**Budget Already Prepared—100 Solicitors Banquet Monday Night.**

The work of the Y. M. C. A., both of a religious nature and in services such as the lyceum course, privilege ticket, comfortably equipped room, socials, etc., which the Y. M. C. A. gives to every student in the University regardless of creed or standing, is made possible by subscriptions from the students and faculty.

The workers, about 100 students, who will secure the subscriptions, will meet for supper at 6:30 Monday night, Oct. 12, at the Episcopal Church. Each man will be assigned a certain fraternity, floor of dormitory, or boarding house.

It is hoped that the whole amount will be subscribed Monday night. Reports on the progress of the campaign will be received up to twelve o'clock Monday night in the Y. M. C. A. room.

George E. Burks is the student treasurer of the Y. M. C. A. and Professor Hale Houston is the faculty treasurer. The books of the Association are always open to students and faculty for inspection. Questions concerning them are welcomed.

## SQUARE AND COMPASS ELECTS OFFICERS

**Yarbrough Elected President of Masonic Fraternity At First Meeting of the Year.**

At the first meeting of the Washington and Lee Square and Compass, held Tuesday, Oct. 6, in the society room in the Stewart Building, the following officers were elected: J. A. Yarbrough, Jr., president; Dr. R. Granville Campbell, vice-president; Nelson W. Burris, secretary; H. Gray Funkhouser, treasurer; and Dr. J. L. Howe, Square adviser.

The fraternity, of which the Washington and Lee Square is the mother chapter, was founded in 1917 and now has 47 active squares in thirty-two states. In college parlance it is a professional fraternity and members of Greek-letter fraternities are eligible to membership, providing they are Master Masons. At its last general convention in New Orleans in December, 1924, the fraternity se-

## Pi Delta Epsilon Holds First Meeting

**Ten New Men Elected To Membership—Representative To Be Sent To California Next Sept.**

Pi Delta Epsilon, honorary journalistic fraternity, held its initial meeting of the year Thursday night on the second floor of the Washington College building. The men who returned this year are: C. B. Knight, T. B. Bryant, R. W. Jordan, G. D. Mayor, T. T. Moore, E. W. McCorkle, J. D. Mayhew, J. T. Stallings, and E. A. Nabors. The faculty members who are back this year are: D. B. Easter, T. J. Farrar, H. G. Funkhouser, and C. E. L. Gill. A comparatively large number of men failed to return this year.

Nine students and one faculty member were elected into the fraternity. The bids will be sent out sometime before Wednesday, at which time the names will be made public.

Among the plans discussed for the coming year was the advisability of sending a representative to the national convention to be held at the University of California at Berkeley, California. It was estimated that this will cost approximately one hundred and sixty dollars, and most of the discussion was taken up with trying to find some means of raising this money.

The next meeting of the fraternity will be held next Tuesday night.

## SOUTHERN COLLEGIANS CARRY SCHOOL NAME FAR

**Local Orchestra Played In Manhattan, France, and Spain.**

The name of Washington and Lee was carried to distant lands last summer by the "Southern Collegians," comprised mostly of men from this school. The orchestra was greeted everywhere with enthusiasm, the "Swing" being one of the most popular numbers in the repertoire.

The band left Lexington June 12, playing its way north as far as Bridgeport, Conn., and back to New York. Sailing on June 27, the orchestra landed in Cherbourg, France, staying there only long enough to get the first train to Paris. A yell was given for Washington and Lee and for the band by passengers getting off at Plymouth.

While in Paris, the orchestra obtained an engagement at the "Chateau de Madrid," a high-class cabaret in the Bois. The labor unions closed down on them and forced them to cease playing, the reason being that while there is special dispensation in Paris for American bands, the Chateau is just outside of Paris, and the ruling does not hold good.

Two Spaniards came to Paris looking for an American orchestra, and the band went to Madrid. Their

## MEETING OF CALYX TRYOUTS BRINGS IN MANY SUBSCRIPTIONS

The meeting of tryouts for the business staff of the 1926 Calyx was held at 7:30 o'clock Tuesday night in Newcomb Hall. The men turned in the subscriptions which they had obtained in the recent drive. Judging from the number of subscriptions turned in, the whole campus has been thoroughly covered and the Calyx should have a successful year.

## GENERALS MEET VIRGINIA NOV. 7 IN HOMECOMING GAME

**Elaborate Plans On Foot For Entertainment of Returning Alumni.**

Although November 7, the date of the annual gridiron classic between the Generals and the University of Virginia eleven is four weeks off, those in charge of arrangements for handling the crowds and seeing that facilities for the comfort of the influx of visitors are at hand, are already busily engaged in getting the preliminary part of the work out of the way.

To accommodate the students and alumni of the two schools, as well as the hundreds of other interested spectators who will crowd Wilson Field that afternoon, temporary bleachers and seats that will hold 3600 people will be erected, while two thousand or more can be seated in the permanent stands opposite. If the need seems to arise before the game, it is the plan of the authorities to put up a stand of bleachers against the hill northwest of the playing field.

Every year that this game is fought on Lexington soil it provides a reunion for former students and alumni that is scarcely surpassed, even at Finals. Each year sport lovers attend in larger numbers than ever before, and with the first section of the big stadium open for the first W. and L.-Virginia game it has ever witnessed, and with the good transportation facilities now available in the form of improved highways in every direction, it is safe to say that this year will see the greatest crowd ever gathered on Wilson Field. The fraternities on the campus are always kept busy entertaining visiting brothers, and a number of the local Greeks will probably make special plans for the week-end in the way of entertainments before and after the game.

A special train has been chartered to bring the Cavalier supporters from Charlottesville, and a parade from the station through the town will probably be staged. The University always boasts a good band for leading their marches, and local musicians, under the direction of J. B. Funk, are practicing weekly in preparation for the game. Adding

## Floyd Elected Freshman Head

**Spirited Fight For Position of Executive Committee Finally Decided In Favor of Lott.**

Schuyler H. Floyd, of Jacksonville, Fla., was elected president of the Class of 1929 by a three-fourths majority of the Freshman Class at their annual election held in the gymnasium Thursday night.

The other officers of the class were elected as follows: Vice-president, W. A. McDonough; secretary-treasurer, W. T. Black, Jr.; historian, W. C. Ogburn; executive committee-man, W. B. Lott of Mobile, Ala. The last one of these offices was the most hotly contested on the whole ticket, Lott finally winning out over H. D. Ebert by the narrow margin of three votes, when the second ballot was taken.

Floyd, the new head of the freshmen, is a member of the Freshman football squad and is pledged to the Sigma Alpha Epsilon fraternity. Lott, the frosh executive, also plays on the first year grid team and is pledged to the Phi Kappa Psi fraternity.

## SOCIAL SEASON USHERED IN WITH FIRST INFORMAL SATURDAY

### THANKSGIVING TROUBADOUR SHOW SELECTED

**Large Cast To Be Used In Production—Tryouts To Be Held Monday In Troub Rooms.**

At a meeting of the Executive Committee of the Troubadours, "The Whole Town's Talking" was selected for the Thanksgiving show. This was selected in preference to "The Champion," an English play of considerable merit which was discarded because of its unappealing nature to a college audience.

"The Whole Town's Talking" is a farce in three acts, written by John Emerson and Anita Loos. It is a well known play, having enjoyed long runs in the large cities and a season's success on Broadway.

There are fifteen characters in the play, and with this unusually large cast, ample chance for all ambitious thespians to show their spot-light ability will be afforded. Tryouts for the various parts will be held Monday evening at 7:30 o'clock in the Troubadour room. A stage has been erected in the Troubadour room and this should prove considerable improvement over last year. There is need for a set designer, and all men having experience in this line should be present on Tuesday night at 7:30.

The cast will be picked shortly after the first tryout and it is very important that all tryouts be present. "The Whole Town's Talking" will be presented on the afternoon of the second dance during the Thanksgiving dances.

### MANY SUPPORTERS ATTEND PRINCETON GAME TODAY

**Many Motor To Palmer Stadium For Tiger-General Clash—Every Car On Campus In Use.**

Many students have taken advantage of the smooth surfaced roads up the Shenandoah Valley and have slipped away over the week-end to attend the Washington and Lee-Princeton football classic in Princeton, New Jersey, today. Since this is the first time in five years that the Generals and Tigers have met in the Palmer Stadium, every car that was in any condition at all was pressed into service and headed north.

The following men were on hand to cheer the Generals on to higher aspirations today: Harry Clemmer, A. A. Payne, J. P. White, C. W. Little, T. B. Bryant, W. J. Driver, L. Y. Thompson, S. A. Wertzberger, J. D. McKinney, Jairus Collins, J. T. Lowe, H. C. Harrel, J. D. McHugh, E. K. Jackson, E. H. Trinkle, K. B. Glass, T. R. Nichols, G. Witherspoon, S. W. Lancaster, W. A. Ward, B. Lawson, L. G. Bade, A. M. Clauss, J. E. Grossman, S. C. McCain, J. G. McGriffin, C. L. Smith, F. Gilmore, L. B. Stanley, T. A. Wilkins, D. D. Wilson, G. C. Olson, T. Menefee, G. S. DePass, C. V. DeBlasso, J. B. Ecker, F. M. Pearce, H. Halle, I. Lebow, and H. Moses.

#### NOTICE

The Debating Council will meet at 3 o'clock Monday afternoon in Room 206 of the Chemistry building. Important business will be brought up and all members are requested to attend.

### Freshmen Allowed To Attend Only One Hour—Southern Collegians To Play.

Washington and Lee will have its first informal dance of the year Saturday, October 17, in the Doremus Gymnasium. The dance will be from nine till twelve o'clock, and as this is the first one of the year, it is very important that everyone have a girl.

The Southern Collegians will furnish the music for this dance, the orchestra being the same as the one that made the "Swing" on the Perfect record and that toured Europe this summer, with the exception of Reid Murdaugh and "Slide" Garrett.

All freshmen are required to wear green bow ties to the autumn dances. They will be allowed to stay the entire dance if they bring a girl or if they are members of the Freshman football team. Otherwise, they will only be allowed to attend from ten to eleven o'clock.

The receipts of the dance are to go to the Monogram Club to aid in purchasing football sweaters.

### ROANOKE NEXT ON FROSH GRID CARD

**Will Invade Neighboring City On October 17; No Letup In Workout.**

Little rest is in store for the Freshman gridders, in spite of their 21 to 0 victory over the Little Cavaliers, judging from the workouts that were given them this week. No game is on their schedule until October 17, when they invade Roanoke and play the high school there, but, with a possible chance of uncovering new material for the eleven before that date, the coaches are not letting up in the least.

Monday was given off as a day of relaxation, but the rest of the week saw the Yearlings back at hard scrimmage again. While the men who have made the two trips so far are continuing their good work, several others from the second string outfit are showing new form, and threaten to oust somebody from their place if their present work keeps up. Among the most promising of these are Taylor and Brown, backs, the latter a protege of "Bo" McMillan in Tennessee; Thompson, who reported late, but who is now looking very promising at tackle; Bell and Spencer, ends, both from Lynchburg High School, and Stoffel.

While statistics on the exact weight of the Frosh gridders is not available, the eleven appears to average close to 170 pounds in the line and nearly 160 in the backfield. The squad is considered exceptionally speedy and shifty, and is working together with remarkable precision considering the short time that they have been playing together.

Prominent in both games played has been W. B. Lott, of Mobile, Ala., who has proven himself to be a dependable drop kicker as well as good for a long punt at any time. Lott played four years at the University Military School, and last year starred with the Greenbrier Military Academy eleven, having taken a post-graduate course there. He is eighteen years old, and weighs 164 pounds.

Especially anxious to get in the game against Roanoke High next week are Fitzpatrick, tackle, and Ebert, end, both of whom played

We are always glad to publish any communication that may be handed to us. We desire to call attention to the fact that unsigned correspondence will not be published.

## Today's Edition.

We are offering today, for the first time in the history of the semi-weekly Ring-tum Phi, a six-page edition, for the approval of the Student Body. This is only made possible by an increased advertising field and greater liberality on the part of our advertisers. It will probably not be a permanent feature, since advertising, like most other things, fluctuates from time to time. We sincerely hope that this addition to the Ring-tum Phi will meet with the approval of the Student Body who, if we succeed in continuing it, will support the paper more than ever before.

We would call the attention of the Student Body again to the fact that the Ring-tum Phi has for its motto "By the Students, for the University." It always aims to further the best interests of the students and keep them well informed of campus news. In return any co-operation which the Student Body can give the Ring-tum Phi, in suggesting improvements and by helpful criticism, will be greatly appreciated.

## The Lynchburg Game.

V. P. I. will not be present as a whole student body at the W. and L. V. P. I. game in Lynchburg on October 24 this year.

Each year the cadet corps has a meeting to decide which game of the season they will attend in a body, and this year, largely through political influence, they decided to attend the clash with the University of South Carolina in Richmond. The cadets attended the game last year as a whole, but went to Richmond in 1923. V. P. I., as it is a state school, is forced to shift yearly between Lynchburg and Richmond.

However, the authorities here do not see why the game should be held out of town unless the entire student body of each participating school can attend, and are in favor of making the game a home-and-home affair unless V. P. I. can be present with the entire corps. They can see no reason of taking the game away from one student body when it does not make it any easier for the other to attend.

## How Many?

"We are allowed six free cuts with . . ."

"No we aren't. I heard yesterday that we had to get permission to go out of town."

"I heard it explained yesterday. I know," replied the other student.

And so it is going all over the campus. With the incorporation this year of a new system of absences stated in the usual formal language, many members of the Student Body seem completely at a loss to know what to do. Different instructors give different interpretations to this code of the Medes and Persians. Like the tongues at the Tower of Babel they are all different, and each throws a new meaning on the subject.

Really, we do not understand what we are allowed under the new system. It is very much more hazy in the minds of the students than the old system was. Is it supposed to be more drastic in its rulings than was the old system? Or is it supposed to be a more modern and up-to-date system

than that generally practiced in colleges today?

This question is foremost in the minds of the Student Body at present, with several very attractive football trips, as well as expeditions to nearby girls' schools, in the offing for a majority of its members. Therefore, will some member of the faculty, high up in authority, and whose decision will be taken as final, please clear up the minds of the students on this subject through the columns of the Ring-tum Phi by giving a full and complete interpretation, with examples of each class of cuts, of the absence system now in vogue at the University?

## The Y. M. C. A. Drive.

Every year the Young Men's Christian Association of Washington and Lee launches a drive among the members of the Student Body for funds to support the work of the "Y" on the campus. The time has come for the drive this year, as will be noticed elsewhere in the columns of the Ring-tum Phi.

As is known by practically everybody, the Y. M. C. A. cannot continue its good work on the campus without the contributions of the students. For many years it has been the custom to raise the difference between the income of the "Y" and the fund called for in the budget by subscriptions from the students. These vary in amount, but for the drive to be a success they must average \$5.00 apiece from each student. Every member of the Student Body will be seen by canvassers Monday night and given a chance to do his bit toward furthering this Christian work.

It is not a "suck in," as so many of the things to which students are asked to contribute are often called. It is a worthy cause and one which more than deserves the support given it. Besides doing much religious work at Washington and Lee, which cannot be figured up in terms of dollars and cents, the Y. M. C. A. extends to the students many privileges and opportunities not found elsewhere. A series of three lyceum courses is offered during the winter under the auspices of the "Y." These are free to all students. Besides these, attractive socials and get-togethers are held on Sunday afternoons during the winter months for the enjoyment of the members of the Student Body. When away in the summer, all privileges of city and town Y. M. C. A.'s are extended to the student on presentation of his membership card from Washington and Lee. There are many other useful things besides these which the "Y" does.

All of the benefits received from the Christian Association more than compensate for the donation from the pocket of the student. Without his support it cannot continue the most commendable and helpful work now being done on the campus. It will not be possible to carry out the plans for the present year without the whole-hearted support of every member of the Student Body.

Your support is necessary. Give it. Subscribe to the Y. M. C. A. fund!

It is with great pleasure that we see the appearance of the Preliminary Directory of Students for 1925. This booklet has always been of

great assistance to the Student Body and fills an ever present need.

The general exodus of students from Lexington over the week-ends of the year has begun. In spite of the new cut system a goodly number answered the call of Princeton and Sweetbriar.

The campus seems deserted by our canine friends this year. We saw only three dogs galumphing over the greensward at one time yesterday.

## PROF. WILLIAM BROWN SPEAKS TO FROSH CLASS

The Freshman class listened to an interesting talk given by Professor William Brown of the Education Department in Lee Chapel, Wednesday evening, October 7. Professor Brown's subject was "How Shall I Choose My Life Work?" The discussion was conveniently grouped under three major heads: Three general principles; three don'ts; three things that every one of us should do.

Professor Brown brought out that every piece of work is sacred and is worth doing well, and that every man's life is a plan of God. He cautioned men in choosing a career not to be influenced by any real or imaginary weakness of character, and not to base their life work on selfishness.

The address was concluded with the counsel to choose one's life work on the basis of the needs of the world and to choose that kind of work which will test and try us and into which we can put our unbounded enthusiasm.

# TIGERS DEFEAT GENERALS

## Washington & Lee Hold Princeton to 15-6 Score

Old Nassau Registers Fifteen First Downs To Fourteen of Fighting Generals In Today's Battle At Palmer Stadium.

Displaying a remarkably improved game of football in all stages of the fray, the Washington and Lee Generals held the strong Princeton Tigers to a 15 to 6 score today before a large crowd of shivering spectators. Princeton scored in the first period when Rauber was forced to fall on the ball behind his own goal line. Unleashing a powerful aerial attack in the second period, the Generals placed the ball on the Tigers' ten yard line from where Rauber crashed through the line for Washington and Lee's only points.

Although forced to fight an uphill battle most of the way, the Generals played a beautiful game both on the offense and defense, getting off many good passes and holding at the line when necessary. Twice with the Tiger eleven in a scoring position the Generals' line stiffened and held for downs. In the first part of the second period Rauber got away a 60 yard kick, the longest of the game.

Rauber and Holt again starred for the Generals, the latter throwing the Tiger backs for repeated losses. Slagle, the Tiger triple threat man, played an exceptionally brilliant game, throwing numerous successful passes and gaining repeatedly through the line.

### First Quarter.

Washington and Lee won the toss and Captain Thomas chose to kick off. A sharp wind was blowing diagonally across the field. Van Horn kicked off to the Tiger 40 yard line. After a series of line bucks Princeton was forced to kick, Slagle booting the ball over the goal line. Generals' ball on their own 20 yard line. Rauber went thru center for 8 yards. Wilson made a first down around right end. After failing to gain thru the line Rauber punted out of bounds on his own 37 yard line. Princeton made a first down on three line plays. Ball on Washington and Lee's 28 yard line. Bridges made 8 yards off tackle, and then went over for a first down. The Generals' line held and W. and L. regained the ball on their own 8 yard line. Rauber went off tackle for one yard. After losing four yards on an attempted end run Rauber was forced to punt from behind his own goal line and the wind carried the ball back over the line, where Rauber fell on it for a safety. Score: Princeton, 2; W. & L., 0.

Generals' ball on their own 30 yard line. Wilson made a first down around left end. Rauber was forced to punt after failing to penetrate the Princeton line and the ball rolled back to his own 40 yard line. On the next play Diston fumbled and Rauber recovered and ran 60 yards for a touchdown. There was off side and play was called back and Princeton retained the ball on the Generals' 40 yard line. Dignan in the place of Slagle kicked over the goal line, giving the Generals the ball on the 20 yard line.

Palmer made 12 yards around left end. On a pass Rauber made three yards thru center. Rauber kicked to

the Tiger 30 yard line. After failing at the line Slagle, who was back in the game at this point, kicked to Palmer, who ran it to the W. and L. 30 yard line. End of quarter. Princeton, 2; W. and L., 0.

### Second Quarter.

Rauber failed to gain thru the line, a poor pass hampering him. Rauber kicked to Princeton's 30 yard line. The W. and L. line held and Slagle was forced to kick, the ball going out of bounds on the fifty yard line. A pass, Wilson to Palmer, was good for 18 yards, and another the same way netted 8 yards. Rauber went thru center for 5 yards and a first down. Washington and Lee penalized 15 yards. Second down 25 yards to go. A pass, Wilson to Palmer, netted 30 yards. Ball on Tiger 10 yard line. Rauber went thru center for two yards, and then made 7 yards the same way, putting the ball on the Tiger 1 yard line, and a first down. Rauber went over for a touchdown on the next play. Thomas failed to kick the extra point. Score: W. and L., 6; Princeton, 2.

Van Horn kicked off to the Tiger 30 yards line. Slagle made a first down after several runs off tackle. Holt broke thru on the next play and nailed Slagle in his tracks. Slagle made two yards around end and then punted to the Generals' six yard line. Rauber kicked from behind his own goal line to the Tiger 45 yard line.

Rector took Van Horn's place at this point, the latter being injured. Budnick knocked down a pass, and then a pass, Slagle to Ewing put the ball on the W. and L. 20 yard line. Princeton gained a first down on a pass and a line buck. Slagle ran

## KENTUCKY WILDCATS APPROACH

After meeting Princeton today the Generals will have to keep up their intensive training, as next Saturday they are to encounter a strong opponent in the University of Kentucky Wildcats, when the two teams meet in Lexington, Kentucky.

Washington and Lee held a slight advantage over the Kentucky team last year, winning by the close score of 10 to 7 after a beautiful dropkick by Harry Dawson put them in the lead. This season the Wildcats have added strength in their line-up, as was shown when they were only defeated 9 to 0 by the strong Chicago University team of the Big Ten Conference two weeks ago.

The annual game with V. P. I. will be played in Lynchburg the following week and, although the Gobblers have gotten away to a poor start, they will be well drilled by October 24 and will give the Generals a good battle. Last year the teams fought to a scoreless tie and this season will witness a terrific struggle by both teams to emerge victorious.

## VIRGINIA AND NAVY ON TANK SCHEDULE

Prospects are extremely bright this year for one of the best swimming teams in years. Letcher, Latham and Gage, all monogram men, are back in school and will be out again. The old men back this year are: Porter, Hood, Berry, Harris, Dix, Jennings, Allen, Hamilton, Halsey, Neel, Sutton and Moffat. With this array of veteran material to choose from, Coach Twombly hopes to develop a winning team.

The varsity schedule includes the University of Virginia and Navy. Several other meets with large universities are on the tentative list. The freshman schedule is already completed and consists of six preparatory schools and freshman teams.

## 45 LETTER MEN RETURN GIVING GOOD PROSPECTS

### Freshmen Barred In Minor Sports

NEW RULING TO BE STRICTLY ENFORCED THIS YEAR

Eligibility rules for freshmen athletics will be more strictly enforced this year, according to advance notices from Coach Forrest Fletcher of the athletic department. The newest ruling to be put into effect is the barring of freshmen from participating as members of any minor sports teams or receiving minor sport monograms.

Freshmen will of course be eligible for all freshmen teams and are urged to take part on any of the squads provided for them, but this drastic change has been ordered by the conference of which Washington and Lee is a member, and must be observed.

The enforcement of this ruling will enable Washington and Lee to expand its athletic relations, as freshman teams will be formed in all the sports in which the frosh formerly were eligible for the varsity. The branches affected by the new rule are boxing, wrestling, tennis, and swimming.

## SCHOOL FOOTBALL TO BE PLAYED AT CLOSE OF SEASON

Teams From Law, Commerce and Academic Schools Will Again Play.

Football players who are not on the regular teams will be given a chance to display their ability in the inter-class matches which take place at the close of the regular season. Last year three teams were entered, representing the Law, Academic, and Commerce Schools, respectively. The championship was won by the Lawyers, who defeated the Academics 12 to 8, after the Academics had beaten the Commerce team 7 to 6.

## Tennis Team to Test Strength November 6th

Captain Cassell and DeBiao Are Only Monogram Men On 1925 Net Team.

Due to losses because of ineligibility rules and graduation, the tennis team has been materially weakened. Captain Cassell and DeBiao are the only monogram men back in school. Dobbs and Miller, both members of last year's squad, are practically sure of berths on the varsity this year, as they are showing marked improvement in ability. The fifth berth on the varsity is without a strong contender, but Captain Cassell thinks that as soon as weather permits, practice, there will be several men of real ability to report.

There will be a tennis match between the University of Virginia team and the local racquet men on the home courts November 6. Negotiations are under way to arrange for a match before the V. P. I. game in Lynchburg, but nothing definite is settled as yet. All candidates for the freshman team are urged to report on Monday. There are several matches arranged for this team in the spring.

### Boxing and Wrestling Have Most Men Back This Year; Six Out of Seven.

Forty-six monogram men out of a total of seventy-six in the nine major and minor sports are back at school. Track and baseball seem to be the least fortunate among the list, having five out of thirteen, and five out of eleven back, respectively. Boxing and wrestling each has six out of seven varsity men back.

Last year sixteen monograms were awarded in football and twelve of the men returned this year. They are: J. K. Thomas, A. R. Hawkins, M. I. Budnick, R. M. Holt, W. E. Wilson, L. S. Stemmons, R. I. Daves, G. E. Van Horn, H. M. Wilson, J. T. McVay, W. W. Palmer, and L. J. Rauber.

Out of last year's six letter men in basketball, four have returned. These are: E. R. Lane, H. M. Wilson, C. E. Van Horn, and Z. H. Herndon. N. S. Lake is also back, but is ineligible. The only man who did not return, G. Funk, is now attending the University of Oklahoma.

Five baseball men have returned out of the eleven who were awarded monograms last year. They are: T. L. Seehorn, A. R. Hawkins, W. W. Palmer, T. P. Stearns, and A. G. Woolwine. The six letter men missing this year are: W. E. Lindberg, H. F. McMillan, J. P. Aylmer, H. A. Dawson, J. T. Gwaltney, and W. V. Perry.

Only five out of last year's thirteen letter men in track have returned. These are: W. W. Davis, G. B. Simmons, R. V. Milbank, R. L. Gordon, and J. W. Wigglesworth. In cross country, three of the seven, namely, R. A. Fulton, H. Pfeffer, and R. L. Gordon, are back. Those who will be absent this year, in track and cross country, are: P. A. Norman, J. O. Lewis, E. V. Biddle, R. A. Rushton, J. H. Bean, H. K. Hill, and B. F. Gannaway. C. L. Howard, southern cross country champ, is back, but is ineligible.

Both boxing and wrestling have six out of seven letter men back this year. The boxers are: Ed Felsenthal, F. N. Hearon, K. A. Durham, M. P. Wilkinson, and H. S. Spotts, while J. S. Hatfield is the only man who did not return. Those back in wrestling are: G. W. Summerson, J. W. Wigglesworth, G. C. Walters, R. M. Yankee, W. E. Tilson, and R. M. Holt. E. V. Biddle did not return.

In tennis, O. Crenshaw, C. V. DeBiao, and J. W. Cassell have returned, while Sternberger, H. D. St. John, and H. M. Gould will not be here. Crenshaw is ineligible, being a student professor.

W. F. Gorenflo, L. S. Letcher, and W. E. Gage were awarded monograms in swimming last year. Letcher and Gage are the only ones who have returned.

## NEXT BAND PRACTICE TO BE TUESDAY NIGHT

The next band practice will be held Tuesday evening, October 13, in the old Troubadour room on the third floor of Washington College at 7:30 p. m.

At this time work will be started on the music to be played on the Lynchburg trip. All those who hope to make this trip are urged to be requested to come out for this practice.

"It is safe to say that failure to guide and direct study is the weak point in the whole educational machine." Prof. G. M. Whipple, University of Michigan.  
 "The successful men in college do not seem to be very happy. Most of them, especially the athletes are overworked." Prof. H. S. Canby, Yale.  
 "Misdirected labor, though honest and well intentioned may lead to naught. Among the most important things for the student to learn is how to study. Without knowledge of this his labor may be largely in vain." Prof. G. F. Swain, M. I. T.  
 "To students who have never learnt 'How to Study,' work is very often a chastisement, a flagellation, and an insuperable obstacle to contentment." Prof. A. Inglis, Harvard.

"HOW TO STUDY" will show you how to avoid all misdirected effort. Get a good start and make this year a highly successful one by sending for this hand-book and guide NOW.

College life is happier, college friendships are sweeter, and college loyalty to Alma Mater is more whole-hearted and permanent, when college life and college memories are unstained by experiences which are rated by your maturer judgment as unworthy and degrading. Now that you have bought a pipe, a yellow slicker and a Snappy Story magazine, you are a college man.

This isn't the Y. M. C. A. handbook, but we are going to give you some advice anyway.

Don't fail to gripe about how dead Lexington is and tell about the good times you were having in Emporia, East Palatka, Union Point, Ga., and Paris, Tex., before you came up here.

Of course when the girls begin to come back from Lynchburg, Roanoke and other watering places, the Waynesboro tourists begin to flock in and the Lexington Gazette publishes its winter number, you'll have to admit that Lexington is a coming young town. But gripe anyway. It's collegiate.

Style note: Bathrobes, formerly worn only at breakfast in fraternity houses are now considered the proper attire in which to go downtown after the doctor.

This line is late. We tried to get it in last Wednesday, but were assured that it would be a hideous blunder to print anything about freshmen in the Freshman Issue.

Never a tongue-bite or throat-parch. Just cool contentment, no matter how hard you hit it up. Give me a grate fire to chase the chill of winter nights, an easy chair and my jimmy-pipe packed with P. A. Nearby, a tidy red tin for frequent refills. I know, Brother, I know!

## THE COLLEGE WORLD

Origination of the plan of the French government to give up her interests in the Caribbean as part payment of her debt to the United States is credited to Prof. David P. Barrows, of the Political Science department of the University of California.

Miami, Florida, has decided to build a fifteen million dollar University of Miami. Dr. William Lyon Phelps, professor of English at Yale for thirty-three years, was offered the presidency, but declined.

An example of athletes having weak memories was shown recently by Joe Pondelik, football and wrestling star at Ohio State, who recently entered a course in commerce at that school and did not discover that he had taken the course last year until an exam was sprung on him.

New York city will be the principal stage for the University of N. C. Glee club in the winter quarters, when it plans to represent the South in the Intercollegiate Glee Club contest to be held there, being the first Southern University to ever enter the contest. Concerts will also be rendered in North Carolina, Virginia, Washington, Philadelphia, and Boston.

## DR. S. B. NEFF MAKES TALK BEFORE SIGMA Upsilon

Discussion of the Rubaiyat of Omar Khayyam, featured by a talk by Dr. S. B. Neff, of the English department, was outstanding in the meeting of the local chapter of Sigma Upsilon in the Chemistry building last night.

Several visitors were present at the gathering. After the discussion of the literary merits refreshments were served, concluding the program.

"The 'Y' lyceum course alone is worth a subscription of five dollars. Every student should support this worthy cause."

with the High lads through the fall of 1924. Roanoke is rated as having a formidable squad of gridlers this year, even with these two stars gone, and no chances are being taken by the Freshmen in their intensive training for the game seven days away.

A. B. Baxter, stellar tackle who captained the Frosh in their victory against the Virginia freshmen, is suffering from a broken nose received in scrimmage the past week. The injured member is being well attended to, however, and it is thought that the linesman will be in shape in time to play against Roanoke.

Dr. Thomas J. Farrar is a past national president of the fraternity, as is Professor Lewis Tyree, of the Law School, who is on leave of absence this year. Dr. Wm. M. ## GENERALS MEET VIRGINIA IN HOME-COMING GAME

(Continued from Page One)

to the natural interest which a game with Virginia arouses is the fact that only two games remain to be played on the local field this year. North Carolina State will be the attraction on November 21, the Generals playing away from home the balance of the season.

Packing up once more, the Generals play the University of Maryland at Washington, D. C., on November 14. Last year in a hard fought game in the Capital City the Fighting Generals handily defeated the Maryland team 20 to 7 and this season, the Maryland backers expect a reversal of form.

For the third and last time that they play on their home grounds this season, the Generals will attempt to repulse the invasion of the North Carolina State eleven on November 21. On Thanksgiving Day last year the Generals defeated State by the one-sided score of 34 to 0, but the Carolina outfit has been well reinforced this year and expect to make things hum for their encounter on Wilson Field.

The final game on one of the hardest and longest schedules ever faced by a Washington and Lee eleven will be played when the Generals will journey to Jacksonville, Florida, on Thanksgiving Day to encounter the Florida Gators in their second annual game. Last year with the aid of "Ark" Newton the sensational punter, whose punts averaged 70 yards, the Gators won over Washington and Lee 16 to 6, but this season the Fighting Generals are out to avenge a year-old score.
