

FROSH LEAVE A. M. A. IN REAR IN TRACK MEET

After Losing First Event Yearlings Take Lead For Entire Meet--Final Score 74 1/2-42 1/2

Biddle and Daugherty Star in Field Events, Former Attaining Highest Score of Day, 16 Points--Davis Wins 11 Points.

Showing the results of Coach Fletcher's system of coaching and training, the Freshman track team won their meet yesterday with Augusta Military Academy, by the score of 74 1-2 to 42 1-2. Although losing the first event to the visitors, the Frosh braced and started their march to victory, never to be headed again.

The first year men were particularly strong in the field events, Biddle and Daugherty being the Frosh stars in these.

Biddle was the high scorer of the afternoon, winning first places in both the pole vault and the high jump, and capturing seconds in the low and high hurdles. His total number of points was 16.

Davis was the next best man on the basis of points scored, his total being 11. His work in both of the hurdle events was noteworthy.

In the middle distance runs, Summerson won the quarter, and Lankenau won the half. "Red" also won the mile. The two mile, Lankenau's regular event, was not run.

Daugherty was easily the star in the weight events, winning firsts in the shot put and discus throw.

The meet yesterday was the first in which the freshmen were represented in this branch of sport and it served to show that a great deal of good material from this squad would

be available for next year's Varsity.

Following are the results of the meet: 100 yard dash: Hogshire, A. M. A.; Llewellyn, W. & L.; Magee, A. M. A. Time: 10 2-5. Mile run: Lankenau, W. & L.; Fulton, W. & L.; Bray, A. M. A. Time: 4:55. High jump: Biddle, W. & L.; Kavanaugh, A. M. A., and McPherson, A. M. A., tied for 2nd. Height: 5 feet, 3 inches. High hurdles: Davis, W. & L.; Biddle, W. & L.; McPherson, A. M. A. Time: 17:1. Shot put: Daugherty, W. & L.; Little, W. & L.; Smith, A. M. A. Distance, 40 feet, 5 inches. 440 yard run: Summerson, W. & L.; Kemp, W. & L.; McPherson, A. M. A. Time, 53 1-5. AN APOLOGY

Due to the approaching elections, and the fact that the students were focusing their attention on politics, the Ring-tum Phi undertook to publish a detailed account of the various candidates, in the issue of April 25. So much space was thus consumed that several articles, justly due publication, were omitted. Chief among these was the Track meet with V. P. I. of April 21.

We sincerely regret that our limited space prevented publication of this story, and realizing there are perhaps those who think a grave injustice has been done the track team, if not the Student Body, we take this means of offering an apology for this omission. The Generals did nobly against the powerful Tech team and are deserving of unstinted praise for their good showing.

It is the desire of the Ring-tum Phi to serve the University and the Student Body in every way possible, and such unfortunate incidents as the above mentioned one, are deeply regretted by the entire staff.

Sixty-five Girls Attend Informal

Last Dance Before Finals Source of Enjoyment--"All Southern" Plays Well.

Doremus Gym was again the scene of much merriment during the informal dance given by the Cotillion Club on Saturday, April 28. All who participated, loudly voiced their approval of the last Washington and Lee social function before Finals. W. and L.'s own "All Southern Seven" with a few additional pieces made the dance a success from the standpoint of music, and words of praise and appreciation for the orchestra have come from all sides. The net proceeds from the dance will go for the benefit of baseball.

There was no lack of girls or stags to mar the occasion and the crowd might have rivaled that of many a formal dance. There were approximately sixty-five girls attending, with Hollins and Sweet Briar leading in representation.

The only adverse criticism of the dance was on the inevitable shortness of a Saturday night informal but even at that it was an entire success.

Defeats Lane 105 To 49--Little Receives Majority For Executive Committeeman.

The class of '26 held their elections in the Economics room last Monday night, more than one hundred and fifty freshmen being present. Henry Wilson was elected President over E. R. Lane, obtaining 105 votes to his opponent's 49.

There were three candidates for Executive Committeeman, George Wilkinson, L. S. Stemmons, and C. W. Little. Wilkinson was eliminated on the first ballot and Little won

SLUGGING AND McDONALD'S WORK DEFEATS GUILFORD

Game Ends 4-2--A Homer by Smith of Guilford With Man on Prevents Shut-Out

McDonald Allows Only Three Hits To Visitors -- Mattox and Bock Good for Three Clean Wallops Each.

The Generals defeated the Guilford plate. At this time, Ferrell unorked College team Monday afternoon by ed a wild pitch and Mattox scored the score of 4 to 2, in a contest featured by McDonald's pitching and out, short to first, to end the frame. The Blue team's slugging.

Bock, who played his first game of the season for the Generals, and Mattox were the hitting stars for the Blue team, each connecting with three clean wallops. Frew, Switzer and Wilson each got two. For the visitors, Smith hit a home run over the left field fence in the ninth with one man on base, thus depriving McDonald of a shutout.

The pitching of McDonald was easily the feature of the game. He pitched nearly perfect ball for the first eight innings, allowing only one safe hit. In the ninth, the visitors pounded out two more and brought their total for the game up to three. The Generals started off their scoring in the first frame, pushing across one marker in this inning. Switzer, first up, was safe when the second baseman booted his grounder and he went to third on Mattox's infield hit. McMillan popped up to the pitcher, and Frew laid one down to first on which Switzer was out at the

In the second, one more was added on Bock's short double, Aylmer's sacrifice and Wilson's single. In the third, the Generals scored their last and winning tallies. Switzer doubled to start the inning and Mattox followed with a beautiful single scoring Switzer. McMillan went out short to first, but Frew singled and Mattox came over with the last W. & L. score of the game.

The Generals had numerous other chances to score. In the fourth three men were on the bases but Wilson was thrown out at the plate on a close play. Again in the fifth, the sacks were filled but the necessary punch was lacking. In the seventh, Frew and Bock obtained clean singles but were unable to cross the pan.

The visitors had only one chance to score previous to the ninth, this being in the second inning when Cummings singled with two outs and English walked, but the danger was

Local Net Stars Meet V. P. I. Here

Rivalry of Two Teams Keen--Each Credited One Victory; V. P. I. Strong.

The White and Blue tennis team will meet the V. P. I. netmen Saturday at three o'clock on the local courts. In the last two years of tennis rivalry between the two institutions each has won once, so a victory is looked for by both teams to swing the balance.

V. P. I.'s record this year has been very good. They have on the team two veterans, Capt. Gish, and Rogers, and two new men. Both Gish and Rogers won their matches against Washington and Lee last year and the Blue men are out for revenge.

Coach Williams has had the squad hard at work on the courts every afternoon and will continue to do so until Saturday in order to enable the team to get in the best possible form. Burke will play first singles, Payne, second; Capt. Mason, third, and Snively, fourth. The doubles combination has not been decided upon as yet. It may be Burke and St. John and Mason and Payne.

Seating facilities will be furnished and reserved seats will be supplied for ladies in order that the many people of Lexington, who are desirous of viewing the matches may do so comfortably.

VARSITY AND FROSH SPEEDSTERS MEET VA.

Both Journey To Charlottesville and Meet Old Dominion Teams Saturday.

Both the Varsity and Frosh track teams will journey to Charlottesville Saturday to meet the Old Dominion track teams. Both of these meets should be very close. The Virginia varsity will be in the best condition of the year due to the recovery of Baker, their star middle distance man, from an injury. They won first place in the South Atlantic Division of the Penn relays and finished second in the open relay, being beaten by Syracuse. The Virginia freshmen are also very strong, having defeated A. M. A. and Woodberry Forest in a triangular meet.

The White and Blue teams have been working very hard lately. Coach Fletcher has been holding two practices daily and hence both squads should be in first class condition when they meet Virginia.

The Varsity men to make the trip and their events are as follows: 100 yards, Thomas and Rhodes; 220, Thomas and Manning; 440, Thomas and Manning; 880, Hill, Heiskell and Rushton; mile, Howard and Hawkins; two mile, Smith; hurdles, high and low, Simmons and Rhodes; pole vault, Norman, McCartney and McKnight; high jump, Carr, Norman and McKnight; broad jump, McCart-

Alpha Kappa Psi Enjoys Banquet

H. H. Fitzgerald As Guest of Honor Delivers Address; Seven Inducted.

The members of Alpha Kappa Psi, commerce fraternity enjoyed a delightful banquet at the Dutch Inn Tuesday evening. The feature of the banquet was the talk given by Mr. H. R. Fitzgerald, who came here to be the guest of honor of the fraternity for the occasion. Mr. Fitzgerald is known the country over for his singular success in solving labor questions and is the originator of the idea of Industrial Democracy, known the world over. Mr. Fitzgerald is president of The Riverside and the Dan River Cotton Mills, of Danville, Va. These are the biggest cotton mills in the country and are noted for the system of labor management in effect there. Mr. Fitzgerald is also a member of the Industrial committee of the National Y. M. C. A. He delivered an interesting talk on the subject of "Ethics of Business." Dr. G. D. Hancock acted as toastmaster.

Mr. Fitzgerald is the first of several prominent men that the Alpha Kappa Psi is going to bring here to speak to them. The fraternity was desirous of having Mr. Fitzgerald speak to the Student Body, but other engagements prevented his doing so.

Initiation of seven new members into the fraternity took place in the afternoon. Those initiated were: H. W. Jones, C. N. Allen, G. D. Conrad, H. M. Faull, H. F. McMillan, A. R. Hawkins, and C. H. Thompson.

THE HIGHEST HONOR

It is a gratifying honor, after one
has worked at campus activities for
three years, to be entrusted with the
administration of student affairs by
a vote of the entire Student Body.
The honor has been merely incidental,
however, we believe in the selection
of the president of the Executive
Committee of the Student Body,
at the recent elections.

The Executive Committee is primar-
ily a working organization. It
must act as the spokesman of the
undergraduates, it has a certain
number of definite functions to per-
form, and it is practically the only
organization which can sanction and
undertake projects of an original na-
ture, which do not fall under any of
the regularly established activities.
It also has a certain amount of regu-
lative power over the organized ac-
tivities of the campus.

Obviously, then, the success of any
one year, in a very big way, is de-
pendent upon the efficiency of the
Executive Committee of that year.
Furthermore, deeds or omissions of
an inferior Executive Committee dur-
ing a single year might leave a blot
on the name of Washington and Lee,
which would persist long after its in-
cumbency.

Considerations of conferring honor
have therefore been set aside as rep-
resentatives have been chosen to the
highest student governing body, dur-
ing the past week, and men of abil-
ity and energy have been placed on
the Committee. Student government
for next session, we believe, has
been entrusted to capable and worthy
men, who have the interests of the
Student Body at heart. We predict
great things for 1923-24 year under
the guidance of such men.

THE BIENNIAL CONFERENCE

The Second Biennial Conference of
Undergraduate Activities convened at
the University of Pennsylvania on
April 26, 27, and 28. At this confer-
ence there was brought together rep-
resentatives of thirty-three colleges
and universities throughout the coun-
try, and for three days the hundred
and more delegates discussed prob-
lems confronting various phases of
extra-curricular activities.

Lack of space this issue prevents
publication of a complete summary
of the work of the conference, but
printed reports will be received
within the next week or ten days, and
copies distributed to the various cam-
pus organizations. The work of the
conference was divided into four
groups—Student government, publi-
cations, dramatics, and athletics.

Among the things brought out in
the discussion on Student govern-

ment was the fact that the power of
student government organizations is
gradually being increased and broad-
ened and that student affairs are
being to a less degree than ever be-
fore, supervised by faculty represen-
tatives.

In connection with publications, it
was learned that most college comics
had faculty censorship, and this
worked effectively in every case. The
most noteworthy feature in connec-
tion with dramatics was that practi-
cally all colleges allowed gym
credit for work in the various
branches of dramatics. Thus, better
productions have resulted and more
men have reported for this phase of
activity. A definite stand was
taken against the so-called "profes-
sional" athletics, and various means
suggested whereby the practice
might be curbed.

Drinking among college students
was found to be on the decline, and
most institutions were handling suc-
cessfully the problem of intoxication
at student social functions. Student
control was the rule in all cases.

Pennsylvania as host to the confer-
ence deserves much credit for the
manner in which it handled the enter-
tainment. Everything was timed
almost to the minute, work was
mixed with pleasure, and all the dele-
gates expressed themselves as high-
ly pleased over the results of the
conference and the entertainment
provided by Pennsylvania. At the
close of the conference, Cornell was
named as the seat of the Third Biennial
Conference, the date being 1925.

INTERCOLLEGIATELY SPEAKING

The University of Virginia on
their Southern trip lost to the U. of
Georgia by the score of 4-0. Vir-
ginia which usually has a hard hit-
ting team was unable to obtain a hit
off the Georgia pitcher and did not
cross the pan once. Another feature
of the pitching of the Red and Blue
twirler was that he did not allow a
Virginia man to reach first base.

second place in this event when he
put the shot 42 feet, 6 1-2 inches.

Proposals have been made to the
Michigan State Legislature to
abolish the freshman and sophomore
classes in the college. Two years of
collegiate work with not less than
sixty-six hours work in some other
college will be required, and this will
make the University merely a finish-
ing school. However, it does not
look as if such a proposal will go
through on account of the alumni
who are against it.

During a recent examination held
at V. P. I., each student upon receiv-
ing his exam paper found a two dol-
lar bill attached to it. It is rarely
that a professor will give away
money to his class, and this was
merely the proceeds from an analysis
made by the entire class.

University of Virginia copped
first place in the American Legion
meet held in Washington last week.
The Orange and Blue athletes gained
a total of thirty-five points while
Maryland and Gallaudet who fur-
nished the opposition secured only a
few points. Goward, Gartley, and
Talbot took first places in the mile,
pole vault, and half-mile respectively.

baseball team of the South, scored
its fourth successive win over the
University of North Carolina in the
same number of years by the score

have a chance. Also by defeating
Wake Forest in a close game they
have the undisputed title to the base-
ball championship of North Caro-
lina.

The newly-elected officers are: president, F. C. Switzer; vice-president, C. Graham Rice; treasurer, A. A. Charles; secretary, P. A. Norman; corresponding secretary, G. G. Caldwell; and alumni secretary, Dr. T. J. Farrar.

Dr. Howe and Dr. Farrar made informal addresses, discussing the general good of the organization; and what it should mean on the campus.

The Square and Compass encourages all Master Masons in college to co-operate with the organization, and thus keep their Masonic ties at their best.

CARRUTHERS RETURNS FROM FEDERATION MEET

Local Delegate Speaks On Honor System—Heads Newly-Formed Committee.

"Bees" Carruthers, the delegate from Washington and Lee, appointed by President Smith through the Executive Committee, has recently returned from a convention of the Southern Federation of College Students, held at the U. of Tenn., in Knoxville, Tenn., on April 27 and 28.

The purpose of this Federation is to bring the colleges of the South into closer relationship, chiefly by means of conventions to be held at the various colleges. Thus by a common discussion of the different features of student government incorporated in each institution, and by a mutual interchange of ideas, each college will profit from the convention. Some of the topics discussed at the last meeting were: student self-government, the honor system, publications, athletic relations, "drinking," and dance control.

Carruthers, speaking for W. and L., had the honor of being the first member on the program. He discussed in detail the honor system, and student government as it is in operation here, answering all questions, and pointing out the manifest advantages of it. "Bees" reports that all the delegates seemed well pleased with the system.

The program was as follows: on Friday, morning and evening sessions; Friday night, banquet at Whittle's Springs Country Club and dance afterwards; on Saturday, sessions in the morning and evening, and a dance that night at the Country Club.

"Bees" had the distinction of being elected to serve on the Executive Committee of the Federation, and was in addition chosen Chairman of a newly-formed committee. Estes Kefauver of the U. of Tenn., was elected President. Next spring—the convention will be held at U. of N. C.

Those colleges who were represented at the convention were: U. of Maryland, U. of Tenn., U. of Alabama, Ga. Tech, U. of Ga., N. C. U., N. C. State, Mercer, Miss. A. and M., U. of Florida, V. P. I., and W. and L. Others were invited but failed to attend.

over Stemmons on the second ballot by a majority of 17. For Vice-President, Jim Brooke won on the first ballot, getting 79 votes to the 78 of his three opponents, Budnick, Felsenthal, and Urmev.

By the agreement of the three candidates running for the office of secretary-treasurer the man who received a plurality on the first ballot should be declared elected. Henry King led Conner and Acevedo in a very close race. Mullinix was unopposed for Historian and was elected by acclamation.

All of the officers are prominent on the campus. Wilson is a Kappa Alpha, Brooke a Phi Delta Theta, Little a Phi Kappa Sigma, while King and Mullinix are non-fraternity men.

FLETCHER AND BRETT TO USE NEW SYSTEM

Point Method To Be Inaugurated In Department of Physical Education.

Coaches Fletcher and Brett, after much deliberation and consultation, have decided to introduce a new system in the department of Physical Education. They are undertaking to use this idea in view of bringing greater success to their work in this field.

Several tests will be given, the object of which is to place a premium on athletic proficiency which is suitable, and, might be said, necessary for normal and healthful living. The purpose of these tests is not to select and eliminate, to develop the best, but rather to alleviate the standard for the mass.

It is the finality of general all-around athletic ability which the average mental and physical man, who is healthful and sound, should be able to realize and perfect.

These two coaches having worked on the system which they are in introducing here, wish to announce the following, which each student should do, at least, within the limits or better. The following are minimum limits: 100 yard dash, 13 seconds; running broad jump, 15 feet; discus throw, 50 feet; shot put, 25 feet; high jump, 4 feet; hop-step-and-jump, 17 feet.

Another branch of this grading system will be the Hare and Hound Chase. This is a form of the endurance test with the excitement of the chase to stimulate the speed and lasting qualities of the students.

The chase will be led by two or more Varsity cross-country runners who will act as hares, and will leave a trail of scrap paper over the course that they travel. This trail may be broken at several places, at the discretion of the hares, but can not be for over 30 yards.

The trial will start from the gymnasium on Friday afternoon, May 18, and is scheduled to go over hills and valleys, across creeks and through swamps, in an unknown direction for approximately six miles.

The hares will have a ten-minute lead on the hounds. Each man will receive his reward according to his standing at the finish.

GENERALS BATTLING R.-M. THIS AFTERNOON

Emory and Henry Final Wilson Field Attraction—Three Stars Play Last Game.

This afternoon, the Generals are enjoying one of the strong teams of the state. Woolwine was the hurling choice against Randolph-Macon College with McCallum or Lackey as relief pitchers. The remainder of the line-up will be the same as in the last few games: Frew, c.; Alymer, 1b; Wilson, 2b; Mattox, ss; McMillan, 3b; Switzer, rf; Gwaltney, cf; and Dawson, lf.

The game with Emory and Henry College on Thursday will be the last home game. This will be the last time three of W. and L.'s veteran players will be seen in action. McCallum, captain of last year's nine; Mattox, who is now playing his fourth year for Washington and Lee, and McDonald, one of our best all-around athletes, will play their last game on Wilson Field.

Emory and Henry has a strong team this year, having defeated Roanoke College, and also several other strong teams.
