NUMBER 54

Col. Prindle Will Outline New Air Plan

Speaker Will Also Meet All Interested Students In Washington Hall

Details concerning the new Army Air Corps Reserve program for college students over 17 will be presented to the W&L student body by Lieut. Col. Hoyt L. Prindle, commander of the Air Corps sub-depot at Langley Field, at an assembly in Doremus Gymnasium tonight at 8 o'clock.

Lieut. Kayhoe, who recently graduated from the aviation cadet training program, will outline the factual procedure of the new reserve branch at the assembly also.

Tomorrow morning Colonel Prindle will be in the lobby of Washington College to interview students interested in enlisting under the plan.

All students 17 years old or over are eligible for enlistment, and those who sign up will be allowed to remain in school until needed by the Air Corps, at the same time enjoying the status of regular enlisted personnel in the Army.

Washington and Lee is one of the five centers for the program in Virginia. The others are at the University of Virginia, William and Mary, the University of Richmond and VPI.

A meeting of faculty Air Corps advisors was held this afternoon to go over the features of the program with Colonel Prindle.

Downie Elected To Alumni Post

As a climax to the third annual Senior-Alumni banquet held Tuesday night, Walt Downie, outgoing vice-president of the student body, was elected permanent president of the graduating senior class to serve until the first class reunion, tentatively set for five years hence—May, 1947.

Downie is a senior in the academic school, which is a prerequisite for holding the post. Howard Dobbins, president of the student body this year, was named vice-president of the group, the holder of which office must come from the senior law class.

Outgoing student body secretary Tom Clark was also accorded the secretary position in this balloting, which is customarily awarded to a commerce school graduate.

Featured speakers at the banquet were Dr. Gaines, Dobbins and John C. Morrison, president of the Alumni Association.

V-5 Agent Will Interview Students Here Tomorrow

Ensign A. E. Jones of the Naval Aviation Cadet Selection Board (V-5) will be at Washington and Lee, (Room 22, Newcomb), Saturday, May 2, to interview and discuss with students interested in Naval Aviation (V-5), Dr. W. H. Hinton, co-chairman of the W&L V-5 board, announced today.

EC Will Name 2 Members To Athletic Council

The appointment of the two student body Intercollegiate Athletic Council members will take place at a meeting of the executive committee of the student body Tuesday evening, Tom Clark, student body secretary, announced today.

Applications, in the form of letters to Clark, must be in the secretary's hands by six o'clock Tuesday evening. The present council members from the student body are Tommy Fuller and Tyke Bryan.

Zelnicker to Be 1942 Handbook Editor-in-Chief

Edwin A. Zelnicker, junior from Mobile, Ala., was elected by the Christian Council board Tuesday night to edit the 1942-43 edition of the Freshman Handbook. C. Harold Lauck, head of the Journalism Laboratory Press was chosen to handle the business end of the publication.

Under the new program of the Council concerning the handbook, Zelnicker's application was voted upon by both old and new boards of the council; the executive committee of the council approved the election, and the faculty committee on Christian Council activities later gave their approval.

The edition will have around 500 copies to be distributed to freshmen about three weeks before their arrival on the campus for the regular 1942-43 term. The handbook will explain completely to freshmen the entire workings of the University and will carry messages from President Gaines and the editor.

This year's book will be some 12 pages shorter than last year's edition, but the cuts will be made in the memorandum and the advertising sections. Again this year, however, there will be a full color cover of a University scene. Zelnicker has not yet appointed his staff.

Zelnicker worked on the Ring-tum Phi for the past three years and was recently defeated for the editorship of the newspaper by Joe Ellis. He is vice-president of Zeta Beta Tau social fraternity, secretary of Phi Eta Sigma and Sigma Delta Chi, and is a member of Graham-Lee literary society and the Lee Dinner Forum.

Christian Council Installs New Executive Board of 15

The executive board of the Christian Council for the coming year was formally installed at a special meeting held Tuesday night. The board consists of the four major officers of the Council, who were recently elected, assisted by eleven committee heads selected by the outgoing board and Religious Director Seymour Smith.

Those chosen for the various committees were Bobby Seal, Community Work; Stan Carmichael, Social Study; Al Sharitz, Retreats and Social; Corneal Myers, University Religious Conference. Jerry Shammhart, Publicity; John Derr, Missions; S. L. Kopald, Finance; Cal Bond, Deputations; Don Richardson, Local Churches; Larry Sullivan, Vespers and Phil Sellers, Fraternity Forums.

Managers to Register Fraternities With Rationing Board Monday

Fraternity house managers were requested to register for everyone in the house over 18-years-old, including the house mother, in a statement issued today by the local rationing administration concerning the nation-wide sugar rationing registration to be conducted Monday through Thursday of next week.

Non-fraternity boys in boarding houses and eating at restaurants will have to register personally, while students under 18 will be registered at their home towns by their parents or legal guardians. The statement warned, however, against double registration by parents and the student.

Registration at Lexington will take place between 2 and 6 p.m. at the grammar school on East Washington street, the Ann Smith academy across from the post office and the high school on the Myers street extension. Registration will also be held at the high school only from 7 to 9 p.m.

The house manager, not the house mother as previously rumored, is asked to call at a registration desk Monday to get application blanks for everyone in the house over 18. Each person will fill out his own blank at the house with the exception of the signature.

Walker, Scherr Will Head IFC Under New Plan

Jim Walker, Sigma Chi junior from Clayton, Mo., was elected president of the Interfraternity Council at a meeting held in the Student Union last night. Ed Scherr, PEP junior from Petersburg, Va., was elected secretary in the only other balloting.

Walker and Scherr assume their duties at an all-important meeting of the group slated for Tuesday night. The 1942-43 council, composed of presidents and house managers of the 18 social fraternities on the campus, will convene for the first time then.

Several important business matters lie ahead of the new group. John Walter Stowers, outgoing president of the council, said yesterday. First in line will be the establishment of a new set of fraternity rushing rules to govern rushing next fall and during the approaching summer session.

Listed among the other items to be covered at the Tuesday session were the selection of a vice-president from among the 36 new council members and the considering of applications for the two \$150 Interfraternity Scholarships to two fraternity men on the campus.

Several students who are seeking the grants, which are annual gifts of the council, have already filed letters with the organization, Stowers added.

(See IFC ELECTS, page 5)

The house manager will then return the blanks to the registrar, sign each one and get the rationing books for each person in the house. At this time, he will declare the amount of sugar at the house. Students at boarding houses will not have to declare the sugar at their residence.

No book will be given to anyone where there is sugar over the four pounds per person limit. These persons are requested to register, and they will be given their book when the amount reaches the required limit. Forms from the Office of Price Administration will be distributed explaining in detail the use of the war ration books.

The ration stamps may be detached only in presence of an agent of the merchant and are void otherwise. The first four stamps represent one pound of sugar each for two week periods starting May 1. The OPA will determine the worth of the remaining 24 stamps in later announcements. The ration week runs from Saturday midnight to Saturday midnight.

The application forms include the full name and address of the applicant, height, weight, color of eyes, color of hair, age, sex, and the amount of sugar in the person's possession at the time.

Glee Club Performances On Annual Eastern Trip Receive Wide Acclaim

Drawing wide acclaim for their performance in Washington's National Cathedral, the W&L Glee club returned to Lexington Tuesday after concluding two other appearances at National Park College and Mary Washington, Fredericksburg, Va.

The 51 members of the club were directed by Waller Dudley, student conductor, in the absence of Director John G. Varner.

Following the concert at National Park, members of the club were entertained at one of the school's largest dances of the year. A reception was given for the club at Mary Washington college.

Hampered by shortages of rail and bus transportation and the new 40-mile speed law, the glee club was forced to cut its trip in half this year by not extending the tour north of Washington. Other tentative trips planned by the club will be taken in several weeks, Paul Brown, club president, said.

An engagement to sing here with the Hollins glee club tonight was called off earlier this week. The club is now practicing for the spring concert, which will be given on the campus in a few weeks.

Literary Society to Initiate

Initiation of new members of the Washington Literary Society will be held Monday night at 8:15 in the Student Union, President Bill Noonan announced today.

\$7.00 Ticket Price Advances May 6 To \$8.80 for Set

With the drive for advance subscriptions to Finals only two days old, President Brad Dunson announced this morning that the sign-up was doing "as well as can be expected at this early stage."

Members of the finance committee of the two-day set, which will feature the music of Hal McIntyre and his orchestra, will canvass the campus again Monday noon in an effort to push the subscriptions above the 250 total required for a financially successful dance.

The price of ducats in the advance sale is set at \$7.00—\$6.36 for the dances and the remainder for government amusement tax. When the drive closes next Wednesday, May 6, the total for the three dances will jump to \$8.80.

Students may sign up at the low rate with any member of the finance committee at any time or at the office of the Treasurer of the Student Body in the Student Union.

Dunson also said that McIntyre had written him that he had recently added a quartet to his band personnel. Calling it the "Anonymous Four," he expects to get a name for the group soon.

Several records of the Finals band can be heard on nickelodeons around town, and during the next week or so the State Theatre will run a short, "A Band is Born," showing the rise of McIntyre from an obscure and new organization six months ago to one of the most popular and up-and-coming bands on the air today.

Committees Announced

Bill Scott, president of the senior class, and John Walter Stowers, Interfraternity Council head, today announced the list of officers and committees for the combined Senior-Interfraternity Ball, which will be held the first night of Finals on May 25 from 10 p.m. to 2:45 a.m.

Because of the shortened set it was necessary to combine the two dances which are ordinarily staged on separate nights. The figures will be led individually, however, one before intermission and the other following.

Assisting Scott in the Senior figure will be Bob Baker, Bill Martin and Ralph Stewart. Committees for this figure follow:

Finances: Frank LaMotte, chairman; Bob Cavanna, Tom Clark, John Deyo, Charlie Didier, Walt Brownie, Bernie Levin, Pete Pridham, Lane Sartor and Clyde Smith.

Floor: George McKay, chairman; Bob Baker, Brad Dunson, Grady Forgy, Bob Gage, Aubrey Matthews, Harrell Morris, George Parton, Dick Spindle and John Walter Stowers.

Invitations: John Embry, chairman; Jack Barrie, Joe Baugher, Tommy Fuller, Scott Gilmer, Bob Loeb, Bob Pinck, W. O. Shropshire, Stuart Stephenson and Paul Zumkeller.

The Army's Answer

Answering Hitler's and Hirohito's challenge to America and answering, at the same time, the cry of college men that they be allowed to complete as much of their education—education which will better equip them for their fighting posts—as possible before entering the service, the U. S. Army Air Corps' new reserve enlistment program will be presented to the W&L student body at an assembly tonight by Lieut. Col. Hoyt L. Prindle.

The purpose of the plan and the need for trained men is ably discussed in an Army release:

"From coast to coast—in the skies over America—there is a thundering drone of fighting ships. The mightiest air fleet in the history of the world is mobilizing for victory!"

"So fast is it growing that there is a place here—an urgent need here—for every college man in America who can qualify for Officer's Training.

"The U. S. Army Air Forces need officers . . . flying officers and ground crew officers. And many of them must come from the ranks of today's college students—men who make **their plans now for the necessary aviation cadet training.**"

The advantages of the program are many and are well worth pointing out again.

First, if you want to fight for this country in a branch where you can best serve and in a branch where you will receive advancement and education that can never be duplicated, this is it.

Second, you equip yourself to capitalize on the opportunities for aviation in civilian life, which have yet been barely touched.

Third, a special W&L squadron will be formed of those who enlist and you will be able to share with fellows you already know the pleasure of working and training.

Last, the pay and conditions under which you will train are the best provided for any fighting men anywhere. As an aviation cadet you receive \$75 per month with additional allowances for subsistence, clothing and travel. As a second lieutenant on active duty your pay will range from \$183 to \$245 a month.

W&L's minute men of the Revolution, Greyclads of the War Between the States and Doughboys of the World War will have just cause, it is certain, to be proud of W&L's musketeers of the ir in this war for survival.

Pity the poor, poor Japanese. They need living room so badly in their own overcrowded country, where 485 persons live per square mile, that they are trying to move into Java, where there are only 821 persons per square mile.—*Minneapolis Times.*

FILMS . . .

Hope no one who likes Marlene Dietrich missed "The Spoilers," as it was one of the best she's ever done. Marlene kept your interest up, and the classic fight almost knocked you out of your seats. Universal just likes to tear up things.

"Sons of the Sea" unfortunately came to the Lyric yesterday. We spared ourselves this one, but a boy we know said about it: "....." After washing his mouth out with soap we see that "Mister V" starring Lessie Howard, produced by Lessie Howard, directed by Lessie Howard will play at the State Saturday. This is another super-thriller about Nazi, spies, Gestapo agents and other exciting people. Howard stays in one place about as long as a hair is on a rabbit.

"Te Fleet's In" Monday-Wednesday at the State. An old story about a sailor who makes a bet he can't kiss a girl or something like that. We know for sure that Dorothy Lamour (scheduled to be the star) could be swallowed by the sea without any real danger to the movie, and that Jimmy Dorsey pronounced (Helen O'Connor) is the main reason to see "The Fleet's In."

Joe E. Brown plays in a rip-roaring western Monday and Tuesday at the Lyric. . . Music lovers, remember that Rubinoff will appear in person at the State, May 21.

LETTER

Washington, D. C.
April 28, 1942

Dr. Francis P. Gaines
Lexington, Virginia

Dear Dr. Gaines:

You would have been proud to hear your Glee Club at the National Cathedral Sunday afternoon at four o'clock.

I have listened to these boys sing now for the last five years, and this is one of the finest recitals that I have ever had the pleasure of listening to. The minister gave them a wonderful tribute.

With kindest regards, I remain
Sincerely yours,
Arthur Clarendon Smith

The editor of the daily Fredericksburg Free-Lance Star had this to say:

"The Washington and Lee Glee Club put on a dandy performance at Mary Washington College last night . . . more than a few of the audience of 1,600 who filled George Washington Hall to hear the free concert agreed that the W&L songsters were superior to some of the Lyceum numbers for which the admission is \$1, plus tax. . .

"The 41 singers not only performed with professional skill and artistry but they looked very nice, particularly to feminine eyes, in their trim white jackets, dark red sashes and black trousers.

"Three W&L boys did pleasingly well with solo parts, but it was the long-legged tenor who wowed the girls with a soul-stirring rendition of "Believe Me if All Those Enduring Young Charms." ("Daddy Long Legs" is San Carmichael.—Ed.)

"Best performance was turned in by Waller Dudley, of Alexandria, who didn't sing but was called out of the ranks to fill the shoes of Dr. John G. Varner, who was unable to accompany the club."

Fire Fighters Dept: Things were just getting peaceful at the Phi Gam House last Saturday night about 2 a.m. Mouser and Ginestra were in bed, "Slugger" Eshelman had just finished polishing his bat, and Ken Merrill was all set to turn in. Then the phone rang. Big-hearted Merrill answered it, and it was the Forestry Department wanting volunteers to fight fires.

Still in a quandry from previous activities of the night, Merrill agreed to get 60 men inside of an hour. Inside an hour Merrill had 60 men lined up, and loaded onto two trucks a motley crew, composed of such individuals as Bob Campbell (the Beta bum), Bud Robb, Harold Rochelle Levy, Chuck Jackson, Marvin Finkelstein and others.

When the boys finally awoke from their naps on the truck, they found themselves on some hill near the West Virginia border with flames and CCC boys all around. Most of Merrill's "Saturated Sixty" didn't even know they had left to fight a fire. Seems Merrill had promised all of them dates at George's. Most amazed of all was Ken himself, who had volunteered his service under the misconception that fire was at Harrisonburg, and that the trees on the Madison campus were afire.

So the "Saturated Sixty," minus Bromo-Seltzer, and with nothing but slum gullion to eat for 22 hours "fought" the fire all day Sunday. It was a sad and worn-out crowd that got home at midnight Sunday—vowing to a man they'd never fight another fire.

Seen or Heard: Prize shaft of the year belongs to Allie Lane, who went up to Washington for a date with the girl he'd been going with for three years—only to find her married. "I'm sorry, Allie honey, it's just one of those things. You know what I mean" . . . Marshall "Boley" Steves, last week laid out complete plans for a swimming pool in the Sigma Nu yard, to be named "The Bolenciwez

Memorial Plunge." The plans were damn good except "Boley" found out he had no way to get water in the thing, and even if he did, he had no drainage system to get it out. Steves' comment on the situation was: "I just don't understand it, that's all!"

Bernie Levin—whose chief claim to fame now is that his father bottles (personally, not administratively) Old Milwaukee beer in the emerald green bottles—out on Main Street pan handling for nickles to get enough dough for a short trip to Roanoke. . . Mase Henderickson is going to be a lonely soul with Marable caught in the draft. . . Bill Phillips had a heckuva time this week with Aberg back in town monopolizing Martha. . . Biggest kick of the year was Editor-in-Chief Levy being told by a restaurant proprietor in Hot Springs that he wasn't 21 years of age.

The best thing that could happen to Lexington would be the proprietor of the Pine Room trying another re-opening. . . Lud (Clark Gable) Michaux is really having a time these days trying to get those eyebrows to look their best. . . Steve Stevens, the guy with the deep, dark past and "bedroom eyes," really wowed 'em at Hollins last weekend. . . Like hell she was the most beautiful girl at the dance, Cuttino. Pay up quick, or all will be told.

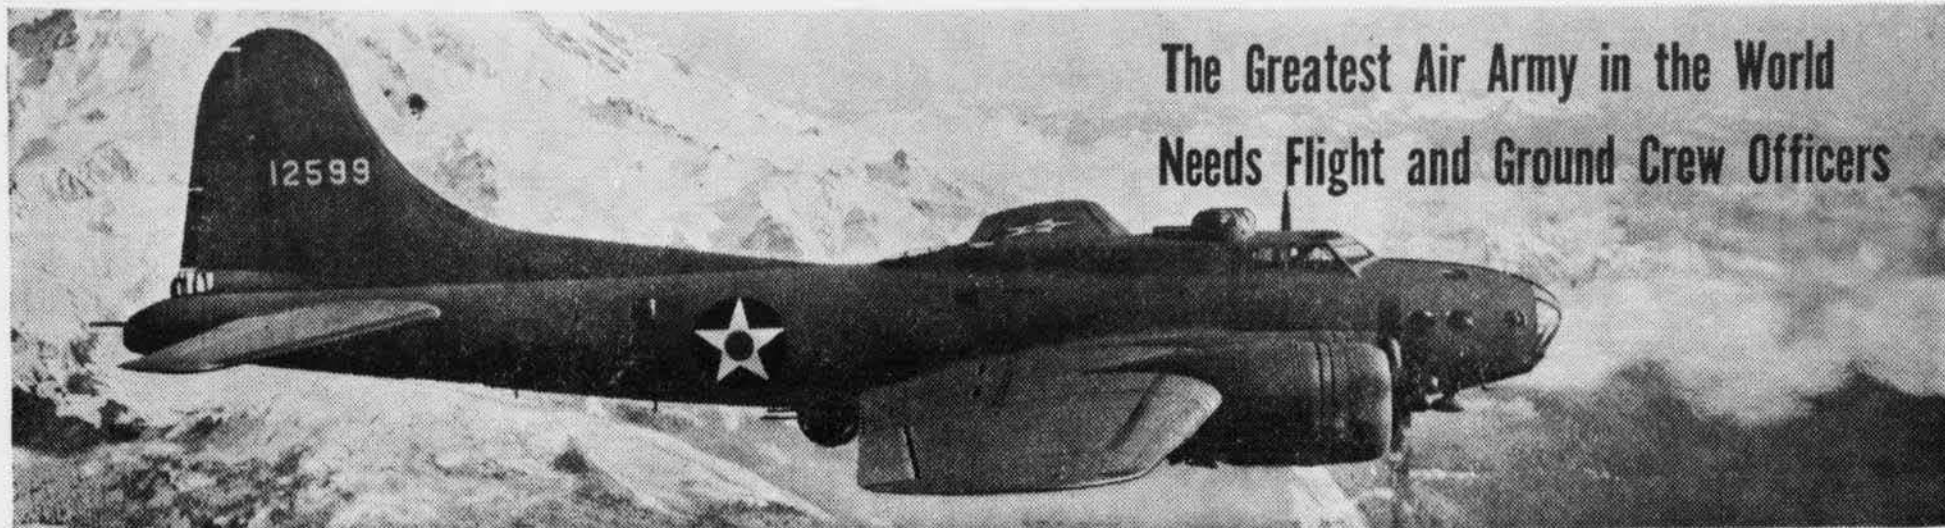

Pete Day tells us that it's near time for Seedy Cal Bond to haul out his Chemical Cloth suit for warm-weather wear. . . Best-Seller for 1942: Ray Whitaker in the AFS, or The Only Ambulance Driver in Africa Who Didn't Know How to Drive. . . K. L. Shirk the Jerk still solidly behind the Lancaster Red Roses, who are now fighting it out with the Hagers-town Owls for something or other in the Interstate League. . . Old Vince Ignico, alias the Governor of the Bahamas, is really trying hard for a starting spot on that Phi Kap softball team. . . And time flies on.

The Greatest Air Army in the World
Needs Flight and Ground Crew Officers

NOW FOR COLLEGE MEN A NEW OFFICERS' TRAINING PLAN

★ **New Deferred Service Plan Allows You to Continue Your Education** ★

In the skies over America the mightiest air fleet in the history of the world is mobilizing for victory!

So fast is it growing that there is a place here — an *urgent need* here — for every college man in America who can qualify for Officer's Training.

The U. S. Army Air Forces need Flying Officers and Ground Crew Officers. And many of them must come from the ranks of today's college students — men who make their plans now for the necessary Aviation Cadet training.

Thanks to a newly created Air Force Reserve plan, men of all classes — aged 18 to 26, inclusive — can enlist for immediate service or continue the scholastic work required for graduation before being called to active duty.

You must meet the requirements for physical fitness, of course. In addition, you take a new simplified test to determine your ability to grasp the training. A college man should pass it easily.

\$75 A MONTH DURING TRAINING

Those accepted who wish immediate duty will go into training as rapidly as facilities permit. As an Aviation Cadet, you are paid \$75 a month, with subsistence, quarters, medical care, uniforms, equipment, traveling expenses.

In 8 months you can win an officer's commission as a bombardier, navigator or pilot — and be well started on your way to serve America and advance yourself in aviation.

MANY BRANCHES OF SERVICE

There are also commissions awarded in ground crew service. College men particularly

THREE ENLISTMENT PLANS FOR COLLEGE MEN

**Juniors—Sophomores—Freshmen
May Continue Their Education**

1. A new plan allows Juniors, Sophomores and Freshmen, aged 18 to 26, inclusive, to enlist in the Air Force Enlisted Reserve and continue their schooling, provided they maintain satisfactory scholastic standings.

**All College Men May Enlist
for Immediate Service**

2. All college students may enlist as privates in the Army Air Forces (unassigned) and serve there until their turns come for Aviation Cadet training.

3. All college students may enlist in the Air Force Enlisted Reserve and wait until they are ordered to report for Aviation Cadet training.

Upon graduation or withdrawal from college, men will be assigned to active duty at a training center as facilities become available.

If the necessity of war demands, the deferred status in the Army Reserve may be terminated at any time by the Secretary of War.

The new Army Air Force Enlisted Reserve Plan is part of an over-all Army Enlisted Reserve Corps program shortly to be announced. This program will provide opportunities for college men to enlist in other branches of the Army on a deferred basis and to continue their education through graduation if a satisfactory standard of work is maintained. In case of necessity the Secretary of War shall determine when they may be called to active duty.

It is understood that men so enlisted will have the opportunity of competing for vacancies in officer's candidate schools.

This plan has been approved in the belief that continuance of education will develop capacities for leadership. (Reserve enlistment will not alter regulations regarding established R.O.T.C. plans.)

will be interested in the requirements for Armaments, Communications, Engineering, Meteorology, Photography. If you have engineering experience your chances of getting a commission are excellent.

This past year about 80% of all Aviation Cadets were commissioned as Second Lieutenants — about 67% as flying officers. Those who do not qualify remain in the Air Forces on an enlisted status and have further opportunities.

As a Second Lieutenant on active duty with the Army Air Forces, your pay ranges from \$183 to \$245 a month.

ACT AT ONCE

If you want to fight for America, this is where your blows will count.

If you want the best training in the world, and years of solid achievement in aviation — the great career field of the future — this is where you belong. Your place is *here* — in the Army Air Forces.

If you plan to enlist immediately, start getting your necessary papers ready for the Aviation Cadet Examining Board when it meets in your locality. For complete information, see your Faculty Air Force Advisor. You can take your mental and physical examinations the same day you apply. Get further information *now*.

NOTE: If you wish to enlist and are under 21, you will need your parents' or guardian's consent. Birth certificates and three letters of recommendation will be required of all applicants. Obtain the forms and send them home today — you can then complete your enlistment before any Aviation Cadet Examining Board.

Golfers Tackle Hampden-Sydney In Preparation for SC Tourney

Cy Twombly's varsity golfers today were seeking their second win of the week in the final match before the North Carolina trip and Southern Conference tournament as they met an aggregation of stokers from Hampden-Sydney on the local links.

In previous engagements this week, the linksters had lost a 12½ to 5½ decision in the final Virginia squad on Wednesday afternoon, after having routed the VPI team on the preceding afternoon 15½ to 2½.

The North Carolina invasion will find the Generals engaging Davidson and Duke next Thursday and Friday, followed by the conference meet on Saturday. Duke's golfers are favored to retain their title in this battle, with North Carolina and W&L scheduled to stage a battle for the runner-up position. Last year's tourney at Hot Springs found the Tarheels eking out a one-point edge over the Generals for second place, behind the Blue Devils. The meet will take the form of a 36-hole medal play event.

Paul Irwin, in shooting a 71 Tuesday, registered the lone Tech win in the Gobbler fracas, defeating Captain Bill Noonan 2½ to ½ in the day's feature match. The Generals swept the remaining contests, as S. L. Kopald, Bud Bowie and Gordon Sibley whitewashed their opponents, 3-0. The

winner also annexed the two best ball, 3-0. Noonan's 72 was low W&L score for the day, followed by Bowie's 74, Sibley's 75, and Kopald's 76.

Virginia continued her domination of the Farmington course by handing the Generals their initial defeat of the year in college competition. Noonan, who managed a par on the first nine, dropped his match to Virginia's Pat Jansen, while Bowie bowed 2½ to ½. Noonan and Bowie dropped the best ball 3-0.

Kopald, who shot the low W&L score for the day, a 77, nevertheless lost his match to John MacMurray, while Sibley garnered the lone W&L win, 2½ to ½. Virginia took the best ball in this foursome, 2-1, to complete its victory.

PIKAs Get Finals Berth In Baseball; ATOs Win

PIKA's 13-10 defeat of the Pi Phi yesterday, put them into the finals of the I-M race, where they will meet the Phi Kaps, probably Monday or Tuesday. Gorman pitched for the winners, with Morris pitching for Pi Phi.

ATO's tripped the Phi Deltas, nine to eight, with Woods, replaced by Evans in the sixth, pitching for ATO, and Bryan pitching for Phi Delt. This puts ATO in the semi-finals of the consolation.

Delts Retain Margin In Intramural Race As Betas Cut Lead

Delta Tau Delta is still leading in intramural sports, according to the latest count made by Cy Twombly, Intramural director. The second place Betas have shortened the Delts' lead by six points with successes in tennis and track but are still 46 points behind the leaders.

Intramural standings are as follows, excluding points made in the yet incomplete golf and basketball tournaments:

Delta Tau Delta.....	278
Beta Theta Pi.....	232
Phi Kappa Psi.....	172½
Sigma Alpha Epsilon.....	143
Sigma Chi.....	127½

Eight Intramural Golfers Move to Second Round In Today's Link Matches

Intramural golf moved into the second round this afternoon after eight stokers survived first-round matches which featured victories of the defending champion, the medalist and the favorite.

In the qualifying round staged last Monday on the Tri-brook links, Stuart Smith, NFU, emerged with medalist honors, shooting a 77 over a wind-swept course. He was followed by Luke Smith, Phi Delt freshman, who has been established as the favorite, and Wally Cronin, NFU, last year's champion. Seven freshmen finished among the first sixteen qualifiers for the match play rounds.

In Wednesday's matches, Stuart Smith defeated Breneman, Phi Psi; Simmons, Phi Kap, defeated Cutler, Kappa Sigma; Howard, PiKa, beat Wenderoth, Phi Delt; and Brantley, SAE, defeated Sullivan, Delt, to complete the upper bracket.

In the lower bracket, Cronin defeated Ignico, Phi Kap; Stuart, PiKa, beat Crittenden, Phi Delt; Yaste, SAE, defeated Ballenger, PiKa; and Luke Smith, Phi Delt, beat Goodpasture, Sigma Nu.

Trampled Trackmen Seek Initial Victory Over VPI Tomorrow

The General track team, still seeking its first victory and anxious to make amends after its upset defeat at the hands of William and Mary last week, engages VPI in a dual meet here tomorrow at two o'clock. The W&L and VPI freshman teams will also come to grips in a preliminary meet.

In last Saturday's 79-52 lacing, most of the Big Blue runners suffered a let-down after the opening meet of the week before, and Coach Jack Hennemier said today that he expected everyone would be on the rebound tomorrow, striving to gain a victory over the favored Techmen.

One of the feature events of the afternoon will be the appearance of VPI's Paul McMullin, Southern Conference Indoor Sprint champion, who has already been clocked in 9.6 for the century this year. He will enter both dashes and the high hurdles, meeting Chuck Wooters, who is still handicapped by a weak knee, in the former and Captain Bud Yeomans in the hurdles.

Other Gobblers who have been consistent point winners this season are Ace Ellis, in the hurdles, and Moffatt, in the weights and broad jump.

The local cindermen will rely on the same men who have entered both meets this campaign. Yeomans is expected to garner points in the hurdles, 220 and broad jump, while Wooters, Sammy Graham, Jay Silverstein, Hank Woods, Lillard Ailor, Ken Rippetoe and Bob Lawton are being counted on for additional places.

VPI Gains 'Big Six' Title In Closely Fought Game

Despite the fine efforts of Jay Cook, Washington and Lee's varsity baseball team lost a heart-breaking 2-1 decision to VPI on Wilson Field yesterday afternoon.

Cook, who pitched his best game of the year, limited the hard hitting Gobblers to only four singles, as he strove to defeat the Big Six leaders.

W&L opened the scoring in the first inning when Harry Baugher smashed the first of his two doubles over third base. Bob Cavanna scored Baugher with a sharp single to right field. This proved to be the only run made by the Generals all afternoon, as Vassar, Tech twirler, pitched himself out of one tight spot after another.

The Gobblers scored their only two runs off Cook's superlative pitching in the fourth inning. With one out, Henderson, hard hitting second baseman, was given one of the three walks issued by Cook. Rubin, Tech's cleanup batter, drove a single to right field, Henderson taking third.

After Rubin had stolen second, and with the infield drawn in, Lawson bounced a single through the infield to score VPI's two runs.

For Cook, it was a very tough game to lose. He pitched a magnificent ball game, mixing a deceptive change of pace with his fast ball and sharp breaking curve. His control was excellent. He continually kept his fast ball and curve down around the Techmen's knees, and his slow ball had the opposing batters constantly popping up.

The hitting star of the day was Baugher, with his two solid doubles. Bob Cavanna also played a stellar game at first base, contributing two singles to W&L's eight hit attack, and being robbed of a third by an umpire's decision.

The loss was caused, in a large part, by inability to come through in the pinches. Nine Generals were retired on strikes by Vassar, and many of these whifflings came with runners on the sacks.

The next home game for the Generals will come Monday afternoon at 3:45 and will be the University of Richmond.

Netmen Lose Again to Wahoos; Emory and Henry Sole Victory

The W&L tennis team bowed for the third time this season Wednesday afternoon, when it was defeated by the Virginia racketeers, 5-4. This was the second defeat administered to the Blue by the Wahoos.

Captain Jack Barrie, undefeated in singles competition this year won his match, 3-6, 6-4, 9-7. Jack McCormick, in the number two slot, won his also by scores of 7-5 and 6-1. The only other triumph in the singles was registered by Bill Allison with a 6-4, 6-2 win. Ralph Taggart, Dick Spindle and

Bill Phillips lost their matches in two sets.

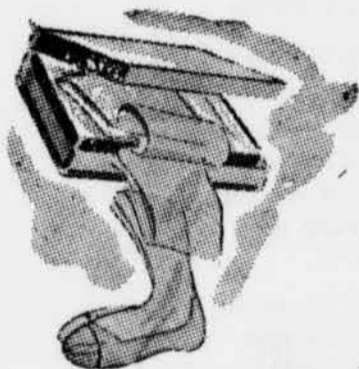

With the score tied at 3-up going into the doubles, the Wahoos took two out of three and the entire match. Barrie and Taggart, in the number one hole, won 6-2, 4-6, 6-4. McCormick-Spindle and Allison-Phillips lost the two remaining matches.

Last Friday the W&L team chalked up its sole victory of the year as it flattened Emory and Henry's Wasps, 5-4. Barrie won the opening tilt in straight sets, and Allison, Ballenger and Phillips followed suit. Taggart was conquered in a three-set tiff, while Pinck fell by scores of 1-6 and 2-6.

Barrie and Taggart then teamed to assure victory as they opened the doubles firing with a 6-3, 6-2 win. The Allison-Ballenger and Phillips-Pinck combines were both submerged.

The match carded with Davidson for today was called off earlier in the week. The Generals close the season next week with three clashes, the hardest of which will be against the highly-touted University of Miami netmen.

Gaines Takes I-M Tennis With Win Over Ingraham

Bob Gaines, Delt, registered a two-set victory in short order over Cy Ingraham, Beta, last week to annex the 1942 intramural tennis crown. The two freshmen forged through a mass of more than 100 players to reach the finals of the tourney, which got underway last fall.

Tom Fuller, Phi Psi, downed Ed Cuttino, Delt, in the curtain-ringer of last year's competition.

Hovermale, Kibler Lead Frosh To 13-3 Win Over Gobbler Nine

The artillery line of W&L's frosh baseball team unleashed a terrific 16-hit bombardment of three VPI hurlers here Tuesday afternoon to pulverize the Techlets by a 13-3 count. Ken Hovermale and Jack Kibler, with three safeties apiece, were the big guns in the barrage.

Seven men in the starting lineup made at least two hits as Stan Carmichael augmented the timely hitting of Hovermale and Kibler with a perfect day—two singles in as many trips to the plate.

The Blue opened the scoring in the second inning when Carmichael singled, Jack Coulter went to first on an error and Jack Tucek scored them both with a solid triple. A moment later Kibler doubled to send Tucek home.

VPI tallied single runs in the third and fourth innings, both on long home runs off the delivery of Coulter, W&L's pitcher.

In the sixth frame, the Brigs clinched the game by sending 11 men to bat while making six runs on six hits and three walks. The highlight of this inning was Kibler's hard drive which went through the left fielder's legs and allowed the W&L shortstop to circle the bases.

This was the last home game of the year and marked the fifth win this season for the Brigadiers

against two defeats. Four more road games are listed for the team.

The 16 Brig hits included ten singles, three doubles and three triples. Sam Di Blasi maintained his fine batting average by garnering a single and a triple in three times at bat. Hovermale, recently converted into an outfielder, came through nicely with his three line drive singles to right field; and Jack Tucek, besides his triple and single, drove a third ball safely into the outfield, only to have the umpire nullify his second triple by calling him out for failing to touch first base.

Lacrossemen to Meet Wahoo Squad Friday In Charlottesville Tilt

Washington and Lee's lacrossemen, after a crushing defeat at the hands of a powerful Loyola squad Saturday, will attempt to break into the win column again this afternoon when they travel over the mountain to meet the Wahoo stickmen in Charlottesville.

The Blue stickmen have previously defeated the Wahoos 8-1 on Wilson Field, in their only win of the present season. Although the Virginia team will have all its reserve strength back, it appears that Frank LaMotte's club will repeat their win over the Wahoos.

The W&L squad, which began the year with a sufficient reserve strength to insure many victories, has been dogged all year by injuries and losses to the armed forces; however, Jim O'Connor who suffered a bad cut in the Duke game will be on hand for the one with Virginia.

Charlie Stieff, a freshman, has shown great improvement in his play at midfield. Other freshmen who are outstanding include Wally Dutton, Frank Markoe, who scored three goals in the last Virginia game, Roy Witte and Jack Brooks.

Veterans Gordon Long, Larry Galloway, Bob Leake, Lud Michaux and Jim O'Connor have formed the nucleus of the team in the last games.

IFC Elects

He also pointed out that the group will draft final plans for the Interfraternity Sing, preliminaries of which had originally been set for today.

Under the revamped three-point program recently adopted by the council, the group will henceforth be composed of the presidents and house managers of each fraternity. As new fraternity officers are take their seats on the council, chosen they will automatically with these men having the final say-so for their respective fraternities.

This plan was approved in order to expedite handling of business matters by the council, rather than going through continual bickering back and forth among the members of each house.

Walker and Scherr, however, will act on a non-voting basis, but under the program submitted by ODK to the group, officers will be chosen from the old council members to assure a certain number of carry-over representatives who are acquainted with the workings of the organization.

Walker will also reappoint the council's committees on Tuesday to facilitate handling of wartime business by the IFC.

Sardeson Chosen President Of Graham-Lee Society

Chuck Sardeson, Phi Psi junior from New York City, was named next year's president of the Graham-Lee literary society at a meeting last night which also saw the initiation of eight freshmen into the group.

Three of the new members were elected to the other offices—Marvin Finklestein, vice-president; Owen Easley, secretary-treasurer and Bob Boucher, historian.

Bob Boyce

Boyce, '41, First Alumnus To Die in Armed Service, Killed in Midair Collision

Second Lieutenant Robert S. Boyce, '41, of Chillicothe, Ohio, became the first W&L Alumnus to be killed in the service of the United States since the start of the war, when the Army pursuit plane which he was piloting collided with an Army bomber near Orlando Fla., Wednesday afternoon. The six members of the bomber crew also died in the mid-air accident.

Boyce, who entered the Army Air Corps as an aviation cadet at the close of school last year, had been stationed at the Orlando air base for the past few weeks after having been trained at Randolph Field, Texas, and Key Field, Meridian, Miss.

Boyce was co-president of the Cotillion Club last year, serving as head of Spring Dances. He was also captain of last year's varsity swimming squad and a member of Omicron Delta Kappa. He belonged to Sigma Alpha Epsilon social fraternity.

Monday Afternoon Is Last Chance to Register

A final opportunity for registration of students for next session's work, whether for summer school or for the fall session, will be offered in Washington Chapel next Monday from 2:30 till 3:30. All undergraduates who have not yet signed up are urged to do so at this time.

Those planning to enter the Law School are to report to the registrar's office, as are students who wish to indicate that they will not return next year.

Monday will be the last chance for registration until Tuesday of opening week next fall, at which time an extra fee of \$10.00 will be required. The payment of this sum may be avoided by notifying Registrar Mattingly before July 15 of intention to re-enter school next year.

Ellis Named President Of Sigma Alpha Epsilon

Joseph F. Ellis, Jr., of Clarksdale, Mississippi, was elected president of Sigma Alpha Epsilon fraternity at a recent chapter meeting. Along with other officers chosen he will serve until the end of the first semester of next year.

John Goode, junior of San Antonio, Texas, was named vice-president, and Perrin Nicolson, Atlanta, Georgia, sophomore, received the post of secretary. Bob Mehorter was chosen house manager and treasurer. Other offices went to Frank Paschal, Dick Shepard, Bob Moore and Roger Bear.

Blue Ridge Conclave Open to W&L Men

Students who are interested in joining W&L's delegation to the Blue Ridge Student Christian conference to be held at Blue Ridge, N. C., June 6 to 13, have been requested to contact Seymour Smith, Christian Council director, as soon as possible, it has been announced.

The W&L Christian Council annually sends a group of students who stay in the council's cottage near Blue Ridge and participate in the religious conferences of students from leading Southern colleges. The cottage can accommodate ten to 15 boys, Smith said.

The theme of the conference this year will be "Christian Faith and Constructive Social Action."

Noonan Named President Of Phi Eta Sigma Chapter

Bill Noonan was elected president of Phi Eta Sigma, freshman honorary scholastic society, at a meeting Tuesday night in the Student Union. He succeeds Joe Ellis as president of the organization.

Noonan, an SAE, is also president of Washington Literary Society, a member of the Lee Dinner Forum, and served this year as captain of the golf team. He was recently chosen to head the Christian Council for the coming year.

Other new officers elected were Henry Schewel, vice-president, succeeding Stu Falson, and Bill Crittenden, secretary, succeeding Ed Zelnicker. Larry Sullivan was elected treasurer for the coming year, and initiate Dave Smith was named historian.

Winner of Washington Award to be Announced

Announcing that a committee had been chosen to select the recipient, Bill Noonan, president of the Washington Literary Society, said today that the winner of the annual Washington Award would be announced soon.

All members of the student body are eligible to receive the award, which is based on outstanding work in any field of student activity—literary, athletics, organization work, forensics, publications or other extra-curricular groups.

Purpose of this award, which is made annually by the Washington Literary Society, is not only to recognize work in the major fields of activity, but also to recognize efforts in fields of activity which at the present time do not receive the attention they merit.

Salvage Drive Continues As First Report is Made

Emphasizing that razor blades, scrap metals and old magazines and newspapers are still badly needed, Jerry Shamhart, director of the "Salvage for Victory" campaign on the W&L campus, disclosed today that the drive so far had yielded several hundred pounds of material.

Shamhart, in asking students to continue to save for the nation's war effort, reported that the Sigma Chis made the largest contribution to the campaign. The Pi-KAs, Sigma Nus and Phi Gams also turned in large amounts, he said. Three fraternities made no collections at all.

Public Speaking Class Holds Radio Discussion

Four W&L students held a half hour round table discussion yesterday over Station WSVA, Harrisonburg. The talk, held in conjunction with Prof. Jackson's Public Speaking course, dealt with geographic points of special interest in the war.

From three-thirty to four o'clock in the afternoon, Harrell Morris, Jim Woosley, Tom Sweeney and J. J. Wilkinson discussed the significance of the geographic lo-

Browder Wants Articles For Final Magazine Issue

All students who can write short stories, poems, draw cartoons or caricatures were asked today to get in touch with Walt Browder, editor of the Southern Collegian.

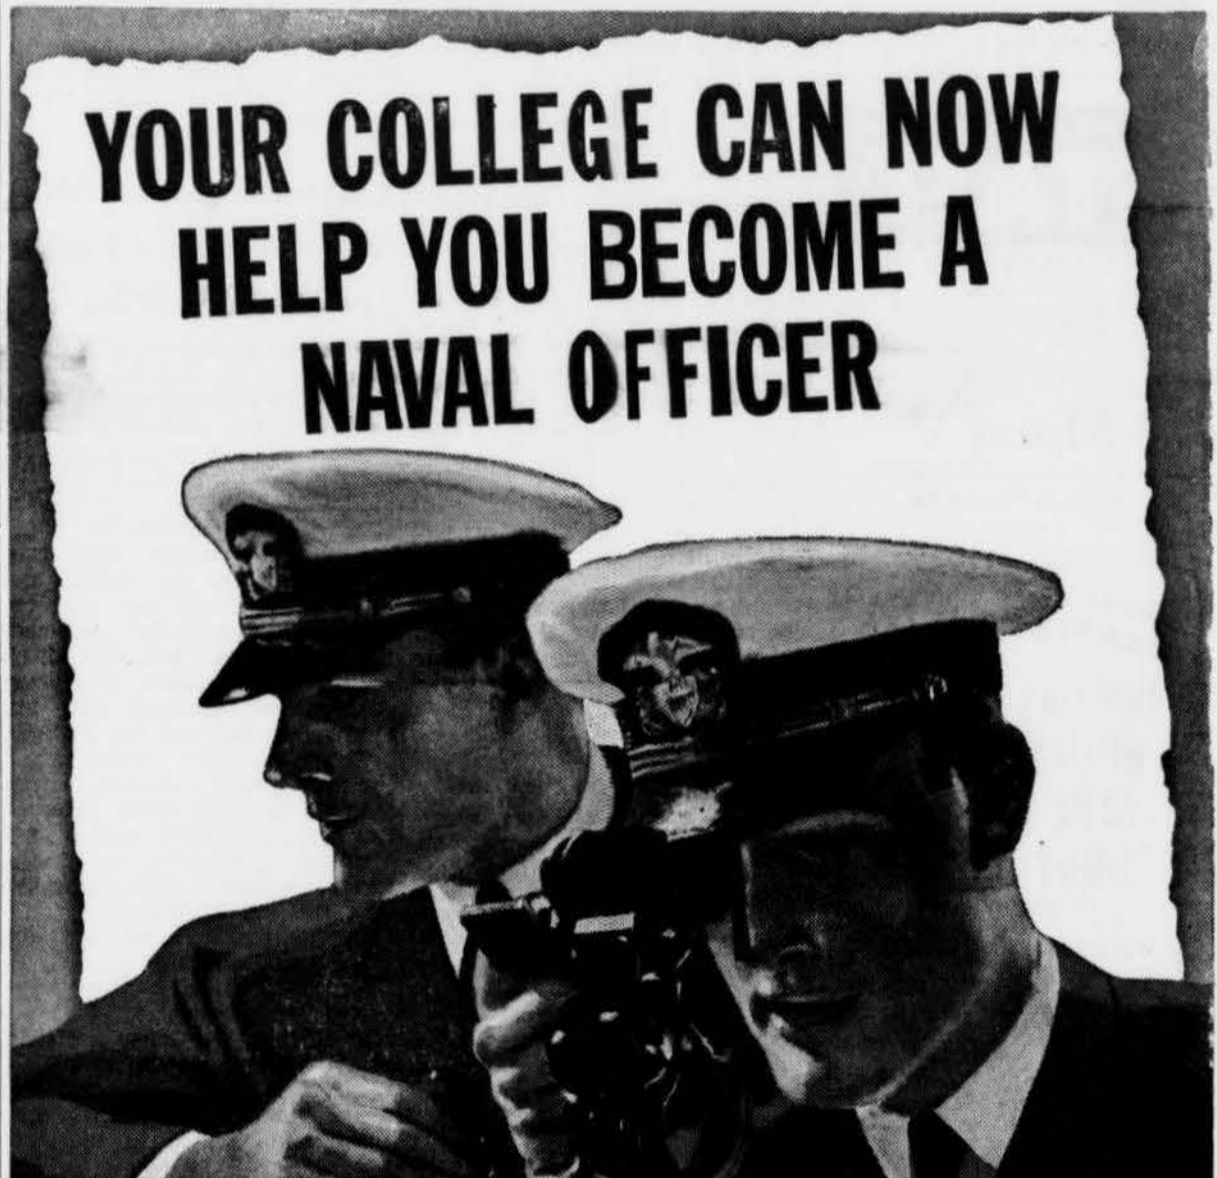

Browder announced that the last issue of the Collegian will appear during Finals, but it will be necessary to get the copy and the drawings in during the next two or three weeks.

Stuart to Lead Openings; Alverson Takes Spring So

Cotillion Club President Bo Gage today announced that Warren Stuart, recently elected co-president for 1942-43, would lead Opening Dances next fall and that Earl Alverson, other co-president would head next year's Spring Dance Set.

No further activities or meetings for the University dance group are planned this year, Gage added.

YOUR COLLEGE CAN NOW HELP YOU BECOME A NAVAL OFFICER

Freshmen, Sophomores, 17 THRU 19. Enlist now! Stay in college! You may qualify for a Naval Commission on the sea or in the air.

Freshmen, Sophomores. Here's a challenge—and an opportunity! Your Navy needs trained men. Trained men to become Naval Officers! And your college is ready to give you that training now.

Here's New Navy Plan

If you're 17 and not yet 20, you enlist now as an Apprentice Seaman in the Naval Reserve. You then continue in college, including in your studies courses stressing physical training, mathematics and physics. After you successfully complete 1½ calendar years of college work, you will be given a classification test.

Aviation Officers

If you qualify by this test, you may volunteer to become a Naval Aviation Officer. In this case, you will be permitted to finish the second calendar year of college work

before you start your training to become a Flying Officer.

However, at any time during this two-year period after you have reached your 18th birthday, you may, if you so desire, take the prescribed examination for Aviation Officer . . . and, if successful, be assigned for Aviation training. Students who fail in their college courses, or who withdraw from college, will also have the privilege of taking the Aviation examination.

Deck or Engineering Officers

If you qualify in the classification test and do not volunteer for

Aviation, you will be selected for training as a Deck or Engineering Officer. In that case, you will continue your college program until you receive your bachelor's degree, provided you maintain the established university standards.

Other Opportunities

If you do not qualify as either potential Aviation Officer or as potential Deck or Engineering Officer you will be permitted to finish your second calendar year of college and will then be ordered to active duty as Apprentice Seamen. But, even in this event, because of your college training, you will have a better chance for advancement.

Pay starts with active duty.

It's a real challenge! It's a real opportunity! Make every minute count by doing something about this new Navy plan today.
