BY THE STUDENTS AND FOR THE STUDENTS

VOL. XXIV

WASHINGTON AND LEE UNIVERSITY, TUESDAY, MARCH 15, 1921

No. 22

## EASTER DANCES FOLLOW EXAMS

13 Club and Two Cotillion Club Dances with Dansants for March 31, April 1 and 2; Music by All Star Six.

The Easter Festivities promise to eclipse all former Spring-time diversions at Washington and Lee. Following on the heels of the last exam on the morning of March 31, the series of Dances and Dansants will be ushered in by the 13 Club Dance on the last night of March.

This dance will be led by H. E. Henderson with Miss Guy Bratton of Marlinton, W. Va. The Generals will open the Baseball Season that afternoon with a game on Wilson Field, so it is safe to predict that, since March came in like a lamb, it will go out of the year 1921 like a lion.

The two Dances and the two Dansants on the first two days of April will be given by the Cotillion Club. L. S. Musgrove with Miss Lillie Maddox of Birmingham, Ala., will lead the Friday night Dance.

Music for all the Dances will be furnished by the All Star Six of Altoona, Pa. Admission to the Dansants will be \$1.50 each afternoon, and the tax on the Cotillion Club Dances will be \$2.00 each night. Dancing will last until 2 o'clock on Thursday night, until 1:30 Friday night, and the Easter Festivities will cease at 11:45 Saturday night.

## FRAT BASKETBALL GETS GOOD START

Prelims Over Today; Finals to be Saturday

The annual series of Inter-fraternity basketball games among the eighteen chapters on this campus began last Wednesday, March 9, at 3:00 P. M. in the gym. Two games were to be played every afternoon, the losers being eliminated from the race.

On Wednesday Phi Delta Theta went up against Kappa Sigma and Beta Theta Pi was matched with Phi Gamma Delta. In the first game the Phi's triumphed over the Kappa Sigs by a 15 to 10 score, when the playing of individual stars on the latter team could not win against the teamwork and excellent guarding of the former. Wood and Schneider were the Kappa Sig stars while Yancey played the best game for Phi Delta Theta. The second game on Wednesday was a very fast one but because of the inability to find the basket and the close guarding by both sides the score was kept very low. The Beta's took the lead at the first though and held it to the end winning by a 9 to 6 score. Bryan and Patterson showed up best

(Continued on Page Five)

## DAVIDSON WRESTLERS DOWNED

W. & L. Matmen Take Six Out of Seven Matches; Asbury Wins Two

The Washington and Lee Wrestling Team defeated the Davidson Matmen Friday night by the score of 26 to 3. W. & L. won two matches on decisions and four on falls. Davidson won one match on a decision.

The bouts were as follows: McGill of W. & L. threw Cummings of Davidson in five minutes. He secured the fall by the use of the crotch and head hold. (115 lb. class).

Cothran of W. & L. won an overtime decision from Cromartie of Davidson. (125 lb. class).

Sutherland of W. & L. threw Davis of Davidson in 4 minutes 45 seconds with the head and body hold. (135 lb. class).

Hampton of W. & L. won a decision over Schenk of Davidson by an advantage of 1 minute 22 seconds. (145 lb. class).

Heizer of Davidson won an overtime decision from Ogden of W. & L. by an advantage of 1 minute 20 seconds. The Davidson man outweighed Ogden by 20 lbs. Ogden weighed in at 138. (158 lb. class).

Asbury of W. & L. threw Carter of Davidson in 3 minutes with a bodyhold. (175 lb. class).

Ashbury of W. & L. threw Clark of Davidson in 2 minutes 45 seconds with an arm-drag. (Unlimited class). Asbury's two quick bouts were the

## SHERWOOD EDDY HERE FRIDAY

One of World's Foremost Religious Leaders Will Speak in Lexington Three Times; Has Vital Message

Sherwood Eddy comes to Washington and Lee from a life of experience that has been equalled probably by only two other men in America.—John

R. Mott and Robert E. Speer. He will have one day, Friday, here, during which he will make three ad-

(Continued on Page Two)

## HEAVY GYM MEET TO BE HOTLY CONTESTED

Interesting Program of Varied Athletic Contests in Gym Tomorrow Night

The winter season of athletics will reach a grand climax tomorrow (Wednesday) night, with the annual Heavy Gym Meet, the biggest indoor athletic event of the year. All the feats of strength and skill known to educated brawn will be performed and a rare opportunity is offered to sport lovers to witness an evening crowded with concentrated athletic entertainment.

The meet was originally intended for last Saturday night but was postponed on account of the wrestling meet with Davidson on Friday night and the one at V. M. I. the next evening.

The program will comprise various forms of indoor events, enough variation being offered to make it appeal to all classes of spectators. The Senior Academic Basketball Team will

(Continued on Page Eight)

## WEBB WILL HEAD "Y" BEGINNING MAY 1

Officers for 1921-22 Elected Following Inspiring Meeting

The annual election of officers for the W. & L. Y. M. C. A. was held Thursday night, after the weekly meeting at the "Y". The 1920-21 President, C. G. G. Moss, presided over the meeting, and announced the report of the nomination committee for the various offices. After nominations from the floor were asked for, from any one desiring to present some other person's name, the nominees included in the report were elected as officers for the ensuing year.

Wilfred B. Webb was elected President, and W. E. Holt, Jr., will assume the duties of Vice-President. Garland Alexander will be the Recording Secretary, while A. J. Lester, Jr., will take care of the finances as Treasurer. With these men at the head of the Y. M. C. A. from May 1st, success is assured for this important phase of our college life next session.

Preceding the election of officers, an inspiring program was given with students as the speakers. Dean Owens, Bill Dupree, S. E. Standrod and Huston St. Clair told something about the renewal of strength and faith, as well as the vision that had come to them as a result of the Trotter meetings. They told from the bottom of their hearts how they had found the happiness all seek, in Christ and His Word. "Give Christ a chance to help you in all your battles and trials," and remember the "flavor of true Christianity lasts" and please, was the burden of their inspiring talks.

## Baseball Schedule

March 31	—Penn State at Lexington.
April 1	—V. P. I. at Blacksburg.

June 14	—Vanderbilt at Lexington

# Heavy Gym Meet Wednesday Night

### SHERWOOD EDDY HERE FRIDAY

(Continued from Page One)

addresses, one at a University Assembly in the morning, one at V. M. I. at 12 o'clock, and one at night at the Chapel. From here he goes to V. P. I. and Virginia.

Mr. Eddy returned in December from a six months' tour of Europe and the Near East. He spent the summer in England studying the industrial conditions and he reports a decided advance towards a solution of the problem of Labor and Capital.

Crossing Europe he began a tour of the cities of Egypt and the Near East speaking to students and to business men. Everywhere great crowds came out to hear him. He addressed mass meetings of the students in Cairo and Alexandria. At Alexandria the British government placed a cruiser at his disposal to make the trip to Smyrna, where he spoke to a great crowd of Greek Catholics and Armenians who received him with great enthusiasm. In Constantinople a Moslem crowd gave him the closest attention, while six thousand heard him at Assuit.

Returning to America late in December, Mr. Eddy at once began a tour of the colleges and universities. In fourteen days on the Pacific coast he delivered 35 addresses to crowds ranging up to 3,000 at the University of Washington.

Five years after his graduation at Yale in 1891, he went at his own expense to work among the students in India. He continued this work for fifteen years when he was called to be Secretary for Asia for the International Committee of the Y. M. C. A. This office has taken him to a large number of the countries of the old world and has given him a thorough knowledge of economic, social and religious conditions. During the war he was first with the British, then with the Americans, being in the battle of Chateau-Thierry. He was also with the French in the Argonne and at Verdun. Mr. Eddy was a civil engineer before he turned to human engineering.

His message the dealing with world problems is thoroughly Christian and emphasizes the need of personal salvation.

### COLONEL KERLIN SPEAKS IN CHAPEL

Colonel Robert Kerlin, Head of the English Department at Virginia Military Institute, spoke to the members of the combined English One classes in the Chapel last Wednesday night. The subject of his address was "Negro Poetry," which he treated in a very interesting manner. In the course of his remarks he took occasion to read from a good many contemporary negro poets.

Colonel Kerlin is well fitted to speak on this subject. He is the author of a book dealing with Modern Negro literature, which caused favorable comment on all sides when it appeared several months ago.

### MARCH NUMBER OF MINK OUT NEXT WEEK

The March Number of the Mink, to be known as the Girls' Number, is promised to be in the hands of its readers by the early part of next week. The Editors guarantee one of the best issues of the year, so it might be well to reserve a few extra copies.

### EDWIN HOWELL, '17, KILLED IN AUTO ACCIDENT

Edwin Howell of Pine Bluff, Arkansas, was instantly killed on the afternoon of March 3 when the automobile in which he was riding with three other men turned over. The men were driving to the Pine Bluff Country Club in a Cadillac Car and they turned out of the road to pass another car. Their car got out of the road, the driver lost control in getting back, and the car skidded and turned over.

Howell occupied the front seat with the driver. He was cut and crushed when the heavy car turned over on him and died before he could be taken to the hospital.

He was the son of Mr. and Mrs. E. A. Howell, and one of the most popular young men in the city. He was well known in athletic circles, and had been associated with his father in the cotton business.

Edwin Howell was a member of the Washington and Lee Class of 1917, and his death comes as a great shock to many of his friends who are still in the University. He was a member of the Delta Tau Delta Fraternity.

### DISTINGUISHED FRENCH AUTHOR VISITS LEX- INGTON

M. le Comte Gaston Riou who is regarded internationally as one of the most brilliant of the French writers of the younger school was a recent visitor in Lexington. He is a native of Cerennes, France, and a descendant of the famous Cevenole family who have been prominent in France for many generations, and is a graduate of Sorbonne University.

The most widely known of M. Riou's books are the following:

Looking Toward the Coming France.  
The Diary of a French Private.  
The Past Materialism.  
The Enemies of Buddha.

M. Riou served with distinction during the recent war and was decorated with the Chevalier of the Legion of Honor and the Croix de Guerre.

He was initiated to honorary membership in Sigma Phi Epsilon Fraternity while in Lexington.

### J. G. MILLER, '15

The report of the death of John G. Miller of San Antonio, Texas, was received recently. He was a member of the Class of 1915, and at the time of his death was 27 years old.

**McLEMORE WINS CHAMPIONSHIP IN HANDBALL**

Another handball champion has loomed up on the Campus at Washington and Lee in the person of Ralph S. McLemore. "Mac" having defeated Hoge Sutherland for that honor in a spectacular showing of handball playing last Saturday afternoon. McLemore and Sutherland each came to the finals with several enviable scalps to his belt, but Sutherland showed a lack of the form of which he had manifested in the other games he played. McLemore won three straight games and so clinched the championship.

In the semi-finals, McLemore won over Burtner by two straight though hard-contested victories and Sutherland won over Harmon by the best two out of three. In the other preliminaries, Sutherland defeated Lake, McLemore won over Mitchell, Baylor over Bowyer, Harman over Baylor and Burtner over Funkhouser.

All the games were well played and considerable interest was shown in the tournament. In the preliminaries, the one who secured two out of three games was given the match, while in the finals, the winner had to win three out of five games.

The doubles championship will be played off this week and already a good number of teams are out. Several very good matches are promised.

**IT IS ONLY A RUMOR**

It was rumored on the Campus last week that Doak Rangeley had written Norma Talmadge asking her to come down for the Easter Hops, and that Norma, having a few days off about that time, had accepted. A reporter in an interview with the gentleman found out that it was only a rumor. Norma, it seems, was afraid of the rush she would get.

Somebody else, Dame Gossip has it, sent Bebe Daniels a polite note asking her attendance, and some audacious Junior wired Marie Prevost that her presence would be acceptable. "Hope springs eternal, etc."

**GOSPEL TEAM WILL BEGIN WORK**

A gospel team of four men who caught a new vision during the Trotter meeting will hold religious services at Staunton Military Academy on March 19 and 20.

It is planned to send out gospel

teams to various places after the next examinations are over. Teams will be sent to A. M. A., Blackstone, Massanutten, and to several of the rural churches of this county, as well as to several other places. Plans for this work are now being worked out and will be put into action as soon as possible.

Our luck's your luck! Unless we made our clothing on a quality basis, our guarantee of satisfaction would have busted us years ago.

"The best as well as the most for your money."

All matter of business should be addressed to the Business Manager, and all other matters should come to the Editor-in-Chief.

We are always glad to publish any communication that may be handed to us. We desire to call attention to the fact that unsigned correspondence will not be published.

With this issue the Ring-tum Phi suspends operation until next term.

## COOPERATION NEEDED

The first ten days of the re-establishment of morning Chapel Exercises which came as a direct result of the Mel Trotter services have proven both beneficial and also successful in point of attendance.

All the middle section of the Chapel have been comfortably filled at each service, but it is to be regretted that practically the same group of men have availed themselves of this opportunity to start the day right, and that the majority of the Student Body is apparently indifferent.

It has been suggested that the students would show more interest if the Faculty would set the proper example by regular attendance. It has also been suggested that the men who signed the petition for Chapel Exercises, showing themselves to be in favor of this movement, should support this worthy institution by not only attending themselves but by bringing others with them.

By the wholehearted cooperation of both Students and Faculty it is not beyond the realm of possibility to expect that the whole routine of the campus can be changed for the better in a few months.

## NO SMOKING

Several times this year the management of the Lyric and New Theaters have started to stop having matinees on account of the persistence of Washington and Lee students in smoking during performances. They have definitely decided to stop afternoon performances unless they can be assured that the no smoking rule will be respected.

It is true that the Student patronage makes the matinees possible, but it also true that the ladies who wish to take in matinees are prevented from doing so by the excess of smoke over fresh air in the New Theater. Let's respect the rights of others in this matter, fellow students, and let

the New Theater continue to give its afternoon matinees for the mutual enjoyment and diversion of all Lexington and not merely for coarse males who do not mind the scent of the weed, and have trained their eyes to see thru clouds.

## WHAT DO YOU THINK?

A good many men on the campus who are interested in the welfare of the university think that the Ring-tum Phi should either be enlarged,—more pages or larger pages—or that it should make its appearance twice a week. We agree with them. The University is growing, student activities are expanding, especially in the field of athletics, and the ever-increasing number of Alumni should have more space devoted to their interests.

We believe that a paper, perhaps smaller than the present one, should be issued Tuesday and Friday of every week, and that it could be filled with news that is not as cold as the articles, etc., in a weekly paper must be. Well, you say, "Why don't you go ahead and get out a paper twice a week?"

With the present arrangements we have for printing, advertising contracts, subscription rates, etc., it is impossible to change this year. A twice a week paper will cost more. A change in subscription rate cannot be made in the middle of the year.

A semi-weekly newspaper on the campus would nearly double the amount of work now necessary for the weekly publication, but it would be possible to increase both the Editorial and Business Staffs, and to allow the Editor to appoint an Assistant who would be responsible for editing the news for one of the two issues every week. In order to fix the responsibility of this Assistant Editor more strongly, it seems that he should be given a salary two-thirds or three-fourths as large as that received by the Editor. It might be possible that the man who receives the second largest number of votes in the election be made Assistant Editor.

The execution of this plan lies in the hands of the Executive Committee of the Student Body, and it must act, either deciding the matter definitely or leaving it to the Student Body in the election.

We offer this as a suggestion for keeping the Student Publication in line with the growth and broadening interests of the University. If the end is justifiable the ways and means can and will be worked out.

## MINK TO BE RECOGNIZED OFFICIALLY

The Executive Committee has proposed an amendment to the Constitution of the Student Body which will provide for official recognition of the Mink, which now has the status of a private enterprise.

The amendment will be submitted to vote in the spring elections and is as follows:

### By-Laws, Art. 1, Gen. Reg., etc.

1. All regulations in this article formerly governing the publication and government of the Southern Collegian, now defunct, shall apply in like manner to the Mink, successor to the Southern Collegian.

### By-Laws, Art. 4, Southern Collegian

The provisions under Article 4 of By-Laws, formerly further controlling and governing the Southern Collegian, shall be repealed and the provisions of this article shall apply to the Mink and be as follows:

### By-Laws, Art. 4—The Mink

## 1. Composition of Staffs:

(a) The Editorial Staff shall be composed of not less than fifteen and not more than thirty men, including the Editor and his Assistant. They shall be assigned departments at the discretion of the Editor.

(b) The Managerial Staff shall be composed of not less than six nor more than fifteen men, including the Manager and his Assistant. Specific work shall be assigned by the Manager.

## 2. Reports of Manager:

(a) The Manager shall submit to the Executive Committee, not later than one week before the close of each session, an itemized statement of receipts and expenditures, with the proper vouchers and his affidavit. After auditing the statement, the Executive Committee shall make public its findings.

(b) The Manager shall preserve duplicate copies of all transactions, with a list of all subscribers who did not pay, and shall turn the same over to his successor.

3. When the Manager's report has been approved by the Executive Committee, the Manager shall then pay to the treasurer of the Student Body, for the Student Body Fund, the difference between all possible surplus, as determined by the Executive Committee, and \$300, if surplus exceeds \$300. The remainder shall be divided equally between the Manager and Editor, as shall the surplus in case it is less than \$300.

## \$5 PRIZE OFFERED

### Chance For Mathematicians Lawyers and Everybody to Test Power of Analysis

The Ring-tum Phi, in its effort to find diversion for its readers who are facing exams with a light heart and don't know what to do with their time, has unearthed a code message for them to solve. It is said to have been sent to Edgar A. Poe for solution. He found that it was so easy that he solved and decoded the whole cryptogram in five minutes.

For the best solution, taking into account accuracy in spelling, correctness in giving the key to the message, and the date on which answers are received, (the sooner, the better) a prize of \$5 is offered. This contest is open to all readers of the Ring-tum Phi, whether they be Students, Professors, Alumni, or interested readers. All answers should be mailed to Contest Editor of the Ring-tum Phi, Box 899, Lexington, Virginia, before April 1, 1921. The winner and solution will be announced in the first issue of the spring term.

A few hints are given to encourage those to whom the word cryptogram is Greek. Every letter of the message stands for some other letter, and single letters mean the same throughout. Read straight through—not backwards. It is not a double code. The first solution is final. When solved it will be found to be a quotation from a well-known author. This much we promise those who try to work it—it can be solved by the method outlined in Poe's "Goldbug."

The cryptogram follows:

Foyunjykyoqcipuvinouhipoftonhtok  
oxixnehodijhunooyojjihcekuhquojhuxoji  
koewhkunjpjhinhvinwekpuhienwkepen  
oinxigixauqheunehtokinjaytpunnokujh  
eoqaxovonokuqyepmktionjien.

## GEORGE WASHINGTON MERMEN TAKE RETURN MEET BY SAME SCORE

Washington and Lee's Swimming Team, made up of the same men who competed in the Doremus Pool vs. George Washington on the night of March 5, lost a return meet in Washington last Saturday night by the same score as the initial contest—52 to 18.

The only change in the standing of the two teams was that W. & L. tied for second in the 50 yard dash. Otherwise for details see last week's issue for results. The respective events in the Washington meet were much closer than in the first meet, and the D. C. aquarians had real work in piling up the score they did.

## POINDEXTER AND ANDERSON CHOSEN FOR DEBATES

Everything is being set in shape for the Intercollegiate Debates which will be held sometime in April. Four men were definitely chosen to take part in the debates sometime ago and five other men were named from whom the other two regular debaters would be chosen, leaving three alternates. At a further elimination contest last week, E. W. Poindexter and J. G. Anderson were chosen as first string men. This leaves H. F. Henson, S. A. Glickstein and D. B. Dawson as the alternates.

GLAD HAND TO ALL

**FRAT. BASKETBALL GETS GOOD START**

(Continued from Page One)

for the winners, the excellent guarding of Patterson featuring the game. Glenn starred for the Phi Gam's.

On Thursday there were two hard and fast games between the A. T. O.'s and the Phi Kap's and Pi Kappa Phi's, and the Phi Psi's. In the first game the A. T. O.'s played well as a team, there being no special stars, though Mason at center scored the most points. Snively for Phi Kappa Sigma was the star of the game but his team was plainly outclassed, losing 13 to 4. In the Phi Kappa Psi—Pi Kappa Phi bout a snappy game of ball was played by both sides but neither seemed to be able to locate the basket. Stolz played best for Pi Kappa Phi and Parsons for the Phi Psi's, the game ending 6 to 1 in favor of Phi Kappa Psi.

The Sigma Nu-S. A. E. game and the S. P. E.-Alpha Chi Rho game were both fast and close. At the end of the first half in each game the score was tied. The Sigma Nu team was probably one of the best that played

last week. The S. A. E.'s had a good team in Dockery, Morris, St. Clair, Wolford and Robert but they were unable to hold the Faulkner-Tucker-Hall combination in the second half, the game ending 20 to 11 in favor of Sigma Nu. The S. P. E.'s and Alpha Chi Rho's had a hot game of it, each side showing up good teamwork. Spencer, Jones and Stone did most of the work for the S. P. E.'s while Love and Tutwiler showed up best for Alpha Chi Rho.

There were no games on Saturday but the games scheduled for that day were moved up to Monday. The games between Sigma Chi and Delta Tau Delta, and K. A. and P. K. A. were very one-sided affairs and lagged in interest but both the Sigma Chi's and the K. A.'s played good basketball. Pete Herman scored fourteen of the twenty-nine points scored by Sigma Chi against the Delta Tau's. Griffin's guarding and floorwork featured. Brazeale showed up best for Delta Tau Delta. The final score was 29 to 6. The K. A.-P. K. A. game was slow because of the one-sidedness of it, the accurate goal-shooting of Fisher featuring. The K. A.'s won easily.

The only remaining game of the

first series is being played this afternoon between Zeta Beta Tau and Phi Epsilon Pi. The further elimination games will be continued following this game, the first, that between Beta Theta Pi and Phi Delta Theta to be played immediately following the Zeta Beta Tau-Phi Epsilon Pi game on Tuesday. The Finals will be played Saturday, March 19.

**OPPORTUNITY FOR SUMMER WORK**

All students who have not yet definitely decided what they are going to do next summer should make a point of seeing Mr. R. C. Day at the Lexington Hotel tonight or tomorrow. He represents a firm which employs large numbers of college men every summer as salesmen for a line of goods which offers unusual opportunities at the present time.

Several W. & L. men made money out of Mr. Day's proposition last summer, and from the looks of things at present W. & L. is going to be well represented in the selling game next summer.

## FINALS IN INTERCLASS BASKETBALL TOMOR- ROW NIGHT

Senior Academics and Junior  
Lawyers Will Contest  
For Laurels

With two series of interclass basketball contests now but a vivid memory, the eyes of the sporting fraternity are turned expectantly upon Wednesday night when the Junior Lawyers and reverend Senior Academics match beef, brawn, brain, and ability in the final clash to determine the supremacy of the floor.

Hostilities began last Tuesday when the mid-Lawyers galloped through a brief encounter with the third year Academicians with the short end of a 15-5 chorus. Immediately after, the Junior Legalites snatched a hard-won 13-11 victory from the verdant clan of Freshmen. The melee was extraordinarily well staged and fully worth the price of admission. There was a slip-up in the schedule Senior Law-Sophomore game, the Sophs pulling a non-appearance act and forfeiting thereby.

The semi-finals were perpetrated Thursday. The Intermediate Lawyers lost a sensational battle to the Junior occupants of Tucker Hall. The verdict was 11-10. Following that, the Senior Academics eliminated the Senior Lawyers 5-3. The low, close score attests to the defensive of each quint.

Repetition is necessary to remind everybody that the Junior Lawyers and Senior Academics will display an entertaining and interesting exhibition of refined suicide at the gym Wednesday night. Come one, come all.

## DAVIDSON WRESTLERS DOWNED

(Continued from Page One)

features of the meet. Immediately after throwing Carter in the 175 lb. class he went in for Potts, who was kept out because of an injury received at West Point, in the unlimited class and threw Clark in less than three minutes. This was the shortest bout of the meet.

The entire team is to be congratulated on its excellent showing made against Davidson. The men from Davidson were good scrappers, but our men were good scrappers—and then some.

**PHI-LINGS**

**IRRESPONSIBLE IKE'S COLUMN**

Dances are commonly called hops around here, but judging from the antics of some of the dancers at the Fancy Ball the forthcoming ones promise to be more of a hop, skip and jump affair.

They used to say that a man who hid behind a woman's skirt was a molycoddle.

But nowadays they would have to call him a magician.—Selected.

Ben Franklin has said that diligence is the mother of good luck, but what about the fellow who diligently played all night and came out \$150 in the hole?

Did anybody ever think to ask Gander Bryan whose goose he had cooked?

A lot of the Freshmen got mixed up on this Finals' Subscription. Some of them understood the solicitors' to say that this was to be the Final subscription of the year, and subscribed with a sigh of relief.

Half the world doesn't know how the other half gets its hooch.

Liv Smith has recently ordered a special walking cane, as none in town were long enough to reach the ground without Liv jumping a little.

She (after the dance): Is it raining?  
He: Not a taxi rain, dear.

This is an old story told on Joe Silverstein. We don't know how much Joe will appreciate it but it must be told.

It is said that Joe used to be a very delicate boy and has become strong only thru his parent's watchful care. His mother wrote him soon after his first arrival at W. & L. to be sure and take good care of himself. Joe was always a quick-witted lad so he immediately wrote home that there was no need of worry about his health as most of the teachers here were Doctors.

It is rumored that Cocah Raftery is superstitious in that he believes that the gift of a pin brings bad luck. It seems that some one gave his wife a rolling-pin for a wedding present.

Most of us are kept poor in an effort to make others think we are not poor.

In psychology we learn that memory is a faculty. Won't it be nice when Faculty is a memory?—Exchange.

**Rarity is the Word**

"While with Fitzpatrick it would be possible to send into action a left-footed kicker and a left-footed passer, something of a rarity."—New York Evening Post. Copied from Exchange. We wonder if his S. A. T. C. friends at W. & L. would recognize Fitzzy in his new role.

Philosophy of the week: Don't let your exams interfere with your college career.

**NOTICE**

There will be a new assortment of pocket Testaments on display at the "Y" during the week, and any one who desires may yet join the league of daily Bible readers.

TOLLEY &amp; MEEKS

HEAVY GYM MEET TO BE  
HOTLY CONTESTED

(Continued from Page One)

play the Junior Lawyers at 7:30 for the Class Basketball Championship, which will be a closely matched and hard fought contest. At 8 o'clock the Gym Meet proper will begin with a forty yard dash and hurdle races. Garrard and Smith, well known travelers of the cinder path will attempt to set a new record for the two mile indoor run.

It is rumored that there will be some new stars to contest in grace and agility with the old in competition on the following apparatus: parallel bars, horizontal bar, horse, elephant and tumbling. The horse and elephant are said to be in good condition and quite tame after the strenuous course given them during the past few weeks, under the direction of Coaches Fletcher and Brett.

Boxing and wrestling finals will be staged in all weights by men representing the various classes of the University. Seven medals in these two sports are being offered by the Y. M. C. A., a bronze medal for the winner of each event and two medals for the best all around wrestler and bozer, respectively, winners to be decided on points. Those who remember the Heavy Gym Meet of last year will recall the rare species of entertainment offered by these events. A number of bloodthirsty warriors will exhibit their prowess with the gloves and on the mat.

Everything possible is being done to assure the success of the meet, and both students and the public who attend are certain to enjoy this final event of the indoor season.

## LEGAL NOTICE

This is to notify all men who are having girls up for the Dances that they (the girls) will miss one of the biggest features of the Easter Festivities if they arrive too late for the Baseball Game with Penn State on the afternoon of March 31st. Don't let them miss that opening game.

SQUAD GETTING IN SHAPE  
FOR BIG SEASONPractice Thru Exams Until  
Opening Game on 31st

After three or four "Scrub" games last week among the players, Coach "Bill" Raftery has succeeded in cutting the baseball squad down to about thirty aspirants, who are reporting each day for practice on Wilson Field. This leaves an average of three men for each position, but this is necessary as it will not be known until after examinations who will be eligible to play, on account of scholarship.

The latter part of last week was spent in correcting errors in fielding and batting of those men still left on the squad. This week will be given to base running, stealing, sliding, and general team work. Practice will be held every day from now until the first game, which is with Penn State, March 31. During the last days of practice, all of the players will not be able to be out as some will have afternoon exams, but Coach Raftery feels confident that this will not interfere greatly with the performance of the team when it makes its debut on Wilson Field as the baseball nine of 1921.

The following are the men who have been retained and their positions:

first base, Terry, Harrelson, Carr; second base, Burke, Frew, Bemis; short stop, Hancock, Dave Johnson, English; third base, Hisle (captain) Lubliner.

In the outfield, Cobb is the only man who is sure of his position. He will play center field, and the others retained in the meadow are Switzer, Henderson, Raines, Correll and Rice.

Mattox, Ward, Leake, and Cover are the catchers left, and the mound men are Walker, McCallum, Patrick, Maben, Wilson, Milburne, McDonald and Watts.

Of these men, Burke at second, Captain Hisle at the hot corner, Cobb Raines and Henderson in the field, Walker and McCallum on the mound and Mattox behind the plate are letter men of 1920.

LARGEST ATTENDANCE OF  
THE YEAR AT LAST  
'Y' SOCIAL

The last Y. M. C. A. Social of the year was also the best attended of the year, showing that the 'Y' in providing these informal affairs is answering a need on the campus, and that interest in them has been increasing.

One of the most enjoyable programs of the many fine ones that have been given rewarded the crowd of students who found their way over to the 'Y'

Room last Sunday afternoon between 4:30 and 5:30. The Mandolin Club rendered their most captivating tunes, and delighted the audience with a varied and spicy program.

The snappy duet by Messrs. Wright and Gibbons and the sacred selections by Somers and Sproul were well received. Possibly the most acceptable "numbers" of the entire program were those served by Mrs. Dickey and Mrs. Moreland when they dispensed the delightfully delicious delicacies.

The announcement by Ted Shultz that the last of the 'Y' Social Hours was then in progress was received as few of Ted's announcements are—with regret. These Sunday afternoon undoubtedly have been a success and it is the consensus of opinion of the men who have been attending that they are altogether worthwhile.

SERIOUS ACCIDENT IN  
SUICIDE GAME

A very serious accident, and what may result in a permanent injury, happened in the gymnasium last Friday when W. T. Caldwell had his eye ball cut in several places while engaged in a game of "Suicide."

The misfortune was purely accidental and happened in the course of the game when someone stuck his finger in Caldwell's eye, the finger-nail causing the cuts. It is not that the pupil is cut, but the injury is very painful and it is probable that Caldwell will not be able to do any scholastic work for several weeks.

LOUISIANA PASTOR AT  
TRINITY METHODIST  
CHURCH

Rev. S. A. Steel, D. D., of Mansfield, La., begins a series of sermons in the Trinity Methodist Church next Sunday morning, continuing thruout the week, except Saturday, up thru the night of March 27th. He will speak five afternoons next week at 4 o'clock and every night during the services at 8 o'clock. Dr. Steel is known widely as a scholar, orator, author, and a speaker with unusual power in the pulpit. All students are invited to attend.

## Attention Alumnus

Please note whether your paper is stamped on the bottom margin with a notification of your subscription being due. If so I will appreciate very much your letting us have your check covering same, as the year is fastly coming to an end and we wish to close up all such matters as soon as possible. If you are under the impression that you have paid please let me hear from you concerning it.

BUSINESS MANAGER
