GENERALS CONTINUE LINE OF VICTORIES

Elon College Is Victim of Raftery's Steam Roller; Final Score Is 63-19.

Before a small but enthusiastic crowd, the Generals annexed their fourth straight victory of the season by downing the Elon College quintet in Doremus Gymnasium last night, 63-19. Although minus the services of Schneider, brilliant guard, the Big Blue Team ran rough shod over its opponents, and after the first eight minutes of play, the outcome of the contest was never in doubt.

Elon started off by scoring first, this being a pretty foul shot tossed by L. Perry, captain of the visitors. It was not long, however, until "Frenchy" Hines, leader of the Generals, put his team ahead with a beautiful field goal from under the basket. The North Carolina team looked good for the first few minutes at the beginning of play, and for a time it appeared that the locals would have anything but an easy time. Once the old steam roller got started, however, the Hines-Glenn-Lake combination couldn't be stopped.

During the first half the playing was considerably bunched, and fouls were frequent. When under their own or their opponents' basket, the Generals were always in the thick of the fight, and either caged a two-point counter to their credit, or prevented the visitors from tallying. Near the end of the half the play became more open and teamwork showed a decided improvement. It was at this time that the White and Blue looked best, and Elon was at the mercy of a better basketball team, individually and collectively. The period ended with the score 33-5.

At the beginning of the second half, Arbogast replaced Thomas at right guard. Coach Raftery's aggregation lost little time in getting started, and Lake registered the first goal from the initial tipoff. From then on, it was a succession of shots at close range, practically all attempts resulting in counters. Lake whose work has been steadily improving since the season opened.

"FOUR HORSEMEN" HERE NEXT WEEK

One of Several Famous Photo-plays To Be Shown in Lexington.

"The Four Horsemen of the Apocalypse," famous Metro motion picture, will be shown here at the New Theatre February 6th and 7th, according to announcement by the local management. This is the production that is based on the novel of the same name by Ibanez, the great Spanish novelist. A special orchestra will accompany the presentation of the picture and moderate prices of admission will be charged considering the worth of the feature.

Mr. Weinberg has several notable photoplays booked for the local theatre, among them "Way Down East," "The Three Musketeers," "A Connecticut Yankee in King Arthur's Court," "The Queen of Sheba," and others. All the productions mentioned will be shown in Lexington within the next two months.

MATMEN TO MEET V. P. I. SATURDAY

Bouts Will Precede Informal; Wrestling Schedule Is Announced.

One of the most important wrestling meets on the local schedule will be staged in Doremus Gymnasium Saturday night at 7:30, when the V. P. I. grapplers meet the White and Blue. Tech has a much stronger team this year than last, and is confident of a victory over the Generals. The visitors' best men are in the 125-pound, the 175-pound, and the unlimited classes.

Regardless of the strength of the V. P. I. mat team, prospects for Coach Brett's aggregation are good after the showing made against the strong Virginia team on January 14. Three of the members of this year's team represented Washington and Lee last year and have yet to be thrown. They are Sutherland in the 145-pound class, Asbury in the 175-pound class and Potts in the unlimited. The same men who met Virginia will be sent against the Blacksburg outfit, with the exception of Gay, who will be replaced by Graves.

The meet will start promptly at 7:30 o'clock and will be over in time for the Informal starting at 9. Admission will be reduced to 25 cents. The athletic fund allows this sport but a small sum and it is hoped that the Student Body will support the team by attending the meet.

Manager Sutherland has arranged a heavy schedule for the rest of the season. It is as follows: February 4, Navy at Annapolis; February 17, University of West Virginia at Morgantown; February 27, Trinity at Lexington; Davidson (pending—date undecided); University of Virginia at Charlottesville, date to be announced later.

TRUSTEES APPROVE PRESIDENT'S PLAN

De Hart's Election Ratified; Six New Profs Added; New Lab Assured.

The Board of Trustees held their mid-winter meeting Wednesday, January 18, at 7:30 p. m. President Smith presented fourteen recommendations which were unanimously passed by the board.

Associate Professor W. M. Brown was promoted to full professorship with an increased salary, effective September 1, 1922. Miss Blanche McCrum, assistant librarian, was raised to the standing of associate librarian. The executive committee of the board was authorized to appoint a successor to Dr. W. L. Stevens who will retire on a pension next June. The president was authorized to add six additional members to the Faculty. A committee was appointed to consider the question of sabbatic years for the faculty and to bring in recommendations at the commencement meeting.

The building commission was authorized to proceed as soon as practicable to the construction of a new chemical laboratory. James De Hart was elected head coach of football, basketball, and baseball for 1922-23. The transfer of the School of Commerce reading room to the Carnegie Library building, was approved and

STUDENT ASSEMBLY HELD THIS MORNING

Varied Subjects Discussed In Meeting Called By Executive Body.

Matters of some importance were discussed at the Student Assembly today, at which only about half of the Student Body was present. Because of the failure of so many to attend the possibility of making the assemblies compulsory will be considered in the future, according to announcement by President H. A. Holt.

Dr. Smith opened the meeting with a "brickbat." He pointed out that there has been too much rowdiness in the dorms and that the perpetrators should think of the effect that such actions have on alumni and other visitors. He then turned the meeting over to the student officers. Eddie Campbell spoke for a few minutes on "Student Relief." "We in America can hardly appreciate the suffering of Europe. Hundreds of students walk the streets every night looking for a place to sleep and others are absolutely without clothing of any kind. To supply these students with the necessities of life in order that they may pursue their studies, the students of America are called upon for aid. Some of us may be broke, but do any of us have to go without clothes, food or shelter?" he asked. In order that Washington and Lee may do its share, a committee of leading students proposed that in place of the elaborate refreshments which have heretofore been enjoyed at the Fancy Dress Ball and Junior Prom only coffee, chocolate and cakes

ST. JOHNS' FIVE ON HAND FRIDAY

Speedy Contest Anticipated With Maryland Team.

Friday night the strong St. Johns quint from Annapolis will oppose the Varsity in what is expected to be one of the best games of the season. The Maryland team is reputed to be unusually strong this year and will arrive expecting to make the locals hustle. They have thus far an unbroken string of victories.

The mentor of the St. Johns outfit is well known in this section, and he expects to send a combination on the floor against the Generals that will win a victory, to atone for the defeat sustained at the hands of the W. and L. five last year.

The visitors are scheduled to meet V. M. I. Thursday, and through an error, announcement was made that they would meet the Generals on that date. The correct date, however, is Friday the 27th. If the Annapolis outfit puts up the same brand of basketball they displayed here against the Varsity last year, we'll say it'll be a fast game.

ANNUAL FRATERNITY INITIATIONS NOW ON

Many Greek Societies Have Taken In New Men; Others Follow.

Most of the fraternities on the campus have initiated their new men—in a very thorough and systematic manner, as some of the erstwhile goats can testify while taking a meal from the mantel. The others will complete their initiations this weekend.

Those who have already initiated or will complete ceremonies this week are as follows:

Kappa Alpha—T. H. Broadus, Decatur, Ala.; M. F. Baugher, Staunton, Va.; C. H. Hearse, Raleigh, N. C.; W. G. Putney, Farmville, Va.; W. L. Ward, New Orleans, La.

Alpha Tau Omega—J. F. Atkins, Sareport, La.; W. C. Berlin, Memphis, Tenn.; J. S. Caskie, Lynchburg, Va.; J. Cook, Duluth, Minn.; E. B. Harris, Philadelphia, Penn.; W. C. Wade, Lexington, Va.; R. F. Salmon, Memphis, Tenn.; R. R. Saunders, Cape Charles, Va.; J. M. Weaver, Harrisonburg, Va.

Sigma Alpha Epsilon—C. L. Gaines, Jacksonville, Fla.; J. D. Holmes, S. C. Lawson, Orlando, Fla.; J. O. Lewis, Jacksonville, Fla.; W. B. Mack, Brooklyn, N. Y.; G. F. Maynard, Clarksdale, Miss.; J. C. Roberts, S. P. Walker, Augusta, Ga.; O. G. Wood, Bristol, Va.

Pi Kappa Alpha—E. W. Alexander, Memphis, Tenn.; C. E. Crockett, Oxley, W. Va.; G. S. Earp, Norfolk, Va.; W. G. Hall, Memphis, Tenn.; P. D. Hunter, Johnson City, Tenn.; C. W. Meadows, Beckley, W. Va.; W. L. Nash, Graham, Va.; A. L. Penny, Raleigh, N. C.; H. L. Shuey, Fordwick, Va.

Delta Tau Delta—N. R. Black, Duluth, Minn.; C. A. DeSaussure, Memphis, Tenn.; A. M. Fulk, Little Rock, Ark.; R. A. Fulwiler, Richmond, Va.; Phil Howerton, Lexington, Va.; E. W. Ranson, Staunton, Va.; J. L. Wells, Amarillo, Tex.

BOXERS LOSE TO VIRGINIA PUGS

Tilson Scores Only Victory for W. & L., But All Bouts Are Close.

The Washington and Lee Boxing Team was defeated by the University of Virginia in Charlottesville last Saturday night by a 5-1 score, but this fails to interpret the true content of the match. Each of the White and Blue representatives showed up well and not a single bout was taken by the Virginians easily.

The fastest bout of the meet was in the 175-pound class with Tilson representing Washington and Lee. He won the decision over his opponent after displaying some real fistic ability. Ottenberg, the fast little 135-pounder, showed up exceptionally well and registered several punches of almost knock-out variety, and, according to reports, the decision of the referee against him was unsatisfactory to the audience. Hamilton in the 145-pound class and Thomas in the 125 were both defeated but the decisions were acknowledged as close.

The match with Virginia last Saturday was the first for the White and Blue team. A return match with Virginia will be held here on February 11th.

SCHNEIDER HURT DURING PRACTICE

Bad Shoulder Will Keep Crack Guard Out Some Time.

"Red" Schneider, brilliant Varsity basketball guard, was painfully injured last Saturday afternoon during practice when he collided with Eddie Cameron. His shoulder was badly dislocated and will probably keep him out of the game for ten days or two weeks. It is hardly probable that he will play against West Virginia.

It will be recalled that Schneider only recently recovered from an attack of the "flu" that prevented him from taking part in the first two games of the season. His position will probably be filled by Jimmie Thomas, star forward on last year's quint.

FIRST DEBATING TRIALS NEXT FRIDAY NIGHT

Three Members of Faculty Will Select Six Men As Nucleus for Final Choice.

The first preliminary tryouts for membership on the debating team to represent Washington and Lee in the triangular debates with Johns Hopkins and the University of North Carolina will be held on Friday night, January 27, at 7:30 p. m., in the Washington Literary Society Hall.

Three members of the Faculty have been chosen by the Debating Council to act as judges. They will select six men Friday night and, from these six, the debating coach will later select the four who will represent the University in the triangular debate.

Washington and Lee has always put out good debating teams and has twice won the State Oratorical Contest within four years. In 1913, a

PUT ON THE GLOVES

More candidates are needed for the boxing team. This sport, decadent for some years, is striving hard to again secure a firm footing in Doremus gym, and it should certainly be encouraged by all accessible means.

The men who feel yet the sting of a defeat recently received made a very creditable showing in their first match. They suffered under several disadvantages, some of which were due to the possession of a preponderant supply of grit and a lamentable lack of experience. The pugilists whom they encountered were old-timers in the science and were backed by at least a reassuring number of battles.

But no boxing team can derive remarkable, or even ordinary, benefit from practice with itself. A normal man will not become a Jack Dempsey by sparring with his shadow, nor will his footwork show brilliance after daily combat with a striking bag. A bantamweight does not afford much practice for a hulking 190-pounder, nor can he afford to take much practice from the latter.

Unfortunately indeed is the insipid male who does not hold admiration for a good fighter, yet many are those who cherish secret desires and dreams of prowess who lack the bit of forwardness to actually see whether they will amount to anything by putting their skill and strength against those of another.

Aside from the already well advertised advantages accruing to those who have mastered the manly art of self-defense, and the increased sense of confidence in one's own ability, it should be sufficient inducement and stimulus to action to announce that Washington and Lee needs more candidates to help her boxing team.

Here's one place your antagonist will be your size. Make up your mind to box, and make your letter while working for the University.

THE SECOND LAP

Practically half of the present session has passed into the annals of college life, and we are now upon the second lap. If you have not yet hit your stride for the year and cannot see tangible results of your energy and thought, it is likely that you will not do so except by a supreme effort of will.

Freshmen should have found, in

some measure at least, the line of work to which they are naturally adapted, and should aim toward especial proficiency in these branches of knowledge, skill or culture. Each new man's little circle of most intimate friends is, in the majority of cases, now in the making. Now is his most favored period—when every decision may hold unseen but momentous import.

This is the season, as old men will tell you, that maketh the heart of a professor joyful and his mind to teem with suggestions inductive of labor. It is the term when the real work of the year is accomplished, and it is high time that every man should have found his niche in the University.

BRIGHT PHI-LINGS

There are two sides to every question: Yours and the wrong one.

A little Faculty is a dangerous thing.

That the good die young was never said of a joke.

The question is not "What's the world coming to?" but "When's the world coming to?"

The spiritists have at last found the land of the lost spirits. It is Cuba!

Shouldn't we change the name of the Fancy Dress ball from Bal masque to Bal risque?

A good motto for the dorms would be "Study and let Study."

Happiness is a flivver that always has to be cranked up, but trouble has a self-starter that never fails to work.

GRAHAM-LEE WOULD LIMIT SUB TONNAGE

The members of the Graham-Lee Literary Society enjoyed a very interesting evening last Saturday. Several talks were given by members of the society and the meeting was concluded with a hard fought debate on the subject of the limitation of submarine tonnage which was finally won by the negative team. The program was as follows:

Declamation, A. C. Bryan; Current Events, D. K. Stanton; Extemporaneous Speech, R. M. Saunders. Debate: Affirmative, R. Campbell and E. H. Howard; negative, D. K. Abbott and R. B. Hilton.

Next Saturday's program will consist of an oration on campus jokes by M. F. Hummer, a declamation by A. C. Bryan, Current Events by "Brownie" Hilton, and a debate on the limitation of immigration. The men to take part are E. Spady, Fred F. Pass, M. Sinburg, and C. N. Bealer.

LOCAL FIRM EXPANDS TO LARGER QUARTERS

Extensions and Modern Machinery Necessary for More Students.

"Verily, verily, what are we coming to?" the old alumnus will remark when he strolls into McCrum's for a casual "dope" or frothy "shake" on his next visit to W. and L.

In the many improvements in service and equipment that have been found necessary by all the local shake parlors on account of an increasing Student Body and an ever enlarging demand for the more innocuous imbibitions, McCrum's have taken a leading part. A new store front of the latest plate glass and Tennessee marble construction is now in course of addition, to be overhung in the Spring by a copper and glass marquee.

The rear of the building has been extended thirty feet and raised to four stories in height, corresponding with the remainder. Behind this there is a "40x50" creamery of recent origin, with modern machinery to furnish the iceless fountain with requisite refrigeration, and containing cold storage rooms. The store basement has been concreted and properly fitted. Other equipment and furniture have been added to commensurate with these improvements.

Service is being stressed by such progressive firms with student patronage and undoubtedly is a business asset, but we cannot help feeling as we gaze with a tinge of sadness that the age of the soda jerker is upon us.

PROF. WM. BROWN WILL ADDRESS LITERARY MEN

Washingtonians recently put forth their efforts on another post-war question: Resolved, that the German indemnities should be decreased.

The result was a victory for the negative team. The program for the evening was:

Current Events, M. J. Crocker; Debate: Affirmative, D. R. Stone and M. S. Kline. Negative, G. M. Feamster and A. A. Charles.

Next Saturday a special entertainment will be provided in the form of an address by Prof. W. M. Brown, and music by O. H. Windhorst. The subject of the date which will conclude the evening will be: Resolved, that Cosmetics should be abolished. The Daniel Websters are J. C. Trunkel, N. S. Lake, R. M. Whitley, and G. S. Spragins.

TRUSTEES APPROVE PRESIDENT'S PLANS

(Continued from Page One)

the necessary repairs and alterations were authorized. The president and treasurer were authorized, should they deem it desirable, to lease Castle Hill for a period of four years.

The Board expressed its hearty approval and appreciation of the efforts of the Daughters of the Confederacy to reconstruct the Lee Chapel, and of the editors of the South to re-establish the Lee School of Journalism. It also thanked Mrs. Lucy Anderson, of Franklin, W. Va., for the Herbert Anderson organ fund of \$10,000.00, and Mrs. George D. Negley, of Cleveland, Ohio, and his mother, for the gift of a six-inch brazier refracting telescope lens for the use of the Department of Astronomy.

VIRGINIA CLUB AIMS HIGH

The following is an extract from resolutions passed by the Virginia Club of the University of Virginia:

"That it be the policy of the Executive Council of the Virginia Club to make its aim the increase of the quality rather than the increase of the numbers of the students at the University.

"It is the aim of the club to make Virginia a great university, not a big one."—College Topics.

TRACK TRYOUTS WORKING DAILY

Excellent Schedule Billed for Spring Season By Manager Smith.

The Washington and Lee track team is rapidly rounding into form through daily indoor practice. The call for track men went out immediately after the opening of the present session and an encouragingly large number of candidates have been reporting every afternoon. Outdoor practice will be held as soon as weather conditions permit.

Mangaer Raymond Smith has arranged an attractive and comprehensive schedule for the athletes, the first meet coming off on April 18, when the local track stars journey to Charlottesville to compete with the Virginia sprinters. The following week will witness a dual track event with the University of Maryland representatives at College Park, Md.

Johns Hopkins also will send her fleetest stars to Lexington where they will be given excellent competition. May Day will see the athletes from the University of Richmond scampering about Wilson Field to make things interesting for the White and Blue track men.

On May 8, the locals go to Blacksburg with the intention of showing their respective heels to the Mercuries of V. P. I. The annual South Atlantic meet will be staged in Charlottesville on May 12th and 13th, winding up the W. and L. track season.

It is highly probable that a relay team will be sent to Baltimore February 25, to enter the annual Fifth Regiment Armory games, a classic meet. Several men may also be sent to enter other events, prominent among them, Ward in the high jump, and Smith in the distances.

VALUABLE BOOK FOR EDUCATORS PREPARED

Big University Heads Contribute Articles; President Smith Writes Chapter.

A book of special interest to educators has been announced for early publication under the editorship of Professor Ralph L. Power, of the University of Southern California. "College and University Administration," as the volume is called, will have a splendid introduction by President John Grier Hibben of Princeton and will be dedicated to President Emeritus Eliot of Harvard with his permission.

There will be more than forty chapters by the same number of educators of national and international fame including the Presidents of Chicago, Carleton, Boston, Vassar, State College of Washington, Washington and Lee, Minnesota, and Stanford. The list of colleges represented will include Harvard, Yale, Illinois, Ohio State, Michigan, California, Wisconsin, Pittsburgh, New York, Columbia, Virginia, and Washington.

Washington and Lee is ably represented in this volume by the chapter on "Problems of Colleges for Men," written by President Henry Louis Smith.

J. H. U. AND MARYLAND RESUME

Mr. Eddy will be remembered as speaker at one of the University assemblies last year. The Economics Department has also asked Dr. Gossard to speak to the Economics classes at eleven tomorrow morning. Other students desiring to attend will be welcome.

Last Friday the members of the Promotion Force enjoyed a dinner prepared by the ladies of the Methodist church. Dr. Samuel Glasgow, '03, concluded the evening with a short address.

The Sunday afternoon social drew over a hundred students who enjoyed the refreshments, and the music furnished by Windhorst. The obvious success of the socials as evidenced by the numbers who attend has led the Y. M. C. A. to make them permanent affairs. NEXT MINK WILL APPEAR SHORTLY

New Issue of Comic Called "Naughty Number"; Girls' Editor In March.

The "Naughty Number" is the title that has been given to the January "Mink," which will be distributed this week. The contents of this issue promise to be representative of the name, thus assuring a good number.

If the material under the cover can be judged by the cover itself there can be no doubt that the "Naughty Number" will be a very snappy and racy edition.

In February the "Prom" issue will be turned out by the campus humorists and the staff is already at work on it.

The "Girls' Number" in March will be the best ever. Young ladies everywhere are invited to contribute to this issue. Feminine talent in both art and humor is of the highest quality and to the fair contributors will go the credit for this number.

be served. The savings which is estimated at about three hundred dollars will be donated to this fund. By an unanimous rising vote, this proposal was accepted. While there will not be any student campaign for funds anyone who wishes to contribute may do so through "Ted" Schultz.

"Bob" Carr spoke concerning the scattered razzing which the visiting teams have received during the basketball games and wrestling matches. "We have always had a reputation for our cordial treatment of visiting teams and should not let this thoughtlessness injure it," he said.

H. B. Robinson announced that V. M. I. has adopted the rule that visitors may be admitted to the gallery during their dances by cards only.

R. M. Barker pointed out that everybody should do his best to make the "Informal" Saturday night a success and should wire his girl at once. He further stated that this dance will come under the new ruling concerning dry dances and that every one should co-operate with the floor committee in enforcing the rules.

D. E. Carter explained the campaign for subscriptions to pay the expenses of Finals which will begin in the near future. The amount needed will be approximately four thousand dollars and for the benefit of the new men, it may be mentioned that all the expenses are met by the Student Body. "Joe" Silverstein and J. L. Peck also spoke, the latter stating that Van Horn's had advised Miss Annie White to have all costume orders for the Fancy Dress Ball in by the end of this week if the first choice of costumes is wanted. "Joe" discussed several current student problems in a frank and effective manner.

VETS DECIDE ON BANQUET

The A. E. F. Club held a meeting Monday night for the discussion of a banquet which will be staged in the near future. Although nothing definite was decided, it was suggested that the banquet be held in connection with the fellow vets of the town who served overseas. After a brief discussion it was also decided that the club would have representation in the Calyx.

NOTICE!

The exchanges received by the Ring-tum Phi are placed in the main room of the library twice a week for the convenience of the students. These exchanges include the publications of thirty or forty colleges and universities of all sections of the country and contain interesting news of other campuses.

GENERALS CONTINUE LINE OF VICTORIES

(Continued from Page One)

continued his brilliant playing against Elon and scored a total of seven field goals during this half alone.

Captain Hines played his usual steady game, was all over the floor, covered his man perfectly, and shot with deadly accuracy both from formation and from the foul line. Glenn, rangy pivot-man, outjumped his opponent, and invariably got the tipoff, which started the Generals' offense that refused to be halted. It was not in this department alone that Glenn excelled, the tally sheet crediting him with eight field goals and a counter from the foul line.

Thomas, replacing Schneider at guard, during the half he was in the game, played his position in veteran style, and time and again broke up the Elon passes, or secured possession of the ball from an opponent and was down the floor like a flash. Arrogast, who went in for Thomas during the second half, guarded his man closely at all times, and passed nicely. Eddie Cameron at the other guard played his usual consistent game, broke up play after play, and contributed a pretty field goal.

Toward the latter part of the game, Coach Raftery sent a number of substitutes into the fray, McDonald replaced Cameron at guard, Snively took Lake's place at forward, and Sturm succeeded Hines at the other forward. The subs looked good, and had not the timer's whistle terminated the contest so soon after their appearance in the line-up, the scrubs would have doubtless got their passing and shooting under way.

For the visitors, Capt. Perry at guard and Newman at forward were the outstanding stars, and individually are as good as any visiting players that have graced Doremus gym this season. The entire Elon team, however, put up a hard fight and won the admiration of the crowd by their gameness and sportsmanship. The result follows:

Elon	W. & L.
Fix	Lake
Newman	Hines (C.)
Walker	Glenn
L. Perry (C.)	Thomas
McAdams	Cameron

Substitutions—Elon: Barker for Fix, S. Perry for Walker. W. & L.: Arrogast for Thomas, McDonald for Cameron, Sturm for Hines, Snively for Lake.

chapter of Delta Sigma Rho was established at Washington and Lee, "to encourage sincere and effective public speaking." It is the oldest honorary fraternity of its kind in the United States. Participation in an intercollegiate forensic contest is a prerequisite to membership, although such participation does not, of course, automatically entitle one to membership.

COLUMBIA DEFEATS ARMY

Columbia's Varsity wrestling team recently defeated the team from the U. S. Military Academy at West Point. The first four bouts were won in fast time and for awhile it looked like a clear walk-away. In the heavier bouts, however, Columbia met its greatest disappointment. The score for the meet was 16 to 13.—Columbia Spectator.
