

Overcut Students Will Be Dropped

May Be Reinstated By Executives On Request With Doctor's Certificate Or Other Evidence of Necessity.

Dr. D. B. Easter, assistant dean of the university, when asked yesterday to give a definite statement on the cut system now in use, explained the matter more clearly than ever before. He stated that all absences were registered in three groups, permitted, excused, and unexcused.

"A man," he said, "is allowed in any one semester a total of six permitted absences, provided he does not take more than two in any one class, and provided that he is not failing in more than one subject on the last preceding report."

He said that permitted absences are those taken because of oversleeping a class, or to see a visitor, and so on. He declared, however, that after the sixth such absence, they would be classed as unexcused.

Illness Excused.

Excused absences were defined as "those absences granted to members of the teams, athletic or otherwise, representing the university, or such absences as may occur from illness or other unavoidable causes."

All Others Unexcused.

All absences not listed under permitted and excused as above are listed as unexcused, and any student having two or more unexcused ab-

(Continued on Page Three)

Grapplers Get Into Action Tomorrow

Series of Bouts Between Varsity and Freshman Candidates Come Off Tomorrow Night.

Followers of wrestling will have an opportunity tomorrow night to see members of Coach Mathis' squad in action in the gymnasium, as a series of bouts between varsity and freshman candidates in the various weights has been arranged as a part of the regular training schedule of the grapplers. The first bout will start at 7:45 o'clock with a man chosen by the coach and the members of the squad acting as referee.

Walters, who represented the Blue and White in the 135 pound class last year, but who will be entered one weight higher this winter, was unable to enter the trials because of the condition of his arm, which was injured several weeks ago. He is working out daily now, however, and expects to be able to undertake active competition immediately following the holidays. Kelly won the decision from Meadows in an overtime period in the battle for freshman honors in the 158-pound class, but will be unable to wrestle tomorrow night due to an injury received since the eliminations.

Tomorrow's Bout Men.

The men who were winners in the finals yesterday, and who will represent their squads in bouts are:

- 115-pound class, Goldstein, varsity, and W. Wilkes, frosh.
- 125-pound class, Wigglesworth, varsity, and D. P. Wilkes, frosh.
- 135-pound class, Rule, varsity, and Kershner, frosh.
- 145-pound class, Junkin, varsity, and Hickman, frosh.
- 158-pound class, Woolwine, varsity, and Meadows, frosh.
- 175-pound class, Captain Tilson, varsity, and Bauer, frosh.
- Unlimited class, Holt, varsity, and Seligman, frosh.

Duke Will Debate Here Friday Night

Open Forum Style Be Used Again This Year When Debaters Argue Mine Question At Y. M. C. A.

Duke University will open the forensic season for Washington and Lee on Friday night in an open forum debate here on the question, "Resolved, that the coal mines of the United States should be owned and operated by the United States government." B. J. Wagner and H. M. Barker, both on the debating team for the first time, will represent Washington and Lee.

The open forum style of debate was tried out last year, meeting with a favorable reception, and is being tried this year to arouse more interest on the part of the audience, Dr. S. B. Neff, debating coach, said yesterday. In an open forum debate, there is one debater from each school on the opposing sides, and at the end, any member of the audience is allowed to ask questions of the debaters.

The debate will be held in the Y. M. C. A. room, and will start at 8 o'clock, it was announced yesterday. After the Christmas holidays there will be several more debates, and the schedule shows some attractive trips.

\$2,500.00 LOST ON TRACK LAST YEAR

Football Shows \$14,000 On Profit Side of Ledger, With Gridgraph Almost \$400, According to Financial Statement.

Financial statement of the athletic association for the year 1924-25 has been secured from the secretary of the athletic council and is published in this issue with the hope of informing the student body of the close basis upon which the association is forced to run, and to give some idea of the amount of money spent on athletic teams each year.

Financial statement of the Washington and Lee Athletic association 1924-25.

	Loss.	Gain.
Gridgraph		\$ 377.55
Boxing		160.22
Football		14,401.50
Wrestling	\$ 235.92	
Swimming	68.03

Block "C" Chosen For Exams Schedule

Classes meeting M-W-F at 10 o'clock are to hold the first mid-year exam, it was decided at the last faculty meeting of the university when President Henry Louis Smith drew the ballot for Block C.

Examinations begin on Thursday, January 21, continuing through Monday, February 1. A two-day holiday precedes the beginning of the second semester on February 4.

FINALS DRIVE TO GET UNDER WAY AFTER CHRISTMAS HOLIDAYS

President Edgerton Has Plans For Full Week of Gaiety; Negotiations Begun With Orchestras.

"Subscriptions for the 1926 Finals will be canvassed directly after Christmas," President L. L. Edgerton announced yesterday. "Each student is asked to subscribe \$10.00 if he plans to remain for the dances, and \$5.00 if he does not stay."

Finals include four evening dances, closing with the Final Ball, an all-night affair. Rounding out the week of gaiety, there will be one morning dansant, a lawn fete the evening of the Final Ball, several fraternity dances, and mid-night suppers. Reports indicate the coming Finals as promising to eclipse those of previous years. President Edgerton has already begun negotiations with several prominent orchestras. However, plans will not be fully completed until the subscriptions are well under way.

ALL INDOOR ATHLETES GETTING NEW UNIFORMS

Boxers Will Appear in New Trunks and Robes, and Basketeers Get New Blue Pantaloons.

For the first time in recent years Washington and Lee's representatives in the winter sports are being outfitted in first class equipment by the Athletic association. Graduate Manager R. A. Smith has announced the purchase from the O'Shea Mills, of Chicago, of a quantity of new uniforms for Coach Mathis' boxers and grapplers, which will enable them to make an appearance commensurate with their performances in the ring and on the mat.

For the fistic artists, the new outfits consist of dark blue ring trunks and heavy robes. The robes are dark blue, with white collars and tassels, and have the university seal on them to add to their general appearance. New one-piece tights have been received for the wrestlers.

In addition to their regular playing suits, the Generals' basketeers have been outfitted with heavy blue pantaloons of a material similar to the varsity sweat shirts.

MITCHELL MAIN SPEAKER AT BANQUET LAST NIGHT

Seventy-five Students Attend Friendship Council Banquet; Address Given On Christian Principles.

More than 75 students and members of the faculty were present at the banquet given by the Friendship Council in the Presbyterian church last night.

Following the dinner, J. D. Mayhew, president of the Y. M. C. A., introduced chairmen of various committees, each of whom gave a short report. Dr. Hoyt spoke a few minutes.

Dr. S. C. Mitchell, professor of History at the University of Richmond, was the principal speaker of the occasion. He addressed the men with a short talk on Christian principles and ethics, especially with reference to college men.

SENATE WILL VOTE ON COURT

The World Court comes up in the senate for discussion tomorrow and a vote in a reasonable time seems inevitable. A two-thirds vote is necessary to adopt the measure. It is claimed that there are as many as 75 senators who will give it active or partial support. Borah, Johnson and Reed of Missouri will fight it.

Frosh Pugs Short In Heavy Weights

Pierce and La Pietra Showing Up Well; Mathis Makes Plea For Heavy Weight Fighters.

Coach Mathis will be unable to stage any exhibition boxing bouts between his varsity and freshman squads, as he had hoped to do before Christmas, due to the fact that the yearlings are short on material for the heavier weights.

A number of good men are battling for positions in the lighter classes of the frosh squad. Pierce, in the 135-pound class and La Pietra, in the 125-pound class, are showing up especially well. Both of these men have had some previous experience in the ring, and are rapidly developing into polished performers. The coach is anxious for any men in the heavier weights in the freshman class, who have any liking at all for the fistic pastime, to report to him before leaving for Christmas, in order that work for January may be lined up during the holidays.

Weights Undecided.

No prediction as to who will represent the university in the varsity weights can be made, as practically all the veterans are having a hard time deciding what weight they will be able to make for the coming season.

(Continued on Page Four)

No More Photo Dates By White

Will Be Made After Tomorrow, and Appointments Will Be Completed By Noon This Saturday.

White Studio will complete their appointments Saturday at 12 o'clock. All students desiring pictures made must secure an appointment before then. The dates are rapidly being filled by members of the staff on first floor Washington college. After tomorrow, all appointments will be closed and those desiring an appointment after that date must secure special arrangements.

Most of the group pictures to be used in the 1926 Calyx have been taken. This afternoon was spent in making scenes from the Troubadour Thanksgiving show, which will have a prominent place in the Troubadour section of the Calyx.

Men who are holding appointments are requested to fill them promptly, thus eliminating much inconvenience to the photographer.

TROUBS WILL HAVE LYRIC CALL TOMORROW

A meeting will be held tomorrow afternoon at 3 o'clock in the Troubadour room of all men desiring to write the music, lyrics, or book for the Troubadour Easter musical comedy. All men who have had experience or who are interested are requested to meet with the directors Thursday.

BOVINES ARE REPLACING CANINES AS LOCAL CAMPUS FROLICKERS

Dogs have long been accepted on the Washington and Lee campus.

But cows are something new. About one o'clock Tuesday a nice suede-colored cow browsed serenely on the blue grass in front of Washington college. The dogs were still there. But they eyed askance this new denizen on their preserves.

They sniffed and then went back to their lair in front of Newcomb Hall to watch the reception of this

FROSH GAME PUTS VARSITY IN SHAPE

Yearlings Give Good Battle and Show Promise; Varsity Gets In Shape For Trip.

Washington and Lee's varsity basketball team scored its first victory of the season Monday night, when it ran rough-shod over a pick-up freshman team in Doremus gymnasium, the final score being 55 to 15. This game was scheduled to give the varsity squad a taste of actual competition before it opens the regular season in Washington this week-end. The team composed of freshmen gave them a hard battle, although the yearlings have not had any organized practice.

Numerous substitutions were made by both sides. Captain Henry Wilson displayed ability to play a scrappy game at guard, and also caged four neat field goals from difficult angles. Zeb Herndon tied Captain Wilson in the total number of field goals registered.

Spotts Shows Speed.

Spotts at center was in every play and bagged three field goals and two free throws. Van Horn and Lane were the other varsity plays that showed up especially well.

Frosh Look Promising.

For the frosh, Fitzpatrick, Groop, Edwards, Smith, White and Ebert starred. From the appearances of the material against the varsity, Washington and Lee will be able to boast of her best frosh team in many seasons.

Varsity Goes North.

Coach Smith was able to size up his varsity candidates in action Monday night and the rest of the week will be spent in polishing up the rough edges. The team will leave for Washington Friday and will play Maryland Friday night and then Catholic University Saturday evening.

BEAUTY PICTURES WILL BE SOLICITED AFTER XMAS

Work on the beauty section of the 1926 Calyx will begin immediately after the Christmas holidays. Students intending to submit their girls' pictures are urged to get photographs during the holidays. Only those girls who have attended Washington and Lee dances during the year are eligible for this section of the annual.

FIVE OUT OF SEVEN PASS BAR EXAMINATIONS

Five out of seven Washington and Lee men who took the state bar examination in Richmond last week were successful. Only 59 out of a total of 141 who stood the examination passed. Of this number, two were white women, and, for the first time in the history of the state, a colored woman passed. The Washington and Lee men who passed were Marion L. Bergman, B. F. Estes, Raymond M. Fleshman, Edwin G. Hunley and Charles C. Lee.

That Finals Christmas Present.

As announced in the columns of the Ring-tum Phi today, the financial campaign of 1926 Finals will be floated immediately after the Christmas holidays.

To the uninitiated, Finals may sound a bit vague and a long time off. To the experienced student and alumnus they come as the great event of the year—an event looked forward to, planned carefully and longed for exceedingly. President Edgerton of Finals, 1926, is rapidly getting his machinery to work and promises a week in June, unsurpassed for good times and unadulterated joy.

Upon every member of the student body depends the successful completion of these plans. A subscription of \$10.00 each from those staying for Final Week and \$5.00 each from those going home will enable "Count" to have everything set early, get a nationally reputed orchestra contracted for, and have all his plans perfected for spring. The sooner every member of the student body pays his subscription, the better.

Finals needs a Christmas present from the student returning after the holidays. Don't fail then to bring back on January 4 a check for \$10.00 for 1926 Finals, besides the usual slip for \$75.00 which pays for the education received here in Lexington.

And a Merry Christmas!

It will be only a matter of a few days until our student body will be scattered all over the United States, enjoying Christmas cheer with the home folks. To many of our members this will be the first occasion of its kind, when the son comes back from college after the initial three months. To others it will be a repetition of holidays from college. To all it will mean Christmas with its attendant blessings and joys.

After three months of college life with its strain and hubbub, the ten or twelve days of freedom will come as a wonderful relaxation and opportunity for really enjoying life. Naturally everyone will take advantage of it, no matter in what way he may choose to occupy himself.

The Ring-tum Phi wishes to extend to the student body and all the host of friends which Washington and Lee possesses the greetings of the season. Perhaps it sounds better expressed by the time honored phrase, a very Merry Christmas and a Happy New Year!

Profits For Athletics.

The total profits for this year from football at Harvard, amounting to almost \$300,000, were announced recently at that institution. Harvard is not much ahead of Washington and Lee in the time of her announcement. Elsewhere in the columns of today's Ring-tum Phi is found a financial re-

port of athletics at W. and L. Our football profits are not so stupendous as Harvard's yet they are largely responsible for financing sports the rest of the year.

Our football receipts do not run in such imposing figures, so other sports have to function on a rather narrow margin. There is another source of income, however. It is from the surplus left in the student body damage fund at the end of the year. This fund is amassed by payment of \$5.00 from every student's tuition. All damage to university property by the students during the year is paid out of this fund. The balance is then turned over to the athletic association.

Thus every student contributes indirectly to athletics, the amount being dependent upon the damage sustained by dormitories, etc., in the course of the year. Last year over \$3,000 was contributed to athletics in this way. This year we hope the amount will be larger.

It is up to every student, then, to be as careful as possible in his treatment of university buildings and equipment. Athletics will then be directly aided and nobody will be able to speak of students as possessing vandalistic tendencies.

DR. MITCHELL SPEAKER TO STUDENTS IN WORLD AFFAIRS

Speaking before an audience of students in the Presbyterian church last night, Dr. S. C. Mitchell, professor of History at the University of Richmond, discussed "The Relation of Young Men to World Affairs."

Dr. Mitchell, who has recently returned from the Princeton Conference, discussed the attitude which college men took in those meetings. He said that the ideas and conclusions reached at the conference proved conclusively that students were coming into a state of revolt against all types of slipshod government.

LIVING IN IDLENESS

Joseph John Allen, '70, writes us that he is living a life of profitable idleness. He also says, "The last marriage I attended was that of myself, it being my second marriage, which occurred June 1, 1915, when I attended the Richmond Reunion as the only Confederate veteran on a bridal tour with Miss Helen Heaton as my bride, and now she is my happy, handy, handsome, hustling, humming Helen."

COLGATE PUGS ADDED TO SCHEDULE

Colgate University boxers have been added to the schedule of the Washington and Lee boxing team. The team from New York state will meet the local pugs in the Doremus gymnasium on Monday evening, March 1. They are scheduled to box at V. M. I. the Saturday night preceding.

YEARLING-VIRGINIA GAME HERE OCTOBER 30TH

Unable to fill the open date on the varsity football schedule for 1926 on October 30, the athletic association has arranged to have the annual W. and L.-Virginia Yearling game played on Wilson field on that date. The faculty's objection to scheduling more than nine games for the varsity team has resulted in this action.

FROSH-V. P. I. GAME TO BE ANNUAL AFFAIR

Beginning next season the annual freshman football game with the V. P. I. yearlings will be staged each Armistice Day with the game alternating between Lexington and Blacksburg. Next year the game will be played at Blacksburg, as already scheduled.

W. AND L. TO MEET HARVARD AND W. AND M. APRIL 24

April 24 the Washington and Lee track team will meet Harvard's track men and those of William and Mary in a triangular meet to be held at Williamsburg, Va.

**DR. EASTER SAYS THAT
TOURISTS GET WRONG
IMPRESSION OF FRANCE**

Local Professor Says Genuine Frenchman Honest, Truthful and Very Easily Approached.

In an address delivered before the Graham-Lee Literary society last Saturday night, Dr. D. B. Easter, head of the French department, asserted that the majority of Americans who travel in Europe obtain erroneous ideas about France because of the fact that these persons visit mainly the tourist section of Paris. In this district, according to Dr. Easter, the Americans come in contact with fellow-countrymen more often than with genuine Frenchmen.

The professor said that the average Frenchman is inherently honest and trustful, pointing out, however, that a Frenchman who has once been duped will never give credence to any overtures of friendship that may be made later by the person who has wronged him.

**PRINCETON DELEGATES FAVOR
COURT BY LARGE MAJORITY**

250 College Representatives Discuss World Court From All Angles and Vote Favorably.

Delegates from 250 colleges in all parts of the United States to the Princeton Conference, held at Princeton, N. J., last week, expressed themselves as follows with regard to the World Court: 140 For, 4 Against, 26 for other plans.

The conference was broken up into a number of meetings during the two days of its existence. The question of the World Court was discussed from all angles. Senator Lenott, speaking for the court, and Clarence Darrow, speaking against it, were among the speakers at the conference. The majority voted to enter the court with the Harding-Coolege-Hughes reservations. The question of the United States entering the World Court comes up for vote in Congress on December 17.

**OVERCUT STUDENTS
WILL BE DROPPED**

(Continued from Page One)

ences during any semester shall be subject to such discipline as may be applied in his case by the dean.

He declared that in the matter of absences preceding or following a holiday the following additional law is in force: "Any excess above the number of permitted absences due to absence from the last meeting of a class before, or the first meeting of a class after the holidays at Thanksgiving, Christmas, Mid-year, or Easter, will automatically drop the student from the rolls of the university unless the student shall have secured permission from the Executive Committee of the faculty prior to such absence. Reinstatement may be authorized by the Executive Committee of the faculty upon written request of the student accompanied by physician's certificate or other evidence that the absence was due to extreme necessity."

About Half Going On 19th.

Those students who, according to the last preceding report, are failing in more than one course will not be eligible for permitted absences. Except in the rare cases where a student has had no permitted absences prior to Christmas holidays and who remains in school next Monday and Tuesday, all students will be held strictly accountable for attending classes the first day after holidays. No fines will be levied this year on late returners.

Miss Wilson, secretary to the dean, stated that thus far approximately one-half of the student body had applied for permission to use the permitted absences necessary to leave class on December 19.

**MONTHLY MEETINGS FOR
N. Y. C.-W. & L. ALUMNI**

The Washington and Lee Alumni association of New York City meets at a luncheon on the first Wednesday of every month. The place of luncheon alternates between the Fraternity Club and Stewarts Rathskellar. At the last luncheon held there was 35 alumni present.

Post-Season Potpourri

Washington and Lee meets the Navy in three different branches of sport during the coming year. The wrestling team journeys to Annapolis on February 6, the swimming team visits Annapolis on February 20, and the baseball team meets the Navy nine on May 12.

Ernie Nevers, captain of the 1925 Stanford football team and a member of Grantland Rice's all-American, has accepted an offer to play professional football at Jacksonville, Fla. Kay Thomas, Washington and Lee star, will play on the same team with Nevers.

Ed Robinson, of Brown University, says the most unusual play he ever saw, happened in a Brown-Dartmouth game. A substitute was sent in to take the place of Brown's left end. The sub ran on the field and stopped to adjust his headgear near the right end. The right end, thinking he was to be taken from the game, turned and hit the sub on the jaw, knocking him completely out."

George Pfann, former star quarterback on Cornell's football team and a member of Walter Camp's 1925 All-American, has been chosen as a Rhodes scholar from New York. Robert Brooks, Rhodes scholar from Connecticut, is also a football man, playing left guard on the Wesleyan eleven.

Before renewing their contract with the Army, which terminates with next year's football contest, Navy authorities will advocate a three-year eligibility rule for the two service institutions.

Captain J. J. McEwen, former football coach at West Point, has signed a five-year contract to coach football at the University of Oregon.

**U. OF VA. GETS \$700,000
FROM GENERAL BOARD**

The University of Virginia has just received an unconditional gift of \$700,000 from the General Education Board, for the construction of its new medical school. Administrative officers of the board said this amount would be half of the sum needed to build its new school. The General Education Board, functioning under a federal charter, restricts its work to the United States. Its primary aim is to work for the "betterment of mankind."

W. & L. GRIDIRON STARS SUCCEED AS MENTORS

Eddie Cameron and "Student" Frew Make Good Records At Greenbrier and Fishburne Prep Schools.

Two former Washington and Lee football stars have recently completed their first year as mentors of prep school elevens, and each has turned in an enviable record. Eddie Cameron, captain of the Fighting Generals in 1923, was head coach at Greenbrier Military School, and "Student" Frew, former backfield star of the Blue and White eleven, handled the Fishburne Military School gridders this past season.

Cameron established quite a record at the West Virginia institution, losing but one game throughout the season, including a post season game with K. M. I. This loss was to the Washington and Lee frosh, who trimmed the military lads 19 to 0 early in the season. The Greenbrier team won games from such teams as Bluefield College, Staunton Military Academy, Charleston High School, and Huntington High School, all powerful elevens.

Frew was handicapped with lack of material at Fishburne, and was forced to bow before the onslaught of the Staunton cadets 54 to 0, but in the final game of the season his charges rewarded his faith in them by trouncing Augusta Military Academy 7-6 in a hard fought tussle.

PLANS TO LIMIT FOOTBALL BROACHED AT PARLEY

Sport No Longer Trains Mind, Due To Spectacle Loving Public, Say Delegates From Dartmouth, Harvard and Princeton.

Over-emphasis of football to the detriment of the primary purpose of college was one of the questions taken up by the Wesleyan parley at Middletown, Conn., last week. Belief that this purpose was the training of the mind, and that football has usurped it to a great extent due to the encouragement of a spectacle-loving public and sentimental "old grads" was reached by the members. The fact that football players in reality get no pleasure from the game was also brought out.

A remedy for the present situation was broached in the plan to limit seasonal games to four and these to be between schools in the same vicinity. This, it is believed, would simplify football training and concentrate football emphasis in a smaller period of time.

The resolution was endorsed by delegates from nine colleges, among them representatives from Dartmouth, Harvard, and Princeton.

FOREIGN STUDENTS PLAN MANY ATTRACTIVE TOURS FOR VISITING AMERICANS

Official national student organizations of Europe are preparing to offer special opportunities to a limited number of American students traveling abroad this summer, according to The Open Road. Ten programs are being arranged under the auspices of the Confederation Internationales des Etudiants.

The plan is for small parties of American students—not over ten or twelve in each group—to travel through Europe with student guides, being received by students, universities, statesmen, and professors throughout Europe. The initiative of this enterprise comes from Americans who wish to open more doors to their countrymen traveling abroad.

This plan is being actively sponsored by European students who see in this method a chance to promote American understanding of their national problems. Students desiring further information may address the American Travel Department of the Confederation Internationale des Etudiants, 4702 Woolworth building, New York City.

ALUMNUS DIES

News has been received in Lexington of the death Monday, November 23, near Silver City, N. Mex., of Forrest Fielder, a graduate of the Washington and Lee Law school of 1919. He was instantly killed in an automobile accident. Mr. Fielder was district attorney of the sixth judicial district of New Mexico.

FOUR PLACARDS GIVE JOURNALISM STUDENTS CONCISE GUIDE RULES

Four placards made their debut in the news-writing room at the Journalism building last week. The cards are of moderate size, printed in large capital letters, and contain concise rules for the guidance of students in the Lee School of Journalism. The cards are so placed on the walls as to command maximum attention from news-writers working at the typewriters.

The reporters have been busy on outside assignments for the past few weeks, and each man is responsible for covering a definite assignment each week on university and town "beats." Prof. R. B. Ellard believes this practical training will be of infinite value to his proteges, and is sparing no pains in emphasizing the importance of developing "beats."

"HUDDLE" SYSTEM WILL BE TRIED IN BASKETBALL

Northwestern University has originated the "huddle" system of signal calling on their basketball squad this year. It will be tested out in the Purple's initial game of the season with Notre Dame.

Should this system require too much time the old form of having the center signal the plays will be used again. Many football teams used the "huddle" system during the past season, but it was not deemed a total success.

FROSH PUGS SHORT IN HEAVY WEIGHTS

(Continued from Page One)

son. Lancaster, two-year letter man in the 115-pound class, is hovering between that weight and the next higher, and is having trouble coming down. Osterman stands ready to take his place in the bantamweight division if need arises, and is working hard every day with this in view.
