

## BIG NINE OVERWHELMS PITT PANTHERS BY 10-2 VICTORY

### Histle Gets Homer In First Inning; Team Clouts At Will.

### TWO PITCHERS KIBOSHED

Riddick and McDonald Prove First Class; Brilliant Catches Made.

The Fighting Generals in a clouting party unequalled in many a day on the local diamond took the Pitt Panthers into camp yesterday to the jazz tune of 10-2. Curry and Noble were knocked to all corners of the lot, and their supporters were unable to do but little to stem the tide of the Generals' fearful onslaught, while Riddick and McDonald held their opponents to four lonesome bingles. The Generals took a long lead while the game was young, and the best that Pitt could do by way of retaliation was two runs, one coming in the fourth and one in the fifth inning.

### Pete Slams Pill.

Things began to happen in the opening stanza when Pete Histle stepped up to bat and hoisted one to the railroad tracks for a circuit tour. Collins then drove a fly into deep center which was spoiled by Holleran's sensational catch. Frew followed with a crashing three-bagger but died on base when Harrelson flied out to left.

Again in the second inning after two men were retired, Riddick drew a base on balls, likewise Switzer, who followed. Huffstetler then laid down a grounder to second, which was muffed by Davies, Riddick going to third, where Cooper became bewildered and let the ball breeze by, both Riddick and Switzer romping home. W. & L. was retired when Histle was put out, Adams to Clawson.

### Riddick Comes Through.

Another pair of counters was added to the fast growing collection in the next inning. Collins was first up and grounded out, Curry to Clawson. Frew then shot a low one through to left pasture for one base. Harrelson followed with a single to right; Terry shot a high fly to Adams, shortstop. Mattox worked Curry for a free base and at this juncture Noble was sent in to replace Curry, for Pitt. Riddick then singled over second bringing in Frew and Harrelson. Switzer closed the inning by grounding out, Cooper to Clawson.

The Generals did not score again until the sixth inning. Histle opened the action with his second hit of the game sending the ball between short and third. Adams made a brilliant stab at the horsehide but only succeeded in stopping it, as it was beyond handling distance. Collins walked, and Frew following, flied out to left field. Harrelson dropped a high fly directly back of the second sack, which was muffed by Holleran, center fielder, filling the bases. Terry grounded to Clawson, who threw Histle out at the home plate. Mattox was then walked, forcing Collins over for the seventh tally. The third out of the inning was made when McDonald grounded to Adams, who tossed it over to Davies, tagging Harrelson out at second.

### The "Lucky Seventh."

Switzer opened the "lucky seventh" with a drive to left which netted two

## MILITARY NINE FALLS TO FROSH

### Lackey Twirls and Slugs Way To Stardom; S. M. A. Rallies In Eighth.

Immediately following the Generals' victory over V. P. I. last Friday the Freshman baseball nine journeyed to Staunton and administered a similar defeat to the strong S. M. A. team Saturday. Coach Brett's proteges showed up well in this initial game of their schedule as the 7-4 score indicates.

Lackey, the Frosh twirler, was easily the star of the game in both hitting and pitching. Besides registering a double, two triples and a walk from four times at bat, he struck out twelve S. M. A. batters during the game. Dawson knocked a long bingle in the seventh inning which was good for a circuit of the sacks. McMillan and Brown also played good games.

Only once did S. M. A. threaten a rally over Lackey's tight mound work and that came in the eighth inning when they scored three runs.

(Continued on Page Four)

## FRESHMAN RULES FAIL OF OFFICIAL SANCTION

### President Holt Says Plan Is Unfair To Class; Commends Sophs.

H. A. Holt, president of the Student Body, in a statement yesterday morning said the Executive Committee had decided that it would be unfair to the Freshman class as a whole to again put into effect the Freshman Rules because of the action of a few Freshmen in subjecting a member of the Sophomore class to rough treatment.

He also stated that the Freshmen who were in the party would not be made to wear their caps for the rest of the year as was rumored, owing to the fact that the president of the Sophomore class had not made clear the exact status of the Freshmen after the rules were taken off. Mr. Holt warned the Freshmen that any further disturbance of this kind would be met with drastic punishment, and commended the Sophomore class as a whole upon their cool-headedness in dealing with this matter.

An official notice was later posted on the main Bulletin Board.

## MICHIGAN TO MAKE FILM

Dissatisfied with the average movie producers' misconception of real college life, the students of the University of Michigan are going to film a play that is expected to show the public a clearer and more accurate conception of life on the campus than the average cinema of the movie colony. The scenario was written by one of the students and the final production script will be ready this month. The cast of characters will be selected from the Student Body, and a complete technical unit will be moved to Ann Arbor. The play will be filmed on the University of Michigan campus.—Columbia Spectator.

## CLASS ROOM SHARKS INCREASE ONE HALF

### Thirty Students Maintain General Average of "A" In All Subjects.

The list of honor roll students handed out by the Registrar today shows that 30 men have sat tight during the winter term and have kept the scholastic mercury from falling below the "A" mark.

This shows an increase of 12 men as compared with the Fall term, while many former "sharks" still retain their old standing as new names are added to the column of the learned.

The complete list includes the following names: C. T. Altfather, '25; M. I. Baker, '25; R. M. Bear, '22; E. W. Bibb, '24; J. W. Bowyer, '21, A; J. P. Brawner, '24; J. C. Franklin, '25; R. A. Fulwiler, Jr., '25; Garland Gray, '21, A; D. G. Grimley, '23; C. O. Handley, '22; G. E. Harris, Jr., '23; W. B. Hesseltine, '22; E. H. Howard, '24; D. G. Humphreys, '22; J. R. Leggate, Jr., '25; J. P. Madison, Jr., '22; H. B. Miller, Jr., '25; E. W. Poindexter, '23, L; J. C. Roberts, '25; H. B. Robinson, '22; S. E. Rogers, '23; A. T. Roy, '25; W. G. Sale, Jr., '25; S. L. Sanderson, '22; R. E. Sherrill, '22; E. B. Shultz, '16, A; D. C. Tseng, '25; R. G. Wickersham, '25, and W. L. Woolfolk, '25.

The fraternity averages and number caught by the automatic rule will be published as soon as compiled.

## U. VIRGINIA DEFEATS THE WHITE AND BLUE

### W. & L. Track Team Outclassed In Many Events But Fights Gamely.

The White and Blue track team was defeated in what appeared to be a rather one-sided meet at Charlottesville last Saturday. However, the score of 83 1-3 to 43 2-3 does not show the competition in the meet. Nearly all of the events were very close.

Coach Fletcher announces that he is very well satisfied with the showing, with the exception of the two-mile run and the discus throw. In these two events W. & L. failed to place, although the entries have beaten the records made in the meet during trials on Wilson Field.

The two outstanding stars for W. & L. were J. R. Thomas, '23, and W. L. Ward, '25. Thomas decisively defeated Walker of Virginia who was favored by large odds in the 100-yard dash. Ward took part in all six field events and crossed the bar at 6 feet 1 inch in the high jump. This was an excellent jump and in any other meet would probably have taken first place, but Chamberlain for Virginia, who is somewhat of a human kangaroo as far as high jumping is concerned, defeated him. W. C. Smith, '24, and J. E. Humphreys, '25, also showed up well, both pushing hard for first places in their respective events.

The results of the meet were as follows:

- 100-yard dash—Thomas, '23; Walker for Virginia, Garber, '25.
- 220-yard dash—Baker for Virginia, Thomas, '23; Swinford for Virginia.
- 440-yard dash—Baker for Vir-

(Continued on Page 4.)

## AUTOISTS BARELY ESCAPE

During the big wind storm yesterday morning, one of the large trees on the campus back of the Chapel and near the road to V. M. I. was blown down. The occupants of an automobile happening to pass at the same time were miraculously saved from death or serious injury, as they were warned barely in time by a V. M. I. professor to stop the car. The smaller end of a heavy limb fell on the hood of the car and the occupants were later taken out in safety. Had the machine gone five feet further the two men would have been killed as the limb would have fallen directly on them.

## COLLEGE PAPERS MEET APRIL 28

### Second S. I. N. A. Convention Will Be Held In Greenville, N. C.; Many Delegates Expected.

S. I. N. A. Headquarters, University of Richmond, Va.—After considerable delay the time and place of the second annual Southern Intercollegiate Newspaper Association convention have been decided and Furman University at Greenville, S. C., will be the host April 28 and 29.

Efforts were made early in the year to locate the next gathering of the college journalists more in the center of the territory covered by the youthful organization. Greenville, located in the Southern part of South Carolina, serves this purpose.

With final selection made invitations have been mailed to every college and university in the South to send representatives and this convention is apparently to be largely attended. Both men and women are eligible as delegates. New members have been reported by the regional vice-president, and the membership of the association will evidently increase materially by the meeting time.

Keen interest has developed in the editorial contest, which is open to every Southern college and university, the subject being: "Contributions of the College Newspaper to College Life." Additional interest is likewise aroused in the journalistic contest.

As yet definite arrangements for the program have not been completed, nevertheless the most absorbing item that will likely come up before the open discussions will be ways and means of making the association a greater functioning body. Many things have developed since the initial gathering at the University of Richmond that will call for legislation.

The Southern Association of Newspapers Publishers has heartily endorsed the association by agreeing to contribute annually the gold medal for the editorial contest.

## FROSH TRAINING OUTSIDE

The outdoor physical training season for the Freshmen opened Monday afternoon. This class is for all Freshmen who are not out for either baseball, track, crew or tennis and is under the supervision of Coach Cy Twombly, who is endeavoring to make the work as interesting as possible. The work of the class this term will be mostly in the form of outdoor games which are intended for pleasure as well as physical exercise.

## TROUB SHOW MAKING EXCELLENT PROGRESS

### Plot Centers Around Theft of Famous "Blueboy"; New Parts Added.

Under the direction of C. E. L. Gill, '21, L, and Prof. William Coan work on the third show of the year by the dramatic club of the Troubadours has been going on with rapid strides and the George M. Cohan hit should prove to be another success as a W. & L. production.

"Officer 666" was originally called "The Gladwin Collection" when presented for the first time by George M. Cohan. It involves the theft of Gainesborough's painting, "Blueboy." The original of this picture recently sold to a Mr. Huntington of San Francisco for \$640,000. An excellent fac-simile will be displayed during the performance at the New Theatre.

The play is a melo-dramatic farce and the Troubadour presentation will feature T. M. Simmons, '25, and C. W. Meadows, '25. The cast as first published included thirteen characters but since then two additions have been made to the cast, these parts to be taken by R. M. Whitley, '23, and W. S. Foreman, '24.

While paying a rather large royalty to the authors, Winchell Smith and Austin McHugh, there will be few other expenses attached to the production of the show so the management has been able to offer it at only 85c, plus tax. Mrs. I. Weinberg and several other ladies of the town

(Continued on Page Four)

## 35 CANDIDATES OUT FOR TENNIS

### Snively and Mason Showing Form; Lynchburg College Heads Net Team Schedule.

For the past week ideal tennis weather has prevailed and the team is rapidly rounding into shape under the competent instruction of Coach C. E. Williams.

It is too early in the season to make any predictions about the probable racket stars for the coming year, but Snively and Mason of last year's team are already showing mid-season form. There is a wealth of new material from which to select a stellar aggregation, 35 men reporting regularly for practice. Although the coach freely admits that some of the new men look especially promising he has refrained from naming any individuals until later in the season. From all present indications, however, prospects are especially bright for a winning team.

The opening match will be played here with Lynchburg College on April 22. This team heads a list of opponents which are well calculated to test the mettle of our net artists. The schedule as arranged by Manager H. L. Elias is as follows:

- April 22—Lynchburg College at Lexington.
- May 1—V. P. I. at Blacksburg.
- May 2—George Washington University at Washington.
- May 3—Navy at Annapolis.
- \*May 4—St. Johns College at Annapolis.
- \*May 5—Johns Hopkins at Baltimore.
- \*Pending.
- May 14—Johns Hopkins at Lexington.

the fact that unsigned correspondence  
will not be published.

### VISITING COURTESY

One thing about the Pittsburgh  
team that impressed us more than  
their playing abilities or their all-  
American football stars was an ex-  
ample of courtesy and true sports-  
manship observed yesterday. When  
the Swing was played, every Pitt  
man on the bench rose with uncov-  
ered head just as the students in the  
bleachers.

This, to be frank, is not a frequent  
habit of our visitors, but it is one  
that shows the gentlemanly spirit of  
Pittsburgh men, and a high type of  
collegiate courtesy.

They played hard, and played a  
good game after being on a week's  
trip, but their ideals of sportsman-  
ship are still with them. Come  
again, Panthers!

### THE S. I. N. A.

These letters stand for an organi-  
zation yet in its youth, but one which  
may mean great things to Southern  
colleges and universities.

The Southern Intercollegiate News-  
paper Association was formed a year  
ago this month at Richmond, under  
the active sponsorship of the Rich-  
mond Collegian, University of Rich-  
mond. The Ring-tum Phi is a char-  
ter member. Delegates from the  
chief Southern states attended with  
the purpose in view of banding to-  
gether the newspapers of institutions  
below the Mason and Dixon Line for  
co-operation, mutual aid, and a news  
service. The first conference was  
largely taken up with the routine of  
organization and discussion of ways  
and means to draw the papers closer  
together.

It is a significant movement. The  
Southern college papers are at pres-  
ent far surpassed by the more enter-  
prising publications of the North and  
West, in staff organization, office  
morale, composition and technical  
make-up. In many colleges the idea  
still prevails that "the weekly" as it  
is usually referred to, serves as an  
energy outlet for a few academically  
inclined students and as an uncer-  
tainly reliable catalogue of events.  
Very few have been placed or oper-  
ated on a business basis; into few  
have the newspaper ideals of truth,  
speed, accuracy and snap permeated  
—the realization that a modern uni-  
versity is a distinct community in  
need of a sane, authentic, wide awake  
disseminator of fact and opinion.

Intercollegiate news services func-  
tion regularly throughout the north-  
ern and western universities. The  
day of fast wireless service between  
such papers is not far distant. Prac-

tically all of these papers are on a  
sound, continuous, business basis and  
show a profit at the end of each per-  
iod of publication, which is turned  
back into the business to the im-  
provement of the paper.

Journalism as a profession has  
risen to recognized rank among those  
of older origin. More "cubs" go in  
today than ever before, and it is  
destined to be taught in every im-  
portant university of America within  
ten years.

These are some of the reasons be-  
hind the formation of the S. I. N. A.  
It is still undergoing the trials of  
any new body, but with the support  
of the best Southern college papers  
it should develop into one of the most  
efficient and valuable agencies in  
close touch with our institutions. A  
real service will be rendered to ev-  
ery student whose paper is a mem-  
ber.

The Student Body wishes to ex-  
press its most sincere sympathy to  
Dr. and Mrs. R. W. Dickey at the  
loss of their little two-year-old child.  
The infant died Saturday after a  
short illness and funeral services  
were held Sunday afternoon in Lex-  
ington.

With an enrollment for the spring  
term of 31,000, Columbia University  
is now entitled to the distinction of  
having the largest Student Body in  
the history of the world.—The Crito-  
graph.

The University of Southern Cali-  
fornia is the first great university to  
open its doors to the meetings of the  
"No Tobacco League."—The Crito-  
graph.

The announcement of W. S. (Sid)  
Foreman's marriage which was sol-  
emnized three weeks ago in Roanoke  
came as quite a surprise to the cam-  
pus. Mrs. Foreman was Miss Nancy  
Holland, of Bluefield, W. Va., who  
formerly attended school at Bryn  
Mawr.

C. H. Taylor, '20, is a candidate for  
a master of arts degree at Harvard.  
He has just finished the mid-term  
examinations, making his usual high  
showing. It is to be regretted that  
Mr. Taylor will not teach here again  
next year. He was associate profes-  
sor of History last session.

Some people's object in life is they  
object to work.

### Y. M. C. A. WORKERS CONFER AT V. P. I.

State Meetings Well Attended By Many Delegates and "Y" Leaders.

With an enrollment of 65 Y. M. C. A. workers the State Student Y. M. C. A. Officers' Training Conference held its April meeting last Saturday at V. P. I. The conference was well attended by members from many colleges and universities and it was the largest of any similar conference ever held. V. P. I. was host of the conference which was planned under the direction of the State Student Field Council.

In addition to the meeting being given over to training of new officers for their particular positions was an inspirational meeting addressed by W. W. Brockman, Secretary of Y. M. C. A., Su Chow, China, and H. C. Gossard, National Student Secretary of the South.

In conjunction with the conference a State Student Field Council for 1922-'23 which has supervision of State Y. M. C. A. work throughout Virginia was organized. Garland Alexander of Washington and Lee University was elected president.

The following men represented Washington and Lee: Garland Alexander, J. B. Holloway, O. W. Howe, J. N. Thomas, G. S. Spragins, W. B. Webb, and E. B. Shultz.

### COLLEGE ORATORS WILL COMPETE AT LYNCHBURG

Preliminaries To Select W. & L. Representative To Be Held Soon.

The state oratorical contest will be held at Lynchburg College, Lynchburg, Va., on May 5. Washington and Lee will send a representative to this contest as usual. The preliminary will be held sometime within the next few weeks to select a representative to this contest.

Last year Fitz Flournoy represented Washington and Lee in the contest, which was held at William and Mary College, and won over seven other representatives of schools in the state.

Full arrangements will be announced later and all those wishing to enter should notify E. W. Poindecker of the Debating Council as soon as possible.

### GRAHAM-LEE TO DEBATE MUCH-MOOTED QUESTION

Will Fine Negligent Members.

The Graham-Lee Literary Society will debate a very interesting subject Saturday night. The subject is one of national importance: Resolved, That the United States Should Adopt a System of Compulsory Arbitration of Industrial Disputes. The affirmative will be upheld by Messrs. M. P. Matheny and Greenberry Simmons, the negative by Messrs. W. B. Webb and J. F. Ellison.

Beginning with this meeting a fine will be imposed on all members of the society who are given parts on the program and do not appear. The only exception to the rule will be where the member has an iron-clad excuse for his failure to do so.

### MASONIC ELECTION

At a meeting of Square and Compass held last night, officers for the next six-month period were elected. The following were elected:

President, J. B. Holloway; vice-president, M. P. Matheny; recording secretary, B. G. Garrett; corresponding secretary, J. G. Ragsdale; treasurer, F. C. Switzer; alumni secretary, E. B. Shultz; reporter, C. Graham Rice; tiler, C. H. Thompson.

Prof. John A. Graham is studying for a Ph. D. degree at Princeton. He will teach here next year in the History Department.

All that stands between us and a hot time is two months.

### EXCELLENT MOVIES ON THIS WEEK'S PROGRAM

Leading Stars Will Be Shown Via Celluloid Route In Feature Films.

"Experience" starring Richard Barthelmess will be the feature of this week's program at the theatres. The quality of this picture is assured by the fact that it contains practically the same cast as the "Miracle Man" which meet with marked success over the country. This picture, which will be shown at the New Theatre Friday and Saturday, is said to be the best of Mr. Barthelmess' productions.

Mary Miles Minter is the leading lady of "Tillie" which will be here Wednesday, while Pearl White will appear in the "Broadway Peacock" at the Lyric Saturday.

Next week will be a feature week beginning with "Enchantment" which has been having a most successful run in New York and will be shown here Monday and Tuesday. "Midnight," featuring Constance Binney, will be shown April 19 and Betty Compton in "Ladies Must Live" will be seen April 20. Lionel Barrymore in "Lotus Eater" will be shown here April 21 and 22. This is said to be one of the best films of the year and well worth seeing.

### HATCHER HEADS BLUES

J. B. Riddick Resigns Captaincy.

At a meeting of the Albert Sidney boat club held last night in Newcomb Hall, J. B. Riddick, president of the club and captain of this year's crew, resigned because of the press of other work and the conflict between crew and Varsity baseball. Preston Hatcher, '24, was elected president in his place.

Hatcher stroked the second Blue crew last Spring which won their race by some distance. He is well qualified for the position and success is predicted for the club under his management.

### FLOWERS PLANTED AT J. H. U.

Johns Hopkins University is expending from \$15,000 to \$20,000 in the planting of flowers on the campus. It is the plan of the trustees to have a specimen of every kind of plan studied by the botany students growing somewhere on the campus. —Johns Hopkins News-Letter.

### ORIGIN OF WORD "YANKEE"

Appearing in Thomas Anburey's "Travels Through the Interior Parts of America" (London, 1791) is the following:

"The lower class of these Yankees, —apropos, it may not be amiss here just to observe the etymology of this term. It is derived from the Cherokee word 'eankke,' which signifies a coward and slave. This epithet was bestowed upon the inhabitants of New England by the Virginians, for not assisting them in a war with the Cherokee Indians, and they have always been held in derision by it." —The Trinity Chronicle.

Leroy Brown of Dartmouth recently broke the world's record for the high jump at the I. C. A. A. A. Indoor championship track meet by jumping 6 feet, 4 7-8 inches. —Columbia Spectator.

C. H. Miller was selected to lead the inter-fraternity dance finals at the last meeting of the inter-fraternity council. He has yet to announce who his fair partner will be.

A college man who fails to make at least one friendship which will last through the years afterwards, fails largely in his college career and misses one of the greatest opportunities open to him.

When a young man is convinced that there is nothing too good for a girl he offer himself to her.

### DR. DESHA ATTENDS CHEMICAL MEETING

Visited University Laboratories In Interest of New Building Here.

Dr. L. J. Desha, acting head of the Department of Chemistry, recently returned from a trip to Birmingham, Ala., where he attended a meeting of the American Chemical Society.

His trip was primarily in the interest of the new chemical laboratory to be erected here and to gather ideas on a modern chemical laboratory from prominent chemists. He also visited the large laboratories of Kentucky University, Emory University and the College of Medicine in Cincinnati to study their plan construction and laboratory systems. The plans for the new laboratory are now being perfected and should be completed in a short time.

Dr. Desha's report of the conference was very favorable. Many papers on the subject of chemical education were read and discussed.

### DR. J. L. HOWE IMPROVING

To Return In Six Weeks.

Dr. J. L. Howe, head of the Department of Chemistry who has been ill for some time, is visiting relatives in Birmingham. He is able to walk about some and as his condition is greatly improved he expects to return to Lexington in about six weeks.

Dr. Howe attended the meeting of the American Chemical Society recently held in Birmingham and was asked to represent the society at the semi-centennial to be held at Blacksburg during the latter part of May.

### BIG NINE OVERWHELMS PITT PANTHERS BY 10-2 VICTORY

(Continued on Page Four)

bases. Huffstettler singled, bringing Switzer across the rubber, and going to second on the play for Switzer at the plate. Hisle then singled between short and third, and Huffstettler on an attempt to score was caught on a fine throw by Cook, from left field. Collins followed and boosted a high fly to center. Frew reached first on an error by Adams, Hisle going to third and scoring a few seconds later on Adams' miscue of Harrelson's sizzling grounder. The curtain fell on this eventful stanza when Terry smacked a bouncer down to Adams who tagged Harrelson out unassisted.

The last run for the Big Team came in the eighth inning. Mattox was first up to the plate and was struck out. McDonald following was put out on a roller, Noble to Clawson. Switzer reached first on an error by Adams and made a beautiful steal to second. Huffstettler then stepped up to the plate and brought Switzer across by the longest hit of the day, the ball dropping in the quarry in deep center. He reached second on the hit. Hisle flied to left field for the last out.

#### Pitt Gets One.

The visitors brought their first run over in the fourth. Holleran, heading Pitt's batting list, opened with a single to left and reached third on a passed ball by Mattox, scoring on Adams' crashing two-bagger to right field. Riddick caught Adams asleep at second, Collins making the put-out. Cook walked, and Davies then came to bat. He smashed out a long, screaming drive to right center, which looked like a sure three-bagger. But Switzer, the Generals' dependable right-fielder, let no grass grow beneath his feet and headed for the sailing ball. He ran back and stabbed the drive high above his head, in one of the most spectacular catches of the season. He got rid of the ball immediately and doubled up on Cook, Hisle to Terry. Hisle very ably backed up second and made the play possible.

The other tally of the visitors came in the next inning. Barber first up, walked and reached third on a wild pitch. Clawson walked and started down toward second and drawing the ball from Mattox which was fumbled by Collins, Barber scoring. McDonald was sent in to replace Riddick and wound the inning up in great style by striking out the first three batters to face him.

#### Outstanding Features.

The features of the game were clearly the work of the Generals' hurlers and the stick work of Huff-

stettler and Hisle, both getting three hits. The former got one two-bagger and two singles, while the latter secured a home run and two singles. Frew also knocked out a three-bagger and a single. The outfielding of both teams was of sensational variety, especially the work of Switzer and Holleran. The fact that McDonald and Riddick came through with the goods yesterday has greatly strengthened confidence in the Generals' pitching staff. Although Riddick was removed in the pinch in the fifth inning he had only two hits registered against him, and McDonald, his successor, likewise held the hard hitting Panthers to two bingles.

The Pitt aggregation had in their line-up two football men of national repute. Davies, who played second, has been on Walter Camp's All-American team for two consecutive years. Holleran, center-fielder, was elected to captain Pitt's gridiron machine for the 1922 season.

The box score and summary:

Pittsburgh.		AB. R. H. PO. A. E.				
Holleran, cf	4	1	1	2	0	1
Adams, ss	3	0	1	2	4	3
Cook, lf	3	0	1	4	1	1

Base on balls—Riddick 3. Noble 5, Curry 3.  
Wild pitches—Riddick.  
Passed ball—Mattox.  
Hit by pitched ball—By Riddick 1 (Adams).  
Time—2:00.  
Umpire—Orth, Virginia League.

### A. T. O.'s AND PHI KAPPA PSI'S TO PLAY TONIGHT

Outcome of Finals Inter-Fraternity Court Contest Decides Cup Holders.

The final game of the inter-fraternity basketball series between the Alpha Tau Omega's and the Phi Kappa Phi's, will be played in Doremus gymnasium tonight at 8 o'clock. The winners of this game will be declared the fraternity champions of the University and will be awarded the silver loving cup now held by the Sigma Nu's, last year's champs. To any team winning two successive years the cup will be awarded as a permanent trophy.

This game was to have been played off some time ago, but due to examinations intervening it was postponed and will be played off tonight.

Both teams have been practicing for the francas and are ready for the game. The Phi Psi's will be handicapped by the absence of Brown, their star center, who has left school. On the whole both fives are evenly matched and a close game is predicted.

### MILITARY NINE FALLS TO FROSH

(Continued from Page One)

Two of these were homers. This rally for a while threatened to tie the score but soon ended when Lackey tightened in the ninth and struck out three men.

Both teams made few errors and the entire game was a test of hitting abilities.
