men were absent that they will have to be repeated. Every freshman who missed the first tests must take them at this time.

### V. P. I. HARRIERS WIN CLOSE VICTORY

Howard Comes in First but Poly Places Next Three Men

The Virginia Poly harriers won a close victory over the W. & L. harriers by a 28 to 29 score in a dual meet on Wilson Field here today. The race was run between the halves of the football game and the finish was in front of the stadium.

The athletics ran around the track twice and then headed out over the six mile Brushy Hill course. Thirty-two minutes sixteen seconds later, Lane Howard, South Atlantic cross country champion crossed the tape, nearly two minutes ahead of his opponents. Howard seemed to be little winded by the race and acted as if he were taking a short workout. Jackson, Richards and Dance of V. P. I., tied for second place all three running in a dead heat. Gannaway, of W. & L. finished fifth; and Bean his teammate, came in after him. Crowell, of V. P. I. was seventh. The rest finished in the following order: Rushton, W and L; Gordon, W and L; Fulton, W and L; Pfeffer, W and L; Osborne V. P. I.; and Christian, V. P. I.

The Generals get a chance to come back and defeat the Techmen this season as the Gobblers will be back here next week-end for the first annual Southern Conference cross country meet which will be held under the auspices of Washington and Lee.

### MAY OBTAIN SPECIAL RATE TO CHARLESTON

If as Many as 125 Students Go to Game with W. Va., There Next Saturday

If there are as many as 125 students who can secure leaves of absence there is a possibility of obtaining the special rate of fare plus twenty-five cents to Charleston for the West Virginia game.

A card will be put up on the main bulletin board either tonight or tomorrow and as many as have already obtained permission to attend the game are asked to sign the card. If the requisite number are obtained including the football team of about thirty men there will be several coaches added to the train leaving Lexington Friday at 4:15 P. M.

Graduate Manager Smith desires to know how many men intend to go to the game by Tuesday noon, so the names should be written on the card before that time in order to provide time to make the necessary arrangements with the railroad company. He also has on hand 150 reserved seat tickets for the game the price of which are two dollars.

It was deemed inadvisable by the Executive Committee to ask the faculty for another holiday owing to the recent holidays granted for the V. P. I. and Virginia games, but if there are as many as 125 men who expect to attend the game anyhow, it will be possible to secure for them the train fare at the above greatly reduced rates.

Studies, someone has said, are those things which give by way of contrast zest to those things for which one really comes to college.

We wonder what has become of the publicity agents for the good old Chinese game of Mah Jong. Perhaps we only need the North Wind to again bring out the little tiles.

Get that girl for Thanksgiving now.

**Help the Sweater Fund.**

In order to swell the Sweater Fund to provide monogram sweaters for the Varsity football men, Manager Weinberg of the Lexington theatres has very generously consented to give a special show at the Lyric Theatre next Saturday night. Half of the proceeds of this show together with the amount realized on the first informal dance will go to the fund, and all the students who can spare the price of admission are urged, or rather, invited to attend this show and witness a program of movies specially arranged for the occasion. This will be an opportunity to see an unusually good show, coming at a time at which it will not interfere with studies, and at the same time to show your appreciation for those Fighting Generals who are making such a splendid record for themselves and the University they represent.

**Cold Checks.**

Every year we have our cold checks just as regularly as we have our cold days, and in spite of every effort on the part of Student Body and executive officers of the University the practice seems in a measure to persist. Time and again the Executive Committee of the Student Body has taken the matter into consideration and the president of the University has himself been active in an endeavor to stamp out this pernicious practice.

We hesitate to call all who issue cold checks, dishonest, for we know of times when checks were given and the drawer did not know that he had insufficient funds on hand with which to meet payment. This is downright and sheer carelessness, but even in some cases excusable, for they are often given by freshmen who possibly have never before had the responsibility of a bank account in his own name. But for upperclassmen there seems to be no valid excuse for the practice. If it is deliberately done, of course, no such man has a place in Washington and Lee. We speak here only of the careless man.

It is up to a person drawing a check to know just what funds he has on hand, and to make his check accordingly. One of the greatest lessons we can learn here, it seems to us, is to be able to at least regulate properly the expenditure of our income, be it large or small, and do it in a systematic and business-like way.

Aside from this is the formation of good business habits, for the tendencies and practices which we follow during our days in college surely will be followed but a few years later in the world of business. A man who is a cold check artist in college will cut a very sorry figure indeed if this sort of tactics is pursued in business.

The habit of getting a monthly statement from the bank and keeping a record of expenditures on stubs or in a separate book would be a worthy one to form. This would facilitate matters for the student, the bank and the merchant, and

would go a long way toward making the cold check a total stranger on our campus.

**THE COLLEGE WORLD**

Twenty members of the University of California Glee club spent the summer in touring the United States and Europe giving concerts in the various towns along their route. Royalty and commoners alike came to hear the "exhibitors of the fine art of jazz."

A 13-year-old freshman, Miss Cynthia Mallory, is the youngest student at Michigan University. Though she still plays with dolls and reads fairy tales, she speaks French and is specializing in Romance languages.

An alumnus of Ohio State University is making the trip from Singapore to see the game with Michigan in the Ohio stadium on November 15. By the time he arrives he will have traveled 12,000 miles.

In order to distinguish freshmen women as well as men from upperclassmen in Miami University the women are forced to wear green dresses while on the campus.

What does a girl's wearing a fraternity pin mean? Almost anything according to a recent census taken among co-eds in a western university. Some declare that you must marry him, if you wear his pin: some consider it a measure of popularity only, and others, who were in the majority, manifested that it all depends on "how you look at it."

At the University of Washington over three hundred men have signed up for the air service course of the R. O. T. C. It is expected that the number will be reduced fifty per cent by the physical examination.

**POWELL, NOTED PIANIST, TO GIVE CONCERT MONDAY**

Performance Under Auspices of Tuesday Woman's Club Will Be Present At Lyric Theatre.

John Powell, one of America's premier pianists, will give a concert at the Lyric Theatre Monday evening November 17. Mr. Powell comes here at the invitation of the Tuesday Woman's Club of Lexington, under whose auspices the concert will be held. Mr. Powell is on concert tour under the management of Loudon Charlton, Carnegie Hall, New York. H. T. Finck, critic of the New York Post says of Mr. Powell, "There is no pianist before the public today whose playing gives greater delight than that of John Powell." Similar criticisms have been made of Mr. Powell the world over, wherever he has appeared.

Mr. Powell was born in Richmond, Virginia, in 1882. He is a graduate of the University of Virginia, and a member of the Phi Beta Kappa fraternity. He is also an honorary member of the Societe Astronomique de France, in recognition of his services in the field of scientific thought.

Mr. Powell made his professional debut in Berlin in 1908, after five years' preparation under the famous Viennese master, Leschetitzky. After other appearances in Vienna, Paris and London, he came to America in 1913, and won instant recognition from the critics as a virtuoso of outstanding significance.

In 1920 he toured Europe with the New York Symphony, playing his widely popular Rhapsodie Negre. In the double capacity of soloist and composer Mr. Powell revealed to the skeptical Old World the fact that deserves consideration. At the concert given in Rome, Alfredo Casella, that dynamic personality of Italian Modernism, wrote in his review that "the Negro Rhapsody more impressed the audience than any other piece on the program. For once, a European audience has heard American music of clear, immediately recognizable and stimulating voice."

As a composer, Mr. Powell's inspiration takes its root in the soil of his native land; as, for instance, in his Sonata Virginianesque for violin; in the orchestral overture, In Old Virginia; in the fascinating suite for piano, At the Fair; and in his Rhapsodie Negre. This last composition, for piano and orchestra, was first produced in 1918, and is a striking denial of the claim made by some doleful prophets that the cause of American music languishes for lack of popular appreciation. As a matter of fact, this work has had wider and more immediate success than any other composition for piano and orchestra in the history of music, having had almost fifty performances since 1919.

**CHURCH BASKETBALL CONFRONTS DIFFICULTY**

Episcopals Unable To Put Team On Floor, and Co-operating Council Changes Eligibility Basis.

The second game of the basketball league of the students' Sunday school classes scheduled for last night in Doremus gymnasium was not played due to the fact that the Episcopals, who were matched against the Methodists, were not able to put a team in the field under the Sunday school class attendance requirement of the league. This will make necessary the formation of a new league and schedule, unless some basis for Episcopal participation can be agreed upon.

The Inter-Church Co-operating Council of the Y. M. C. A., which is directing the basketball series, met Thursday afternoon to discuss the situation. It was decided to ask the Episcopals to join the league on the basis of students in the choir in addition to the Sunday school class. And it was also voted to invite the students of the Jewish Sunday school class, which Mr. I. Weinberg is teaching, to make the fifth member of the league.

A meeting of the representatives of the different Sunday schools will be held on Monday to draft a new schedule, after which the games will be started again. The interest and competition evidenced by several of the Sunday school classes in the series means that the series will be interesting. The first game, won by the Presbyterians from the Baptists, 16-13, was a fast and hard fought affair, and when the series is resumed next week, the addition of the fifth team should create wider interest.

**SOUTHERN COLLEGIANS GAIN OUTSIDE POPULARITY**

Will Play For Thanksgiving Hops At V. E. S.—Other Contracts Contemplated.

M. C. Murdaugh, manager of the Southern Collegians, announces that the orchestra has been booked for the Thanksgiving hops at the Virginia Episcopal School and that negotiations are now under way with several other prep schools for engagements during the current season.

The personnel of the orchestra is as follows: Director, Geo. D. Conrad (saxophone), L. V. Grady (saxophone), W. R. Bishop (saxophone), W. E. Gage (trumpet), E. M. Vandiver (trumpet), J. Martin (piano), M. C. Murdaugh (drums), J. O. Rutherford (Bass).

The orchestra is having an unusually successful season this year with bids coming in for their services from all over the state. The high quality of music which they have put out fully justifies this popularity.

**THREE IN HOSPITAL**

At present there are three Washington and Lee men confined in the Jackson Memorial hospital, two of whom expect to leave within a short time. Most of the sickness is ascribed to minor causes, such as colds and ivy poisoning. The inmates are as follows: H. S. Spiers, '27; W. H. Netterville, '28, and J. R. Leggate, Jr., '25.

STUDENTS ADOPT MANY METHODS OF TRAVEL TO VIRGINIA GAME

Special Train Is Least Important of Many Methods Used For Transportation.

From the one hundred and forty-two men who rode the special to the four who started in a 1916 Cadillac not a man failed to reach Lambeth field before the first whistle that started the Big Team on its big game. Of the ten or twelve who depend-

ed on the good will of the general public no one had his faith shattered and two in particular report leaving Lexington at two Friday afternoon and arriving in Charlottesville at seven that night. They further declared they had not walked a mile all told and never intended to ride the train again. Their time coming back was even better for they left after the game and arrived in Lexington at nine o'clock.

How much better it is to ride in some one else's car! Of the four men who started in the 1916 Cadillac only two would venture the return trip and they were ten hours doing it! After riding forty miles on the rim the left rear wheel came off at their front door. And there it is, both car and wheel.

Many of the more intellectual students rode over in state with a faculty member at the wheel, while those who were merely rich had to go in U-Drive-Its. One of the sophomore managers of football rode over on the truck ostensibly to take care of the baggage.

Only one hundred and forty-two men rode the Special, but no doubt the conductor collected two or three hundred fares. The hundred and forty-two showed that they had been well fed by the Co-op by the lusty way in which they marched and cheered from the station to Lambeth Field.

THANKSGIVING DANCES PROMISE MUCH ENJOYMENT

(Continued from Page One)

rative work at the past Washington and Lee dances and especially the Fancy Dress Ball.

Wiedemeyer will bring to Lexington an orchestra that promises to furnish the best brand of music heard in years at Thanksgiving dances. Their last appearance in the Washington and Lee dance floor was during the last set of Easter dances when they were very popular. Their return so early in the season will be welcomed by Washington and Lee prom-trotters.

Sponsors of the Thanksgiving Dances are making every effort to give a successful and enjoyable occasion and they earnestly urge that students issue early invitations to girls as the Washington and Lee dances conflict with similar dances given by the large colleges and universities in the state. Also reservations should be made at once to secure rooms in Lexington for the girls attending the Washington and Lee Thanksgiving Dances.
