

## 'College Friendships' Will Provide Finale Of 'Plantation Party'

Miss Hood, Dean Will Lead Seniors In Figure Tonight

Washington and Lee's 192nd commencement program will be brought to a colorful close with tonight's Final Ball, which gets under way at 11 o'clock with the "Plantation Party" figure and ends at 6 in the morning with the traditional singing of "College Friendships."

Planned to recapture some of the beauty and rich sentiment of the old, deep South, the figure of tonight's dance will be led by Finals President Cameron Dean and Miss Barbara Hood of Leland, Mississippi. The highlight of the figure will be the formation of a large colonial bouquet by the figure dates.

Featuring the music of Jimmy Dorsey and an address by President Gaines, last night's half-hour broadcast from Doremus gym during the Senior-Alumni ball was carried over the national network of the Mutual Broadcasting system.

The broadcast originated with station WSLB of Roanoke at 12:30 a.m. and was described by those who heard it here and those who wired from other cities throughout the nation as one of the most impressive dance set air programs of W&L.

Tommy Reynolds and his orchestra will furnish the music for the ball. His "music of today in the style of tomorrow" is expected to be a fitting follow-up to the music of Jimmy Dorsey, who played for the three dances during the first two days of the set. In keeping with the Southern theme, the gym is decorated as a plantation garden. In the east end a replica of a columned colonial mansion has been erected. The bandstand is decked as a garden pavilion and the scenery is completed with floral backdrops and living greenery.

The festive week-end was opened by students, dates and returning alumni with the Interfraternity council, and Miss Jo Lee Fleet led the figure in which representatives of each of the 18 fraternities on the W&L campus participated.

Because of the possibility of rainy weather yesterday afternoon's SAE Lawn Party which was originally planned for the front campus was moved into the gym. Approximately 600 students, grads and dates crowded the gym for the second appearance of Dorsey which featured vocalists Helen O'Connell and Bob Eberly.

Fred Farrar, president of the senior academic class, led the Senior-Alumni ball figure last night with Miss Henrietta Redwine of Randolph-Macon and Fayetteville.

The chaperone lists for the three balls of the Final set are as follows:

Interfraternity Ball—the house-mothers of the eighteen social fraternities.

Senior-Alumni Ball—Mesdames Gaines, Tucker, Price, Deane, Young, Farrar, Riegel, Flournoy, Lauck, McDowell, Barnes, Meser, McSherry, McGee and Goyer; President Gaines, Dean Tucker, Governor Price, Messrs. Dean, Young, Farrar, Riegel, Flournoy, Lauck, McDowell, Barnes and Dr. Fowlkes.

Final Ball—Mesdames Farrar, McConnell, Day Daves, Gaines, Kilbourne, Tucker, Gilliam, Price, Desha, Dean, Williams, McGee and Veech; President Gaines General Kilbourne, Dean Tucker, Dean Gilliam, Governor Price, Colonel Holmes, Messrs. Desha, Dean, Williams, Veech, Farrar, McConnell, Day and Daves.

## Prof. Watkins' Two New Books To Appear Soon

Two books by Professor Lawrence Edward Watkins—one his third novel and the other a children's story—will roll off publishers' presses during the summer months and will be released in the fall.

The novel, "Gentleman from England," is tentatively scheduled to hit the bookmarket in September, but may not be released until the winter season. It is a historical novel of the post-American revolution period, tracing the wanderings of a Tory's son who returns to this country 20 years after the revolution. His travels from Philadelphia to Lexington are featured.

Although written against a background that is historically correct, the book is "not so deadly serious as other historical novels," according to its author.

"Gentleman from England" is being published by Alfred A. Knopf, New York house which brought out Mr. Watkins' first two novels, "On Borrowed Time," his first, made a highly-successful appearance in 1938, and was subsequently presented on the stage and screen. His second novel, "Geese in the Forum," was published last summer.

Mr. Watkins' other new book, "Thomas Jones and His Nine Lives," is the story of a black cat and will be published on October 1 by Harcourt, Brace and company. The book, according to Mr. Watkins, is actually a "compilation of cracks" made by Margaret Jean, second of the author's three children. It is profusely illustrated with pen drawings done by Janice Holland.

## Six Faculty Men Are Advanced

President Gaines announced today the promotions of six members of the faculty as approved by the Board of Trustees at their meeting yesterday afternoon.

Rupert N. Lature, Associate Professor of Political Science and Sociology, was promoted to the position of Professor of Sociology, while O. W. Riegel, Associate Professor of Journalism was made Professor of Journalism.

A. R. Coleman, before the appointment Associate Professor of Accounting, was advanced to the position of Professor of this subject, and M. O. Phillips was advanced from Associate Professor to Professor of Economics and Commerce.

Ollinger Crenshaw was promoted from Assistant Professor to Associate Professor of History, while J. Higgins Williams was made an Associate Professor instead of an Assistant Professor of Political Science.

## Clarence R. Avery, '14, Joseph Lykes, '09, Named To Board of Trustees

Joseph T. Lykes, '09, and Clarence R. Avery, '14 were elected to membership on the Board of Trustees of the university at a meeting of the board yesterday afternoon.

Mr. Lykes, of Pelham Manor, N. Y., served as president of the General Alumni Association two years ago. He succeeds Oscar C. Huffman of New York, who died several weeks ago.

Mr. Avery, of Chattanooga, Tennessee, has been active in Chattanooga alumni chapter for a number of years. He succeeds Harrington Waddell of Lexington, resigned.

Mr. Lykes is an officer in the firm of Lykes Brothers, Inc., steamship agents, and Mr. Avery is president of the Chattanooga Glass company.

All participants are urged to be at the gym at 10:45 tonight. The figure will open the ball and will begin promptly at 11 o'clock.

## Leads Final Ball Tonight

Miss Barbara Hood of Leland, Mississippi, who will lead tonight's Finals ball in Doremus gym with Cameron Dean, Finals president. Tommy Reynolds and his orchestra furnish music.

## Honor Students Awarded 32 Scholarships, 12 Prizes

Sixteen endowed scholarships, 16 departmental scholarships, and 12 prizes were awarded this morning at Commencement exercises after being confirmed by the faculty at a meeting yesterday morning.

Edward Eugene Hunter, of Wilmington, North Carolina was selected for the Howard Houston fellowship, which brings \$420 and requires teaching of two hours of classes.

Latham L. Thigpen, Jr., of Richmond, Virginia, was awarded the Mapleson scholarship of \$300.

The Vincent L. Bradford scholarship of \$300 was given to Thomas C. Wilson, Jr., of Columbus, Ohio.

John S. Derr, Jr., of Frederick, Maryland, won the Luther Seavers Birely scholarship of \$300.

The Franklin society scholarship of \$300 was awarded to Edward Calohill Burks of Lexington, Virginia, for the second consecutive year.

Norman Francis Wyatt of Petersburg, Virginia, received the James McDowell scholarship of \$300.

The \$180 James D. Davidson memorial fund scholarship went to Thomas O. Fleming of Yorktown, Virginia.

The Robert Alexander scholarship of \$200 was awarded to William Henry Armstrong of Christchurch, Virginia.

Paul Baker, Jr., of Ashland, Kentucky, was given the \$200 George A. Baxter scholarship.

Cariyle Westbrook Barritt of West Pittston, Pennsylvania, received the Henry Ruffner scholarship of \$200.

The \$190 James J. White scholarship went to William Benjamin Hopkins of Rockmount, Virginia. Frederick William Bauer of Kent, Connecticut, received the \$100 Mary Louisa Reid White scholarship in chemistry.

The Taylor junior mathematics scholarship of \$100 was awarded to Robert Edmund Lee of Covington, Kentucky.

Kenneth S. Clendaniel of Milford, Delaware, received the John H. Hamilton scholarship in Greek of \$100.

The Young philosophy scholarship of \$100 went to Frederick Milton Allen of Kenosha, Wisconsin.

The Interfraternity council award went to Howard Wesley Dobbins and Robert Morris Lawrence.

The 16 departmental scholarships of \$100 each were awarded as follows:

Economics: Jay Armand Silverstein of Chattanooga, Tennessee.

Commerce: George Elliot Kearns, Jr., of Lewistown, Pennsylvania.

Biology: Philip Abney Wilhite, Jr., of Richmond, Virginia.

Physics: Magill Kimbrough of Spokane, Washington.

Physical Education: Samuel John Graham, Jr., of Far Rockaway, New York.

## W&L Seniors Win Regional Essay Contest

Herndon, Hunter, Pruitt Take Foreign Policy Contest Prize of \$300

Three Washington and Lee students won first prize for the region comprising Virginia, North Carolina, Georgia, and Florida in the contest for an essay on the principles of a constructive foreign policy, conducted by the Institute for National Policy of the College of William and Mary.

As regional winners the Washington and Lee committee received \$300 in prize money. The students who presented the paper are Samuel Orr Pruitt, Jr., Edward Eugene Hunter, Jr., and Richard Middleton Herndon. Professor J. Higgins Williams acted as faculty advisor to the group.

Student committees at 174 universities and colleges throughout the country entered the contest, whose aim is to give students an opportunity to influence national thought on foreign policy through cooperative study. A Duke university committee was runner-up for the region.

The three judges for the region, one of the nine into which the country was divided, were Blanton Fortson of Athens, Georgia, judge of the superior courts, Western Circuit of Georgia; Virginius Dabney, editor of the Richmond Times-Dispatch, and Dr. Francis P. Gaines, president of Washington and Lee.

A national committee of three is expected to announce the national winners within a short time. The national prize is \$450. The committee for this is Senator Elbert D. Thomas of Utah, Hanson Baldwin of the New York Times, and Admiral H. E. Yarnell, U. S. former commander of the Asiatic fleet.

Herndon and Pruitt are both fourth year academic school men and are members of Kappa Sigma social fraternity, while Hunter is a fourth year commerce school man.

## Uva. Offers Scholarships To Journalism Students

Two W&L students will be chosen by the journalism department to attend the two week session of the Institute of Public Affairs at the University of Virginia in Charlottesville from June 23 to July 4.

The two delegates will have room and board furnished, but they will be required to provide their own transportation.

Twenty-five other universities have been offered similar opportunities to send delegates.

## Dean's Plan Proves Success; Fleishman Disavows Cynical, Sardonic Attitude in Valedictory

Washington and Lee held its first outdoor commencement in the 192 years of its existence this morning on the lawn in front of Lee Chapel, the only indoor exercises being the delivery of the diplomas and honorary degrees.

Although it was only an experiment, and while no provisions have been made to hold next year's graduation exercises in the same manner, the step was a radical departure from the customary routine at Washington and Lee. It was proposed by Cameron Dean, president of Finals, and was approved by the executive committee of the Board of Trustees.

## Collegian Poll Winners Listed In Final Issue

The Finals Issue of the Southern Collegian, school quarterly magazine, was distributed yesterday as the editorship of Latham Thigpen and the business management of John Weathers came to a close.

The winners of the Collegian student body poll were announced in the issue. They follow: Prettiest Mink—Jim Clark; Ugliest Mink—Syd Lewis, first; Perry Simmons and Tom McClure; Most Overrated Mink—Brad Dunson, first; Charlie Chapman, second; and Henry Roediger, third; Biggest Politician—Charles Hobson, first; Dodo Baldwin, second; and Al Snyder and Hugh Strange, tie for third.

Bobby Neal was chosen the most likely to succeed by the poll, while Neely Young was named the biggest "shine." Randolph-Macon, Sweet Briar, and Hollins were voted the best girls' schools, and Lexington as usual was determined as needing women most. The Southern Inn was named the most popular eating place.

Hugh Strange is the biggest man about town, according to the tabulation, while Bill Torrington was voted second for this honor by those who polled. Budweiser was named the most popular beer, and the Collegian was named the most popular student quarterly magazine.

"The House McCrum's Built" by Thigpen was the main article of the issue, while Sonny Heartwell's "This Tennis Racket" received the second most important position. Lou Shroyer wrote "Lexington Merry-Go-Round," while short articles were contributed by Wally Clayton, Harrison Kinney, and Walt Browder.

Five honorary degrees were awarded to William Allan, M. D., which were for Doctors of Divinity, two for Doctors of Science, and one for Doctor of Law.

# WRIGHT ANGLES

By Dick Wright

The Editor of this newspaper is set on having this and all other columns in for the last issue of the year, and even though we have absolutely nothing to say, and even though we are very very tired, here are a few uninteresting items which will fill up a little space if nothing more.

Wright

Ring-tum Phi picked two all-intramural baseball teams, but unfortunately one sparkling outfielder was left off the list by mistake, so we hereby create a third team. Only one member of the Student Body is worthy of being placed on said club—the only baseball player in this or any other league than can teach three fraternity brothers how to play "gin rummy" with one hand and catch a ball with the other—John "Muff" Goode, of the San Antonio Four Ear league—from the show of the same name. Goode has been named "Lookout."

"Beautiful" Buddie went the way of all flesh before the eighth round as we expected, although the Ancil (Chez guys we was robbed) Hoffman pug put up a spirited battle for a short time. Of course Donovan is a great big bum, a louse, and a rotten referee, but those journalistic sleuths who have been dragging Donovan's name through Buena Vista mud and back, seem to forget that Arthur has handled some mighty tough fights as nicely as you could want any "bum" to handle them.

For a couple of years Billy Conn, the only real "white hope" in the U. S., has been drinking milkshakes regularly in an effort to put a little extra poundage for his fight with the Bomber in June—which would bring him in around 182 at the most. But, unfortunately, Conn is another Tommy Loughrin. If Tommy couldn't lick Primo Carnera, a mug with little or no boxing ability and a cream puff right hand propelled only by some sort of savage instinct, Conn will have a tough time putting the skids to Louis—just about one of the greatest fighters of all time. If Conn doesn't get killed it will be nothing short of a miracle.

We have a very vague idea that Washington and Lee's football team next year will be one of amazing potency. Far be it from us to make predictions, but, if Bill Furman, Ligon, and Baugher are not drafted, the Generals will have a club that will make Old Dominion sporting experts sit up and take notice. Kindly don't say, we quote "nuts to that stuff, brother—we've heard that one before."

Under the expert tutelage of Riley Smith, the Big Blue should give Lexington fans something to crow about—by something to crow about we refer to maybe an even break in games this season. Ed Marx was exempt from the draft as a result of his leg injury sustained in the Staunton Military Academy ball game last year, which is one consolation.

We're not sure just where Ed Boyd is playing lacrosse this week, but according to "lippie" Lou Shroyer, as of page two, Boyd has been invited to play in the annual North-South All-star lacrosse game to be played in the city of Baltimore.

Also Cliff Muller, Washington and Lee's paramount miler, will compete twice in Madison Square Garden within the next two weeks and the Big Blue ace should do well by himself after winning that Amateur mile affair down South a couple of weeks back in 4:28, which is good time in any man's league. We're trying to stretch this out to six copy pages. If you're bored read Shroyer's column.

Although few of us knew Lou Gehrig personally, it is with much regret that we join in saluting one of the greatest baseball personalities of all time. Gehrig was the perfect example of a clean-living ball player which you hear so little about these days. Even though there are few of us who knew Gehrig, very few of us failed at some time or other to get a thrill as the mighty Lou lumbered up to the plate, picked out his favorite war club and slapped the ball out of the park. Lou Gehrig will probably go down in baseball history as the greatest first baseman that ever lived.

# Perry's Appearance As Coach Highlights 1940-41 Sports Season

## Season's Record Of Varsity Teams Is .485 Average

The high point of the 1940-41 school year in athletics at Washington and Lee was Fred Perry's three-weeks stay here as coach of the Generals' tennis team.

Perry, the British star who only Sunday recaptured the world's professional championship which he won in 1938, opened his sojourn in Lexington on April 28, when he appeared in a series of exhibitions on the University courts, with Dick Skeen, Johnny Faunce, and Joe Whalen, three fellow professionals. Only 48 1-2 percent of W&L's varsity athletic contests during the academic year just ended were won by the Blue and White. Teams in the 11 varsity sports won 48 contests, lost 51, and tied three. Most successful in 1941 as in the previous year was Coach Archie Mathis' wrestlers who pulled one of the season's biggest surprises in winning the Southern conference championship.

The comparative standings of W&L's sports are as follows:

Sport	W.	L.	T.	Pct.	Pct.
Wrestling	5	2	0	.714	1.000
Golf	4	2	1	.667	.667
Cross Country	2	1	0	.667	.750
Tennis	9	6	0	.600	.636
Basketball	11	10	0	.524	.611
Crew	1	1	0	.500	.500
Swimming	3	4	0	.429	.500
Baseball	8	11	1	.421	.263
Track	1	2	0	.333	.500
Lacrosse	2	5	0	.286	.667
Football	2	1	7	.222	.429

The 1941 wrestling team, which lost only to Illinois and North Carolina, was the only champion team. In other sports a few individuals managed to take most of the headlines.

Coach "Cookie" Cunningham's basketball team, although finishing fourth in the Southern conference standings, never quite reached its 1940 heights. Dick Pinck, the Blue Comets' high scorer, was selected on the Associated Press All-Virginia team for the third successive year.

Football, the sport in which W&L took only two games while losing seven, nevertheless had as its captain Jack Mangan, who was selected on Bill Stern's Little All-American as announced in Life magazine.

Other notable achievements this year were the upsurge of Cap'n Dick Smith's baseball nine to second place in the Big Six, Bill Noonan's defeat of Dixon Brooke, the University of Virginia's National Intercollegiate golf champion in the W&L-UVA. match, and the work of Cy Twombly's medley relay team of swimmers, Webster, Murdock, and Garretson, who for a few weeks held the conference medley relay record.

In track, Cliff Muller, Herb Friedman, Hank Woods, Charley Gilbert, and Lillard Ailor set new W&L records. Bill Murray was unbeaten in four meets in the 440, and Chuck Wooters, captain of the frosh, won the Southern conference indoor 60-yard dash in freshman competition and won six events in two spring meets.

Ed Boyd played so well with the varsity lacrosse team that he was invited to play with the Southern All-Stars in the North-South game in Baltimore later this week. In spite of his stellar play the General stickwielders had to relinquish the Dixie league title to North Carolina's Tarheels.

A fencing team was organized this year but it has not been recognized this year but it has not been recognized yet.

## University Improvements Promised During Summer

J. Alexander Veech, superintendent of Buildings and Grounds announced today that a rather extensive campaign for improving the University would be put into effect during the summer.

The outside of the Student Union will be painted according to Mr. Veech. A general painting and cleaning will be given to the interior of Doremus gymnasium.

Provided that the Board of Trustees allots sufficient funds, the board walks around the library which have served since the reconstruction of that building will be replaced with brick walks similar to those in front of the college.

# Perry Wins World Net Title Crown

## W&L Net Coach Beats Skeen to Capture Title First Time Since 1938

Fred Perry, Washington and Lee tennis coach during the recent season, stroked to his second world's professional tennis championship in the last four years Sunday afternoon when he defeated Dick Skeen of Hollywood, 6-4, 6-8, 6-2, 6-3, on the Chicago Town and Tennis club courts.

Perry, who has been on an exhibition tour with Skeen and Johnny Faunce, also of Hollywood, before and since taking over coaching duties at W&L this spring, regained top spot in the moneyed ranks with a brilliant display of net tactics over Skeen in their finals tilt.

The former British Davis Cup star virtually outstepped Skeen in the third and fourth sets to run out the match. After the veteran Californian had pulled even in the second canto, Perry erred but few times in the deciding sets, while Skeen's game seemed to crack under the hot pace as he repeatedly muffed easy placements and volleys.

Perry had gained his finals berth with a four-set triumph over Keith Gledhill, Los Angeles pro, the day before, when Skeen reached the last round by downing Faunce, his doubles partner, in four sets.

The dapper Faunce, who assisted Coach Perry during his month's stay here, turned in the major upset of the tournament when he ousted defending champion Don Budge in the first round play. Faunce was definitely "hot" in beating the highly-favored Budge but could not regain his form against Skeen in the semifinals.

After a brief rest, Perry returned to the court to cop a double-triumph for the day by teaming with Budge to win the pro doubles crown in three straight sets over Lester Stoefen and Gledhill.

Perry received \$400 for his singles victory and split the \$500 doubles stake with Budge.

The former English net idol was three times United States National Amateur champ. Deserting the amateur ranks in 1938, Perry started his professional career by annexing the world's title that year. Ellsworth Vines and Budge won the championship in 1939 and 1940, with Perry regaining his laurels this spring.

With the termination of tentative plans, Perry will return to W&L next year to coach the Blue netmen.

# Muller, Friedman Take Track Honors In Va. A.A.U. Meet

Cliff Muller and Herb Friedman again captured track honors when they competed in the Virginia A. A. U. meet at Richmond. Muller set a new record of 4:28 in the Virginia mile, displacing the record held by Mike Crocker, W&L, '39, of 4:37.5, and finished third in the half mile event.

Friedman captured a second in the javelin throw. Herb holds the W&L record for the javelin, while Cliff set a new record of 4:25 this year in the mile.

Muller will compete June 14 in the Metropolitan A. A. U. at New York city, and will run in the national A. A. U. meet at Philadelphia on June 29 and 30.

## New World's Champion

Fred Perry, Washington and Lee tennis coach, who recently took the world's net championship by defeating Dick Skeen, 6-4, 6-8, 6-2, 6-3, on the Chicago Town and Tennis club courts.

# Ed Boyd, LaMotte Are Selected Co-Captains Of Lacrosse Team

Following the close of Washington and Lee's varsity lacrosse season, which saw the Big Blue relinquish its Dixie league crown for the first time in three years, Ed Boyd, goalie and center, and Frank LaMotte, another first-stringer, were elected co-captains of the General stickmen for the 1942 season.

At the same time, Boyd, who has been the main factor in the Blue's two championship drives in the past three years, and who turned in another season of sterling play at both the net and center positions, was chosen by the National Lacrosse committee to represent the southern colleges in the annual North-South game to be played in the Baltimore Stadium later this week. This marked the second successive year that Boyd has been selected from the Dixie league to represent the colleges south of the Mason-Dixon line.

Having their most unsuccessful year since the introduction of the sport here three years ago, Coach Monk Farinholt's stickmen were handicapped from the start by absence of reserve material, and injuries and scholastic difficulties, which cut Pete Pridham, Lou Shroyer, and Gordon Long from

the active duty list at different points on their schedule.

The Blue was able to cop but one engagement in six, that being a 7-2 verdict over the Cavaliers of Virginia. In addition to this, W&L was credited with two forfeit wins over the Wahos and North Carolina, which finished them in second place in the Dixie loop. In the setbacks suffered at the hands of Duke and the Tar Heels, however, the Generals led in each contest with but five minutes of playing time remaining. But lack of fresh reserves proved to be the nemesis for the defending champs, and they bowed to belated rallies.

# Nine Lettermen to Return For Next Year's Ball Team

With nine returning lettermen, and a bevy of stars from this year's frosh squad, prospects for the 1942 General baseball team seem very good right now.

The spot where the Blue will probably be hardest hit is the pitching corps. Bob Gregerson, veteran fastballer, will be lost by graduation, and the other varsity mainstay, Johnny Ligon, will probably be caught in the draft and will not return for a year.

However, Coach Cap'n Dick Smith will still have newly elected Captain Pres Brown, Ted Pearson, a soph right-hander, and two fine prospects up from the yearling outfit in Ev Schneider, the knuckleballer, and Bud Cook. Pearson will be playing ball up in Brooklyn this summer, and if he can gain control, he will live up to what has been expected of him.

Schneider will be pitching and playing infield this summer with the baseball team of the DuPont Co. in Waynesboro, where Cap'n Dick placed him to gain experience. Although he played infield at the start of the year, the W&L coaches were not slow to see pitching talent in Schneider, and he is now regarded as one of the finest mound prospects in some time at W&L. Brown was troubled by a sore arm this year, but should go well in 1941.

Washington and Lee should have a very fine infield next year. Captain Bob Gary, ace shortstop, is the only graduating infielder, and there are many likely looking men from the frosh nine. Doubtless the toughest battle will be waged for the first base spot. Jeff Hudson and Bal Mattox, both of whom played varsity first sacker this year, will have Bill Stephenson, Bill McKelway, and Fred Bauers from the frosh with which to contend. Right now the spot looks like a toss-up with the man who improves most over the summer likely to get first call.

At second base, there is also a wealth of material. Dan Owen, peppery keystone of this year's varsity, returns and seems to have the inside track for the job. However, Harry Baugher played great ball for the Brigadiers this year and may give the more experienced Owen a good run for his money next spring.

At third base, Ted Ciesla of the varsity looks like a four star catch. Teddy will be playing ball in New

Jersey during vacation and needs to improve on his 1941 form only slightly to sew the hot corner up next season. Mac Malloy is also a possibility at this position, and Schneider might play there some, although it is likely that Cap'n Dick will elect to use him at short when he is not chucking. The other shortstop prospect is Stu Smith, who, although somewhat erratic afield, showed signs of exceptional ability with the freshmen this year.

The loss of the slugging left-hander, Bob Keim, will hit the Generals hard in the outfield, but from the men returning from the varsity and those up from the frosh, Cap'n Dick should be able to put together a very satisfactory outfield. Jack Fisher, Floyd McKenna, and George Eshelman all saw lots of action with the Blue varsity this year and are all returning for duty.

Up from the frosh come outfielders Paul Cavaliere, Carl Johnson, and Sam Williams. These boys all played good ball with the gold-plated yearling nine and will make the veterans hustle to gain outer garden spots.

Besides those we have already mentioned that are playing summer ball, word comes that Captain Gary will be playing for Mayodan of the Bi-State league which is in the far system of the Washington Senators of the American league.

Ligon and Owen will play with Suffolk of the South Side League of Virginia, and on June 9th, big catcher Jim Wheeler, who has two more years at W&L, will report to Eddie Collins, Sr., of the Boston Red Sox of the American league and will then go up to New Hampshire to play ball this summer.

#### Commerce Club Elections Not to Be Held This Year

The William L. Wilson Commerce club will hold no election of officers at the end of this term, Al Fleishman, president of the club has announced.

"We feel that there was so little interest displayed in the activities of the club this year by members of the junior class that it would be useless to hold an election of next year's officers at this time," Fleishman said.

### Larger Freshman Handbook To Be Distributed Late in July

Robert Campbell, editor of the 1941-42 freshman handbook, announced today that the book will probably be finished and printed by the latter part of July. Plans, he said, are progressing rapidly, and he added that this year's handbook will be a little larger than last year's.

Girls' school in the vicinity of Lexington are now being contacted, and if enough response is made, a summary of rules for dating in these schools will be included in the new handbook.

For the first time in the history of the publication the cover page will be in four colors rather than the usual blue and white. The four colors will be used to show a front view of the campus.

A few larger articles and several more pages of advertisements will combine to add a few more pages to this year's book, Campbell said. James Davis, business manager of the book, announced that his staff has secured six more advertisements for this year's book than appeared in last year's publication.

Dr. Allan has won national recognition for certain studies in the field of medicine, while Mr. Fishburn is a distinguished business man and a donor of several parks to Roanoke and the state of Virginia.

Charles James Faulkner, Jr., W&L alumnus and general counsel for Armour & Co., Chicago, Illinois, was presented with the degree of Doctor of Laws.

After the presentation of the degrees, the faculty, the graduates, and those who received honorary degrees filed out of the chapel in academic procession.

#### Print Shop to Stay Open During Summer Months

C. Harold Lauck, director of the Journalism Laboratory Press, announced today that the print shop will remain open the whole summer in keeping with a policy established for the past five years.

During the summer a new press will be installed which will have an automatic feeding device attached. Mr. Lauck added that the new press will probably help the shop to turn out better quality of work at a faster speed.

The freshman handbook, the July issue of the Alumni Magazine, fraternity papers and booklets, and work for the administrative offices are some of the jobs done by the shop during the months of July and August. The same staff will be retained for the summer as used during the school year.

### Comment

Continued from page three another girl, or if he wanted to get another girl, it was all right with her. Otherwise, she would be glad to come.

Berghaus, loaded with worries of themes, exams, beer, etc., did not answer for about two weeks. If you were the girl, what would you think?

However, he did say very emphatically that it was all right as it was, and he wanted to have her. Since then he has received no answer as to whether or when she arrives.

A fraternity brother was in Lancaster and called her to learn if she was coming.

"Does he want me to come?" "Sure, he's looking forward to it."

"Well, I'll try to be there." Still no word has arrived and much worse neither has Sue. Have pity on Berghaus, dear reader.

#### Dobbins, Lawrence Given Annual I-F Scholarships

Howard Wesley Dobbins of Louisville, Kentucky, and Robert Morris Lawrence of Pompton Lakes, New Jersey, were awarded the two scholarships of \$150 each given annually by the Interfraternity council.

Dobbins, president of the student body and captain of the basketball team, is intermediate lawyer and a member of Alpha Tau Omega social fraternity. Lawrence is a junior in the academic school and a member of Phi Gamma social fraternity.

Bill Murray and Bud Kerr were last year's winners of the award.

#### Alumni Office Plans Sale Of New W&L Song Books

The alumni office announced today that no concentrated effort has been made this year to sell copies of the new W&L song book because of the short period of time between the close of school and the publication of the book.

However, at the beginning of school next year, a drive will be made, the proceeds of which will go to the Glee Club.

#### Miss Marie Bolton to Wed Dr. L. C. Pettit This Month

Mr. and Mrs. B. A. Bolton of Lockport, New York, recently announced the engagement of their daughter, Marie, to Dr. L. C. Pettit, son of Mr. and Mrs. I. C. Pettit of Baldwin, Long Island, N. Y.

Miss Bolton is a graduate of Cornell University and at present is assistant dietitian at the Delaware state college for women.

The wedding will take place this month.

#### Results of Sleeping Habits Survey Listed by Norton

Sixty-one Washington and Lee students cooperated in a study of sleeping habits over a period of nineteen weeks to show that they averaged 7.85 hours sleep per night and missed 1.39 breakfasts per week.

The survey was conducted by Jay Norton, senior pre-medical student under the direction of Dr. Hoyt, head of the biology department, Dr. Pettit, also of the biology department, and Dr. Reid White. Norton chose this subject for the problem course in biology as material for a term paper prepared for the finals.

Individual records were kept by the students who took part in the survey and it was from these individual records that the final statistics were obtained.

"I want to thank all the students who cooperated with me in this project, and I hope that interest will continue along this line in the future," Norton said.

A Hamilton watch found in the Law building, a candid camera in Payne Hall 21, numerous other articles have been found and returned to the Registrar's office, and may be obtained by applying there.

#### Matt Griffith Is Appointed To General Managership Of The Lexington Gazette

Matthew A. Griffith, former student at Washington and Lee, was appointed general manager of the Lexington Gazette, the oldest weekly in the South, recently by B. F. Harlow, owner of the paper. The appointment, which becomes effective June 16, places Griffith in charge of the news and advertising departments of the paper.

While at Washington and Lee, Griffith served as president of the Non-Fraternity union, president of the Washington society, a member of the Christian Council, president of the Virginia Methodist Student conference, and vice-chairman of the Virginia Youth conference.

During his freshman year he received a Ring-tum Phi key, an unusual accomplishment since these are usually awarded to juniors and seniors. He has served on the staff of the Waynesboro News-Virginian for five years, contributed to the Southern Collegian, and is a member of Sigma Delta Chi, professional journalism fraternity.
