

Expectations Are For a Greater Finals This Year

Program To Be Same As Usual With New Features Inter-spersed—Invitations Selected and Ready Soon for Ordering.

Plans are well under way which promise to make Finals of 1923 the best that have ever been held. To insure this, however the subscriptions must be turned in immediately in order that several important contracts may be signed. These contracts must be signed within the next few days. Every one is urged to bring in his subscription at once. Only about one-third of the cards are in, but the committee expects all to be in by Saturday night. The leader is in communication with two or three well known orchestras, one of which will probably be secured within the week.

There seems to be an impression among some that Finals is to be cut

down this year. This, however, it was stated, is not true, as a tentative program has been arranged which will be as complete as before. The program will be announced just as soon as it is officially approved, which will probably be some time next week. Several additional features are being planned for this year, one of them being a Fraternity Carnival which will be held on one of the afternoons, and promises to be a distinct and unusual feature.

Leader "Eddie" Crockett has also announced that Finals invitations have been selected and sample copies will be placed on the bulletin board soon, so that all who wish may order them.

V. P. I. FROSH DRUBBED

Big End of 35-16 Score With Scrubs

DE HART USES TWO TEAMS

Techmen Yearlings Promise To Give Freshmen Good Fight Next Week.

The scrubs succeeded in defeating the V. P. I. Freshmen last night without much trouble in a rough and tumble game which finally ended in a 35 to 16 score. A very small crowd attended.

The first five minutes were scoreless and it looked as though the game might not be decided until the last minute. Minnich for the scrubs broke the ice, however, and from then on the game belonged to the Generals.

Coach De Hart used two full teams during the game and it would be very hard to pick any particular stars as the whole team played well. Burke went on a rampage during the first part of the last half and rang up four baskets in a few minutes. Lantz played a good game for V. P. I. and Cousins showed up well as a guard.

The Freshmen play the yearlings from V. P. I. next week and from the game the latter played on the floor last night, it would appear that a good game will be the result.

The first score came after several minutes of play when Minnich roped one through the basket. Lantz for V. P. I. came right back, however, with two points and then missed a free shot on a foul on Burke. Wilson made a free shot on a foul on Eberts but stepped over the line. Daugherty and Wilson added three more field goals and Minnich dropped a fourth through after Lantz and Ebert made three points on a foul and field goal. Coach De Hart here ran in an entire new team. After several fouls were made by both teams Hawkins rang up two goals in succession and Sturm dropped one through the basket without touching the rim,

(Continued on Page Four)

MATMEN MEET GOBBLERS TONIGHT

First Meet of Season—Only One Veteran On the Squad.

The Washington and Lee matmen left yesterday for Blacksburg where they will engage the Gobbler grappers tonight. This is the first meet for the Blue team this season and the team is of a somewhat unknown calibre due to the large number of new men on it.

Seven men made the trip, one for each class, no substitutes being taken. Those going were W. K. Payne, 115 pounds; W. T. Kilmon, 125 pounds; J. A. Cummings, 135 pounds; J. A. Mobley, 148 pounds; J. G. Elms, 158 pounds; R. P. Asbury, 175 pounds and M. I. Budnick, unlimited.

Coach Brett has had a good sized squad practicing regularly in preparation for this and other meets. Some of the men on the squad who have been showing up well are: Johnson, Hubbard, Alves, Stanley, Sattes, Barker, Stemmons and Cooper.

The only veteran of last year's team going to Blacksburg is "42" Asbury, Ellis and Hatcher, two members of the 1922 team have been unable to go out this winter. Practically all of the men on the team were substitutes from last year's squad. Freshmen are eligible for wrestling and the Freshman class were represented by Mobley and Budnick. Mobley has been showing particular promise in practice, his work indicating that he will undoubtedly be one of the team's stars.

V. P. I. was badly defeated by Virginia a short time ago. They were only able to secure three points to 27 for the Old Dominion.

A week from today the White and Blue wrestlers will journey to Annapolis to meet the Navy and on the following Monday, George Washington College will be their opponents in Washington.

PITT PANTHERS TAKE EASY GAME FROM WHITE AND BLUE

Opinion Stated That Northerners Showed Best Form of Season In Their 52-33 Victory

CONTRIBUTIONS TO THE "GIRLS' ISSUE" GOOD

Four Cover Designs for Mink Received—Prizes Awarded for Best Contributions.

Contributions from the girls for their issue of the Mink, which was announced in the last, the "Slip Up," number as due to come off the press March 15, have been coming in satisfactorily, according to Editor Lindsay. But it is especially desired that each student write to at least one girl urging that she send something. Art work, short stories, humorous verse, poetry and especially original jokes, are desired.

Four designs for the cover have already been received, each excellent, but as the cover design chosen takes the capital prize, and usually sets the standard for the whole issue, more are desired to pick from. Seven or more cartoons have been received, but plans are to use about 22 in the issue. Editor Lindsay said that a fairly large quantity of humorous material has been received, all of which will be used. Following the plan instituted this year of issuing a 32-page magazine, the Mink board wants to make this number correspond, so an additional call for material is hereby sent out, and it is hoped that the Student Body will cooperate and get this call to the girls. As announced, suitable prizes are

(Continued on Page 4.)

V. E. S. Downs The Yearlings

Lane Individual Star—Frosh Lead At End of First Half.

The "Little Generals" bowed to the strong Virginia Episcopal School quintet in the initial game of Freshman trip, to the tune of 33 to 30. As the score indicates it was an exciting game and was won in the last few seconds of play.

The "Frosh" started out with a rush and at the end of the first half had the long end of a 19-14 score. However, V. E. S. came back strong in the second half succeeding in tying the score at the 23 point. From that time on it seems to have been a fairly even battle, the V. E. S. team scoring their three winning points in the last 45 seconds of play.

Lane appears to have been the individual star for the Freshmen, scoring 7 field goals and 1 foul, half of their total points. Wilson also showed up well.

Last night the Freshmen met Chatham Training School but up to the time of going to press the results of the game could not be obtained. Tonight the Freshmen meet the fast Danville Military Institute five at Danville and a close game is expected with the odds slightly in favor of the "Frosh."

LAKE HITS STRIDE MAKES 27 OUT OF 33 PTS.

Generals Make Pretty Fight Up To Final Whistle—Hines and Schneider Out.

The Generals went down in defeat before the University of Pittsburg's fast five Wednesday night in the last game of their trip by the score of 52-33. The game was played before a crowd which overflowed the Pittsburg gym and was fast and interesting throughout.

The Panthers have this year a basketball team of high calibre and the consensus of opinion was that they displayed their best form of the season against the Blue team. The whole quintet displayed clever passing and good shooting all during the game and kept a good lead despite the rallies of the Generals, lead by Lake. Jordan, forward, to quote the Pittsburg Post, "put up his best game of the season for the Panthers." He was the star of the home aggregation and succeeded in caging six field goals. Levenson's work on the foul line was also notable, he making 16 out of 19.

For Washington and Lee Lake was by far the outstanding star. Of the 33 points made by them, he accounted for all but six. His spectacular shooting from field and from the foul line kept the Blue in the running. He made five field goals and 17 out

(Continued on Page Four)

WRIGHT ELECTED HEAD OF INTERFRAT COUNCIL

Will Lead Inter-fraternity Dance Finals—McGill Secretary-Treasurer of Council.

Another of the dance leaders for Finals week was chosen Thursday night at the meeting of the Inter-fraternity Council at which C. B. Wright was elected leader of the Inter-Fraternity Ball, one of the most brilliant events of Finals Week.

"Charlie" Wright is a member of the Sigma Alpha Epsilon fraternity and is very prominent in many lines of campus activity. He is a member of the 13 Club, the Eleven Club, All-Southern Seven Orchestra, and the Executive Council of the Trubadours. His home is in Bristol, Tenn.

Dr. Farrar was elected president of the Council, succeeding himself, by a unanimous vote, and O. F. McGill was elected secretary.

Other business of importance was taken up at the meeting. The rules of eligibility to play in the inter-fraternity basketball tournament were formulated. It was decided that no man who has participated in any varsity basketball game was eligible as well as any man who has made his letter in another college. Also no freshman who has taken part in any game would be eligible. Fraternity initiation rules were also explained. "Goats" must not receive automatic. Two tickets passed are required.

HONOR ROLL

First Semester 1922-23.

- C. T. Aitfather.

- R. G. Wickersham.
- W. L. Woolfolk.

VISIT EXPECTED FROM LEGION COMMANDER

Owsley To Place Wreath On Lee's Tomb—May Address Students.

The next University assembly to be held will probably be that of March 3, on which date Commander Owsley, official head of the American Legion, will play his first visit to the citizens of Lexington and Rockbridge County and will address the Student Body. The veterans of the World War from this district have planned an elaborate luncheon to be held in his honor on that day. The University has tendered the use of the gymnasium for that affair and this will more than likely be accepted.

Additional importance is attached to this visit because of the fact that Commander Owsley will pay an official visit to the tomb of Lee. This visit will occur at 10:45 that morning, and a wreath will be laid on the tomb. Immediately after this ceremony, he will address the members of the faculty and the Student Body in the chapel. The subject of his address is as yet unknown, but it will no doubt prove to be one of the most interesting and entertaining assemblies held yet this year.

WESLEYAN GAME CANCELLED ON ACCOUNT OF SICKNESS

The basketball game scheduled for tonight between the Generals and West Virginia Wesleyan has been cancelled. The Wesleyan having two of their players on the sick list and having their last game prior to this one on Thursday night desired to cancel. Dick Smith accommodated them willingly in view of the fact that the cancellation would give the Generals a much needed rest.

A REMINDER

The annual Student Body elections are many weeks, yea, even many months away, and it may perhaps seem that this time is a very poor one to discuss the subject. However, the fact remains that campus politics play too important a part in the life of Washington and Lee to be treated lightly, except at election time.

Students, especially the men who were on the campus last year, remember the agreement entered into by the various fraternal and non-fraternal groups on the campus. The purpose of the agreement, it will be recalled, was to prevent factions, or cliques from "lining up" or pledging their solid support to any one or several candidates. It undertook the "purification" of campus politics, so that a man might run on his merits, regardless of what particular faction or group he happened to be a member of.

It is not our object here to discuss to what advantage or disadvantage the plan operated last Spring, but we do wish to emphasize the fact that the plan is still in force, and that it is designed to operate at the Spring elections. Whether any formal action will again be taken by the organizations prior to the next election, we do not know. We believe, however, that such is unnecessary, and that the plan should function regardless.

The "evils" of campus politics have been very well summed up in the following extract from an editorial taken from the Iowa State student, and we would call the attention of the Student Body to it.

"The mid-winter elections are over, the candidates are elected, and the world seems to have moved along about as usual. It is to be expected that it would have if the outcome had been totally different.

"School politics aren't to be deplored any more than those of a state or nation. They are invaluable and will always be with us, whether admitted or not. They can be interesting and they can furnish those who take an interest in them some valuable experience.

"School politics are objectionable, however, when they result in the making of false accusations and in the destructive criticism of individuals. When this stage is reached the effect is not wholesome from the standpoint of the school, and the school comes first."

The above, while not designed to apply directly to conditions on our own campus, brings out nevertheless, some very common evils in campus politics, and we believe, in a general way, may apply to any campus in the country.

Not so long now until the initial call for baseball candidates will be issued. With McCallum and Lindberg back, plus Lackey, Woodwine and the rest, looks as if the "ole firin' line" would serve up some wicked stuff.

If you possess any ability along oratorical lines, don't fail to join the tryouts for the debating team. No man will ever derive all he should from his college career, unless he serves or represents the University in some capacity. If debating happens to be your "strong point," don't miss this opportunity to represent the White and Blue.

Less than two weeks 'till we have another holiday. Doesn't time pass quickly? Before long, we'll be counting the days before Easter vacation.

Have you subscribed to Finals? If not, "Do it Now!"

Two athletic contests won from V. P. I. so far this season. Let's make it three tonight, wrestlers!

INTERCOLLEGIATELY SPEAKING

"Pop" Lannigan, veteran coach of the University of Virginia basketball team, was forced to leave the team on account of illness. He is reported to be slightly better, although he is still in a weak condition. He was able to see the West Virginia game in Faye-weather gymnasium.

Senator A. O. Stanley of Kentucky was the principal speaker at the second annual smoker of the Phi Alpha Delta legal fraternity which was held last week at the University of Va.

Silver and Gold, the semi-weekly paper of the University of Colorado, has offered a silver loving cup to the student who submits the best school yell. The contest is to be judged by the staff of the Silver and Gold.

The Hobart Baker Memorial Rink at Princeton was formally dedicated last week, when the St. Nicholas Club of New York crossed sticks with the Princeton Varsity.

A silver mace will be presented by the alumni and ex-students to the William and Mary College on the occasion of the celebration of the 230th founding of the school, which will take place this week in the Jefferson gymnasium. The mace will be presented by Professor Oscar L. Shewmake and will be accepted by Dr. James H. Dillard, rector of the Board of Visitors; the address of the evening will be delivered by Dr. Alfred Bushnell Hart, of Harvard.

Four indoor world's records were broken recently at the annual track and field games of the Millrose Athletic Association, held in Madison Square Garden. Joie Ray, Leroy Brown, Jimmy Connelly, and Loren Murchison broke world records in the mile and a half run, high jump, two-thirds of a mile run, and the 60-yard dash, respectively.

Oxford University will send a two-mile relay team to the U. of Pennsylvania relay carnival in April. The make-up of the team is not known, but since the indication is that they have accepted the invitation a fast quartet will be sent over.

The debating team of the U. of Richmond has completed its debating schedule for the year. The program as announced will include debates with Lynchburg College, Mercer University, Furman University, and Johns Hopkins University.

The board of trustees of Elon College have adopted, as a consequence of the recent fire which destroyed the administration building and library, plans for a \$600,000 campaign for a greater Elon.

ALUMNI NOTES

Mr. John M. Glenn, a noted alumnus of Washington and Lee, who has held prominent positions in both Baltimore and New York with many widely known charitable organizations, is now director general of the Russel Sage Foundation. This foundation, which at present, is capitalized at about \$15,000,000, is for the betterment of social and living conditions generally, and has been of great help to the world.

Mr. Glenn attended W. & L. during the presidency of General G. W. Custis Lee, and finished with a Master of Arts degree in 1879. He continued his studies at Johns Hopkins and the University of Maryland, when he received many honors. Besides having the degree of Master of Arts, he is also a member of Phi Beta Kappa. In 1907 the honorary degree of LL. D. was bestowed upon him by his Alma Mater.

His life has been spent in charitable work and before he became general director of the Russell Sage Foundation he was president of the Associated Charities of Baltimore.

Chas. H. Phillips, who finished two years of special work in the School of Commerce here last June, is now in Wellesley Hills, Mass., taking

courses in business leadership in the Babson Institute of that city.

B. B. Shively of Indiana has been engaged by the University as field agent for the Robert E. Lee School of Engineering, and is at work in Texas. He and his brother have just taken out \$5,000 and \$10,000 insurance policies respectively, with their Alma Mater as the beneficiary.

Verbon Kemp, who will be remembered by many of the men on the campus, is traveling under the direction of the special committee of the Southern Newspapers Association in the interest of the Robert E. Lee School of Journalism, and has raised almost \$30,000 in the last two or three months through individual subscriptions of prominent southern newspaper men.

C. M. "Tex" Shelton, '21, is in California as legal advisor of the Shell Oil Company.

Harvey Enloe, ex-'21, has a position with the Marathon Motor Oil Company in Atlanta, Ga.

H. B. Robinson, '22, is employed in a bank in Roanoke.

MANY MEN TRYING OUT FOR RING-TUM PHI STAFF

Fifteen Answer Call Monday Night—Many Old Men Among Them.

In response to a call of the Editor in Chief of the Ring-tum Phi for men to tryout for the vacant positions on the Ring-tum Phi staff, fifteen men reported at the meeting held Monday night at 8 o'clock in the basement of the Carnegie library.

A very significant fact was that to this call as many old men responded as freshmen. This indicates that the students are realizing the importance of this work, and beginning to know what great value the experience they will gain when the Journalistic school is established at Washington and Lee. The following men reported at the meeting Monday night, among them being several of those given honorable mention in the Fall: W. D. Frazier, '25L; F. R. Leggate, '25; C. B. Knight, '26; R. W. Martin, '26; Lewis Ridenour, '26; T. T. Moore, '26; C. R. Alley, '26; A. L. Tyree, '24; J. H. Hammond, '26; G. R. Stout, '24; H. Perlmann, '26; Jonah Soble, '26; Meyer L. Goodman, '26, and J. T. Stallings, '26.

Tryouts will be conducted along strictly competitive lines, and all men will be given like privileges. A new feature of these tryouts will be the training of the new men along the line of proof and copy reading, a knowledge of which is in itself of unlimited value.

The number of men is not as large as the editor would like to see out, and he wishes to urge the importance of this work upon all of the students at Washington and Lee.

The theory that Hell has at last been cleared up by Dr. Baily of the geology department of the U. of Southern California. According to a trip given him by a colored preacher, the Rockefeller interests are stealing the oil and grease which the Lord appointed to grease the axels of the earth, and when all of it has been taken out, the axels are going to get hot. According to the preacher that surely will be Hell.

HOLBROOK TO REPRESENT "CIRCLE" AT CONVENTION

Unanimously Chosen At Meeting Tuesday Night—Convention Feb. 16 and 17.

There was a special meeting of the Washington and Lee chapter of the Omicrom Delta Kappa held Tuesday evening, February 6, for the purpose of electing a delegate to the National Convention of Omicrom Delta Kappa which will meet in Richmond February 16 and 17. G. T. Holbrook was unanimously chosen as delegate to the conference, and will leave some time next week for Richmond.

The Omicrom Delta Kappa is a National Honor Fraternity, which recognizes leadership in the five different college activities. This fraternity was founded at Washington and Lee. Since its organization this fraternity has grown rapidly and is now represented in most of the large universities of the country.

The Alpha chapter of Washington and Lee is composed of fifteen active members of which four are faculty members. The officers are: President, G. T. Holbrook; vice-president, R. H. Carr, and secretary-treasurer, T. J. Ellis.

New members for the local chapter will be initiated during the early part of March.

Special Lecture On Poetry.

Dr. Shannon, head of the English department of Washington and Lee, was the principal speaker at a lecture on poetry given at the Chapel Wednesday night by the English department for all freshmen. The lecture was given for the benefit of all members of the first year English classes, who are at the present time taking up the study of poetry.

Ever notice how college men like to shorten names? Once upon a time we called a certain organization the "Young Men's Christian Association," but that was cut to "Y. M. C. A.," and later to just "Y." "Gymnasium" has been cut to "gym," and in some schools even this has been cut.

GRAHAM-LEE TO DEBATE RUHR QUESTION TONIGHT

Interesting Meeting Is Promised—
Two New Members Taken
In Last Week.

The program for the Graham-Lee literary society meeting tonight is as follows:

Current Events, Raymond G. Wickersham; Debate: "Resolved, That the French Were Unjustified in Occupying the Ruhr Valley." Affirmative: E. A. Nabors, J. F. Caldwell. Negative: R. L. Whipple, W. F. Smith. This meeting will begin promptly at 7:30 o'clock.

One of the most interesting as well as one of the best attended meetings of the year took place in the halls of the Graham-Lee Literary Society last Saturday night.

The program, although brief, due to the Freshman Basketball game, was highly enjoyable, and much interest was manifested throughout the evening. The new members initiated into the society were Bruce Gannaway and Paul Whiting.

CONTRIBUTION TO THE "GIRLS ISSUE" GOOD

(Continued from Page One.)

offered to the girls. There are sixteen prizes in all, the chief prize being for the cover design (five pound box of candy and subscription to the Mink). The first three prizes for original jokes, humorous literary contributions (not over 250 words), of cartoons with joke or title, are: one five-pound box of candy; two, three-pound box of candy; three, subscription to the Mink. For original jokes and cartoons there are three additional prizes of subscriptions to the Mink. The candy prize is to be a well known brand, and will be made especially for the Mink.

Rules for the contest are: All material strictly original; material to be sent to Contest Editor, The Mink, Box 139, Lexington, Va., not later than March 1, cover design by February 20; all material to have the girl's signature, school or home address on each sheet; and prizes for original jokes to be awarded on basis of number and quality.

An additional feature that the staff is planning, but hasn't definitely decided upon, is the running of the winning girls' picture in the issue following the "Girls Issue." Because the issue is expected to rival and surpass the extraordinarily good "Girls Issues" of previous years, it is planned to print several hundred extra copies.

The "Society" number will be out about February 20. The art work will be the feature of this issue, there being more cuts used than in any other issue this year. There is also a very clever cover, already off the press, while the inside material is ready for press, and some already set up.

Robert C. "Daddy" Potts and Pete Mullins, students of Washington and Lee, resigned from school last week and left for New York. They intend going to South America on a trip which shall combine both business and adventure. When last heard from they were in New York city awaiting passage on a steamer bound for the lower America. Both were well known on the campus.

"Daddy" has represented the Generals on the gridiron for the past two years at tackle position, and during his career here has won monograms in football, track, wrestling, and crew. Pete was a member of the art staffs of the Mink and Calyx, and was a candidate for the wrestling team this year. On their departure they said they were going to get themselves a kingdom down in South America and live in ease for the rest of their lives.

BIOLOGISTS HEAR TALKS ON X-RAYS AND SNAKES

T. S. Tseng, J. M. Copper and C. H. Handley Made Address Before
Biology Society.

A very interesting and highly instructive meeting of the Biological Society was held last night on the chemistry lecture room when C. T. Tseng, J. M. Copper and C. H. Handley made addresses.

The influence of X-rays on the blood was the subject of the talk by T. S. Tseng, while J. M. Copper spoke on the topic of poisonous American snakes, their distribution and deadly effects. O. H. Handley spoke on analysis and treatment of snake bites. All three lectures were illustrated by means of pictures. The meeting was well attended.

V. P. I. FROSH DRUBBED

(Continued from Page One.)

from near the center of the floor. Ebert shot a foul as the half ended.

In the second half the men that started the game went back in and Burke increased the score by four points almost immediately. Lantz made two fouls and a field goal and Burke came back with four more points. Minnich added another goal. After several fouls on W. & L. Gaines and Hawkins each added a field goal and Kelly dropped a third through. Kelly for V. P. I. was not to be outdone, however, so he slipped one through also. Hawkins added two more points before the scoring ended.

Line-up and summary:
W. & L. Scrubs. V. P. I. Frosh.
Wilson Ebert
L. F.
Minnich Lantz
R. F.
Daugherty Gaines
C.
Tucker Bond
L. G.
Burke Cousins
R. G.

Substitutions—V. P. I.: Michael, Worley, Kelly. W. & L.: Gaines, Hawkins, Hall, Kelly, Sturm. Goals from floor: V. P. I., Ebert 2, Lantz, Kelly. W. & L.: Wilson, Minnich 3, Gaines, Daugherty 2, Hawkins 4, Kelly, Burke 4, Sturm. Fouls: Hall 1 out of 2, Ebert 1 out of 2, Lantz 7 out of 14.

Referee—Smith.

PITT PANTHERS TAKE EASY VICTORY FROM WHITE AND BLUE

(Continued from Page One.)

of 25 free shots. "Red" Schneider, who had an attack of grip right at the first of the trip was unable to start, McDonald taking his place. He went in later in the game. Snively also went in for Hines.

Jordan, the Pitt star, made four field goals in the first half. This aided by Levenson's fine work from the foul line and several pretty shots by Byers and Carr gave the home team a 28-12 edge at half time. In the second half the Generals spirited and made things very interesting for the Pittmen, but could not overcome the lead. They kept up a fine battle until the final gun cracked.

Line-up and summary:
Pitt. W. & L.
Levenson Lake
L. F.
Jordan Hines
R. F.
Funk McDonald
C.
Byers Thomas
L. G.
Carr Cameron
R. G.

Field goals—W. & L.: Lake 5, Hines 2, Schneider. Pitt: Jordan 6, Byers 3, Rose 3, Carr 2, Levenson, Funk, King, Buchanan. Foul goals: Lake 17 in 25, Levenson 16 in 19.
Referee—Bolster.

THEATRE TO PRESENT STELLAR ATTRACTIONS

In keeping with its policy of presenting the best that the motion picture market affords, the New Theatre has arranged another series of stellar attractions to be shown next week.

The photoplays shown in Lexington are the latest released and often are seen here before their presentation in the larger cities of the country. This policy of giving only the latest and best in pictures has become a fixed one with the management and audiences are assured of a great quantity in entertainment. The program next week is of this character:
