

## GENERALS MEET V. P. I. IN RETURN GAME TONIGHT

**Decisive Defeat of Hampden-Sidney Gives Locals Needed Encouragement.**

### TEN MEN ON TRIP

**Lane and Lake Seem To Have Hit Their Stride At Last and Both Are Expected to Star Tonight.**

Coach "Eddie" Cameron, Manager D. H. Brown, Jr., and a party of ten players, Capt. Lake, Wilson, Van Horn, Funk, Lane, Mitchell, Herndon, Smith, Little, and McVay, left early this morning for Blacksburg where the Blue and White-clad basketballmen will try to make it two straight from the Techmen. The Gobblers invaded the local camp last month, and were sent back to V. P. I. with the short end of a 26-18 score.

However, the Techmen are counting on reversing the tables tonight when they face the Generals on their home court. The Orange and Maroon hoopmen have been going at a lively pace since last meeting the Generals, and should furnish much stiffer opposition when they line up tonight.

The locals expect to get going early, and with the new combination that was tried out in the decisive victory over Hampden-Sidney last Wednesday night, should give the V. P. I. aggregation a hard tussle. Lake, pilot of the Blue and White, and Lane, crafty goal-tosser, showed great form in the Tiger battle, and the Gobblers will have their hands full when those two artists hit their winning stride.

### Hampden-Sidney Game.

Coach Bernier's Hampden-Sidney Tigers failed to furnish much opposition for the Blue and White hoopmen last Wednesday night, and the Generals romped home with the big end of the 42-6 score. The home team was finding the basket with their old-time eagle eye, and out-classed the visitors from the first whistle until the contest was brought to a close. The game was featured by the close guarding of the Blue and White defensive men, while the scoring machine was tossing baskets with uncanny sureness.

Coach "Eddie" Cameron, in an endeavor to assemble a fast and high-scoring aggregation, has shifted the court combination. Capt. Lake exchanged places with Wilson, the latter going to the forward position, while the Blue and White pilot took charge of the running guard affair. The team started off at a hair-raising pace, which didn't left up until the timer's whistle stopped the melee.

## Swimming Pool Ceiling Caves In

**Defective Plastering Coupled With Water and Handball Courts Cause Ceiling To Fall.**

Due to the cave-in Wednesday of the plaster ceiling above the swimming pool in the Doremus gymnasium, the tank meet which was scheduled to take place here tonight, will be held at Fishburne. Early this week the plaster began to crack and in several days, large portions of plaster and metal lath had fallen.

Several causes have been assigned to this event, the main one being the location of the handball courts directly above the pool and defective plastering when the building was constructed. The moisture and dampness from the water also helped to soften the plaster and weaken its supports.

Workmen are now busy tearing off all the remaining plaster and laths and cleaning out the pool. It is expected that the tank will be ready for water by Monday or Tuesday. The ceiling will not be replastered until summer.

## WRESTLERS MEET WEST VA. TONIGHT

**Brett Is Confident That His Team Will Turn Tables On Mountaineers There.**

The W. and L. grapplers left early yesterday morning for Morgantown where they will meet the University of West Virginia team in a return engagement tonight. The grapplers have been going through hard work-out since their mat encounter with the Mountaineers last Tuesday night, in order to be in the very best of condition for tonight's bout. Coach Brett is looking forward to a victory from his aggregation of matmen.

Walters, in the 135-pound class, who wrestled with a sore arm in the home engagement and succeeded in getting a time decision over his opponent, is expected to get a fall tonight.

Captain Holt, wrestling in the unlimited class, has solved a way to get hold of his man tonight and expects to add five instead of three points to the score.

Summerson, in the lightweight Wigglesworth, in the light-heavy, Biddle in the 158-pound class and Tilson in the 175-pound class are the other men making the trip.

## FRESHMEN LOSE TO A. M. A. SWIMMERS 36-35

**Small Pool Handicaps White and Blue Team and Twombly's Men Lose Out in Extra Turn.**

The Washington and Lee freshman swimming team suffered a setback Wednesday afternoon when the Augusta Military Academy team won a close match by the scant margin of 36 to 35. The frosh natators were handicapped by the small pool in which they were forced to swim at the Staunton Y. M. C. A., and had they been able to navigate in a seventy foot pool like their home natatorium the score might have been different. As it was an extra turn had to be added to all of the events and the freshmen found this handicap too severe.

In the 50-yard dash the freshmen took first and third places, in the backstroke second and third, and in the 100-yard dash second and third places. Second place was won by the frosh in the plunge and dive events and a third place in the 220-yard swim. The relay was won by the Washington and Lee swimmers who managed to win this event handily.

The one surprise of the meet was the defeat of Letcher the frosh backstroke swimmer who in the last meet broke the Washington and Lee pool record for this event. He swam in his usual form against A. M. A., but the fifty foot pool was too much of a handicap for him to overcome after having practiced in a seventy foot pool all season, and therefore not accustomed to an extra turn in his race.

The next meet for the frosh mer-

## SELECT EASTER TROUBADOUR SHOW

**"Adam and Eva," Purely Dramatic Production, Will Be Presented as Feature of Easter Dances.**

At their annual Easter performance this spring the Troubadours will present the Broadway success, "Adam and Eva," by Guy Bolton and George Littleton. This play has been running continuously on Broadway for an unusually long time and with continued success.

The play will be presented during the Easter Dances and will as usual be one of the main features of the festivities. Heretofore the Troubadours have been presenting at this time a musical comedy, written by local talent and depicting to a large extent college life. This year instead a popular drama, a purely dramatic production will be presented.

Tryouts for all parts in this play will be held next Tuesday night in the Troubadour room at 7:30 p. m. The men in charge of this show wish to urge all men with any talent along these lines to tryout, and especially the men who did so before the Thanksgiving production, but were not given parts in that play. If for any reason the time of the tryouts has to be changed a notice will be posted.

As yet the annual trip is uncertain. The management has not yet decided whether this show will be taken on the road or not. For the past several years the Troubadours have been taking their spring show on the road and presenting it at places where our alumni are strong and where Washington and Lee is well known.

## CHI GAMMA THETA CONTEST INTERESTS MANY

**Theme On "Relation of Coal Tar and Its Products To Modern Civilization" Must Be in March 1st.**

The Chemistry fraternity, Chi Gamma Theta, is offering a prize of a twenty dollar gold piece to the writer of the best essay on "The Relation of Coal Tar and its Products to Modern Civilization." This theme must not exceed two thousand words and is only open to Freshmen and Sophomores who are taking Chemistry. The essays must all be handed in by March the first and because there were so many men that entered the contest that there will absolutely be no extending the time to a later date. The winning essay and those receiving honorable mention will be read at an open meeting of the fraternity. The judges will be students.

The purpose of this essay is to get Freshmen and Sophomores interested in the larger and modern fields of chemistry, and to introduce them into the new library in the new building which is one of the most complete in the south.

All those who have not tried out and wish to do so still have two weeks in which to get up a paper. A reference list is posted in the chemistry library.

## RECEIVE APPLICATIONS FOR STUDENT BODY JOB

**Caused By Withdrawal of Secretary and Treasurer Walton From University.**

The withdrawal of former Secretary and Treasurer of the Student Body, M. I. Walton, from the University, has caused a vacancy in that office, and in accordance with authority vested in the Executive Committee, that body will receive applications for the position. Applications must be in writing. Selection from the applicants will be made by the Committee in the near future.

## ANNOUNCE "13" CLUB PLEDGES

**Thirteen Bids Sent Out To Members of Junior Class—Initiation Comes About March 15.**

The "13" Club yesterday sent out bids to thirteen representative members of the Junior class. These men were chosen in recognition of leadership in social and campus affairs. Those pledged are as follows: J. T. Bernheim, D. H. Brown, G. E. Burks, W. J. Driver, L. L. Edgerton, R. M. Holt, W. R. Henderson, G. T. W. Hendrix, C. W. Little, E. W. McCorkle, J. R. Smith, E. P. Shoup, H. M. Wilson.

The pledges will be initiated about the middle of March, the ceremonies being somewhat similar to the initiations of the Pan and White Friar goats held before Christmas. A month of goating will be observed and strange sights will be much in evidence during this period. The goats with their white hats will lend a new and pleasing color to the campus and are as sure a harbinger of spring as the traditional white Easter lily.

The "13" Club is one of the oldest and best known of all the clubs on the campus and is one of the foremost of the ribbon societies. The second of the Easter dances is given by it, as well as an elaborate banquet which precedes the dance. The banquet this year will be given at the Dutch Inn on the evening of April 14. The entire membership of the society is planning to make this banquet one of the best of its kind yet given. Attractive favors will be given to the guests and the program will abound in novel stunts.

T. H. Broadus is president of the club and G. D. Conrad is secretary-treasurer.

## FROSH BASKETEERS FACE HEAVY HOME SCHEDULE

**Play Three Games Here Next Week—A. M. A. and V. E. S. Also Play Here Monday Night.**

With three games on the home schedule for next week, the W. and L. freshman basketball team will have plenty of chance to display their court ability before their home supporters. On Monday night their opponents will be the Potomac State School, from Keyser, West Virginia, coached by George Parish, former V. P. I. basketball star. Preceding this game there will be an interesting prep school tilt between Augusta Military Academy and Virginia Episcopal School at 7:30. The winner of this contest will appear here in March to enter the Virginia High and Preparatory State Tournament on the 5th, 6th and 7th. The admission for both games will be 25 cents.

On Tuesday night preliminary to the Varsity encounter with Roanoke College the Little Generals will play the Devitt Preparatory School of Washington.

The final game of the week and indeed the most important to the yearlings will be on Friday night when Coach Brett's basketekers will meet the University of North Carolina frosh. The babes are anxious to seek revenge for the varsity's defeat last Friday night and by the time Friday night rolls around they should be in prime condition for this interesting contest.

## FINALS DRIVE TO START MONDAY

**Will Be Individual Subscription Drive—Finals Week Comm. and Subscription Comm. Hold Meeting.**

The individual subscription drive of the 1925 Finals Campaign will be launched on Monday and will last the entire week, ending at 10 o'clock on Saturday night. During this campaign every individual member of the Student Body will be interviewed by some member of the subscription committee. As has been the custom in the past each student remaining for Finals is asked to contribute \$10 and those not remaining \$5 each.

A meeting of the Finals Week Committee was held Thursday night followed by a meeting of the Finals subscription committee consisting of about 40 students selected from each fraternity and class of the university. At these meetings plans for the conduct of the campaign were formulated and discussed. The subscription committee has been sub-divided into five groups over which a member of the Finals Week Committee has charge. The heads of these groups are T. R. Nelson, C. W. Meadows, J. Cook, W. E. Tilson, and T. H. Broadus. The entire financial campaign is in charge of M. F. Hummer, secretary and treasurer of the Finals Week Committee. The members of the subscription committee are requested to watch the bulletin boards as the groups and their heads will be posted. All reports are to be made to the head of the group to which they belong.

All efforts are being made by President G. S. Wilson to secure Jan Garber and his Garber-Davis Orchestra for Finals. He promises the very best that the Student Body desires in the way of unique attractions, but his plans must be made in accordance with their response to the present financial campaign. It is essential that every student contribute during the campaign or it may become necessary to alter present plans for 1925 Finals.

## Boxers Meet Carolina Tonight

**Many Changes Made in Personnel of Team For Tonight's Meet—Zimmerman To Referee.**

The North Carolina boxing team will meet the Generals' mitt wielders in the Doremus gymnasium tonight at 8 o'clock. The Carolina team lost their match with V. M. I. early in the week, but nevertheless a good card of bouts can be looked for tonight. Coach Brett has been working diligently with his charges during the past few days and the boxers are all prepared for the enemy invasion, which they hope to weather successfully.

In the bantamweight class Lancaster will represent the Blue and White and he is expected to continue the string of victories which he has chalked up during his career on the team. Felsenthal will box in the featherweight division and will be acting captain in the absence of Capt. Rand, who is out of town. Hearon will take the place of Ginsberg in the lightweight class as the latter's parents have forbidden him to participate in further meets. In the preliminary bouts held during the past week Durham won the right to box in the welterweight class by a close victory over Merritt. Wilkinson will box in the middleweight division, Spotts in the lighthweight, and if North Carolina brings a heavyweight with them Budnick will carry the burden of meeting him.

Mr. Zimmerman of Lexington will officiate as the third man in the ring, but as yet the judges have not been chosen. As Coach Brett is out of town with the wrestling team Graduate Manager Smith will be in charge of the boxers.

The appearance of the advance agent for "Spring 1925" had a stimulating effect on the campus Monday and Tuesday and the Varsity baseball men were surprised by a "call to the lot." The chilly atmosphere Thursday, however, had a dampening effect on the enthusiasts.

Speaking of baseball, the Varsity schedule of the long hoped for Spring will supply an appetizing menu for fans of the grand old game. An even dozen encounters will be scattered between the dates of March 31 and May 8 will prove ample entertainment for those balmy days.

Spectators at the boxing meet with North Carolina tonight should use discretion in their cheering and keep in mind the rule that the referee may in intercollegiate matches forfeit to the visitors in case of too vehement cheering during a bout. Cheering between rounds is permitted and spectators are asked to save their most vociferous applause until that time.

**Dig Deep, Gentlemen!**

The Finals subscription campaign got its second wind Thursday night at the initiation of a new drive opened by a meeting of the subscription committee. This time the canvassers will "sweep" the campus in an effort to raise the highly necessary wherewithal to make Finals 1925 the huge success it deserves to be.

Every student on the campus who is financially able is expected to give his proportional share to the event. At least ten dollars is expected from seniors and all others who intend to avail themselves of Finals week. Five dollars is expected of every other student in the University. No one class can assume the entire financial obligation of Finals. Moreover, Finals is not a Senior class event. It is a University institution and all must help bear the expense as well as share the joy of the occasion. The class of 1925 helped defray the expense of the final rites of the class of 1924, and soon down the list. It is just and reasonable to expect the classes of '26, '27, and '28 to all "chip in" if they expect such to be done when they mount the rostrum.

So let's get behind this Finals drive and put it over and above. Let's subscribe and over-subscribe immediately so that the committees may turn their attention to other arrangements. Give freely to Finals—it deserves it.

**DR. EASTER TO ADDRESS GRAHAM-LEE TONIGHT**

**CAMERON TEACHING POLITICAL SCIENCE**

Basketball Coach and Grid Star Appointed Instructor in School of Commerce.

Eddie Cameron, star fullback on the Washington and Lee football team, not satisfied with his achievements is seeking new worlds to conquer, turning from leading the entire South in scoring points on the gridiron, to teaching Political Science in the School of Commerce.

Even while captaining two of the Generals' major varsity teams last fall, football and basketball, Cameron found time to visit nearby preparatory schools and build up a reputation for inspiring addresses to boys' groups. Though a student in the School of Law, and eligible yet for another season in basketball this winter, he gave up his chance to play and undertook the position of head coach of varsity basketball. In addition to this he has recently been appointed to instruct classes in Political Science in the School of Commerce of the University for the second semester this year.

**THE COLLEGE WORLD**

Lacrosse has been inaugurated as a new sport at the University of Virginia. Dr. Voshell is acting in the capacity of coach and the preliminary practices are being held in the handball courts.

A recent summary of all of Walter Camp's All-American football teams reveals the fact that Yale ranks first in the number of men from one college, with 84. Harvard is second with 74, Princeton third with 55, and Pennsylvania fourth with 38. The remainder of his selection is composed of men from 29 other institutions.

Statistics compiled by a member of an economics class of Oklahoma University, show that the average shaving time for the men is 8 minutes and 33 seconds. The fastest worker turned the trick in 3 minutes, while the slowest consumed 14 minutes for the impressive ceremony.

Only 35 per cent of 680 men at Syracuse are physically fit. Flat feet and defective eye-sight were the most common defects.

Students at Wyoming University have appropriately chosen the cowboy as the type of manhood which they consider representative of the state and the qualities which the university holds paramount.

Total robberies from fraternity houses at the University of Chicago last year totalled \$5,313.

For the first time in its existence the one year rule will be established at West Point. This means that there will be a freshman team there in the future for all sports, thus barring all men for Varsity competition unless they have been at the Point for one year.

Of the 60 sororities at the University of Michigan 59 vote against allowing girls to smoke in sorority houses.

A professor at a western college has a novel method of causing his pupils to get to their classes on time. He removes vacant chairs from the room so that late-comers are obliged to stand.

**BUILD CHURCH NEXT TO LAMBDA CHI HOUSE**

Associate Reformed Presbyterians To Erect Church On Main Street.

On Wednesday evening, February 4, at a meeting of the building committee of the Associate Reformed Presbyterian Church, plans were discussed concerning the erection of a new church. At present the congregation is holding its services in the room owned by the Odd Fellows Lodge.

A little over a year ago the A. R. P. congregation bought a lot on South Main Street next to the present site of the Lambda Chi Alpha fraternity house. A legacy amounting to \$3,900, left by Mrs. Alice Moore, paid the greater cost of the lot. The remaining \$300 which was necessary to purchase the lot was promised last year by the Senate of the Associate Reformed Presbyterian Church.

Definite plans regarding the actual building, the size and the material of which the church is to be constructed cannot be definitely decided upon until the Senate meets in Statesville, North Carolina, on the first Thursday in May. The building committee of which Mr. E. H. Figgat is chairman, and Mr. J. A. Dunnaway is secretary, is desirous of beginning the construction of the edifice at the earliest possible time.

Last year at the meeting of the Senate of the A. R. P. Church it was voted also to give \$15,000 with which the actual building of the church is to be carried out. February 4 marked the first meeting of the Lexington congregation and at this meeting not only were plans for building discussed, but also a resolution was passed that there should be placed in the new church when it is completed, a memorial to the memory of Mrs. Alice Moore who so graciously donated the amount of money with which the property upon which the church is to be built, was purchased.

The University of London is the largest university in the world, having more colleges affiliated with it than any other. These colleges now occupy 212 acres.

**CAMPUS GREEKS ARE INITIATING PLEDGES**

Number of Fraternities Holding Rites and Banquets Tonight.

**STAGE CAMPUS PRANKS**

Betas Are Only National Greeks To Delay Initiation Until March.

During the past ten days, beginning on Wednesday of last week, the Greek letter fraternities of the campus have been holding their yearly revel in the initiation of their respective pledges, known at Washington and Lee as "goats." It is the custom here for fraternities to have "goat weeks," during which time the pledges are on silent pledges, are forced to carry tobacco, candy, gum and other luxuries for the old men, wear various ornaments such as ropes, ribbon ties, alarm clocks, carry eggs and chickens, lead dogs and cats to classes and perform other various pranks such as matching verses of poetry on tombstones, exploring surrounding caves in the dark and many other things. Much amusement is afforded the Student Body from watching these pranks during "goat week."

After the time honored week is over, initiation rites are held, at which "horse-play" is usually indulged in by the older men of the fraternity and at which numerous paddies are broken and much punishment given in a good natured way is inflicted. After the hectic night is past, the second night is reserved for the rites and welcoming in of the pledges.

The local initiation week was started off by the Phi Delta Theta fraternity, which initiated last Saturday and Sunday nights. On Saturday and Sunday nights of this week a number of fraternities will initiate, and within the next few days others will follow suit. The fraternities initiating tonight and next week are Phi Gamma Delta, Sigma Alpha Epsilon, Pi Kappa Phi, Phi Kappa Psi, Zeta Beta Tau, Kappa Alpha, Sigma Chi, Alpha Tau Omega, Kappa Sigma, Sigma Nu, Phi Kappa Sigma, Pi Kappa Alpha, Sigma Phi Epsilon, Delta Tau Delta, Alpha Chi Rho, Phi Epsilon Pi, Lambda Chi Alpha. The Arcades Club will also initiate sometime next week. Beta Theta Pi will be the only national fraternity to delay initiation, the Betas waiting until sometime about the first of March when their new house will be finished and the fraternity will be installed in its new quarters.

During the next few days the campus both at night and in the daytime will be a hectic scene of pranks and sounds of blows. The "goats" will naturally be praying for the rites to be finished, while the older men will be enjoying the proceedings immensely.

**CHINA IS SUBJECT OF "Y" DISCUSSION**

Groups Will Meet For Six Weeks To Discuss This Subject At "Y."

"Getting Acquainted with China" is the subject on which discussion groups will be held for six meetings, beginning next week. The first normal class of leaders will meet at 7:15 Monday night in the "Y" room. Professor R. N. Latture is the leader. The discussions will be based on "Looking Towards a Christian China," a pamphlet prepared by Milton Stauffer, especially for discussion group use. Mr. Stauffer, one of the secretaries of the Student Volunteer Movement and author of the above work has been in China very recently.

Besides the groups in fraternities, boarding houses and the dormitories, two groups will be held in the Y. M. C. A. room under the leadership of Drs. Howe and Neff. The time of meeting of these two groups will be announced later. Anyone wishing to enter either group should see Mr. Zerfoss, the "Y" secretary.

The group leaders are as follows: Andy Roy, Carl Zerfoss, Wilbur Simmons, Darby Brown, Mr. J. J. Murray, Mr. Morton, Mr. Funkhouser, W. F. Smith, Jack Stewart, Frank Charlton, M. L. Bergman, and Alex Moffett.

These discussion groups are in charge of the following "Y" committee: Alex Moffett, chairman, W. D. Mullinix, K. M. Hah, Paul Brawner.

**GENERALS MEET V. P. I. IN RETURN GAME TONIGHT**

(Continued from Page One)

The Blue and White basketmen were on their mettle during the first half, and held the Tigers scoreless, 24-0. The visitors had four chances this period to ring a score via the foul route, and were forced to shoot at the basket from long distances in order to register from the floor.

"Pinkey" Wilson started the fireworks soon after the opening whistle when he tossed the leather through the hoops for two points. From then on until the half ended the Generals clearly demonstrated their superiority at the court game over the Tiger aggregation. Lane and Capt. "Panther" Lake were showing their winning stride, and each countered with three ringers from the floor. Although Lake was playing at guard, the Blue and White attack was built around the big leader of the Generals, and was proving its worth by scoring time and again. Funk threw two field goals through the hoops during this period, while Herndon, Mitchell, and Little, who were sent in before the close of the half, found the ring for a counter apiece.

The second half found the locals' first-string five on the floor. One minute after the period started, Ward, left forward for the Hampden-Sidney quint, tossed the first and only field goal for the visitors, the Tigers garnering four foul goals later on. The White and Blue did not play as well during this half as during the previous period, which was due to a large extent because of the many substitutions that were made by the Generals' mentor. Every man on the squad was given a chance to play during the melee, but the Tigers could show little progress, even against the third-string men, that rushed into the affair a few minutes before the whistle blew.

Lake and Lane again ran neck and neck for the scoring honors, each tallying two baskets, and neither getting a chance to display his art at foul goal tossing. "Rudy" was throwing baskets with dead-sure accuracy, while the captain was also sharing the calcium light, displaying his craftiness time and again. Van Horn proved a thorn in the side of the Tigers throughout the entire game, giving a fine exhibition of guarding. Van and Herndon each sank a basket during this part of the game.

The all-around showing of the local quint, with the new combination working to perfection, featured the contest. Adkins showed up best for the losers, and was ably supported by Capt. Fleming and Ward, who also played a steady game.

**ALUMNI MAGAZINE GOES TO PRESS**

Completed Magazine To Make Its Appearance In Few Days.

The copy for the February issue of the Washington and Lee Alumni magazine has been sent to press in the last few days, and the completed magazine will soon make its appearance. This issue will contain many interesting features and should be of great interest to the students as well as alumni of W. and L.

This magazine was started last fall under the able leadership of Mr. Verbon Kemp, Alumni Secretary, and since that time has filled a long-felt need of the alumni in keeping them in closer touch with their Alma Mater.

As a relief for the eyes, green theme paper is used in certain classes at the University of Wisconsin.

## PHI-LINGS

By A. T. R.

### Famous Sayings.

Henry Ford—"I am convinced that half the lies told about me are not true."

There are two unpardonable sins a man can commit in the eyes of woman. One is "uncertainty" and the other is "certainty."

We'd like to recommend for the reducing advertisements the case of the English lady who lost 2,000 pounds while riding on the London tramway.

Jonah, I believe had the shortest childhood on record. He was brought up in three days.

Girls may be interested in clothes, but they're never completely wrapped up in them.

Although Nurmi may get wealthy in this country, there's no doubt about his giving America a run for her money.

Marking time seldom means leaving footprints on it.

"Ah, Tremalchio, me thinks they should standardize the spelling of the two-letter word that means dipping."

"How so, Penurge?"

"Ods bodkins, but I have seen it spelt six different ways in different cross-word puzzles today—ae, ai, ei, ea, ie, and ou."

"Yes, Sally, Moses was the wickedest man in the world. Why, he even cursed the day he was born!"

I hate dances.

If I go sober, I get tired and am too slow.

If I go drunk, I get tossed off the floor.

If I take a girl, I run myself ragged looking after her.

If I don't take a girl, I am lost and have no interest in the dance.

If they break too quickly I gripe because they won't give me time to get started.

If they don't break quickly, I am stuck.

And after the dance, I am always broke—dead broke.

Dances are silly, anyhow.

I hate dances.

That's why I never miss a dance!

## FROSH TO ELECT V. P. MONDAY

A meeting of the Freshman class will be held Monday in Lee Chapel at five o'clock to elect a Vice-President of the class. This vacancy was caused by the withdrawal from the University of Houston Munson, former president, and the automatic installation to that office of J. A. Cooper, former Vice-President. A large attendance is requested.

## CHEER LEADER TRYOUTS

Tryouts for Assistant Cheer Leader of the Student Body are requested to report to Cheer Leader Ed Reitze. This position was made vacant by the resignation of E. P. Shoup from the office.

## SEVEN SENIORS FAIL TO HAND IN BLANKS

Intensive Work On Collection of Writups To Begin This Monday.

According to records of the University department of the 1925 Calyx, only seven Seniors have failed to hand in representation blanks: W. R. Henderson, Francis Lowe, George Wilcox, J. M. Wisdom, L. F. Beaudoin, H. K. Hill, and Robert Taylor. The editors request that these seniors fill out blanks and hand them in so that further progress will not be withheld.

Intensive work on the collection of Senior writups will begin Monday, as only 60 of the 140 writups have been handed in to date. All those assigned to do the work are requested to have the writups ready when members of the department call on them during the coming week. They may also be handed or mailed to J. D. Mayhew or I. Lebow. The editors expect to have all writups in their hands by February 21.

## CHI GAMMA THETA CONTEST INTERESTS MANY

(Continued from Page One)

heard of this contest and commended favorably on it in their national journal.

There will be an open entertainment for all the Freshmen and Sophomores taking chemistry this year soon. The new pledges of the fraternity will also be announced. There are twice as many eligible than ever before. The date of the entertainment and the names of the new pledges will be in the next issue of the Ring-tum Phi.

## INTERMEDIATE LAW TO ELECT NEXT WEEK

To Choose Executive Committeeman For Class.

The meeting of the Intermediate Law Class scheduled for yesterday morning at 10 o'clock to elect the Executive Committeeman for the class was not held. The meeting will be held sometime during the coming week, and definite notice will be published on the Bulletin Board in Tucker Hall. The vacancy was caused by the withdrawal of J. Wesley Taylor from the University.

## NUMBER OF FLU CASES DECREASE

However, Nine Students Still Confined To Hospital With Influenza.

In a recent statement made by Dr. Glasgow, the University physician, the fact became known, that although there has been a considerable number of sick cases among the students during the past winter, they have been mostly of a minor nature, and few have been confined to the hospital for any considerable length of time. Dr. Glasgow states that usually about eight or ten students come to his office every day, generally with very small complaints and some imaginary ones.

At present there are nine students in the hospital, the majority being down with a slight attack of influenza; none of the cases are of a very serious nature. Those confined are Brown Webster, J. B. Crewe, F. C. Adams, Miller, J. D. Carter, R. H. Thatcher, D. G. Kaylor, J. B. Copper, and E. O. Henderson. Influenza is not prevalent now as it was a few weeks ago, and has been less severe this winter than for the past number of winters.

## SOPH PUSHBALL VICTORY NOT THE FIRST

From the far-off jungles of Africa-Loanda, Angola, to be specific—came a letter to the Ring-tum Phi this week. It was from Francis H. Styles, '18, American consul, and its purpose was to correct an error which he noticed in the Ring-tum Phi last fall to the effect that the Soph pushball victory "was the first in history."

Mr. Styles wants it to be remembered that the class of 1919 won their pushball fight both as Freshmen and Sophomores and no short lapse of time should erase the event. The letter was dated December 17.
