

## GENERALS MEET TULANE IN FIRST TOURNAMENT GAME

Will Play North Carolina This  
Afternoon in Chapel Hill On  
Way To Atlanta.

### EIGHT PLAYERS ON TRIP

Nineteen Southern Conference Teams  
Enter Tournament — Generals  
Play Friday Afternoon.

Tulane University, of New Orleans, La., has been chosen as the first opponent for the Washington and Lee basketball team in the annual court tournament held under the auspices of the Southern Intercollegiate Conference. The game will be played at 3 o'clock Friday afternoon, as the Generals do not get into action before then. The tournament makes its formal opening on Thursday.

The team left here Tuesday night at 6:20 P. M. for Chapel Hill, where they will engage the University of North Carolina net quint in a tilt before proceeding to Atlanta. The game was played this afternoon instead of tonight as the Tar Heels drew the V. P. I. Gobblers as their opposition in the Southern Conference tournament and have to play them on Thursday, the opening day.

Coach Cameron selected the following men to make the trip to Chapel Hill and Atlanta: Captain Lake, Lane, Van Horn, Wilson, Funk, Herndon, Mitchell and Little. Manager D. H. Brown also accompanied the squad to the Georgia city.

The contest with the Tar Heels will make the second meeting of the two teams this year, the Carolinians having vanquished the Generals on their invasion of Virginia early in February. The Tar Heels are regarded as one of the favorites of the net tourney as they recently defeated the University of Virginia by the score of 26 to 18. The defeat of the Cavaliers by the North Carolina team marked the first loss suffered

## ASSEMBLY SPEAKER GIVES EXCELLENT ADDRESS

"Sex and Life" Is Interesting Subject  
Presented By Eminent Authority  
On Sex Hygiene.

Making his second appearance before the Washington and Lee Student Body, Dr. E. L. Swan, eminent authority on sex hygiene, spoke at an assembly Tuesday morning on "Sex and Life." His excellent address was enjoyed by a large number of students, whose interest was manifest in the manner in which he was received by the audience. Dr. Swan is well qualified as a speaker on this subject, having had twenty years' experience in various countries. Coming here under the auspices of the Y. M. C. A., he delivered one of the most interesting and helpful talks that has been given before the Student Body this year.

His main topic was a plea for purity among the manhood of America. He pictured the growth of the boy and the girl, and brought out the difference in the teaching they received. He contrasted their ideals and natures, showing how their paths became widely separated. The wishes and hopes of the average person were analyzed by Dr. Swan, and the attainment of all that we most wish for was shown to be based on purity. His talk was interspersed with interesting illustrations of the self-sacrifice of women and of their uplifting influence upon men. His message was very timely, and is about a subject that is of extreme importance today.

Dr. Swan is on a tour of the colleges of Virginia and his address was supplemented with a picture, "The Gift of Life" which was shown, for benefit of the students, at the New Theatre this afternoon at five o'clock.

## YALE WINS FROM GENERALS' BOXERS

Spotts and Felsenthal Score Two  
Victories For White and Blue  
Team.

Old Eli's boxing team defeated the Washington and Lee mitmen 4 to 2, at New Haven, Monday night. There were six bouts, ranging from the bantamweight class to the lightweight division, but there was no bout in the unlimited class by agreement. This was the first of the three matches that the Generals will box on their northern trip. Colgate will be met Thursday night and Pennsylvania will be the closing match of the present season, Saturday night.

Hatfield, the Washington and Lee bantamweight, lost his bout via the technical knockout route in the third round after standing up against some terrific milling for two fast rounds. Felsenthal evened the score with a clean decision over his Yale adversary, the outcome of the bout never being in doubt. In the lightweight class, Hearon lost a close decision, although there was some doubt in the minds of the spectators as to the winner of the bout.

Yale made the score 3 to 1 in their favor when Durham lost his bout on a decision. "Ken" put up a wonderful exhibition of boxing but was outclassed from the start. Wilkinson lost his bout on a decision to Funk, the clever Yale middleweight. This bout was one of the best of the evening and kept the spectators on their feet most of the time. Spotts of Washington and Lee won in the lightweight weight class after boxing an extra round when the judges failed to agree at the end of the prescribed three rounds.

## Baseball Practice Getting Under Way

Much Promising Material Is Out For  
Varsity Nine—Pitching Staff  
Particularly Strong.

The baseball squad, under the guidance of Capt. Dick Smith, has begun vigorous practice on Wilson field, with many promising new men from last year's freshman team to contest the positions of the old men. The chief business in hand at present is the conditioning of the material for the hard work that is to come.

All of the men from last year's varsity are back, with the exception of Frank Switzer in the outfield. Joliffe, Stearns, and Hamilton, several men of last year, are working to fill this vacancy.

In the infield, Palmer, Fossett, and Neville are showing up well as new material. It is doubtful as to whether George Wilson will be able to come out this year, and it is possible that one of these men may be picked to fill the place left by him.

The possibilities of the pitching staff are particularly favorable with Linburg, Perry, Woolwine, Maben, and Hickam of varsity experience, and Worthen and Osterman, twirlers of last year's freshman nine, as material for the battery.

## SENIOR CLASS MEETING

A joint meeting of all the Senior classes has been called for Friday, February 27, at which meeting the leader of the annual Senior Ball to be given during Finals Week will be selected.

The meeting will be held in the Geology Lecture room, Washington College, at seven-thirty p. m. A large attendance is expected.

## PAUL SPECHT TO PLAY HERE EASTER

Signing of This Orchestra Insures  
Excellent Music For Easter  
Set of Dances.

Contract has been signed with Paul Specht's Carolina Club orchestra to furnish the music for the coming Eastern set of dances, according to announcement made today by Jennison Cooke, president of the Cotillion Club.

The Carolina Club orchestra is a ten-piece aggregation composed of a number of excellent musicians and fine entertainers. They have recently finished a six months' engagement at the Piccadilly Hotel in London, England, and it was while there that the Prince of Wales became so impressed with them. Upon his recent visit to the United States he requested the orchestra to accompany him on the steamer "Berengaria." After their arrival here they filled an engagement on Keith's Circuit and since have been playing for society dances throughout the country. The Carolina Club orchestra is rated by music lovers as one of the leading orchestras of the country and in securing them the Cotillion Club has endeavored to give Washington and Lee dancers the best in the line of music.

The Easter dances will be given on Monday and Tuesday, April 13 and 14. The Cotillion Club will give their Easter dance on Monday night and a dansant will be sponsored by them Tuesday morning from eleven to one o'clock. During the afternoon the Troubadours will present their farce, "Adam and Eva," and the dances will be climaxed Tuesday night by the annual "13" Club dance.

It is urged by the sponsors of the Easter dances that the students should extend their bids to the girls early because the colleges throughout the state will be giving their spring hops about the same time. The Easter dances are among the best given by Washington and Lee, and to assure their success a large number of girls are necessary.

## LYNCHBURG HIGH FALLS BEFORE FRESHMEN 22-11

Spotts and Elder Not In Line-up—  
Shupp Is Star For Frosh, Scoring  
Twelve Points.

Having decisively licked the Tar Heel Freshmen cagers the previous night, the Blue and White Little Generals continued their rampage by defeating the Lynchburg High hoopers Saturday afternoon, 22-11. The game was never in doubt from the start, the locals always having a comfortable lead over their Hilltop rivals. This contest marked the end of the Frosh court season, during which only three games were lost, one being on the home floor.

Capt. Spotts and Elder, mainstays of the Frosh basketmen, did not don uniforms for the Lynchburg contest, the former directing the team from the sidelines, due to Coach Brett's absence. However, the locals did not need these two men, for "Ikie" Shupp was in rare form and threw baskets from all over the floor. It was during the first quarter that this youthful General showed his goal-tossing ability, caging all the Freshmen points, the period ending 6 to 3, with the Blue and White on the long end.

The first half found the locals leading 12 to 3, the Hilltoppers being kept from scoring due to the fine exhibition of guarding by Rucker and Joynes. Shupp, Howe and Nance had tossed field goals, while Lynchburg had been unable to locate the meshes for a single point.

The third quarter was half over before Shupp threw one in the ring, and quickly followed with a long one from the sidelines for two more

(Continued on Page Four)

## CIRCLE HOLDS ANNUAL CONVENTION

"Cap" Nelson, Dr. Easter and Dr.  
Brown Attend Annual Meeting  
At William and Mary.

The national convention of Omicron Delta Kappa met with the Eta circle at William and Mary College, Williamsburg, Virginia, on February 20 and 21. The convention was called to order at 2 o'clock Friday afternoon and business was begun. A banquet was held that evening, which was followed by the meetings of the various committees. The session was resumed at 9:30 the following morning. In the afternoon the delegates went on a sight seeing tour, visiting Jamestown and Yorktown.

The General Council of the society held its meeting, at which the new officers were elected, in the afternoon. The following officers were chosen: President, Professor A. G. Williams of William and Mary; vice-president, Professor J. H. Hewlett of Centre College, executive secretary, Dr. W. M. Brown of Washington and Lee. The council members-at-large are Dean W. L. Prince of Richmond University, Dr. J. C. French of Johns Hopkins University, and Professor E. G. Schramm of the University of Pittsburgh. The Council decided that the conventions would be held bi-annually in the future, the next convention being in February, 1927, the place to be decided by the General Council.

The Alpha circle of Washington and Lee sent T. R. Nelson as their official delegate. Other members of Alpha Circle in attendance were Dr. D. B. Easter, the first national president of the organization, and Dr. W. M. Brown, the national president for the past three years.

Omicron Delta Kappa was founded at Washington and Lee on December 3, 1914, to recognize all-round activity and leadership on the campus. Since then circles have been installed in twelve institutions with a total membership of 900. Upon many campuses it is regarded as the highest honor attainable by an undergraduate.

For the past several years the executive offices of the society have been in Baltimore with J. C. Fisher, one of the founders, as executive secretary. The headquarters are now being moved to Lexington where the organization first came into existence.

## ALL NOW IN READINESS FOR SATURDAY'S INFORMAL

Full Dancing Privileges Extended To  
the Freshmen—Southern Collegians  
To Play.

All plans necessary for the success of the informal to be held in the Doremus gymnasium this Saturday have been completed and the only thing now needed is the girls. This dance, which is sponsored by the Cotillion Club, is being given for the benefit of the basketball team sweater fund and all students are urged to attend so that this fund may go over the top. According to reports, a large number of girls is expected to be present.

The Southern Collegians have again been secured to furnish the music, and they will use all of their ten pieces. As a result of much practice they will be able to give an even better brand of music than they did at the informals before Thanksgiving.

Freshmen will be allowed to dance for the whole time regardless of whether they bring a girl or not. This is the first informal this year at which the freshmen have been given this privilege. They will, however, be compelled to wear the customary green tie.

The opinion of 200 women at Vassar is that a smoking room should be provided.

## GENERALS DEFEAT DAVIDSON 33-18

Lake Is Star of Last Home Game,  
Caging Many Spectacular Shots  
From Difficult Angles.

The Davidson Wildcats went down to defeat before the White and Blue net men last Saturday night by the score of 33 to 18. This was the last home game of the season for the Generals and also Captain "Panther" Lake's last performance before a crowd on the Doremus gymnasium as a member of the Washington and Lee team. Lake completes his four years of collegiate basketball at the end of this season.

The visitors, conquerors of Georgia Tech and V. P. I., were no match for the Blue and White net wizards. The Generals were at their best and Captain Lake, with six field goals, was the high point man of the game. Five of these six baskets were made from mid-floor and these shots were, to say the least, spectacular.

Every man out for the squad was put into the game by Coach Cameron towards the end of the second half. With these men in, the Wildcats were unable to present any offense that showed anything like a scoring machine.

Captain Lake played a great game in his last floor tilt on the W. & L. court as he shone both on the offense and defense. His long shots in which he sank five field goals proved to be the sensation of the game. Many of his shots would hit the rim, and roll back out, he having some very hard luck in his shots.

The Generals only had a seven-point lead at the end of the first half, the score being 15-8. To start the scoring half off, Lake made two consecutive goals as did Herndon, who substituted for Van Horn, and the score was 23-8. The Generals had a comfortable margin at this point of the game. Huie made a foul and goal for Davidson. Wilson and Herndon each sank a basket.

Lake made several more goals, and at this point Coach Cameron sent his entire string of subs into the fracas. Davidson fought frantically throughout the entire melee, but were unable to make any headway whatsoever against the sterling defense put up by the Big Blue team.

Henry Wilson was on the job at every moment of the game, keeping the Davidson forwards away from

(Continued on Page Four)

## Wrestlers Win From Duke 14-9

Captain Holt Wins Meet For Generals  
By Throwing His Man In  
Last Bout of Night.

Washington and Lee's grapplers scored a 14-9 victory over the Duke University wrestling team last night. The score was tied until the last bout, when Captain Holt, of the Generals, scored a fall over his opponent, Umberger, 5 minutes 17 seconds with a lever lock and half nelson hold.

Johnson, of Duke, in the 115-pound class, scored a time decision over Driver, W. & L. The time was 3 minutes 37 seconds. Driver weighed about eight pounds less than Johnson and was on the defense the entire time.

Wigglesworth, of W. & L., lost to Captain Hardway, of the visitors, the latter receiving a 7 minute 48 second time advantage. Walters, W. & L., with 1 minute 35 seconds time advantage over May, of Duke, scored three points for the home team. Yearby, of Duke, won a time advantage over Yankee, W. & L., in an extra period.

Biddle, W. & L., defeated the veteran mat star, Midgett, of Trinity, in an extra period, the time advantage being 35 seconds. Tilson, W. & L., with 5 minutes 14 seconds time advantage to his credit won from McIntosh, of Duke, in an extra period

## A Possible Solution.

Every year we hear the old, old story of men, good men, who have to give up the possibility of coming to Washington and Lee because of the fact that there are very few opportunities for one to work his way through here. In fact, fewer opportunities for self-help are possible at this place than at almost any other of the major colleges or universities in the country. For this reason many fine men, good athletes, but men of limited means, are forced to seek elsewhere for an education.

We are cognizant of the fact that through the efforts of the Athletic Association and other organizations there have been a few positions opened up for students, but the proportion in comparison to the total Student Body is so small that the problem has practically yet been unapproached.

But there has been one very fruitful score of student employment that has not as yet been secured. In many college towns, even the size of Lexington, the administration, together with the student representatives, or the athletic association, has been able to affect arrangements with local merchants whereby many positions have been secured at convenient hours in the local stores. In many cases positions were almost created for the students, for the local merchants realized that they owed a debt to the school for the trade which they received. This we think could be done in Lexington. Of course, many of the merchants here are their own clerks and do not go beyond the proprietors of the business for hired help, yet at the same time we may walk up Main street and point out a score or more establishments where a student or two could be utilized. The gain we believe would be in the merchants' favor as well as in the students' for the student would induce his student friends to trade in the store and would on the whole prove highly intelligent salesmen at comparatively low wages, but at such a wage as would enable him to avail himself of the opportunity of attending this University, which he otherwise might not be able to do.

A canvass should be made of every store in this town and persuade the merchants if possible of the practicability of such an arrangement. If only a half a dozen new opportunities were opened up it would mean a great step forward in the field of student help, a phase in which we must admit we are at present very deficient. We believe that the merchants would reap real benefits by co-operating in such a plan and that by so doing they would increase their prestige and good will among the Student Body as a whole. If the students know that such-and-such

merchant is helping Washington and Lee men by giving employment to students with limited means the fact will advertise him better among the student trade than anything else he could possibly do.

## SYRACUSE TO DEBATE IN LEXINGTON MONDAY

Mullinix, Henry and Strahorn To Represent W. & L. In Debating Contest.

On Monday, March 2, the Washington and Lee debating team, composed of W. D. Mullinix, L. R. Henry, and John Strahorn, will meet the strong team representing Syracuse University, in Lexington. The visitors are determined to remove the stain of last year's defeat, which awarded by a three to two vote after a most hotly and fiercely contested debate at Syracuse.

The subject for this year will be: Resolved, that on declaring an act of Congress unconstitutional, two-thirds of the entire bench of the Supreme Court shall concur. The Blue and White debaters will uphold the affirmative side of the question, while the visitors will offer their contentions in the negative.

Syracuse is noted throughout the East for the strong debating teams that it produces, and is always one of the foremost contenders for the eastern intercollegiate honors.

## ALPHA SIGMA TO CHOOSE MEMBERS AT MEETING TONIGHT

Honorary Freshman English Society To Ballot On Eligible Names Tonight.

Alpha Sigma, the honorary freshman English society, will have an important business meeting tonight at 8:30. At this time the names of all those who fulfilled the scholastic qualifications at the mid-term examinations will be balloted on.

The president, D. C. Porter, especially urges all the members to be present, as in addition to the balloting on new men, a new vice-president must be elected. This vacancy was made by the recent withdrawal from school of W. A. Shell, former vice-president.

## BIOLOGICAL SOCIETY INITIATES SIX MEMBERS

To Conduct Essay Contest Similar To One Being Held By Chi Gamma Theta.

The Biological Society held its regular mid-year initiation Thursday night at 7:30 in Washington College. Eight new men were recently pledged and six of these were taken in Thursday night as follows: R. C. Acton, E. S. Lamar, B. K. Bullard, T. H. Faussett, P. S. Hill, and A. T. Roy. The two yet to be taken in are J. G. Smith and J. R. Van Buren.

The Biological Society has been planning for some time to conduct an essay contest similar to the one held by Chi Gamma Theta, which is now being concluded. The plans for this contest are about completed and will be announced in the near future.

## RESPONSE TO FINALS DRIVE DISCOURAGING

Reports From Turned In Cards Show Response Far Below Expectations.

According to early reports turned in, the response of the Student Body has been rather poor to the 1925 Finals Campaign. Although only about a third of the cards have been turned in by the committee, their quota is far below expectations, many of the students having signed for only one-half of the amount asked. Many, however, have not as yet been seen by the financial committee, but they are expected to be solicited within the next few days.

## DUKE U. GRAPPLERS IN AUTO ACCIDENT

Members of the Duke University wrestling team met with an accident in the course of their journey from Harrisonburg to Lexington about six o'clock Sunday evening. They were coming to Lexington in a hired car, and about sixteen miles from here collided with a Ford touring car coming out of a side road. The grapplers were not injured.

## ALUMNUS DIES

Joseph Sinai, who attended Washington and Lee in 1892-94, died last Sunday in New Orleans at the age of 49 years. He was a prominent lawyer of New Orleans, and Democratic nominee for member of the commission council of that city, and was also regarded as the most active Mason in the state of Louisiana.

**FIVE NEW FRATERNITIES PLANNING TO BUILD IN PROPOSED ROW**

**Phi Kappa Sigma To Break Ground On \$30,000 House In Ten Days.**

With the completion of the new Beta Theta Pi Fraternity house, it is now generally known that several fraternities are planning to follow suit. Among these are Phi Kappa Sigma, Phi Delta Theta, Alpha Tau Omega, Phi Kappa Psi and Sigma Alpha Epsilon. The exact location of these new houses has not been fully decided upon. Phi Kappa Sigma has sold its old house on the corner of Lee and Washington streets and will be the second fraternity to build on Fraternity Row. They expect to break ground within ten days, and will occupy the lot on the corner opposite to that of the Beta house and will be located the same distance south of Henry Street as the other is north of it. The general style and character of the building will be very similar to that of the Beta house. The cost will be approximately \$30,000. The front of the building will face the campus directly. The University is now engaged in removing the various outbuildings at present occupying the lot, preparatory to breaking ground about March 10.

**J. C. ROBERTS TO LEAD INTERFRATERNITY DANCE**

At the Interfraternity Council meeting last Thursday J. C. Roberts was unanimously elected to lead the Interfraternity Dance, the first of the set of Finals Dances. Roberts is prominent in campus activities, being a member of the Sigma Alpha Epsilon, Omicron Delta Kappa, Sigma Upsilon, Cotillion Club, President of Troubadours, and is a pledge to the Phi Delta Phi legal fraternity. R. A. Rushton, who was selected to assist Roberts, is a member of the Beta Theta Pi fraternity.

**B. & O. TO MOTORIZED BRANCH INTO LEXINGTON**

The Harrisonburg-Lexington branch of the Baltimore and Ohio Railroad will probably be motorized for economical reasons, according to an announcement made public recently. Passenger traffic does not justify continuous operation of two passenger trains daily, and the substitution of gasoline for steam power would effect considerable saving to the railroad. Regular motor busses with flanged wheels to fit the railroad tracks would be used.

**EXECUTIVE COMMITTEE REQUESTS ENFORCEMENT**

The Executive Committee wished to call attention to the fact that absolutely no one except students of Washington and Lee and their guests are permitted use of the gymnasium locker rooms. The committee requests the co-operation of every student in enforcing this rule.

The Dance Control Committee will function as usual at the informal this Saturday.

**VARSITY AND SCRUB WRESTLERS LOSE TO V. P. I. & A. M. A. MATMEN**

**Holt, Tilson, and Summerson Win Matches, But Techmen Take Meet 14 To 13.**

The Varsity and the Scrub wrestling teams had meets Saturday and both had the misfortune to receive the small end of the score. The Varsity lost its match with the V. P. I. matmen by the close count of 14 to 13, while the Scrubs lost to A. M. A. to the tune of 19 to 8.

The meet with V. P. I. was particularly close and each bout was hotly contested. Summerson, 115-pound class, started off well by throwing Barr, V. P. I., 115-pounds, in three minutes. The next four contests went to V. P. I., Wigglesworth, 125 pounds, losing to Elsea by a fall in five minutes; Burton, 135 pounds, to Rousie by a decision in three minutes; Yankee to Faulkner by a decision in two extra periods after a draw; and Biddle to Ray in an extra period. The Blue and White men won the last two matches by falls, Tilson throwing Miles in nine minutes, and Holt throwing Frey in two minutes.

The Scrubs, who wrestled the A. M. A. boys on their home ground, did not show up particularly well, and lost by a score of 19 to 8. The results of the various bouts are as follows: 115 pound, Wilkes (A. M. A.) threw Goldstein (W. & L.) in 3 minutes; 125 pound, Pryor (A. M. A.) won a time decision over Rissler (W. & L.); 135 pound, Smith (A. M. A.) won a time decision over Rule in an extra period; 145 pound, Meadows (A. M. A.) threw Milbank (W. & L.) in one minute 45 seconds; 158 pound, Copper (W. & L.) lost by a time decision; 175 pound, Seligman (W. & L.) threw his man in 45 seconds; unlimited, Walters (W. & L.) won a time decision over Byrd (A. M. A.) in two extra periods.

An aeroplane will be constructed by students in the class of aeroplane designing at the University of Michigan. Actual work will begin soon.

**GENERALS MEET TULANE IN FIRST TOURNAMENT GAME**

(Continued from Page One)

by the Old Dominion five since the formal opening of the collegiate basketball season.

Last year in Atlanta the Blue and White hit a snag in the first game of the tournament, losing to the University of Georgia in their first game of the tourney by the count of 36 to 24. The Georgia team went into the semi-finals of the tournament.

Nineteen of the 22 members of the Southern Conference have entered the tournament, and this entry list is the largest that has ever been received since the tournament was inaugurated. The University of Virginia and the University of South Carolina will have the honor of playing the opening game of the tournament on Thursday night at 7:30. Three games will be played on that night.

North Carolina, present champs, will engage the Techmen following the Cavalier-Gamecock clash and the Old Liners from the University of Maryland will go up against the Thin Red Line net wizards of the University of Alabama in the closing game Thursday night.

The schedule of games in the tournament follows: Thursday, Maryland vs. Alabama, South Carolina vs. Virginia; V. P. I. vs. North Carolina; Friday, N. C. State vs. winner Maryland-Alabama game; W. and L. vs. Tulane; V. M. I. vs. Miss. U.; Auburn vs. winner S. Carolina-Virginia game; Georgia vs. Clemson; Kentucky vs. Miss. A. & M.; Sewanee vs. Ga. Tech; L. S. U. vs. winner V. P. I.-North Carolina game. The games then continue the elimination and the final deciding games comes Tuesday night.

**THE COLLEGE WORLD**

The pipe organ at the College of Emporia is the largest organ between Chicago and Denver, containing over 3,000 pipes.

According to figures recently compiled Amherst has a larger percentage of its graduates in "Who's Who in America" than any other institution. She has 869 out of 10,000. Wesleyan is second with 698. Yale is seventh, Cornell is tenth, Princeton is eleventh and Columbia is sixteenth in the list. Amherst has procured thirty-two college presidents.

Dean Clark of the University of Illinois put a ban on cruelty in initiation stunts of fraternities.

Juniors at Emporia College have accepted a challenge issued by the faculty for a whisker growing contest to last three weeks.

"Cold cured while you wait" is the promise of the university physician at Indiana University. Students are confined in a room into which chlorine gas is admitted, and come out completely cured of colds.—The Tulane Hullabaloo.

University of Chicago students are given the opportunity of filling extra places in the opeas played in Chicago.

Swimming is the most popular sport among co-eds at the University of Wisconsin this year. Tennis ranks second and a close third is dancing. A total of 462 women have enrolled in the swimming classes, 331 in the tennis classes and 329 in dancing.

As a result of the recent exams at the Rice Institute several school papers face a reorganization, because the majority of the board members were asked to leave the school.

An attempt is being made to abolish the rule prohibiting smoking on the campus at the University of North Dakota.

Statistics prove that for every girl on the campus at Ohio State there are two and one-third men. Co-eds are found in all the courses there except the veterinary course.

Memorial hall dining room at Harvard University, long notorious for bad food, has finally been closed.

**LYNCHBURG HIGH FALLS BEFORE FRESHMEN 22 TO 11**

(Continued from Page One)

points. Howe followed with a double-decker. Spencer and Hill scored in quick succession as the quarter ended, the locals leading 18-8. As yet the Frosh had been denied the chance to score via the free toss route, since Lynchburg had been playing a most unusually clean game.

Both teams battled hard in the final period, the high school lads adding three points, while two baskets were dropped by the Frosh.

Shupp and Howe led the assault upon the Lynchburg aggregation, with Joynes and Rucker displaying their worth on the defense. Capt. Spencer and Grow shone for the visitors with their floor work, while Hill put up a good game at guard.

**GENERALS DEFEAT DAVIDSON 33-18**

(Continued from Page One)

the goals. He contributed seven points to his team's total. Funk, Van Horn and Lane also played brilliant basketball for the winners. Boggs, captain of the team, and Laird stood out for the Davidson net quint.
