GOOD VOTE POLLED IN FRIDAY'S ELECTION

Mattox, Cameron, Frew, Harrelson and Bemis Successful In A. C. Election.

"Monk" Mattox, Eddie Cameron, "Student" Frew, Frank Harrelson and Tom Bemis were elected to the Athletic Council as the result of the first of the Student Body elections held yesterday. The voting followed the first wave of "Politickin" under the new scheme in which there was no alignment of forces, and in which no strenuous or elaborate efforts were made on behalf of any one particular candidate.

Mattox was unopposed for the office of President of the Council, and polled 540 votes. For Vice-President "Eddie" Cameron won out over "Daddy" Potts, while "Student" Frew was elected to the secretaryship by a majority of 132 over "Charlie" Terry.

There were four candidates out for member-at-large — Harrelson, Bemis, Wingo and "Dick" Sturm. Of these Harrelson and Bemis polled the highest number of votes and were elected.

The proposed amendment to Article 7 of the Student Body Constitution providing for the concentration of all campus publication under a Publication Board, carried ten to one.

Many of the campus political dopsters say the result of the election was a surprise and just another complete upset of the old dope, while others declare with a nonchalant air that it was "exactly as they figured it." However it may be, the political fever is in the air and Tammany will

PREDICT CLOSE MEET AT V. P. I.

Varsity Track Competing in Dual Meet At Blacksburg Today; "Dope" Favors Cadets.

The White and Blue cinder paths compete with the track men of V. P. I. today at Blacksburg in a meet which doubtless will be closely contested.

Tech is represented by a strong aggregation in this branch of sport, such stars as Brittingham and Woodward in the dashes, Newman in the distance runs, and Byrd and Potts in the field events, being members of the team. V. P. I. has already defeated V. M. I. and Davidson this year and lost to the team representing Penn State by only a small margin. By comparative scores, therefore, the Cadets show up better than W. & L. on paper, but whether they can defeat on the field, one of the most evenly balanced track teams that ever competed for the White and Blue will be determined this afternoon.

The following men made the trip to Blacksburg and will compete in their respective events: Thomas and Garber in the dashes; Williams, Child, Humphreys, and Seehorn in the middle distance runs; Smith, Heiskell, Howard, and Guerrant in the distance runs; Stolz, Simmons, and Rhodes in the hurdles; Ward, Norman, Carr, Kurtz, McCartney, Lewis and Silverstein in the field events.

EXAM BLOCK DRAWN AT FACULTY MEETING

Saturday, June 3, Is Date Set for First Exams; Half Holidays On 6th and 9th.

At the faculty meeting held Wednesday afternoon, Exam Block "A" was drawn, which means classes coming Monday, Wednesday and Friday at 9 o'clock will have their exams first. Blocks "B," "C," "D," and on through come in regular order, which will relieve many a Freshman of the somewhat irksome task of "doping out" his exam schedule.

Exams are scheduled to start on Saturday, June 3, and with the usual half holidays on the third and sixth days, will continue to Friday, June 9. The Registrar has prepared a complete and detailed schedule of all examinations, and copies are posted on the main bulletin board and in Newcomb Hall.

SEMESTER SYSTEM STARTS IN FALL

Present Three-Term Session Will Be Replaced By Semesters; Easter Holidays.

Beginning next session the old three-term system will be replaced by the two semesters. This change has come about after much discussion and great good is expected to result from it. The new two-term idea will be carried out in the Law School as well as in the Academic Departments. Several other important changes in the calendar for the 1922-23 session have also been made.

The regular Easter holidays will extend from Good Friday to the following Wednesday, inclusive. The time devoted to examinations has also been lengthened. The last ten working days of each semester will be devoted to examinations in all departments of the University and the length of examinations in the Academic departments will not exceed five hours. All of the examinations are to be held in the morning.

The calendar for session 1922-'23 was fixed as follows:
Opening day, Wednesday, September 13, 1922.

Thanksgiving day, Thursday, November 30, 1922. Holiday.

Christmas holidays, December 22-January 2, inclusive.

Founder's Day, January 19, 1923. Holiday.

End of First Term, Saturday, January 27, 1923.

Second Term begins Monday, January 29, 1923.

RAIN-SOAKED DIAMOND PREVENTS TECH GAME

Heavy Field Causes Last Home Game To Be Called Off; Tech Plays V. M. I. Today.

What would have been the last home game on the 1922 baseball schedule, had to be called off yesterday, the poor condition of the diamond making play impossible.

Washington and Lee won the first game of the series on Tech's field several weeks ago, and the Gobblers were prepared to give the locals a hard fight could the contest have been staged.

The Tech team plays V. M. I. this afternoon on Alumni Field.

PLANS COMPLETE FOR TROUBADOUR INFORMAL

Only Dance Before Finals Will Be Given Next Saturday; Many Girls Expected.

With but a week remaining until the informal hops, jazz hounds and book-worms alike are eagerly looking forward to the event. This being the only dance before Finals, it is expected that the Student Body will turn out in good numbers, and many girls are expected to attend.

Those in charge of the arrangements have left nothing undone to make this the most successful hop of the year. The All-Southern Seven will dispense the jazz for the occasion and dancing will start promptly at eight o'clock, continuing until midnight.

Charlottesville, May 5.—Holland had the better of Evans in a pitching dual here today, and Virginia took the first game of the series with West Virginia 4-3. FIGHTING NINE OFF ON SOUTHERN JAUNT

Generals Leave Early Tomorrow On Six-Day Trip; 15 Men In the Party.

Washington and Lee's famous "heroes of the diamond" depart at an early hour tomorrow morning for the annual southern trip, on which is met six of Dixie's best baseball nines. Starting Monday, Trinity, Elon, N. C. State, Carolina, and Georgia Tech are met in order, the last named in a two-game set at Atlanta on Friday and Saturday.

Four of these teams have been met on Wilson Field this season, so the big team will not encounter foes whose abilities are entirely unknown to them. Trinity and Elon are the two outfits that the Generals have little dope on, though their records to date do not indicate that they will cause the White and Blue any serious trouble. Coach Raftery has his men primed for the trip and confidently expects to bring home "the bacon."

Captain McCallum, Lindburg and McDonald will take care of the mound work, and judging from the recent performances of these slab artists, Tech, Carolina and the rest are due to face some "real stuff" from the firing line. Barring injuries, the regular line-up will start the games.

The following men are making the trip: Capt. McCallum, Mattox, Frew, Switzer, Harrelson, Terry, Collins, Huffstettler, Salmon, Hisle, Lindburg, McDonald, Coach Raftery, Manager Tillar, and Trainer Gillam.

ASTORS CANNOT VISIT LEXINGTON

Were Forced To Decline Dr. Smith's Invitation—Stay in America To Be Brief.

On account of their very short visit in America, Lord and Lady Astor are unable to accept President Henry Louis Smith's invitation to visit the tomb of Lee and be the guests of Dr. Smith while in Lexington. Lady Astor is making only a one-day visit to Danville and Richmond, though she had formerly planned to spend several days in each city. Her trip to Lynchburg, where she has many relatives, has also been given up.

While President and Mrs. Smith were in London last spring they were Lady Astor's guests at an elaborate dinner, given in their honor, and also visited her at her beautiful country estate, Cliveden, near London.

Lady Astor, as almost everyone knows at this time, was Miss Nancy Langhorne of Danville, a native of Virginia, and has the distinction of being the first woman to become a member of the English House of Lords. It is with great regret that it is learned that she will be unable to make the visit here.

THE NEW COUNCIL

The sovereign voters have elected
five more men to represent them on
the Athletic Council, during the ses-
sion 1922-23. These men were all
backed by a majority of those vot-
ing, and most of them by a clear ma-
jority of the entire student enroll-
ment. Regardless of how the minor-
ity cast its ballots or of the political
situation of the past, present or fu-
ture, these men are entitled to, and
may rightfully expect hearty sup-
port from the Student Body.

It is no mean honor to sit on a
committee which has for its sole pur-
pose the proper regulation of a uni-
versity's athletics, by far the most
important extra-curricular activity of
the modern campus. But a member
of the Council should bear strongly
in mind that his position is more
than a reward for prominence in the
athletic service of his Alma Mater.
He has a definite responsibility for
sane and forward-looking action. The
new members will take office at a
crucial period in W. & L. athletics
and they are in position to accomplish
the steps that will place our athletics
on a higher plane and an effective,
broader, more systematic basis.

One fault that has seriously hind-
ered the growth of more constructive
ideas in the past and one that has
caused endless friction and dissatis-
faction among athletes and non-
athletes has been the prevalence of
politics, the impelling force of selfish
motives on the part of Council mem-
bers. That politics have played a
part in our athletics at various times
has been too plainly discernible to be
denied, although it is more to the
narrow aims of the political-system
than to individual members of the
Council that blame should be direct-
ed. Now is the time for a change.
The leaders of the campus are behind
the movement for abolition of fac-
tions. The agreement has been sign-
ed by every faction, including a score
of individual fraternities. If the
doctrine of "good faith" bears fruit
there should not be the slightest
tinge or taint of fraternity politics
or factional favoritism in any coun-
cil decision. The new members will
fail most lamentably in the perform-
ance of their duties if every trace of
the old system is not banished from
their meetings and all dumb show of
impartiality be not made unimpeach-
ably bona-fide.

Understand us. We are not play-
ing Judas to the present Council. In
fact we believe it has done more real

work than any council of the past
two or three years. However, many
students have longed for the time
when the entire attitude of the 'sys-
tem' itself would be changed to
eliminate the results of politics. If
the present Council acted at times
under political pressure they did no
more than any other body of men
would have done under similar cir-
cumstances.

Besides this first step to drive out
the last vestiges of the clique system,
there are a few measures that we be-
lieve could be passed and movements
pushed that would give both aid and
comfort to all interested in athletics
and their direction. Merely as sug-
gestions, but with the earnest hope
that they will be given serious con-
sideration by the members of the enw
Council before the need for action, we
offer these proposals:

1. That the strictly "star-cham-
ber" methods of the Council be drop-
ped, and reports be made to the stu-
dents as to business transacted, with
a financial report at least once a
year.
2. That the Council actively sup-
port and plan for a combination
Varsity trophy room and clubhouse
for visiting teams.
3. That the members of the Coun-
cil lead in re-organizing the old
Monogram Club and in placing it in
a position to assume leadership in
forwarding such movements as the
trophy room, and in interesting young
athletes in the educational advant-
ages of W. & L.
4. That the awarding of mono-
grams be established on a still more
definite basis and the requirements
published with appropriate explana-
tion.

The greatest hazard in golf is ly-
ing about your score.

COMMERCE FRAT TO BE INSTALLED MAY 16

Dr. R. B. Kester of Columbia To Officiate At the Initiation Ceremonies.

The date for the installation of the Alpha Kappa Psi commercial fraternity at Washington and Lee has been postponed until May 13, at which time Dr. R. B. Kester, head of the Accounting Department at Columbia University will be here to conduct the installation.

The organization stands for the promotion of the highest ideals in the commercial world, and is represented already in several colleges in the South, the University of Virginia, University of Texas, and Georgia Tech being among the number having chapters. The local club which has been granted this charter consists of fifteen commerce students and four commerce professors, Professors Hancock, Tucker, Campbell and Coan.

WORK ON CALYX 1922 DRAWS TO A CLOSE

All proofs are now in and "the biggest and best Calyx yet" will be distributed on contract time, that is, about May 18, it was announced today.

The annual will include the dedication to Dr. Shannon; a memorial page to R. R. Hall; the classes; a well filled athletic section; a neatly arranged society section with an unusually attractive beauty gallery; a resume, with pictures of the W. & L. Ambulance Unit; and a section of jokes and advertisements combined. The beauty section is a feature this year. The Calyx will be distributed from Finchley's show room, Washington Street. The price is five dollars and each man must pay in full before receiving his copy.

TO ABOLISH HAZING

Although the Sophomores at the University of Wisconsin have voted to abolish hazing and have permitted the yearlings to discard their Freshmen caps, the first year men have decided to wear the headgear voluntarily. The class of 1925 voted to continue wearing the green caps as "a mark of class loyalty to aid the members of the class in becoming acquainted with one another."—Columbia Spectator.

DR. LINDEMAN WAS UNABLE TO SPEAK AT "Y"

Dr. E. C. Lindeman, who was engaged to speak at the Y. M. C. A. Thursday evening, was not able to fill the appointment on account of illness. E. B. Shultz received a telegram from him Thursday morning, saying that he was detained in Lynchburg by sickness, and therefore would not be able to come to Lexington.

EDUCATING INMATES

At present, approximately three hundred inmates are receiving instruction in the common branches, that is, reading, writing and arithmetic.—The Flat Hat.

DRAMATIC CLUB WILL GIVE SEVERAL PLAYS

New Club To Make Appearance This Month; One Play Written By Member L. S. Joel.

The new Dramatic Club which was organized several weeks ago, will make its initial appearance before the Student Body when they present late this month two one-act plays by recognized dramatists and one play written by a member of the club. The plays to be given are as follows: "The Lost Silk Hat," by Lord Dunsaney, an English comedy whose plot centers around the loss of a hat and a number of complications that result. "The Blink of Silence," by Galbraith, a stirring tragedy with a setting in the Arctic regions. "Schopenhauer—Campus Edition," a play of college life written by Louis Joel, a student and member of the Dramatic Club.

This is the first attempt on the part of the students at real drama and a great deal of interest is being aroused in support of this effort. The plays themselves are enough to warrant an excellent entertainment, but the acting of them also promises to be good.

FROSH PREPARE FOR LAST THREE GAMES

Will Finish Season With a Three-Day Trip Starting Wednesday.

After a lapse of three weeks, the Freshman baseball team is again at work in preparation for the remaining games on the schedule, which will be played on a three-day trip starting next Wednesday.

Danville Military Institute, Chatham Training School, and Virginia Episcopal School are the teams to be met, and Coach Brett is confident his charges will make a good showing in this trio of games, and wind up the season in a creditable manner.

With the Varsity away on its annual Southern jaunt, the yearlings will be able to get in three full days' practice and should be in good condition when they take the field against D. M. I. Twelve players will make the trip, and the regular line-up will be used, with either Lackey or Woolwine on the firing line.

U. D. C. WILL LAUNCH CAMPAIGN FOR FUNDS

The United Daughters of the Confederacy has appointed its regional committees to conduct the campaign for funds for the Memorial Chapel to be erected on the Washington and Lee campus. All plans have been completed, and the work of getting subscriptions will begin in earnest in the near future. A great deal of enthusiasm is being manifested and the efforts of this organization will doubtless meet with much success.

**COURSE IN "PETTING"
AT ST. JOHN'S URGED**

Writer In Weekly Magazine of Annapolis Institution Advances Unique Suggestion.

If "petting" is the main occupation of college students, as some believe why not a course of instruction in the latest approved methods of pursuing the art?

The suggestion is made in the current issue of the St. John's Collegian, a weekly publication of the Annapolis institution.

A deposit of \$5 would be required to defray expenses due to careless breaking of hair nets, he says.

The subjects to be pursued are suggested as follows:

**TARHEELS UP IN ARMS
OVER BALL RULING**

Outcome of Situation Is of Interest To All Members of Southern Conference.

University of North Carolina students are up in arms against the adoption of more strict eligibility rules in regard to summer baseball than the two rules of the southern conference which cover the subject, according to several members of the Tarheel baseball team, which left here yesterday for Swarthmore. The faculty committee in control of athletics at Chapel Hill decided to promulgate a ruling designed to eliminate summer ball altogether or to curb activities of players in the sport to three games per week.

Students at the university are said to consider this as too drastic, thinking that the authorities should go no further than to carry out the restrictions adopted by the southern conference, recently two voting sheets were posted in a conspicuous place at Chapel Hill, one for those who wanted to vote in favor of the stricter regulations and the other for those who wanted to vote against any regulation more strict than that of the southern conference to which North Carolina belongs. It was stated here yesterday that a dozen sheets were soon filled with names of those who were against more strict regulation while only one name was signed as favoring the faculty's intended action.—H. C. Byrd in Washington Star.
