Rayder Reports On Finances Of Student Fund For Half Year

Semi-Annual Report Shows Decrease In Assets This Year

FURNITURE COSTS LOWER RESERVES

Expense of Calyx Largest Item In Liability Section

The financial condition of the student body fund, as of February 22, is revealed in the semi-annual treasurer's report made public today. The report shows total assets of \$12,081.59, as compared with \$13,319.97 a year ago. Also included in the report is a statement of the distribution of campus tax receipts for the present year. The receipts, on the basis of 750 campus tax subscriptions, total \$6,000. Additional subscriptions will increase slightly the total receipts before the end of the year.

50 Per Cent To Calyx

Of the \$6,000 total receipts from campus tax subscriptions, \$3,000 has been allocated to the Calyx.

All of the reserve funds are lower this year than at the same time a year ago, largely because of extraordinary expenditures, chiefly for furniture, during the first semester. The general reserve fund of the student body, which totalled \$3,200.58 a year ago, has been reduced to \$1,430.59 through the expenditures for furniture for the Student Union and for the new Executive Committee room.

Publication Board

The publication board reserve fund shows a nominal total of \$3,385.08, but of this amount \$750 has been appropriated for furniture and for landscaping around the Student Union. Last year this reserve fund was \$2,685.33. A minimum reserve of \$2,500 is required by the constitution.

The dance control board reserve fund shows a total of \$1,292.64, as compared with a total of \$1,301.12 at the same time in 1936.

Rayder Explains

In explaining the report, Sam Rayder, treasurer of the student body, said that the total for each organization, listed under the heading of liabilities, includes the amount allocated to that organization from the campus tax receipts for the current year.

Of the total assets, \$11,328.84 are deposited in Lexington banks, or invested in bonds. At this time a year ago deposits and investments totalled \$13,119.97.

The assets listed, in addition to deposits, cash, and investments, include accounts receivable in the form of post-dated checks given in return for campus tax subscriptions and a loan of \$50 to the 1937 Finals dances. The piano listed is one used for dances and is the property of the student body organization.

Graham-Lee Initiates First Honorary Member In History of Society

Mr. George S. Jackson of the Washington and Lee faculty was initiated last night as the first honorary member of the Graham-Lee Literary Society in its 128 years of existence.

Mr. Jackson, who for the last three years has been the faculty advisor of both societies, was presented with a key of the Graham-Lee Society by Robert S. Hoyt, president. After receiving the key, Mr. Jackson made a short speech of acceptance. Those interested then gave speeches in trying out for membership on the debating team which will debate against the Washington Society next Monday, March 8 on, Resolved: That the consumer's cooperatives should take their place among other stores in the United States.

Treasurer.

Plans Are Laid For Gardening

Student Union And Chemistry Building Will Be Landscaped

Under the supervision of Professor T. A. Veech a new gardening program will be put into effect as soon as the weather permits. The Student Union and the area from the main entrance of the library and extending back of Washington College to the Chemistry building will be landscaped and planted.

With the \$250 donated by the Executive Committee last year the grounds surrounding the Student Union will be planted in accordance with the plans drawn by Charles F. Gillette of Richmond. On each side of the entrances, Boxwoods (specimen trees) will be planted. A hedge of Barberry will be planted inside the side-walks. The space between the hedge and the building will be covered with Periwinkle.

The grounds back of Washington College will be plowed and all the plaster and concrete remaining from the recent construction work will be removed. They will be leveled, harrowed, graded, and fertilized. Kentucky Blue Grass (Continued on page four)

Baseball Season Is Started With Workout In Gymnasium

With snow on the ground, Captain Dick Smith's baseball squad held their first practice session of the season in Doremus Gymnasium yesterday afternoon.

A large number of candidates reported, with an especially large number of sophomores out. The squad will not be at its full strength until after the conference basketball tournament when Iler, Frazier, Cochrane, and Myers will become available for baseball.

The team has only three weeks in which to get in shape for their opening game with Ohio State March 22, and lost no time in getting down to serious work in the way of training. The workout was featured by work with the medicine balls, calisthenics, pepper drills, and a twenty five lap run around the indoor track for each man.

With the loss of Emerson Dickman, captain-elect, into the professional ranks and the graduation of Joe Pette and four others, the Blue and White mentor has but a

Debaters Win Four Matches On Ohio Tour

Squad Now Preparing For Stiff Spring Schedule

DEBATERS PREPARE FOR COMING TRIP

Meets With Davidson, Bridgewater To Be Broadcast

After completing a successful trip into Ohio, the Washington and Lee debate squad is now preparing for its Southern trip which will begin next week. Its Northern trip which will be held in April and several home debates are planned.

The team which invaded the mid-West, composed of Emil Cannon, Marvin Collie, and William Burner, met only one defeat in five debates. The Washington and Lee orators lost by the vote of one judge to Denison College at Granville, Ohio, on Tuesday, February 23. The team then defeated Ohio Wesleyan, John Carroll University and Mt. Union College, in quick succession. The climax of the trip came that night when the debaters defeated Western Reserve University at Cleveland.

This trip was especially gratifying, according to Prof. George Jackson, debate coach, because the mid-western debate teams are usually recognized as the strongest in the country. In all debates on this trip Washington and Lee took the negative of the question. Resolved: That Congress Should be Continued on page four

Thief in Lees Robs Students Of Valuables

"Gosh, but I was too petrified to do anything," said James Faulkner, who is to take the lead in the Troubadours' presentation of the "Petrified Forest," when telling about the robbery which took place in his Lee's Dormitory room at two-thirty this morning. Investigation proved that the burglar had taken Faulkner's wrist watch and his wallet. The wallet contained several dollars and a check which had not been endorsed. The burglar evidently had entered through Faulkner's window, which is easily accessible from the ground.

Aubrey Simpson, who lives in the adjoining room had his billfold containing a few dollars taken but his watch, which was only a few inches away was not touched.

"There was no sign of the robber having rummaged through our things, he just took those that were in easy reach," Faulkner said when questioned. "When I awoke the burglar was coming through the door from Simpson's room and Continued on page four

Society Editor Releases Dates of Girl School Dance

The spring season is just about on the limb and with it the annual flurry of girl school dance is about to explode.

Randolph-Macon Woman's College will give their annual Spring dance on March 13. The dance will be held at the Lynchburg Country Club.

Hollins College will hold their yearly Spring Festival April 13 in a school building. As yet the names of either the Hollins or Randolph-Macon dance bands have been released.

Sweet Briar and Southern Seminary have no dances scheduled for their annual May Day dances.

Ring-tum Phi To Post Results of W-L Games

In order to give the scores of all W-L athletic contests to the students as quickly as possible, the Ring-tum Phi has made arrangements with the Western Union Telegraph company that enable this paper to receive scores at least an hour earlier than could be procured from any other source. This news will be immediately posted on the board in the Corner Store.

This service may be extended to include both McCrum's and the Co-Op in the near future. The Ring-tum Phi wishes to stress that the news is posted for the benefit of the entire student body, and it hopes that all those who are interested in athletics of this school will avail themselves of this service.

W-L Sends Bids To Star Teams For S A Meet

High School Basketball Tournament Starts On March 11

Invitations to the Thirteenth Annual South Atlantic Basketball Tournament March 11, 12, 13 have been extended to thirty-three high schools and prep school teams Captain Dick Smith, director of athletics, announced today. These teams, which are the outstanding in their various states, have been chosen through the aid of sports writers in their localities.

From the number that accept the bids, sixteen teams will finally be chosen to compete in the tournament. Acceptances are coming in daily, but quite a number are still expected, Captain Dick said. Acceptance blanks must be postmarked not later than March 3.

The chosen teams will stay in fraternity houses during their three day visit here. Each fraternity will furnish board and lodging for ten men only. As soon as the teams have been finally chosen, fraternity houses will be given the opportunity to make their choices of the team which they would prefer to have stay with them. Each fraternity may make a first, second, and third choice, so that if they are unable to obtain their first choice, they may get their second or third choice team.

Of the thirty-three teams to which invitations have been sent five are located in Washington, ten in Virginia, four in North Carolina, seven in South Carolina, five in Georgia, and one each in West Virginia and Tennessee.

Those in Washington are: Eastern high school, Gonzaga prep, Western High, Roosevelt High. Continued on page four

Buena Vista Theatre Owner Assumes Control of Lyric

Lexington will be without a Warner Bros. theatre after this week, as Dan H. Weinberg, operator of the Rockbridge Theatre at Buena Vista, assumes control of the Lyric Theatre here on Monday, it was learned today. Thus the corporation which has operated the New and Lyric houses here since 1930 will be without a show place until the new State Theatre is constructed on the site of the burned New.

Mr. Weinberg secured a lease to the Lyric Theatre building on July 3, of last year, records in the Rockbridge Circuit Court Clerk's office revealed today. At that time agreement was made with the John Sheridan estate through its executrix, Clara V. Sheridan, for rent of the building, owned by the estate, for ten years beginning on September 1, 1936 . . . last year. The lease did not take effect then, it is understood, due to a court injunction secured by the owners of the property following an offer by Warner Bros. for the

Final Examinations Modified By Faculty In Schedule Change

New Schedule

The class schedule under the new system to become effective next September will be as follows:

8:25-9:20
9:20-10:15
10:15-11:10
11:10-12:05
12:05-1:00

Afternoon lab sessions will be as follows:

1:55-2:50
2:50-3:45

Class Schedule Effective Next Sept., Provides 5 Morning Classes

The elimination of all afternoon classes and the revision of the examination schedule were approved by the faculty yesterday afternoon.

The new class schedule, which will be effective next September, provides for five morning class periods. The first classes will begin at 8:25 a. m., and the last class will end at 1:00 p. m. Each lecture period will be 55 minutes in length instead of one hour, as under the present system.

Morning Labs

As much lab work as is convenient will be scheduled for the morning hours. Additional lab sessions will be held in the afternoon from 1:55 to 3:45.

The new examination schedule adopted yesterday shortens the maximum length of final examinations from four hours to three and a half.

Examinations in classes in which there are more than one section will not be given at the regular hours under the block system, but will be given in the afternoon. All other examinations will be given in the morning.

The courses in which afternoon examinations will be given are: Economics 101-2, Political Science 101-2, Accounting 101-2, History 107-8, French 101-2, 107-8, Spanish 101-2, 107-8, German 101-2, Modern Civilization, all freshman mathematics courses, Hygiene 101-2, 103-4, English 101-2, and all freshman science courses.

Effective Present Semester

The new examination schedule will be effective for the final examinations at the end of the present semester.

The elimination of afternoon classes marks a partial return to the system in use on this campus a number of years ago. At that time classes, which were an hour in length, began at 9:00 a. m. and ended at 2:00 p. m.

Thirty-one afternoon lecture sessions will be eliminated under the system to be established next fall.

The unpopularity of classes after lunch was given at one of the main reasons for making the change.

Spring Dance Drive Success

Graham Continues \$6.00 Price Until March 15 In Second Drive

Success crowned the efforts of the Spring Dance Subscription Committee in their advance sale of tickets last week. No figures were quoted by Bob Graham, president of the Cotillion Club, but he states that the committee has accomplished what they set out to do.

The drive will be continued in both fraternity and non-fraternity groups until the fifteenth of March so next week will be the last chance to subscribe at the lower price. After March 15, the price will be raised from \$6.00 to \$6.50.

It has not yet been decided whether a professional decorator will be hired to decorate the gym or not. It will be determined by the number of subscriptions made in the current drive. If they fall in acquiring the desired number it is probable that Cotillion Club members will undertake the job.

The leader of the figure at the '13' Club Formal on Friday night will be John Shoaf, it was announced today, while the figure at the Cotillion Club Formal will be headed by Bob Graham. It has not yet been decided what organization will undertake the job. Continued on page four

CAMPUS POLITICS IN THE OPEN

Politics, as it is played at the University of Richmond, has many a measure that would not be amiss on the Washington and Lee campus. In the student election, held there today, two clearly defined political parties, fighting in the open on well defined platforms brought to a close a campaign that, according to the Richmond Times-Dispatch had "all the enthusiasm of a hotly contested (actual) election." Progressives and Independents put forth their candidates to be approved or disapproved, and what is more, the chairmen of the parties issued statements setting forth their aims and purposes.

The spectacle of the leader of the Big Clique on this campus "publicly airing his views" is a bit difficult to imagine. In fact, it is downright ludicrous. We seriously doubt if the chairman of that group, or any other campus combination, has any ideas farther advanced than to get all he can and as secretly as he can, and with the least fuss possible. Preservation of the status quo which in the past few years has meant the cowl-like docility of the student body in being herded as their leaders commanded, is above all things to be desired by local Jim Farleys.

And herein lies a fundamental difference between politics here and politics in the outside world. In actual practice, the political boss, though he may hold no government position, is a recognized and inevitable factor in the workings of the American democracy, or so says Lincoln Steffans, who ought to know above all others. These political bosses justify their existence because, according to Mr. Steffans, in his famed "Autobiography," they serve to aid individual citizens confused by the technicalities, red tape and complexity of the law. Upon this foundation does Tammany base its power, and from the lowest ward-heeler to the Grand Sachem himself, they never forget they must serve their constituents, not as blameless public servants but as personal friends. Steffans' justification may be warranted, and may not, that is beside the point. Since politics does exist in this fashion, and since most campus political leaders have aspirations of a like nature for their future careers, they might well take a lesson from the school of experience.

Secrecy, distrust, and cupidity on the part of a small group, breed a reaction among the masses of us simple souls so that sooner or later we revolt against it. And woe to the unfortunate that happens to be in our way then. Such is the reasoning of the common man, and such may well be the reasoning of the ordinary student.

Provisions for the freest election in years have been accomplished by free suffrage here. It now remains for the politicians to accept the facts as they stand and exert themselves in the good old American fashion. Far be it from us to be outshone by the University of Richmond, on either the basketball court or the political arena.

INTERFRATERNITY COUNCIL—A DEAD BEAT?

What has happened to the Interfraternity Council that it has become a dead beat this year? It has brought up a number of in-

teresting projects in meetings, mostly through the suggestions of outside organizations, but it lacks the energy to follow through—apparently.

What has happened to co-operative buying, and reformed rushing? Apparently they are still being mullied over in committee. Meanwhile, however, the Council is holding only its infrequent, approximately once-a-month meetings lasting sometimes only five minutes.

Matter of fact, the first reform which the Council should put through is some means of compelling the members just to sit in on meetings. The last gathering saw very few in attendance—a fact that all too plainly shows the decadence into which this body has fallen.

In the past the Interfraternity Council meant something in this college. It was accustomed generally to put through significant measures having to do with the welfare of the community of Greek letter societies. Fraternities chose their representatives carefully, for they wanted the man who best among their membership could make his house appear to advantage among a selection of key fraternity men. In brief, it was once an honor to be a member of the Interfraternity Council.

But now the Council is losing its reputation as week after week and month after month go by, and it fails to crash the headlines. Has the calibre of its members fallen off so terribly that they do not even have enough interest to go to meetings, as the showing last time seemed to prove? If so, the substitution of a different type of representative for the one now fallen down on the job would seem to be in order. Something, certainly must be done, if the Council is to retain enough significance to justify its existence.

ATHLETIC TEAMS AND THE CUT SYSTEM

Last week Washington and Lee was forced to cancel a basketball contest with William and Mary. Since the announcement was made many students have wondered why the Generals were unable to fill the engagement. They realized, as did the athletic department, the damage done to any school by cancellation.

The William and Mary game was canceled because the team had used its five days away from classes as allowed by the faculty. The actual ruling states that a team may be absent from classes eight days, but in the case of the basketball squad three days of these must be reserved for the Conference tournament.

This problem has worried the athletic department for several years, because it means that to play an out-of-town game, a team must either use one of the precious five days or else be hurried in cars or a bus immediately after classes, riding one or two hundred miles, play the game, and then tired after the contest, must be herded back into the cars and drive back to Lexington in time for the 8:30 classes.

The ill effect on the team is obvious: after a fast trip, a game, and another fast trip home, they must go to classes both sleepy and unprepared. When such a routine must be repeated twice a week the strain is evident in ragged play and defeat.

A common demand on the campus is for more important home games, but the basketball and baseball teams must arrange schedules on a home-and-home basis. That is, they must play an opponent on his own court if they expect to meet that opponent in a Lexington contest.

In a few days a motion will be placed before the faculty committee on athletics to the effect that tournament time not be counted in the eight days allowed from classes. As the rule now stands a team must make allowance for a tournament invitation, though they may not receive one if the season should prove unimpressive.

If the faculty approves this change, Washington and Lee teams will be able to make more extensive trips, with the compensation of at least three more home games with big schools. Above all, it would mean that the teams would not be forced to make any more dangerous overnight trips for athletic contests.

If colleges and universities continue to "recruit" students and don't restore their high standards for selective admission, they will impair seriously the value of academic degrees, according to Frank H. Bowles, acting director of admission at Columbia university.

Reduction in enrollment and decreases in income from endowment funds and other outside resources, caused by the depression, drove colleges to seek increased enrollment at the expense of educational standards, Mr. Bowles claims.

In the extensive recruiting programs, scholarships have been offered to attract students rather than on the basis of academic merit. Lowered standards of admission are blamed for the calibre of all work done in the colleges, he asserts.

CAMPUS COMMENT

By JIMMY FISHEL

V. M. I. Dances . . .

Jan Garber entertained at V. M. I. over the week-end and a good time was had by all, including the Keydets. As usual Garber was cute as ever, constantly playing up to the crowd.

The night before the dance set started one of the V.M.I. students, it is reported, married his date. At the dance the next evening Garber was told about it. Appropriately enough he played "Here Comes The Bride" followed by a swift rendition of "The Funeral March." Then to top it all he swung into "There'll be A Hot Time In The Old Town Tonight." Everyone roared of course and the bride and groom had duck fits.

After the dance on Saturday night, Garber disguised himself as a taxi driver and escorted a few of the Keydets and their dates home, charging them the proper Lexington union rates. Certainly a very versatile fellow.

Aside from his extra-curricular activities at the Institute, Garber, we understand, went over in grand style. His band has been changed a great deal. Instead of a girl torch singer, he has substituted four masculine voices, which isn't very sporting of the "Idol Of The Air-planes" . . .

Taking A Chance . . .

An old institution at V. M. I. is the habit of "running the block." Last week two Keydets employed a couple of Washington and Lee freshmen to sleep in their beds while they hid themselves to Lynchburg for a dance.

Towards midnight, the suspicious Corporal of the Guard prodded the Washington and Lee boys out of their slumber and requested them to "close all windows in the north stoop." Knowing little about what direction North was, and caring less about the "stoop" the civilians proceeded merrily on their way knocking out window panes and breaking window guards. In a few seconds the school was in a turmoil. The situation was saved however when someone tipped off the understanding Corporal that the gentlemen were from Washington and Lee. They were allowed to return to bed.

Moral - - Never sleep in a Keydet's bed . . .

Rambblings . . .

The annual water ducking was held at the V. P. I.-Washington and Lee swimming meet when Coach Cy Twombly became the leading performer in the ceremonies . . . The day before the wrestlers threw Tom Bradley in and another Mississippi flood took place . . . This same ducking ceremony which is bestowed on all athletes, managers, and coaches will next go to Frosh basketball Captain Leo Riehnartz . . . Don't say we didn't tip you off Leo . . . Spring dances will start April 10 at Hollins . . . Randolph-Macon will throw theirs on March 13 . . . The S. A. E's will hold their semi-annual stag party on the thirteenth also . . . Usually the S. A. E's start off with every intention of having girls at their affairs, but when the time comes there are no dates . . . only beer . . .

John Held Jr. on his weekly College program, listed the achievements of The University of Pennsylvania and incorrectly stated that the latter school had the first commerce school in the country . . . 1881 . . . He's wrong . . . Washington and Lee started theirs in 1869 . . . You're excused John. Herb the Dog Man is being prosecuted by a Washington and Lee boy for a \$1.50 debt . . . Caught up with him at last . . . Well there goes a darn good news source for feature editors . . . Assistant managing Editor George Goodwin can't spell Ring-tum Phi correctly. Accuracy, accuracy, accuracy, George . . . (Editor's Note: Columnists who write "managing" shouldn't throw stones.)

PREVUES

The Lyric
Tuesday and Wednesday—"On the Avenue," with The Ritz Brothers, Madeline Carrol, Alice Faye, and Dick Powell. If it weren't for the hackneyed backstage plot and Powell, this would be a fine musical show. As it is, fine performances by Carroll and Faye, and three screamingly funny skits by the Ritz Brothers make it a better than average picture. It deals with the love of actor-director Powell for Madeline Carroll, the world's richest girl, and Actress Alice Faye's attempts to break up the match.

Thursday and Friday—"Stow-away," with Robert Young, Alice Faye, and Shirley Temple. Tells

BETWEEN SHEETS

By ALEX LOEB

Garcia's "Lovely Little Babies" . . .

Peggy Garcia, former Roanoke girl who has attracted country wide publicity through her heart-balm suit against Rubinoff, in a recent interview expressed some very interesting ideas about college students and their antics. When asked what she thought of college students, Miss Garcia said, "I can't make any comments about college girls because I've never known any; but college boys are such lovely babies. Their greatest interest lies in blonde girls (Peggy's a blonde) and campus romances. These campus affairs are only temporary, but a boy should get his education of love."

Miss Garcia, whose favorite actress is Madeline Carroll because "she looks so much like me," said that all chorus girls are dumb. Incidentally, Peggy worked in a chorus.

Z-Man . . .

In the Minnesota Daily there recently appeared this add: Wanted—Girl for fraternity party Saturday. Blonde, five feet-five, good-looking, good dancer. Phone 213, "Z."

Z was flooded with calls. Finally the phone was clear long enough for the paper to get an interview and find out how the girls were skeptical at first, after a few minutes bulling, he convinced most of them that he was sincere. When asked whether he had secured a suitable date, Z answered, "Sure, every thing's fixed up now. I think I'll have a good time. She's got a car."

A Relic . . .

Every now and then some incident crops up that brings back memories of our ancestors, the college students of former years. A revert to the preprohibition days was the arrest in Pennsylvania last week of sophomore Grutski. The student had been running an illegal 722 gallon still. When he was caught, Mr. Grutski was found to have 250 gallons of newly brewed corn "likker" on hand

No Flowers, No Dance . . .

The boys at the University of Western Ontario had what we think is a very good idea. Because some of the boys couldn't afford flowers, the Student Council passed a law that no girl could go to a formal with a corsage on her. Everybody gathered at the first formal after the law was passed in a jolly mood, but the boys were due for a shock. The co-eds had come to the dance, but they wouldn't dance. "We want corsages at formal dances or we sit down," their leaders stated. The gals held the upper hand, so that now at the dances you won't see a dancing girl without her flowers.

Hash . . .

The new Fine Arts Building at William and Mary is equipped with the first direct color projection machine in the south. This machine enables the instructor to illustrate his lecture with fully colored pictures . . . Hardin-Simmons University has been running a contest for the "ugliest male." The winner is to take the "prettiest coed" to their next formal dance. In one of the Virginia state teacher's college papers there appeared an announcement of a talk. "Will I do things for popularity's sake or decide what is right?" We'd like to know the honest answer that the girls derived . . . This column was virtually called a fibber by Jerry Hardy at the University of Maryland. He said that our article about the student at Maryland who awakened fellow students by snapping his fingers was false. Maybe so, but it was mailed to nearly every college in the country through the ACP of January 10.

of the attempts of Shirley Temple, orphaned in Shanghai when her missionary parents are killed by bandits, to find someone to adopt her. She hides in the rumble seat of a playboy's car and pulls the top down. When she gets out the car is on an ocean liner bound for America. Subsequently she manages to hitch Alice Faye and the playboy, Robert Young, and gets the happy couple to adopt her. Temple gives her usual performance. Alice Faye is good, and Arthur Treacher is funny as Young's valet.

Generals Are Primed For Tournament Play

W-L may Meet N. C. U. For Fourth Time In Finals

BIG BLUE SEEDED FOR FIRST PLACE

South Carolina To Be Opponents in Game Thursday

By LEA BOOTH

Washington and Lee's highly respected basketball team, holding the top-flight ranking of the Southern Conference, received their final grooming and polishing this afternoon and prepared to leave tomorrow for Raleigh, N. C. to pit their wares against seven other aspirants for the 1937 conference title.

The annual tourney, held in the auditorium, includes two sessions of first round play Thursday, two semi-final matches Friday night and the final championship battle on the docket for Saturday night.

Because of their successful conquest of the summit of the conference standing in the regular playing season, the Generals have been seeded number one and will clash with South Carolina's Gamecocks in the christening event at 3 p. m. Thursday. The other upper bracket contest places, N. C. State's Red Terrors on the hardwood against Maryland's Terrapins.

Spiders Meet Wake Forest
In the lower bracket, Richmond and Wake Forest, yearlings of the conference, will meet immediately following the General-Gamecock fracas. Considered the feature event of the opening round, Carolina's second seeded quint will attempt to barricade an unseeded yet powerful, Duke threat. The Tar Heels have vanquished the Imps twice already this season but the dope sheets are non-committal on the outcome in Raleigh. Wake Forest with its rollicking Waller holds the seeded 3 position with State the remaining favorite.

The pairings were made Saturday under the direction of Eddie Cameron of Duke, committee chairman. Maryland with a record identical to that of Davidson, took the eighth berth by virtue of a coin's toss.

In the past three years, the Generals have advanced to the finals, each time to face the White Phantoms of N. C. U. In '34, Bo Shephard's boys were taken over Continued on page four

First Round, Thursday:

1. Washington and Lee vs South Carolina at 3 p. m.
2. N. C. State vs Maryland at 8 p. m.
3. Wake Forest vs Richmond at 4:30 p. m.
4. North Carolina vs Duke at 9:30 p. m.

Semi-Finals, Friday:

- Winners of games 1 and 2 at 8 p. m.
- Winners of games 3 and 4 at 9:30 p. m.

Finals, Saturday:

- Winners of semi-finals games meet at 8 p. m. for championship.

Spessard Leads S. C. in Scoring; Carson is Fifth

Bob Spessard, pivot man on the Generals quintet, was first on the Southern Conference high scoring record released Monday. Although failing to score the greatest number of points in the conference, his average of seventeen points per game was best as he scored four more points per game than his nearest competitor.

"Connie Mac" Berry, lanky center of N. C. State's quintet and formidable rival of Spessard, ranked first in total points but his average in 21 games was only 12 points a game. "Kit Carson, also of Washington and Lee, ranked fifth in the "first ten" in the conference, with an aggregate of 119 points scored and an average of 9 points per game.

Individual Scores

Name	Games	Pts.	Avg.
Spessard (W.L.)	11	182	17
Waller (W.F.)	13	172	13
Berry (N.C.S.)	21	270	12
Shomo (V.M.I.)	14	144	10
Carson (W.L.)	13	119	9
Hutto (S.C.)	13	117	9
Mann (N.C.S.)	21	184	9
Mullins (N.C.U.)	17	143	8
Podger (Duke)	17	143	8

Darsie Will Not Attend S C Cage Tournament

Coach Cy Twombly today confirmed rumors that Paul Darsie, winner of the intraschool free throw contest, will be unable to accept the prize trip to the Southern Conference basketball tournament at Raleigh this week-end. George Myers, who tied for second in the contest, was awarded the trip.

Carolina Wins SC Track Title; W-L Is Fourth

Rogers, Harvey and Relay Team Score Points For Generals

North Carolina regained Southern Conference indoor track championship from Duke last Saturday as Tarheel athletes scored in every event except one. Washington and Lee placed fourth among fifteen teams entered. In the freshman division North Carolina scored a second victory with Maryland taking second. The Brigadiers were seventh in this division.

Points for Washington and Lee were scored by Jimmy Rogers, Al Harvey, and the mile relay squad of Thurman, Ragon, Prater, and Harvey.

The outstanding race of the meet was the two mile run in which Lumpkin of Richmond defeated defending champion Morse of Duke by a lap in the record-breaking time of 9:30. This time was fourteen seconds under the former record set by Dunaj of Washington and Lee.

Rogers was the only Big Blue athlete who took a first. This came in the 70 yard high hurdles, which he took after a hard race with Graham of North Carolina. The General pulled away after clearing the second hurdle and finished up about three yards in front.

Harold "Flash" Harvey won his semi-final heat of the half-mile run on Saturday afternoon and came back in the evening to place second to Gammon of North Carolina in the finals. This race was run in 1:57 on the nine lap wooden track. Harvey also anchored the relay team.

In the relay Thurman took the Continued on page four

Tankmen Favored in Conference Meet After Undefeated Season

With four consecutive victories to their credit, the powerful Washington and Lee swimming team has now completed their schedule of dual meets without a defeat and are now pointing for the conference meet which will be held this week-end.

Last Saturday night the Blue tankmen scored a 63-24 win over V. P. I., scoring first places in all events except the 50 yard freestyle, in which event we got a second and a third. Meem, the two relay teams, and the backstrokers, all won again, to finish the dual season without a single setback. Co-Captain Taylor, Brasher, and Dick Gaddy also scored first places in this meet.

The Generals opened their season with an overwhelming 65-22 victory over the University of Virginia tankmen. So complete was their rout of the Wahoos that the Virginia boys could not win a first place in any of the nine events. Charley Brasher and Gil Meem scored two firsts apiece and each swam on the winning relay team. Co-Captain Joe Taylor, Paul Lavietes, and Bob Watt, also scored wins in their respective events.

A week later the Blue tankmen journeyed to Durham and handily defeated a highly touted Duke team by the score of 50-34. The

Thirty-Six Men Out For Spring Football Squad

Tilson Urges All Interested Men to Report For Team

Spring football at Washington and Lee got underway yesterday afternoon with a squad of thirty-six men reporting for the initial workout under Coach Tilson and assistant coaches Amos Boien and Bill Ellis.

Coach Tilson said that he was "pleased with the number of boys out, but would like to see more. Lack of experience is no handicap, because the four week training period will be devoted chiefly to fundamentals and every one will be given a trial." He also stated that no one who fails to take part in the spring practice will be invited to the yearly football camp next fall, with the exception of the senior candidates who are not required to participate this spring.

Candidates reporting for practice yesterday were: Captain Rogers Craft, Glenn Parteno, Allen, Ennerga, Long, Brown, Harper, W. R. Hogan, Graff, Hudson, White, Moses, Alexander, Parrish, Dudley, Baker, Howard, Abbott, Martin, Dunn, Sugrue, H. Hogan, Bauer, Donaldson, Billingsley, Hobson, Buck, Wood, Boisseau, Stitt, Schultz, Litterell, Humphrey, and Luria.

Bob Thomas is senior manager of the football team and Cecil Taylor is junior manager, while the following boys are candidates for sophomore managerships: R. C. Turrell, J. V. Warner, T. K. Helm, Reid Brodie, R. E. Summerall, James Shively, Billy Buxton, E. W. Butts, Dick Ruoff, R. S. Freeman, Leo Reinartz, Harry Mason, C. P. Lewis, Jack Watson, Blake Dock, Hal Smith, and G. C. Baldwin.

Big Blue Drops Final Meet To Tigers, 24-6

By JIM McCLURE

Washington and Lee's wrestlers met their only defeat of the season Saturday when the undefeated Princeton Tigers rode over them with three falls and three time advantages to win 24-6 in the Princeton gymnasium.

For the Generals, Kemp at 118 and Captain Arenz in the 155-lb. class were the only victors, Kemp winning on a time advantage and Arenz on a referee's decision in an extra period. After each of these matches the Princeton man had to be carried off the mat.

Kemp had little trouble with Dick Palmer, winning on a time advantage of 7:27.

Arenz met Charley Powers, a man whom he had wrestled twice before in prep school. Until the meet Saturday each held a victory over the other. After ten minutes of wrestling, Powers had only a few seconds time advantage, and the match went into extra periods where Arenz won.

Dick Harding of Princeton at 126 pounds defeated Eaton of W. and L. in a time advantage of 2:34. Eaton advanced quickly and was for a short time in control of the situation. He lost his advantage, however, when he was called for forcing his opponent's arm too far back.

Late Rally Tops Delts For NFU

Non-Fraternity Men Score 18 Points In Final Half

Scoring 18 points in the last half of the game, the Non-Fraternity Union turned back Delta Tau Delta's powerful quintet 24 to 13 in last night's intramural basketball game. The game was late in starting when the N-F Union team failed to show up at the appointed time.

Rumors of a default, postponement, and what-not filled the gymnasium as time fled by and still the N-F U's were not in sight. When the N-F U's were finally informed of the game and assembled on the floor it was more than an hour past game time.

Delta Tau Delta's "Doc" Baker was the first to score when he hooked one in from the left side Continued on page four

Brigadiers Win Over Jefferson

Booth and Reinhartz Star As Quintet Breaks Jinx

Washington and Lee's Freshman Brigadiers closed their basketball season by breaking the away from home loss jinx that has followed them all season when they defeated Jefferson High School, of Roanoke, Saturday, 26-14 in a rough battle.

Getting off to a slow start, the frosh gradually pulled away from the Jeffs to take a 12-5 halftime lead. This was increased to 16-9 at the end of the third period and then in the last stanza Booth and Little led the Little Generals to score ten points while holding Jefferson to four.

The superior height of Booth and Little proved to be the point-getter for the frosh. Several two-pointers were batted in by the two giants. Leo Reinhartz and Bobby Hobson played their usual bang-up games, Reinhartz scoring six points while Hobson held the Jeffs high scoring forward Brown to a scant one point. Little, Reinhartz, and Booth led the Brigadiers with nine, six and five points respectively, while Weddle and Mitchell paced the Jeffs with seven.

This was the last scheduled game for Bill Ellis' team. The Brigadiers won every home game played and lost three out of four out-of-town games.

After playing three of the five blocks, O. K. McNish, W-L's student billiard star, is leading Mr. H. L. Pitzer by 35 points in their handicap pocket billiard "championship" match. "Pop" Pitzer is shooting from 750 points, 150 a block, while McNish has to get only 100 a block to win.

They will play the fourth block tonight and probably finish tomorrow night.

McNish won the first block, taking 100 points while Mr. Pitzer took 134.

ARROW SHIRTS

Following the BIG BLUE

By ROBERT NICHOLSON

Gilbert (The Great) Meem claims Washington and Lee can't miss winning the Southern Conference swim title now that his girl is coming over to lend encouragement. . . . A favorite hobby of Warren Edwards, trackman, is electric trains. . . . In both the Navy meet last year and in the Princeton meet of this year, all falls scored against the Big Blue wrestlers were on the sounding "Bar and Chancery" hold. . . . When Elton Thurman too the lead for Washington and Lee on the first leg of the mile relay in the Southern Conference track meet, he fought off three of the circuit's outstanding quarter-milers. . . . VMI is said to have drafted some prep school prospects as opposition for their grid squad last Saturday. . . . This must be spring try-out period. . . . Some of the bruised football players after the first day's workout were envious of Chubby Howard, who is enjoying an enforced stay on the sidelines with a broken foot. . . . When Lang Skarda appeared at the Southern Conference track meet in a pair of liniment-stained maserated shorts, a Duke woman protested that the officials should outlaw such a costume.

Jack "SS" Miley has told some famous stories, but the greatest of all is about the man who kicked a bear to death. . . . The story goes that this stud took a pop at a bear one day and only grazed the creature. . . . The animal became enraged and charged the man, who took off his shoes (15 or over) and kicked the bear in the head until it was dead. . . . And whether you're gullible or not, Miley can direct you to the files of the Rockbridge County News for the story. . . . When Dorsey Wilson appeared in a recent I-M basketball game, he took off nine pounds during the contest. . . . Rumor has it that the athletic section of the new Calyx will be the best yet. . . . The prize remark of week comes from Henry Libby, who drawled out from the silence of a resting track team: "Batten, are you any kin to Big Red in Lexington." . . . Two outstanding candidates for next year's grid squad are transfers Roy Hogan and Rupe Dudley. . . . Hogan, brother of the freshman star of last fall, will be a candidate for a backfield berth while Dudley, who has missed only three games since his fifteenth birthday is out for an end post.

Arnold Heft, freshman ace, is one of the most promising pitchers to appear at Washington and Lee in some years, according to Captain Dick Smith. . . . Baseball hopes received another blasting this week when Mike Tomlin reported that his bum leg would probably keep him inactive this spring. . . . Frank Frazier has received more favorable comment on his passing ability from coaches in North Carolina. . . . A hard week-end is on for Big Blue trackmen in April, when they must face Maryland at College Park on Wednesday and Duke at Durham on Saturday. . . . Bob Straley, who jumped to fame in the I-M meet last spring, will report for track as soon as the outdoor season opens. . . . Rumor has it that Big Blue wrestlers will meet both Princeton and Michigan in Lexington next winter. . . . Andy Bershak of North Carolina's football, basketball, baseball and track squads is also an all-A man. . . . Mickey Cochrane, Preston Moore and Max Breckenridge are the varsity outfielders who will be defending their posts against a host of sophomore candidates the next few weeks.

Only a year ago. . . . Eight lettermen and thirty-three others reported for spring football practice. . . . The wrestling team defeated North Carolina State 25-3. . . . Three Big Blue teams were favored to take Conference titles as the winter sport season neared its close.

Frosh Swimmers Finish Season With No Wins

The freshman swimmers, captained by Bud Farber, finished their season against A. M. A. last Wednesday. The team had meets with the Virginia Frosh, Staunton Military, Massanutten Military, and two meets with A. M. A. The team did not win any of its meets but lost the Virginia meet by a very close score and was not beaten badly by anyone but Massanutten, who has the outstanding prep team in the country. Men who swam on the team were, Captain Farber, Melville, Ball, Foote, Thomson, Alkin, Shreve, and McKaskill.

Mosley Gives Lecture Dates

Sixteen Talks Are Planned For March, and April At V. M. I.

A complete list of sixteen art lectures to be given during March and April was released by Colonel T. A. E. Mosely of V. M. I. This series, which includes lectures on Ancient and Medieval architecture and painting is being given in the assembly room, Engineering Hall, from 7:30 to 8:15 P. M. Students from Washington and Lee, as well as townspeople, have been cordially invited to attend.

- The schedule is:
- Tuesday March 2, Greek Architecture
 - Thursday March 4, Roman Architecture
 - Tuesday March 9, Early Christian and Byzantine Architecture
 - Tuesday March 16, Moslem Architecture in Spain
 - Thursday March 18, Romanesque Architecture in Italy and Germany
 - Tuesday March 23, Romanesque Architecture in Southern France and Spain
 - Thursday March 25, Romanesque Architecture in Northern France and England
 - Tuesday March 30, Gothic Architecture in France
 - Thursday April 6, Gothic Architecture in Germany, Italy and Spain
 - Thursday April 8, Civic and Domestic Architecture
 - Tuesday April 13, Egyptian and Assyrian sculpture.
 - Thursday April 15, Greek and Roman sculpture
 - Tuesday April 20, Romanesque and Gothic sculpture
 - Thursday April 22, Ancient and Medieval Painting

Hospital Notes

Colds and slight flu cases confined four Washington and Lee students in the hospital today. They were Everett O. Amis, Dyersburg, Tenn.; J. R. Kateley, Rochester, N. Y.; Lewis Magnus, Vesuvius, Va.; and William Hesketh, Irvington, N. J.

ing of outstanding pictures in Lexington between now and the time the State is opened.

Mr. Weinberg, who lives in Bedford, was associated with his father, I. Weinberg, of Lexington, in the development and operation of the old Shenandoah Valley theatre circuit, operators of the New and Lyric here prior to acquisition by Warner Bros. Although still a young man, since that time he has served three years as district manager for Warner Bros., and several years as district manager of approximately 40 theatres in New Jersey for the Skouras organization. At present he is operating a theatre in Bedford and a colored one in Lynchburg in addition to the Buena Vista house.

The lease for the Lyric involves only the theatre building and does not cover the adjoining store rooms and hotel. The rental figure, according to the recorded lease, is \$175 per month for the first five years and \$200 per month for the remaining five of the ten-year period, in addition to specified upkeep and heating of the theatre and adjoining buildings.

Ring-tum Phi Meeting

There will be an important meeting of the editorial staff of the Ring-tum Phi Wednesday afternoon at 3:30 o'clock. It is highly important that every member of the staff attend.

Mid-week chapel will be held in the student union Wednesday afternoon at 5:45 o'clock.

will be planted in this area. Several diseased trees have been removed from the campus due to the danger of spreading this disease to other trees on the campus. These will be replaced.

In a recent issue of the Ring-tum Phi a letter to the editor protested against the cutting away of the vines around the buildings. In reply to the letter Prof. Veech said: "I am in favor of the vines about the buildings if they are property cared for, but we do not have enough caretakers or the money to care for these vines in the correct manner."

Professor Veech expects to start these improvements in the near future.

Track Meet

Continued from page three

lead for Washington and Lee on the first turn and was first coming into the home stretch where runners from North Carolina and William and Mary pulled up even. Ragon on the second leg held onto third place about five yards behind the leaders until the final turn when he took second by passing William and Mary.

Prater, running in third position, narrowed the lead on the North Carolina runner but was hard pressed by Maryland, who had taken over third; and on the home stretch the Old Liners took second. At anchor, Harvey pulled up close on the Maryland star, Cronin, who was fast gaining ground against North Carolina, and the three teams finished in a bunch with Carolina first, Maryland second and Washington and Lee third. William and Mary was a poor fourth among the nine teams in the race.

For the freshmen Charlie Curl was outstanding with a second place in the 70 yard dash. Curl after a slow start in the finals drove from next to last place to a position only a foot behind the victor from North Carolina, Bill Gwyn also placed for the freshmen by tying for fourth place in the high jump.

Robbery

Continued from page one
he moved toward the window through which he made his escape."

Early this morning huge foot prints found in the snow collaborated with Faulkner's description that the man was well over six feet tall. He was thought to have worn blue denim trousers, a leather jacket and big heavy boots. It could not be ascertained whether he was white or colored. It is positive that he was not a student.

The Lexington police force was not notified until eight o'clock this morning and Chief King said this was a grave mistake and expressed the belief that had the crime been reported at the time of its occurrence, the thief might have been apprehended. He urged that all students cooperate and report crimes to the police as soon as they occur.

of the court. A few seconds later Bill Ammerman evened things up by sinking one from a few feet past mid-court.

The Deltas scored six more points in the first half while the Non-Fraternity Union added four to their score and the half ended with Delta Tau Delta out in front 8 to 6

It was a rejuvenated N-F U. team that swept the Deltas off their feet early in the second half. Shortly after play was resumed Ammerman and Darsie scored for the N-F U. "Doc" Baker once again came to the rescue with two Delt baskets and tied up the game 10 all. At this point the Non-Fraternity Union staged a grand rally and point after point was chalked up to their credit. The game ended with the Non-Fraternity Union possessing a 24 to 13 lead over Delta Tau Delta.

N-F U's Bill Ammerman was the high scorer of the game with ten points, all of which were field goals. Close behind him were "Doc" Baker and Paul Darsie with eight points apiece.

This game advanced the Non-Fraternity Union to the semi-finals where they will meet the Phi Gamma Delta team tonight. The other semi-final game between Sigma Chi and Pi Kappa Phi will also be played tonight. The winners of these two games will meet in the final game of the tournament later in the week.

Hopkins will be met on April 14 and 15, respectively.

This year's season has been the most successful in recent years. The squad consisted of fifty men at the beginning of the year. Last year only twenty men reported while the previous year there were only ten candidates. This year the team has held more debates than ever before and more men have participated.

U. S. Senator Reynolds says: "Luckies are considerate of my throat"

"Two Southern traditions are oratory — and good tobacco. Lucky Strike shows me how to indulge in both. For this light smoke not only pleases my taste but leaves my throat in condition. Last fall in North Carolina—when I made over 100 speeches—I visited the Lucky Strike factory. I believe I discovered, in the Lucky Strike 'Toasting' process, the secret of what makes this cigarette so considerate of my throat. I have been more than ever an advocate of a light smoke since seeing the extra care and expense devoted to making Luckies easy on the throat."

Robt. R. Reynolds

HON. ROBT. R. REYNOLDS
U. S. SENATOR FROM NORTH CAROLINA

THE FINEST TOBACCOS—
"THE CREAM OF THE CROP"

In a recent independent survey, an overwhelming majority of lawyers, doctors, lecturers, scientists, etc., who said they smoked cigarettes, expressed their personal preference for a light smoke.

Senator Reynolds' statement verifies the wisdom of this preference and so do leading artists of radio, stage, screen and opera, whose voices are their fortunes, and who choose Luckies, a light smoke. You, too, can have the throat protection of Luckies—a light smoke, free of certain harsh irritants removed by the exclusive process "It's Toasted". Luckies are gentle on your throat.

A Light Smoke "It's Toasted"—Your Throat Protection

AGAINST IRRITATION—AGAINST COUGH
