

FRESHMEN WIN THRILLER FROM NORTH CAROLINA

Defeat Carolina 26-20 After They Had Won Four Straight On the Trip.

SPOTTS IS HIGH SCORER
Little Generals Played In Top Form—Work of Shupp and Howe Is Feature.

Showing superiority in every department of play, the Washington and Lee freshman quint defeated the speedy University of North Carolina five 26 to 20 last night, thus breaking the Tar Heels' winning streak of four games on their Virginia invasion. At the end of the first half the Little Generals were leading their opponents 15 to 10 and were never headed.

The close guarding of Morris, the captain of the Carolina team, and the floor work and basket shooting of Vanstory, Tar Heel forward, were the features of the visitors' playing. Spotts led his teammates in scoring by registering four field goals and three free throws. He was followed by Shupp with three field goals and Howe with a pair of markers.

Howe scored the first points for the Little Generals by sinking a two-pointer in the first few minutes of play. Vanstory knotted the score with a perfect field goal from outside the 17-foot line. Shupp put the Washington and Lee team in the lead with an easy shot under the basket and Spotts followed with two field goals. After Howe made a free throw good, Johnson scored for the Tar Heels with a spectacular shot from the middle of the floor. Shupp then rang a two-pointer, making the score 11 to 4 with the Little Generals on the long end. Farrell and Vanstory succeeded in making their free throws count, while Spotts, the Blue and White center, added one point to his team's total by dropping a free throw through the hoop.

SEX EXPERT TO SPEAK AT ASSEMBLY TUESDAY

Dr. Swan To Lecture On Sex Hygiene Tuesday At 12:45.

"Dr. E. L. Swan of the Social Hygiene Association, New York City, delivered an interesting speech on the 'Meaning of Sex' yesterday in Lee Chapel to 450 students, who listened attentively to his every word." This quotation from the Ring-tum Phi of Dec. 5, 1923, suggests the students' reception of a speech on sex by Dr. Swan, who will give another lecture on sex hygiene for Washington and Lee students at 12:45 Tuesday morning, Feb. 24, at an assembly.

Dr. Swan has talked on sex in colleges and universities of all southern states. He is now visiting colleges in Virginia. Dr. Swan has a film entitled "The Gift of Life" which will probably be given in one of the theatres.

Dr. Swan is a physician with twenty years of active practice. He was a major in the Medical Corps of U. S. A. during the World War, and is now a member of the Committee of Fourteen of New York City. Dr. Swan is coming to Lexington under the auspices of the Y. M. C. A.

BOXERS LEAVE ON NORTHERN TRIP

Defeat By Catholic U. Fails To Diminish Confidence of Squad As They Swing Off For the East.

Coach Brett will take seven men with him on an entire week's invasion of three northern schools in which the gloved Generals will line-up against the best of Yale, Colgate, and Pennsylvania. The boxing aggregation will leave here tomorrow morning on the first leg of their journey, the first stop being scheduled for Old Eli, where the Blue and White mitmen hook up with Yale Monday night.

Elated over their showing against Catholic University, although the meet was lost, Coach Brett is confident that his pugs will make a great showing against their opponents on the elongated trip. Hatfield, subbing for Lancaster, showed class in the bantamweight division, and should accredit himself well in the north. Hearon also displayed a fine exhibition of boxing skill, and the coach is counting on "Fanny" to pull in a victory or two.

Yale will be met Monday night on their home floor. The local pugs will then travel south to Colgate, whom they will oppose Thursday evening. The trip will wind up in Philly when they stack up against the Red and Blue Saturday night.

The men making the trip, besides Coach Brett are: Hatfield, bantamweight division; Felsenthal, featherweight class; Hearon, lightweight division; Durham, welterweight; Wilkinson, middleweight; Spotts, light-

Track Season Starts Tuesday

Prospects Are Very Bright For Winning Team—Indoor Track Helped Varsity Men Greatly.

The outdoor track season will open Tuesday and from the showing made by the indoor track squad this winter the prospects for a strong team are very bright. With Milbank in the dashes, Davis in the hurdles, Howard in the distances, Norman in the pole vault, and the combination of Norman, Biddle, and Lowry in the high jump the Generals should have a team which will have the edge on anyone they meet.

Lowry has made a great improvement in his high jumping. In the Richmond meet he jumped five feet ten inches, tying the indoor record here made by Ward and Norman.

Coach Fletcher is very optimistic concerning his men this year and is expecting good work from all of them. The first meet of the year will be at Chapel Hill with North Carolina on April the twelfth. Washington and Lee will also meet V. P. I., Virginia, North Carolina State and Maryland. We will also send a team to the Southern Conference meet, which will be held at Sewanee this year.

GENERALS MEET DAVIDSON TONIGHT

Last Home Game of Season Is Expected To Draw Many—Will Be Lake's Last Game In Doremus.

The game with Davidson College tonight will mark Captain "Panther" Lake's last appearance in a uniform representing the Blue and White on the basketball court of Doremus gymnasium. Incidentally, this is the last game of the season for the Generals, and a record crowd is expected to be on hand tonight to witness the clash between Coach Cameron's men and the Wildcats.

Lake completes his collegiate career as a basketball player at the end of the present season, having performed as a member of the Blue and White quint for the past four years. Coming out for the team in his freshman year, Lake soon proved to be a star, and was selected for a position on the mythical All-South Atlantic team that season. The following two years Lake proved to be one of the mainstays of the five, and was considered one of the best forwards in the Southern Conference.

Last season he was elected to head the Generals' 1925 court team, and so far this season, he has done very well. The Big Blue team is in second place in the Virginia state, ranking, having lost only to the Old Dominion five of the basketball teams in the state.

The impressive victory over Roanoke College shows that the Generals are in their best shape, and are anxiously awaiting the coming of the Davidson team. The Blue and White scored more points against the Roanoke Maroons last Tuesday night than in any other game this season. They counted 46 points. The second highest scoring game was against the Hampden-Sidney five from "Death Valley," when the home five counted 42 markers.

The shift of putting Captain Lake at a guard position and changing Henry Wilson from a guard to a forward, has brought about a decided change in the offense. This change was originally made in the Hampden-Sidney contest, and the Generals have scored a total of 88 points since this shift was instituted.

BASEBALL MEN ARE PRACTICING DAILY

Return of "Gus" Lindburg Adds Great Strength To Mound—Many Varsity Men Are Back.

Prospects for a winning team in baseball during the coming season took an added impetus when Walter E. "Gus" Lindburg, captain of this year's nine, returned to school at the beginning of the second term. Lindburg had been in North Carolina during the winter months, and decided to return to school at the start of the second term, in order to be eligible for baseball.

Baseball practice has been going on for the past week under the expert supervision of Coach "Dick" Smith, who has his players on the athletic field daily, going through conditioning exercises and light workouts. Whenever the weather is inclement so that the candidates are unable to go

ANNOUNCE SPRING TROUB TRYOUTS

Seventeen Men Selected From Large Number Out For Place In Cast of "Adam and Eva."

The Troubadours held their tryouts for the spring show, "Adam and Eva," which had a long successful run on Broadway, Thursday night in their room in Washington College. A large number of tryouts turned out and were given a chance to display their Thespian wares before the selection committee of the Troubadours.

That these tryouts were successful goes without mention, and some new talent was uncovered in them. The men were somewhat handicapped because the books for the play had not arrived as yet, even after they had been wired for last week. J. C. Roberts, President of the Troubadours, has the assurance of the publishers that the copies of the play will arrive before the next rehearsal.

It has not been definitely decided whether or not a road trip will be taken this spring as has been the custom with the previous spring shows. This fact was made clear to all who were trying for parts last Thursday.

The following men are requested to watch the bulletin board at the Corner for the announcement of the next rehearsal: Pierpont, Torrey, Gilbert, Towell, A. S. Miller, G. R. Miller, Harsh, V. V. Holloman, Fausett, Shuman, Boyd, E. E. Smith, Chapman, Adams, Clower, Mellen, Wilkinson and Powers.

FROSH SWIMMERS LOSE TO RANDOLPH-MACON

Twombly's Yearlings Forced To Take Short End of 37-34 Score In Hard Fought Meet There.

Coach Twombly's Yearlings received a veritable blow when the Randolph-Macon Academy was awarded a narrow three-point victory at Bedford on Thursday afternoon. The final score ended 37-34. The meet was a fiercely contested one and hardly showed the superiority of either team. The Washington and Lee mermen swam earnestly and determinedly but were finally forced to concede the victory to their opponents. The Frosh gathered four firts, three seconds, and two thirds. The relay race was won by Coach Twombly's able quartet of swimmers, Halsey, Berry, Harris, and Letcher. This event accounted for eight points. Letcher, who was the luminary of the meet, won both the forty yard dash, and back stroke. In the latter event he finished over fifteen feet in front of the second man.

First and second places were captured in the forty yard breast stroke, Gorenflo and Strahorn finishing in the order named. Berry took second place in the 220 yard dash, while Stanley earned a third in the 100. Sutton exhibited a number of spectacular fancy dives and took a second place in that event. Third place in the plunge event was won by Allen.

This afternoon at Charlottesville a combination of the Varsity and Freshmen swimmers will meet the Virginia representatives. Twelve men accompanied by Coach Twombly made the trip.

Washington and Lee's swimmers in the various events will be: Letcher and Latham, 50-yard dash; Gorenflo and Sternberger, breast stroke; Berry and Sternberger, 220-yard dash; Halsey and Moffett, 100-yard dash; Porter and Letcher, back stroke, and Latham and either Jennings or Sutton, fancy diving. The relay team will be composed of Latham, Gage, Halsey, and Letcher.

WORK ON 1925 CALYX PROGRESSING RAPIDLY

Work In Every Department Is Fast Being Completed and Editors Are Highly Confident.

Work on the 1925 Calyx has been progressing rapidly and the book already gives promise of being the best volume that has been published. The editors of the various departments in co-operation with their assistants have prepared most of the work that is to compose their respective sections.

The Fraternity department under the editorship of Rhea Whitley has received the list of the fraternity men on the campus and within a few days these will be sent around again so that they may be rechecked in order that accurate lists will appear in the Calyx.

The athletic section under the sponsorship of C. H. Hamilton is making rapid strides toward completion. The humorous section is also being finished at the same rate at which the other divisions are advancing toward their final forms.

The University section which is being handled by J. D. Mayhew and I. Lebow is well advanced toward its maturity. The editors of this section request that all Juniors hand in their representation blanks at their earliest possible opportunity. At present there are about forty-five seniors who have not handed in their write-ups, and it is earnestly requested that these men hand them in as soon as possible so that the work on this section may be completed at an early date.

Within the next few days those men that have entered the University since the beginning of the new semester will be solicited and at this time will have their opportunity of subscribing to the 1925 Calyx. Business Manager C. W. Rex desires to announce that absolutely no books will be ordered for which there are no subscriptions.

Wrestlers Meet V. P. I. Tonight

Both Teams Defeated Virginia Easily and Are Well Matched—Scrubs Wrestle A. M. A.

The Varsity wrestling team left for Blacksburg this morning, where they will grapple with the V. P. I. limb twisting strategists tonight. Last year these teams clashed in Lexington, the Gobbler squad winning the match by one point. The V. P. I. team this year is composed of husky material, as is evidenced by the number of football men on the squad. Only one Virginia man scored on V. P. I. this year, when the two teams met earlier in the season, the Gobblers winning the match 18 to 8. Washington and Lee won from the Virginia wrestlers 20 to 8 last month. The following men made the trip with Coach Brett and will wrestle in their respective weights, Summerson 115 pounds, Wigglesworth 125 pounds, Burton 135 pounds, Yankee 145 pounds, Biddle 158 pounds, Tilson 175 pounds, and Captain Holt in the unlimited class.

While the varsity team is wrestling at V. P. I. the scrubs journey to Ft. Defiance to meet the Augusta Military Academy matmen. This is the first meet for the scrubs and they are in excellent condition for tonight's bouts. The following men made the trip and will grapple in the weights specified: Goldstein 115

If It's News—

Tell It To the Ring-tum Phi.

Perhaps that word co-operation has been a bit overworked in the past few years, nevertheless it embraces in its meaning the secret of a mighty power. Without it, society would be a dangerous mob. It can be applied as effectively in the functioning of the League of Nations as the operation of a double cross-cut saw from the operation of the Broadway Limited to the daily pilgrimage of the Virginia Creeper, of the publishing of the New York Times or the Ring-tum Phi. We are forced to admit, however, if the secret is not already abroad that the Ring-tum Phi is a little different from the New York Times, both in type of organization and financial status. Perhaps it may differ in other respects, but we will not go into that. This paper, however, is your paper, and its aim is to publish all the news on the campus. To do this, however, it must have the whole-hearted co-operation of every student and every student organization on the campus.

The men that compose the staff of the paper are on the lookout at all times for news for the next issue of the paper, but it is obviously impossible for them at all times to get every bit of news that is such, if the Student Body at large does not in a measure meet the reporter halfway. If you are in possession of news that should go in the Ring-tum Phi see a reporter and give it to him, or drop a card addressed, Ring-tum Phi the first time you visit the postoffice asking that a reporter be sent you. In this way the readers of the Ring-tum Phi will get all the news and get it authentically. You may be the secretary of some organization which has just planned some very important event of general campus interest, you may have just received a letter from an alumnus who has just made a million in South Africa; your fraternity may have installed a new chapter. If so, tell it to the Ring-tum Phi—it's news.

PRESIDENT RETURNS FROM CAROLINA TOUR

President Smith was on an extension tour last week in South Carolina where he had been invited to deliver seven addresses before Rotary and Kiwanis clubs, public gatherings, banquets, etc.

Addresses were delivered in Greenville, Spartansburg, and Rock Hill, the subject of most of them being Lee's work as an educator and as founder of the first American School of Journalism.

Dr. Smith was accompanied by Messrs. Jack Thomas and Verbon Kemp, field agents of the newspaper campaign for the Lee School of Journalism.

THE COLLEGE WORLD

Students at Ohio State University are in danger of the law. They have made a practice of stealing coffee pots from a campus restaurant in protest of a 10-cent charge for a cup and the owner threatens them with legal steps if the practice is not discontinued.

Members of Theta Sigma Phi, women's honorary journalistic fraternity, at one of the leading American co-ed institutions will sell doughnuts to students on the campus in order to raise money for the scholarship that the fraternity is offering.

A man student at the University of California ventured to carry a green umbrella to class with him for protection from the rain. It is said that this caused so much mirth that he has now discarded the green umbrella and purchased a yellow slicker which passes unnoticed.

The University of Florida is distinguished by having on the faculty of its Arts and Science College a greater percentage of men holding the degree of doctor of philosophy than any other university in the entire country, with the exception of Yale and Leland-Stanford.

The students of De Moines University are being urged to pledge \$100 each for the improvement of the school. This pledge is to be paid after they graduate from the university.

Drake University is going to spend \$250,000 on improvements on its stadium this spring. This will make it the best and biggest stadium in Iowa. The seating capacity will be 21,000.

The faculty of the University of Louisiana is taking steps to stop the practice of shaving the heads of freshmen. The immediate cause is the fact that the frosh have been extending the favor to boys who are not in the University.

TRIPLE TIE IN S. S. BASKETBALL LEAGUE

Presbyterian, Methodist and Jewish Quints Tied For First Place In League.

The victory scored by the Jewish basketball quint over the Presbyterians Thursday night has brought the Methodists, Hebrews and Presbyterians together in a triple tie in the Sunday School Basketball tournament. The Y. M. C. A. which is conducting the tournament will give a dinner to the winning team.

The Presbyterians started the game off with a rush and at the end of the first half the score was 5-3 in favor of the Presbyterians. In the second half, however, the Hebrews got away better and when the game ended they had amassed a comfortable margin over the Presbyterians, taking the long end of a 21-10 score. Felsenthal and Klein were high point men for the victors, shooting baskets from the side lines at difficult angles, and together with the fast floor work of Pfeffer helped to win a decisive victory. Eigelbach and McClure were the outstanding players for the Presbyterians.

"Y" SOCIAL SUNDAY

Similar Social To One Given Last Sunday To Be Held.

Another "Y" social similar to the one given Sunday afternoon will be given tomorrow, Feb. 22. A number of students were entertained with the following program last Sunday afternoon: Selections by the quartet of the Presbyterian Church, vocal solo by Lt. Gilland of V. M. I., violin music by J. R. Leggate and Frank Lowe, who were accompanied by Miss Louise Thompson on the piano. Refreshments were served.

Dr. Howard I. Stewart, of Norfolk, Virginia, will talk on "How To Pay Your Debts Without Money."

Dr. Stewart, the young pastor of the First Baptist Church of Norfolk is especially attractive to the young men of his church, with crowded houses always. His ability also gives him many calls for meetings from all over the state. Dr. Stewart is now conducting religious services at V. M. I.

CO-OP NOW IN CHARGE OF MABEN AND THOMAS

Newly Added Varieties Prove To Be Popular With Student Customers.

Under its new management the Co-op is again endeavoring to serve the students with an up-to-date line of goods. R. D. Maben and "Kay" Thomas are now directing the business and in all probability will continue to do so for the remainder of the school year.

The Co-op is making a specialty in the line of fountain pens, carrying on hand a large variety of pens of standard makes and also conducting a repairing department for the service of students who are troubled with faulty pens. This is service that has long been needed at the University and is proving very successful.

Several new articles are being carried in stock, among these being a variety of delicious home-made candies and fresh country cider. These delicacies have proven to be very popular with the students. Another successful feature and one that was very popular among the Student Body was the furnishing of free brads for examination papers during the first semester examinations.

A total of four athletes are helping make their expenses by working in the Co-op at the present time. Although no change has been made in the system of operation, the clerks are engaged to increase the service which the Co-op desires to give to the Student Body.

University extension courses for convicts at Sing Sing prison have proved to be quite a success.

heavyweight; and Budnick, unlimited class.

Catholic U. Meet.

Catholic University, presenting a well-balanced aggregation of pugs, nosed out the gloved Generals in a spirited boxing meet Wednesday night, the final score being 4-3 in favor of the Washington lads. The Brettmen ran away with the first three bouts of the evening's melee, but were set back in the final four events. With the score standing 3 to 0 against them, the capital city bunch showed a decided reversal of form and licked the Blue and White mitmen in the welterweight, middleweight, light-heavy, and unlimited divisions.

Lancaster, regular bantamweight boxer of the locals, was unable to don the gloves due to a nervous breakdown the earlier part of the week, and Hatfield substituted in his place. The 115-pounder was opposed by Largeay, crafty mitman of the Catholics, who put up a great fight, but was forced to defeat by the General. The judges disagreed at the end of the third round, and Hatfield, who had been the aggressor throughout the entire match, won a clean-cut judges' decision when the gong stopped the affair at the end of the fourth round.

Felsenthal, acting captain of the Blue and White, secured the only knockout of the meet, sending Tomelden, Philippine featherweight, to the canvas for the count early in the second round. The local boxer had won the first round on points, and two straight rights to the jaw sent his opponent to the mat for two successive knockouts and the bout.

Hearon secured a judges' decision over Byrnes, Catholic U., at the end of three rounds after the Blue and White mitman had outfought and out-rushed his opponent. "Fanny" out-boxed his lightweight opponent in the first two rounds, and finished up the contest by sending Byrnes flying across the ring for a knockdown early in the third period.

Merritt and LaFond, Capt. Catholic U., provided the comedy of the meet. Both fighters resorted to excessive clinching throughout the entire bout, especially during the first two rounds. The Washington pilot clearly outpointed "Red" in the final round, and was awarded the decision.

Wilkinson exchanged lefts and rights with Adams, smart middleweight of Catholic U., which resulted in the latter obtaining the referee's decision at the end of four fast and furious rounds of boxing. The first three rounds was called a draw, neither man showing any advantage over the other. Referee Corbett awarded the fight to Adams, when the judges disagreed at the end of the extra round of fighting, claiming that the Catholic U. man was the aggressor.

Spotts, having an injured ear and ankle, forfeited the lighthheavy event to Moore, in the first round of their sette. The Blue and White clad Generals' 175-pounder was not in condition to fight, and the bout was awarded to the Catholic U. matman.

Budnick and Conklin, Catholic U., tied up in the final bout of the evening, unlimited class, in one of the most spirited and exciting fights of the meet. Conklin was awarded the judges' decision at the end of the fourth round, the extra period being necessary to determine a winner.

Corbett, V. M. I., refereed the match, while the judges were Zimmerman, local jeweler, and Quinlan, V. M. I.

on the field, they take their afternoon sessions in the gymnasium.

Uniforms have been issued to all of the Varsity men and practically all of the scrubs from last year and members of the 1924 Freshman nine have been given some form of equipment.

Among the Varsity men who have answered the initial call are McMillan, Hawkins, Dawson, Gwaltney, Aylmer, Seehorn, Perry, Woolwine and Captain Lindburg. "Snake" Maben, a member of the team of several years ago, is again in the fold and is trying out for the nine.

FRESHMEN WIN THRILLER FROM NORTH CAROLINA

(Continued from Page One)

Spotts again appeared in the foreground when he made a basket followed by another free toss. Johnson then made two field goals and the score at the half way mark was 15 to 10 in favor of the Blue and White cagers.

Morris, the stellar Tar Heel guard, made the first basket in the second half with a pretty ringer from the side lines. Rucker followed with a foul shot and then Shupp scored two points with a long arching basket from near the middle of the floor. Rucker dropped the ball through the hoop for two points after some clever passing from his teammates. Vanstory, the Carolina flash, put his team within striking distance of the Little Generals with a foul shot and field goal, but Howe immediately checked the visitors' rally with a shot from under the basket. During the remainder of the game Spotts and Vanstory scored intermittently, the final score being 26 to 20 in favor of the Washington and Lee first year men.

The Carolina frosh will end their long invasion playing the V. M. I. first year men tonight. Their defeat last night was their first setback on this trip as they have defeated A. M. A., S. M. A., Woodberry Forrest and the V. P. I. yearlings.
