SOPHOMORE DUES IN ARREARS--RESPONSE NEEDED

Only a Third of Class Have Met Obligations--Plans Will Be Curtailed.

President Richard Beard announces to the members of the Sophomore Class that unless all dues are paid at once the plans for the Sophomore Cotillion as originally laid out will have to be curtailed. It is at present planned to give handsome favors consisting of white leather card cases for the girls and cigarette cases for the men in the figure. A well known caterer has been contracted with to serve supper and the music which will be furnished by Brigade's Orchestra of Charleston, W. Va., is said to be the best that has been heard in Lexington since Paul Whiteman's visit last year. Admittance will be free to all upper-classmen, but in the event that the Freshman Council decides to let the Freshmen attend they will be charged a small entrance fee.

It is not the desire of the committees in charge to curtail these plans in any way but the fact remains that the Class treasury is facing an alarming deficit. Of the one hundred and seventy-six members of the class a bare third have paid their dues which not only cover the dance subscriptions but also Calyx representation. The Class treasury is facing an alarm-total expenses of the dance will exceed eight hundred dollars. Sophomores are urged to pay up at once and help make this year's Sophomore Cotillion the most memorable in the history of W. & L.

AUBURN OUT FOR SOUTHERN CHAMPS

The Kentuckians Lost On a Blocked Punt Behind the Line.

Auburn overcame the Kentucky wonder team in a 6 to 0 victory Saturday. Their score came as the result of a block kick in the third quarter. Captain Roberts was forced to kick from behind his own goal, the punt was blocked and Moulton of Auburn fell on the ball behind the line.

The Plainsmen solved Centre's bewildering lock-step formation and the Colonels were unable to gain on it. The kicking of Captain Shirey for the Alabamians was the feature of the game.

HALL TO LEAD DANCE WITH MISS M. CORLEY

Cy Hall announced yesterday that he will lead the Cotillion Club Thanksgiving dance with Miss Mayrenne Corley, of Clarksdale, Miss. He will be assisted by Alec W. Mosby, with Miss Anne Brokenborough, of Richmond.

In accordance with the customary regulations, the Floor Committees for the dances in December will consist of the Floor Committee of the Sophomore Class, the Floor Committee of the Cotillion Club, and the representatives from the various classes.

Now is the time to start something to swear off New Years.

Jinx of Several Years Duration Broken In V. P. I.'s Favor

GENERALS GET 6 TO V. P. I.'S 41

"Bo" McMillan Snags Pass and Runs 65 Yards for White and Blue's Lone Tally--Generals Make Only Two First Downs.

V. P. I., with what is probably the strongest team they have put out during the last decade, defeated the Generals Saturday afternoon in Lynchburg 41-6. The game was not as colorful as Washington and Lee-V. P. I. games of the past. This was in part due to the fact that both institutions had had big games before and a large number of both student bodies were not present. Only the first classmen of V. P. I. attended.

The Generals greatly missed the presence of Frew, Mattox, and Wagner, as well as that of Tom Bemis and Arbogast, who were kept out of most of the game with injuries. But this in no way lessens the credit that should be given to the Techmen for the great power that they displayed. They showed a varied and powerful offensive with ability to forward pass, run the ends or buck the line. Their defensive powers were equally prominent. Some thought that the V. P. I.-Centre game, in which the Blacksburg men completely outplayed the powerful Colonels, was merely one of those strange happenings which will occur in football. But there remains, no doubt, in the minds of those who saw the game Saturday that it was a true indication of comparative strength of the two teams.

V. P. I. displayed an interference that was almost impregnable. While Gettle was outstanding in his work, Flory, Wallace and Rutherford showed ability of high calibre. The entire Maroon line cannot be given too much credit for their part in the Victory, "Big" Tilson showing up particularly well.

"TERRIBLE" TERRY

Starring center of White and Blue, never failing to put up strong and consistent opposition.

Tech's scores came through five touchdowns, from which all the goals were kicked and two field goals. All of their touchdowns came largely from straight football, although forward passes at several stages aided them in advancing the ball down the field. Tech gained on every exchange of punts. On one occasion a Washington and Lee punt actually lost ground for the White and Blue.

The Generals' score came through the most sensational play of the game. They received the ball on their own thirty-five yard line when Wallace punted. Dawson standing ten yards behind the line of scrimmage dropped a beautiful forward in McMillan's hand, who had streaked about fifteen yards down the field. Although "Bo" was almost surrounded by opposing backs he eluded them and galloped fifty yards for a touchdown, closely pursued by V. P. I. men, two of whom nailed him just as he fell over the goal line.

Daddy Potts played a game that was without doubt the best in his career. Although Tilson, opposing him, was a great source of strength for Poly, "Daddy" outshone him. Time after time he stopped the Tech backs for losses. McDonald put up a fine game at end, Tilson was second only to Potts in stopping the Maroon backs and Dawson showed up very well in backing up the line. Jimmie Thomas was the greatest ground gainer for the White and Blue.

The First Period.

Washington and Lee kicked off. Cameron booted the ball to Tech's 8 yard line and Rutherford carried it back 14 yards and the annual game

BROWN FLASHES MIRACLE —DEFEATS HARVARD 3-0

Brown displayed the strongest defensive play of any team playing in Cambridge this year when they won from Harvard by a score of 3 to 0. Their offense was also strong enough to enable them to carry the ball to the Crimson's 17 yard line from where they scored a field goal.

Harvard carried the ball over their opponents' goal line, but Hubbard was caught holding and the ball was brought back and they were penalized fifteen yards. An attempt at a field goal was unsuccessful.

The 20 to 0 defeat of Brown by Yale a few weeks ago and Brown's 3 to 0 victory over Harvard gives the Bulldogs the odds in the last of the Big Three games next Saturday. The only consolation for the Crimson supporters is the absence of Captain Buell and George Owen from the lineup Saturday.

The next issue of the Mink will be out in the next three or four days. This issue will be the Pigskin Number and will have a snappy and appropriate cover design. Subscriptions to the Mink have not reached their maximum yet. There are about 425 subscribers among the Student Body which is an increase of 25, since the last issue.

The Girls' Section will be an exclusively new feature of the Mink this year. This unique department starts with the next issue, and will be under the able editorship of Cy Hall. Frank Lowe has been made Assistant Exchange Editor of the Mink and Frank Root and J. C. Armstrong are new additions to the temporary staff. The permanent staff of the Mink has not yet been chosen, but according to the editors, the literary material received this month has been of better quality than any received in the history of the Mink and will compare well with that in any college humorous publication.

The Mink has at present about 50 subscribers outside of the Student Body. It also has a wide circulation on news stands and is one of the foremost college humorous publications in the South.

PRINCETON DEFEATS YALE FIRST TIME IN 11 YEARS

For the first time in eleven years the Princeton Tigers climbed to the top of the football peak when they defeated Yale 3 to 0 Saturday. Although defeated, Yale gained more ground, made sixteen first downs to Princeton's seven and outplayed their opponents during most of the game.

Both teams went scoreless during the first half, with the Blue teams having a slight advantage. A poor kick for Yale by Scott early in the third quarter gave Princeton an opening. A ten yard pass followed by a beautiful 34 yard run by Beatty placed the ball on the 14 yard line. When the Bulldogs' defense stiffened Ken Smith kicked a field goal for a score which gave the Orange and Black their second victory in the Big Three contest, and placed her on the highest pinnacle of the football world.

THREE CORNERED TIE IN WESTERN CONFERENCE

The championship struggle in the Western Conference has resulted in a three-cornered tie, with Michigan, Iowa, and Chicago still undefeated by a Conference team. In Saturday's games Michigan beat Wisconsin 13 to 6, Chicago won from Illinois 9 to 0, and Iowa defeated Ohio State 12 to 9. Only one game remains for each team. Michigan playing Minnesota, Chicago playing Wisconsin, and Iowa playing Northwestern. According to the dope each of these leading teams should win in these final contests which will leave the Conference championship in a triple tie.

DO YOUR DUTY!

For the past several weeks the
Freshman Council has been inactive.
The reason for this is that there has
been no work for it to do. But two
names have been turned in during
the past two weeks, in which time
there have surely been scores of viola-
tions of the Freshman rules. We
see it on every hand.

But the Council can act only upon
those whose names are turned in,
carrying a charge for a specific
breach of the rules. For some reason,
but few names have been handed
in, in fact the number is so small
that the Council does not feel justi-
fied in dealing with the few present-
ed.

At the same time, we continually
hear upper-classmen complaining
that the Freshmen rules are being
violated and something should be
done. We agree with both. The
rules are being, to a certain extent,
disregarded, and we feel it is time
the guilty ones should be dealt with.
On the other hand, the Freshman
Council cannot act unless the old men
in the Student Body lend a bit of as-
sistance. The Council was function-
ing nicely as long as the upper-class-
men took upon themselves the respon-
sibility of reporting offenders in the
first-year class. As soon as the old
men became lax in discharging this
part of their duty, the Council was
helpless.

If this continues, Freshman rules
will become a mere theoretical guide
—to be or not to be followed as the
class of '26 sees fit. We cannot let
such a thing come about. Our Fresh-
men must be properly assimilated
and disciplined, and to the upper
classes falls the duty of seeing that
such is done. We have the proper
organization, and all that is needed,
is co-operation. We must have that
before we can remedy present condi-
tions.

If we have not before felt it our
duty to help the "Frosh" Council, let
us assume that responsibility now.
**OUR FRESHMAN RULES MUST
BE OBEYED!** Do you agree? If
so, let's show it by some action.

With mid-semester past, and the
next football game ten days off,
Thanksgiving dances seem to be
coming in for their just share of dis-
cussion. Besides, there are no
Christmas exams, and this all adds
to the joy of the approaching festivi-
ties.

And while we think of it, the White
and Blue is going to show some class
on the basketball court this season.

year's Freshmen and reserve squads

we venture to predict the Generals
will have the best record in their his-
tory.

ORGANIZATION**

Athletics Under Direction of W. G.
Sale—University Department In
Charge of L. S. Joel.

The Press Club of Washington and
Lee University this year is composed
of two distinct sections: the athletic
and the University. Last year there
was only one big section to the Club
in which both athletic and University
news was handled, but it was thought
by the managers that a division of
the work would enable each kind of
news to be handled more efficiently.

The athletic section is under the
direction of W. G. Sale, Jr., who
co-operates directly with the Athletic
Association in sending out all athletic
news. The work of the University
section is under L. S. Joel. The work
of the latter section is to thoroughly
disseminate all non-athletic news
concerning the University and the
students, and write-ups to the home
town papers. It is urged that the
students turn in all items of value
concerning themselves so that they
may be sent to their home town pa-
pers.

The purpose of the Press Club is to
give as wide publicity as possible to
all news of the University Student
Body. D. R. Snively is manager and
has for his assistants S. A. Glick-
stein, Harry Clemmer, and J. W.
French. Members of the news staff
are S. B. Avis, Jr., F. W. Plowman,
D. G. Kaylor, and H. D. Leake, whose

NEAR RIOT AT CO-ED PROM

Morgantown, W. Va., Nov. 13.—A
near riot was caused at the "co-ed
prom" given here on Saturday night
by flappers of West Virginia Univer-
sity when some one discovered the
presence of three young men who had
arrayed themselves so cleverly in the
attire of milady that their masquer-
ade was not discovered until one of
them slipped from the artificial fal-
setto voice he was using for the occa-
sion into his natural basso profundo.
A general inspection of the guests
followed, the three intruders were
discovered and were promptly ban-
ished. One of them had danced with
Miss Susan Maxwell Moore, dean of
women, without having his disguise
discovered.

The coach of the Kalamazoo
(Mich.) College team has ordered
seven members of the team who fum-
bled in their last game to carry foot-
ball around with them everywhere
that they go. Any man found with-
out the ball will be dismissed from
the team.

ALUMNI

The old belief that Kentucky people know how to entertain was certainly verified by the manner in which the Washington and Lee Alumni of Louisville welcomed the Generals and all those accompanying them last Saturday for the Centre-Washington and Lee game. A Smoker given by the Alumni Association at the Henry Watterson Hotel on Friday night before the game was enjoyed by both visiting Alumni and students. The Louisville Alumni gave a banquet in honor of the football team on Saturday night following the game at the Sealbach Hotel. A dance followed the banquet with music furnished by one of the best orchestras in Louisville. The welcome and entertainment was most hearty and all who attended the game expressed keen enjoyment.

"Cy" Young came all the way from Helena, Ark., to witness last Saturday's game. W. Kendall Lemley, '12, Harry J. Lemley, '12, and John B. McKee, '12, journeyed from Hope, Arkansas, to see the game. Other Alumni attending the game were as follows:

C. M. McCrum, '07; Chalmers H. Moore, '09; W. K. Lemley, '12; H. J. Lemley, '12; John B. McGee, '12; C. S. Henley, '11; W. M. Hood, '10; H. K. Young, '17; T. O. Bagley, '07; M. B. O'Sullivan, '08; H. BIOLOGICAL SOCIETY OFFERS GOOD PROGRAM

C. O. Handley Elected President—Organization To Stimulate Study of Science.

The Biological Society of Washington and Lee University will hold a program meeting next Wednesday night. The men on this program are P. B. Yates and A. N. Chaffin. It is unknown what subjects these men will take, but they will be along some scientific line of interest to Science students.

The last meeting was held last Wednesday night and the following officers elected for the ensuing year: C. O. Handley, president; P. B. Yates, vice-president; and R. A. Rhodes, secretary-treasurer.

This society was organized last year by H. T. Garard and the membership was seven. The limited number of members is fifteen. No election of members has taken place yet this year. It is an honorary society organized for the purpose of stimulating interest among the students along scientific lines, and to help them by taking up problems parallel to their work. For membership a student has to average B in Biology, and less than an average of C in his other studies.

"Y" STUDIES EUROPEAN STUDENT AT VESPER

The "Y" Vesper Service Sunday afternoon at 5 o'clock, was devoted to a consideration of the students of Europe, their conditions, their attitude toward America, toward world peace, and toward Christianity, and the relation of their organizations to the World Student Christian Federation, under whose auspices the Week of Prayer for Students has just been observed throughout the world. Garland Alexander, who was a member of the group of American University students which visited nine of the European countries last summer, including Poland, Germany, Czechoslovakia, Austria, Hungary, France, Switzerland, and England, under the direction of the Y. M. C. A. and the European Student Relief Organization, had charge of this service.

was on. Gettle made a yard thru center. Rutherford around left end for seven yards and Gettle got through the line for another yard. Gettle took the next drive and made a yard, netting the first down. Wallace then got three through center. W. & L. penalized 5 yards for offside. Rutherford broke around right end for four; Gettle got through right tackle for five and Wallace made first down with a one-yard shove by left end. Wallace tried right end and got two yards. Cameron broke up a forward pass and then Tech punted to the 35 yard line. McMillan was thrown for a two yard loss and Sherertz broke up a forward pass. Another air route and then Cameron had to punt. Wallace received the kick and came back 14 yards. Gettle five through center and Gettle made it first down with two around right end. Wallace plunged eight yards through the line and Buchanan skirted the Generals' right end ten. Rutherford tried a line buck for no gain. Gettle then broke through center for three and again for four and the first touchdown was scored. Rutherford kicked the goal. Tech kicked, McMillan getting it back 23 yards. Then Hamilton tried three line plunges, gaining four, two and a half yard, and punted to midfield. Here the General line stiffened. Rutherford got a yard around right end and Gettle took three the same route. On the next down Gettle shifted to a right end run but was thrown after gaining a yard. Here Wallace punted and play was resumed on the 10 yard line. McMillan lost a yard on a try around an end. Cameron hit center, but was held and then Hamilton clipped off three yards around Tech's left end, but there were nine yards to go and Cameron kicked. It was another short boot and Wilson brought the ball back to the 40 yard line.

The Second Period.

Rutherford clipped off 18 around Washington and Lee's left end. Gettle got four through center and the next time took the ball around left end for 5 yards. Rutherford was held at center, but Gettle went through left tackle for four. Wallace was thrown for the loss of a yard and then Tech worked a forward pass Wallace to Rutherford for seven yds. Another overhead play failed. Rutherford tried a drop kick from the 30 yard line, the ball being blocked. Tech recovering the block. A forward pass, Wallace to Wilson netted six yards and Gettle broke through center for four more. Rutherford on the first down got half a yard thru left tackle, but a forward pass Wallace to Flory gained nine, whereupon Flory circled the Generals' right end for 21 yards for a touchdown. Rutherford kicked goal. Wallace kicked off again for Tech, Thomas getting the boot at the three yard line and he brought it back 25 yards. Thomas got a yard through center and five around Tech's right end and Cameron a yard through center and then Cameron kicked. Play was resumed on Washington and Lee's 43 yard line. Wallace six yards around left end. Gettle missed a bad pass. Hardwick got a forward pass for seven yards and first down.

Rutherford got three through the line and a forward pass failed. Gettle took the play up three yards, going through right tackle. Here Rutherford tried for a drop kick but McDonald blocked the kick and recovered the ball. Washington and Lee got two yards when McMillan went through center. On the next down he got half a yard the same way. Here the Generals were penalized 15 yards for holding and on the punt went almost straight up in the air and Washington and Lee fell on the ball, but the Generals were penalized five yards for illegal interference with the ball, the play giving

Tech the ball on Washington and Lee's 17 yard line. After two short gains by Rutherford and Flory, Rutherford registered from a drop kick on the 25 yard line. The Techmen kicked off again and play was resumed on Washington and Lee's 25 yard line. Thomas was held when he hit center, but he gained four around Tech's left end. McMillan was thrown for a three yard loss and Cameron punted. The scrimmage was next at Tech's 56 yard line when Flory got two through center and Gettle circled left end for ten.

The Third Period.

Washington and Lee kicked off for the third period, Rutherford bringing the play back to the 23 yard line. The Generals stiffened and on the third down the Techs had a net loss of a yard, when Wallace kicked. Thomas fumbled and Hardwick recovered it, on Washington and Lee's 45 yard line. Wallace gained two through center and Gettle four around left end, but Rutherford fumbled and Washington and Lee got the offensive when Hamilton fell on it. On the 30 yard line Thomas lost three yards on a cross buck. Tech was penalized for off side play. Hamilton was held on a plunge at center and Thomas was held on a try around right end. Here Rutherford intercepted a forward pass and ran 15 yards to the 30 yard line. Buchanan tried left end and lost two yards. Gettle gained ten, then broke thru the line for six yard more. On the next rush Gettle got a yard through center and Wallace went by left end for 10. With two yards to go Buchanan was shoved over for a touchdown. Rutherford again kicked goal. On the kick off Wallace kicked near the goal and Thomas came back 15 yards, but Tech was penalized. Tech chose to accept the penalty and kicked over from the 45 yard line. McMillan was held; Hamilton gained two yards. Thomas was held on a try around left end and Cameron kicked, Wallace being downed in his tracks with the ball. Wallace tried for an end run but Bemis broke through and threw him for a five yard loss. With 15 to go for first down Gettle took the drive and slipped around right end for 20. Gettle got four through center, Buchanan five through right tackle and Gettle four through center. Rutherford hit center for three; Gettle got six the same place and Rutherford two. Rutherford broke the line open for six and then gained one around left end. Gettle went the same way for seven, and a touchdown. Goal kicked. Tech kicked, Thomas getting the ball seven yards from the goal and bringing it back 14 yards. On the first down Thomas was thrown for a loss of six but on the next two tries, both of them around left end, he got 12 yards, but this left the Generals four yards short of first down on their own 31 yard line and the period end.

Fourth Period.

Cameron kicked and Wallace came back 20 yard to mid-field. On first down Gettle got eight through center and Flory five around right end. Flory then took eight more by the Generals' left end and then broke through left guard for 12 more. Rutherford lost three and Gettle was held without gain, but on the next snap he got eleven yards through center. Flory went around left end for six. On the Generals' eight yd. line Wallace got three through the middle of the line and Gettle four more. With scarcely more than a foot to go Tilson was called back to go over with the ball and he did so, but the Tech outfit was off side and it most five yards. Five yards was lost on a try at a run around the Generals' left end and then Tilson dropped back on the next down and kicked a goal from placement. Tech again kicked, Thomas bringing the ball back the yards to the 28 yard line. Cameron got through center for two yards and Thomas around left end for seven, but Cameron failed on the next down and had to kick out. V. P. I. came back to the offen-

sive on their own 45 yard line and four through center by Flory and seven by right tackle by Wallace netted first down. Wallace punted out of bounds and the Generals got the play at their 35 yard line. Here on the first down Dawson, back of the line of scrimmage about 10 yds. passed to McMillan, who ran for a touchdown, the net distance gained on the pass and run being 65 yards. Dawson failed on the try for goal. The Generals kicked off, Wallace getting the ball, Tech was penalized 20 yards for tripping and play was resumed on the 17 yard line. A pass, Wallace to Hardwick, netted 24 more and then four line plunges netted 11 yards. Wallace went through for the score. Tilson kicked the goal. Tech kicked off to 20 yard line.
