

Dance Board Signs Ray McKinley for Openings

Officials Proud of W & L's Athletic Policy

Smith Agrees With SC Stand Made This Fall

Three men intimately concerned with the administration of the athletic policy of Washington and Lee University stated this morning that they were genuinely proud of the manner in which intercollegiate athletics were run here.

Dean Clayton E. Williams, chairman of the University committee on athletics, was in harmony with Director of Athletics Richard A. (Capt. Dick) Smith and Football Coach George Barclay, when he stated, "The Board of Trustees establishes the athletic policy which this committee administers through the athletic department."

While scandal after scandal has spread throughout the nation over the administration of "big time" football in many universities and colleges, including schools in Virginia, Coach George Barclay pointed with pride that out of 16 seniors who played varsity football last year, 15 received degrees.

"Our boys," Barclay declared in an interview, "must not only pass courses to continue in the University, but, unlike some colleges, they must take the prescribed courses for graduation and must meet the requirements for a degree the same as if they were not playing football." Capt. Dick Smith went on to point out that he had read recently where one university had "decided to reduce the number of boys on athletic scholarships to a little less than 100." The veteran athletic director emphasized that W. and L. has nowhere half that number of scholarships.

Expressing general agreement with the stand taken this fall by the presidents of collegiate schools in the Southern Conference as to football policy, Capt. Dick spoke up for uniform action which would abolish spring training, restrict scholarships, and remove "the almighty dollar mark" from collegiate sports.

Cases Cited

Both Barclay and Smith pointed out case after case in which boys who had applied for scholarships at Washington and Lee had been turned down because they failed to meet the ordinary requirements for entrance only to turn up the next fall in other schools. "The simple fact is," as Barclay stated, "we have no 'breed of athletes' distinguishable from other students. I have never seen a school where there is so little distinction between athletes and other students. The pep rally after the Virginia game last year proves that." Coach Barclay stated.

Dean Williams pointed out that the Board of Trustees sets the policy, which falls within the regulations of the Southern Conference. All of these factors, however, are subordinate to the faculty regulations concerning admission and continuance in school. Capt. Smith added that whether any phases of athletic policy here are revised is solely up to the discretion of the Board of Trustees.

Riegel Speaker at UN Day Program in Chapel

Prof. O. W. Riegel will speak in Lee Chapel tomorrow night at 8 p.m., highlighting the observance of United Nations Day in Lexington. Mr. Riegel, professor of journalism, will give a "Report on Europe," from his observations while overseas this summer.

The Mayor of Lexington, Paul A. Holstein, has issued a proclamation announcing next Wednesday, Oct. 25 as United Nations Day.

Mayor Holstein's proclamation reads:

Text

"The president of the United States has urged the citizens of this nation to observe Wednesday, Oct. 24, 1951, the sixth anniversary of the signing of the United Nations Charter."

(Continued on page 4)

The rush to finish Homecoming decorations is now at its peak with Friday night judging less than three days away. Here, freshmen Tim Jenkens, Dave Rice, and Tony Sargent contribute their artistic talents to the D. U. entry.

Groups Outline Homecomings Festivities

All Fraternities Plan Parties Following Davidson Game

Homecomings will be here in all its glory this weekend. Promising to be as full a weekend as any that students have witnessed in many years, the festivities will start Friday night with a pep rally, at which time two surprise speakers will appear.

Many of the organizations as well as the freshman class, clad in pajamas, will take part in the annual Torchlight Parade following the rally. After the parade, the Student War Memorial Scholarship Fund Committee will sponsor a jazz session and set-up party at the Sigma Nu house.

Davidson Game

Saturday, the real activities will begin with the Davidson game, and the Charleston, W. Va., Band, whose appearance is sponsored by the Gauley Bridge Hunt Club, will play at half time. The freshmen will again sit in a special section for cheering, as will the Gauley Bridgers.

Following the game, the merry-making will begin with the party for sophomores and their dates at the Mayflower. Following dinner, the Student War Memorial Scholarship Fund Committee will play host at an informal dance in Doremus Gym. The music for this dance will be furnished by the V. M. I. Commanders.

All of the Greek letter fraternities are expecting many of their members to be here.

(Continued on page four)

Dean Gilliam Begins Annual Tour of Eastern Prep Schools Today

Dean Frank Gilliam will leave today for his annual trip to the prep schools of the east. The purpose of the trip is to discuss Washington and Lee with students of the schools. On his trip, Dean Gilliam will visit schools in Connecticut, Massachusetts, New Hampshire, and New Jersey. They will include most of the big name college preparatory schools such as Choate, Hotchkiss, Deerfield, Andover, Groton, and Pingry.

On his return from the schools, Dean Gilliam will stop over in New York to attend the annual meeting of the College Entrance Examination Board where he will represent W. and L. Washington and Lee is one of the few colleges for men in the south holding membership in this board and the only one in the south that requires College Board tests for entrance requirements. Dean Gilliam plans to be back in his office on the first of November with a fairly good idea of boys interested in attending W. and L. next year.

Dean James Leyburn will return Wednesday from Agnes Scott where he has been to attend the inauguration of Dr. Wallace M. Alston as president of that school. Dean Leyburn represented W. and L. at the school where his sister, Ellen Douglass Leyburn, associate professor of English, is a member of the faculty.

Student Scholarship Committee Sponsors Sat. Night Dance

Members of the Inter-Fraternity Council will begin advance sales of Homecomings Dance tickets in each house tonight. The IPC is handling ticket sales for the Student War Memorial Scholarship Fund Committee, which is sponsoring the dance.

Music for the informal dance will be furnished by the VMI Commanders, an 11-piece band with two vocalists. All students and alumni are invited to the dance which will begin at 9 o'clock Saturday night in Doremus Gym and last until midnight.

Juniors to Handle Concessions

Hal Hill, chairman of the SWMSC, expressed the hope that "all students will support this activity of the Committee. Besides contributing to a very worthy cause, I think we can assure you an excellent band and a very enjoyable evening of dancing."

Concessions at the dance will be handled by the junior class which volunteered its services to the War Memorial Committee. Admission to the dance will be \$2.00 per couple.

Jazz Concert Friday Night

Besides the Homecomings Dance Saturday night, the Committee is also sponsoring a jazz concert and set-up party at the Sigma Nu house immediately after the torchlight parade Friday night. Brian Shanley and his Southern Collegians will furnish the jazz music, while members of the 13 Club will sell set-ups.

Admission to the concert which will last until 12 will be 50 cents. No advance tickets to the jazz session will be sold.

First Jazz Concert

This is the first year that a jazz concert has been featured at Homecomings. The Homecomings Dance is an annual affair. In previous years, the Monogram Club has sponsored the dance to pay for the Wilson Field scoreboard. With the scoreboard paid for, the Monogram Club turned the dance over to the War Memorial Scholarship Fund Committee.

Law Banquet Thursday

A dinner for the freshmen class of the Law School will be held at 6:30 Thursday night at the Virginia Cafe, Townsend Oast, president of the freshman law class, announced that the purpose of the dinner would be for the first year law students to become acquainted.

Dance Plan Sales Reach 460 Mark With Drive Ending Thursday

By BILL SPURGEON

The Dance Board kept its promise of trying to engage one of the nation's best dance orchestras when it announced yesterday, that the band of Ray McKinley, well-known throughout the country, will play for the first night of Openings. Hugh Glickstein, president of the first dance set of the year, said that McKinley will definitely be here Friday night, Nov. 16.

McKinley has been known for some time as one of the nation's top drummers, and his band is noted for playing in the popular Benny Goodman style.

Second Band

Glickstein also said that the Dance Board is trying to secure the services of another of the country's best known bands to play during the sophomore prom, Saturday night. The band selected for this date will play for a concert Saturday afternoon as well as the dance Saturday night. The name of this band will be announced sometime next week. Joe McGee, Dance Board president promised yesterday.

Pi Alpha Nu, White Friars Pledge 68 Men

White Friars and Pi Alpha Nu, honorary sophomore societies, began a week long initiation program yesterday for new members that includes everything from dragging noisy toys around campus to a possible tug of war at the Friday pep rally.

The initiates of the White Friar group wear green hats, ties, and socks, while PAN prospects wear the same garb in red. Both groups require initiates to pull a toy behind them wherever they go. After the week is over, the toys will be donated to the Lexington Kiwanis Club for under-privileged children.

The new members of PAN are: Oppie Pollard and John MacDonald, Phi Kap; Dick Busch and Ralph Burchenal, SAE; Jack Smith and Chris Weichel, Beta; Pete Elsassner and Owen Shull, PIKA; and, Jerry South and Rudy Schaefer, Phi Delt.

Also, Chuck Rauh and Jim Freedman, ZBT; Howard Sanden and Tom Kenney, Sigma Nu; Pat Sullivan and Dean Guy, Sig; Tony Valen and Cecil Edmonds, DU; Wiley Wright and Bob Glasier, Phi Gam.

Mike Mohler and Harry Porter, Lambda Chi; Jack Moore and Pete Adams, Phi Psi; Haswell Franklin and Al Harris, Campus Club; Roy Matthews and Charley Smith, KA; Bob Ingram and Frank Hundley, Kappa Sig; Reid Baker and Charley Slick, Pi Kapp; and Bill McHenry and Bary Jones, Delt.

White Friar Initiates are:

Earl Foster and Frank Shipman, Phi Gam; Hank Murfey and Tom Berry, Campus Club; Walt Diggs and George Dunning, Phi Psi; Paul Maslansky and John Blumme, ZBT; and Bob Bradford and Al Hickin, Lambda Chi.

Other men pledged include: Bob Wingert and Tom Robbins, Pi Kapp; Fletcher Lowe and Pat Brock, SAE; Al Harrison and Lowell Lundy, DU; Bill Thompson and Bill Miles, Kappa Sig; and Carl Swanson and Ken Murray, Sigma Nu.

Shenandoah Financial Outlook Seems Bright

The Shenandoah, campus literary magazine, might be operating in the black very soon if the present subscription drive continues at its current pace.

In making the announcement, however, Hugh Glickstein, business manager of the much discussed publication, urged that everyone who has not already done so to buy a subscription.

Circulation Manager Kent Horner stated that the subscription list has been completely revised and that there will be no danger of any subscriber not getting his copy. Horner said that in the near future the first issue of the Shenandoah for the current year would be ready for distribution. This issue will contain material that will have a greater appeal for the student reader, Glickstein promised.

McKinley has been known for some time as one of the nation's top drummers, and his band is noted for playing in the popular Benny Goodman style.

Glickstein also said that the Dance Board is trying to secure the services of another of the country's best known bands to play during the sophomore prom, Saturday night. The band selected for this date will play for a concert Saturday afternoon as well as the dance Saturday night. The name of this band will be announced sometime next week. Joe McGee, Dance Board president promised yesterday.

McGee, stated Monday that the sales of the dance plan will continue through Thursday night. Although the plan is being continued, 460 students have already subscribed. The Board is very anxious to have more than 500 men subscribe at least.

Reduction for Players

The Dance Board has announced a \$3.00 reduction in price for the Dance Plan for varsity football players. This is due to the fact that the football team will be out of town on a recognized school function the weekend of Openings. This will make the total price for varsity men \$17.00, or \$18.00 if they plan to buy by installments.

Students were reminded by McGee that all that is needed to subscribe for the plan now is a signature. No money, he said, is to be paid until Openings, almost a month away.

Fancy Dress Plans

The Dance Board also advised that if the plan has as many subscribers as last year, when the total was 650, it will attempt within the next few weeks to get one of the Nation's finest bands lined up for Fancy Dress. Consequently, if 650 students do sign up for the Dance Plan, they will be assured weeks in advance of having a really top-notch orchestra at Fancy Dress.

Drive to Return Charleston Band Ends Tomorrow

The "Bring Back the Charleston Band" campaign being conducted this week by the Gauley Bridge Hunt Club will continue through Wednesday evening.

According to Gauley Bridge Chairman Joel Cooper, the drive to bring back the drilling and marching band of the Charleston (W. Va.) High school for the half-time appearance at Homecomings is going "rather well."

An attempt is being made to collect approximately \$400.00 from student solicitations in the various fraternity houses and via collection jars located at prominent spots on campus. A campaign agent has been selected in each fraternity house, and "all students who have not donated at least a quarter are urged to contribute now," Cooper said.

Some concern has been raised, Cooper said, over the fact that W. and L. already has the ROTC band. He stated, however, that neither Washington and Lee nor Davidson has a marching band suitable for the usual half-time festivities. "This makes it essential that we bring back the Charleston Band as we have in previous years."

The Ring-tum Phi erroneously stated Friday that the Beckley (W. Va.) band was to appear this week-end.

W. and L. Outclassed by Smith And Other Assorted Hurricanes

By BOB MOSKOWITZ

The Miami Hurricane swept the Washington and Lee Generals at the Orange Bowl last Friday night by a score of 32-12.

The Generals suffered from a bad case of "fumbleitis" and the Miamians were quick to capitalize on it. Dave Waters dropped the opening kickoff but the Hurricanes were unable to pick up the loose pigskin and it was the Generals' ball on their own six. On the next play, however, Jack Garst of the Generals fumbled and Miami recovered on the W. and L. 11-yard marker. Henry Mallios and Frank Smith brought the ball down to the one and from there John Melear scored on a quarterback sneak. Tremont converted for the Hurricanes to put them out front 7-0.

Generals Score

The Generals were not to be counted out, however, for Carl Bolt took the resulting kickoff to the Miami 42-yard stripe. Led by Gil Bocetti, the Blue and White drove to the Miami 14, as Bocetti carried the ball for 28 yards on an optional keep. Barcellona carried to the five and Broyles picked up another yard to make it first down and goal to go on the Hurricanes four. Bocetti connected with End Tal Trammell on the one and then drove over the center to score. Handlan's kick was blocked and the Hurricanes still led 7 to 6.

The second Hurricane tally came late in the second quarter, after Tremont intercepted Bocetti's pass on his own ten and drove to the 31-yard line. The Miami drive got only as far as midfield. Tremont's fourth down punt went out on the W. and L. 25. A pass from Bocetti intended for Trammell was intercepted by Martin and brought back to the General's 30-yard line. Melear's pass to Lutes was good for eighteen yards and Dooley picked up eight more yards to put the ball on the Generals' four. Dooley carried again, this time to the two for a first down. Schneidback bucked to the one and on the next play drove into the end zone for a Miami TD. Tremont's conversion was wide. The half ended with W. and L. threatening as Bocetti heaved a long pass to Trammell on the Miami 40.

Miami recovered a Generals' fumble on the Blue and White's 24 to pave the way for their final tally. Three running plays brought the Hurricanes to the W. and L. 13-yard stripe. Mallios picked up twelve more yards as he went to the one and Constantino bucked over to score. Tremont failed to convert and the final score was Miami 32, Washington and Lee 12.

The Generals' defensive line was unable to cope with the quick opening plays of the Hurricanes, and Miami, sparked by Fullback Harry Mallios, rolled up a total of 395 yards against the Blue and White. The Generals ground attack netted only 100 yards.

The Generals' air attack was held to a minimum also. The Miamians played two men on End Bob Thomas, thus preventing the deadly Bocetti to Thomas combi-

nation from doing any damage. The Generals gained 95 yards via the air route which were a result of eight completed passes out of twenty attempts. The Hurricanes relied on their ground attack and threw only seven passes, three of which were completed for a total of forty-seven yards.

Tennis Squad Ties Up Wahoos in Fall Outing

Six racketmen journeyed to Wahoo adn last Thursday for an informal match with Virginia. Guess Henry and Clark Garrecht, varsity lettermen last spring, were accompanied by Don Barbe, Dave Murphy, Doc Hollowell, and Bill Branscome, likely prospects for next year's tennis squad. The Virginia team consisted of one returning letterman and five varsity aspirants for next pring.

Henry and Barbe dropped the first two singles matches to Rutledge and Kitchel of Virginia by scores of 6-2, 6-1 and 6-1, 7-5, but W. and L. prevailed in the next three singles. Garrecht had a tough first set with Rowe, but came through 9-7, and then won the second handily at 6-3. Murphy looked terrific as he clobbered his man 6-3, 6-0, and Hollowell showed good form in breezing past Furst 6-4, 6-1. Branscome gave Sohn a scare in a tough three setter, but finally succumbed by the score of 3-6 6-2, 6-4. Henry and Barbe teamed together in the doubles to whip Rutledge and Morris of Virginia, 6-4, 6-2. Hollowell and Garrecht played well, but were less fortunate, losing to Rowe and Kitchel, 6-4, 6-4. The deciding match was not played due to the length of Branscome's singles encounter, so the score wound up 4-all.

This match was played in connection with the increased interest shown in fall tennis. About 40 men plan at present to go out for varsity tennis in the spring, many of them getting in practice in intramural and other matches. Freshmen eligibility brightens considerably the prospects of being able to contend with a full and tough schedule of more than a dozen matches.

Booters To Face Off Against N. C. Staters In SC Game Wednesday

By NELSON HARPER, JR.

Washington and Lee will try to break into the win column in the Southern Conference soccer standings when the Generals engage North Carolina State in their second Conference tilt next Wednesday afternoon. Coach Wilson Fewster's men, though sporting an overall record of two victories against one defeat, suffered their only loss in conference play, that against Maryland in a tight 2-1 battle two weeks ago. The Generals will be attempting to reach the .500 mark in league competition against State.

The Blue and White have played good ball so far this season. Beginning the season with a 10-1 romp over Roanoke College three weeks ago, they dropped a close one to Maryland, only to rebound against the University of Virginia last Thursday by shaving the Wahoos, 2-1, on a last-quarter goal by Horace Dietrich, the team's leading scorer. Coach Fewster has high hopes for repeating the 1950 win over North Carolina State, a game in which the Generals, after being played to a scoreless deadlock by the Wolfpack throughout the first half, exploded for two goals in the final two periods to win, 2-0.

Better Outfit

Fewster believes, however, that N. C. State will be throwing a vastly improved outfit on the field this year and that the game will be "damn rough. He also mentioned that State's team is loaded with foreign talent. This means that, although the teamwork may be minimized because of the difficulty of foreigners to work together, there will be plenty of trouble from various individuals on the team. At any rate, he believes, the going will not be easy for Washington and Lee next Wednesday.

Diggs, Ransom Gather Points In Harrier Run

Washington and Lee's cross country team placed second in at triangular meet held on Hampden-Sydney's 4.2-mile course last Saturday. With a total of 52 points the Generals finished second to Hampden-Sydney's 19 and defeated a Randolph-Macon College team which ran up 62 points.

Walt Diggs of W. and L. finished second in the meet behind Hampden-Sydney's Milliner, one of the outstanding cross-country men in the section. Milliner covered the 4.2 miles in 22 minutes and 34.1 seconds, nearly breaking his own record for the course. Diggs followed with a time of 25 minutes and one second.

Randolph-Macon took the number three position but the Generals raked in the next four places. Len Ransom finished with a time of 27 minutes for fourth place, Al Hicken was third with a time of 27:1, Jim Ritter took sixth with 27:5, and Alex McPherrin took seventh place. Only the first five men finishing on each team were counted in determining the team score. The low team score won the contest.

Al Hicken took fifth place with an upset stomach while the Generals were also handicapped due to the fact that Chuck Wyndam, a freshman, ran with cramps in his side.

Squad of Eight

The Generals' squad is made up of eight men including Bill Farrar and Buck Griffith as well as those mentioned above. Coach Bob Smith has been putting his team through heavy conditioning work every afternoon in an effort to get them ready for the big meets coming up in the future.

The Generals' next meet will be held here next Saturday.

GENERALIZING

By HUGH GLICKSTEIN

Members of the Faculty Washington and Lee University To whom it may concern:

This is an open letter to each one of you and it pertains to something about which as a unit you can do.

I speak of the problem of athletic overemphasis so evident here at Washington and Lee, and the part that you play in it.

You certainly realize your relationship with a program that sacrifices learning to winning. You surely understand the substitution of academic development by the large end of a football score. It's not difficult to you, I'm sure, to distinguish between the importance of instilling an intellectual fervor, a character foundation and the celebration of playing in big time football.

We at the present time at Washington and Lee are making these above sacrifices and choices, depriving ourselves and the university of those things for which this institution was founded—character and learning.

I'm not going to generalize on the wrongs of the world at the present time, and in this way I can save myself the trouble of answering those ignorant inquires of isn't that thy way things have been? Everybody does it, you know.

I admit just a few are standing up at the present time for what they think is right. There are just a few who have been willing to speak out against popular sentiment and express their views despite sneers of the narrow.

I'm calling upon you to assert that which all of you must be thinking, to stand up and say those

things which have been affecting us here at Washington and Lee, contrary to the spirit on which the school was weaned.

It's not a matter of follow the leader because another school has taken a stand, namely Virginia. It, instead, is the manifestation of what all of us with a little thought must realize.

Alumni in their forming of the Generals Club, did more harm than they could ever do good in having a winning ball team. It just meant that we at W. and L. were going with the times, unprincipled, unvisioned, and definitely out of true character.

This is the time for individuality, more so than in the past twenty years of the school's history. We've been tarnished by a transitory glitter of temporary fame. A great name for a university was never won on a football field.

You know that each student wants a team, but he wants that kind of team which represents him as well as the name of the school. We can have that here and

Fraternities Plan Parties For Weekend

(Continued from page one)

alumni to return, and these groups will bring the old students back into the feeling of school spirit by playing host to them throughout the night, with parties at all the houses and the Campus Club.

The Campus Club is planning a party after the dance Saturday night. They plan to set an unprecedented record by decorating the outside of the Student Union Building and the inside of their lounge. The party will be open to the campus, with a keg of beer and set-ups for members.

Back Lawn Party

The D.U.'s have planned something different from most parties, for the Mulberry Hill Boys will have a Cuba-Libra party on their back lawn, weather permitting. This party will be open to the campus.

Kappa Sigma will have a closed party for returning alumni and members. With many alumni expected, they plan to have a combo to furnish music during the course of the evening.

Pi Kappa Phi is planning a cocktail party for its alumni and brothers after the game. Following a buffet supper, Dean James G. Leyburn will present the chapter with the Faculty Scholarship Bowl, which it earned last semester.

Sigma Chi is having an organized party for alumni and members. Zeta Beta Tau is combining its alumni party with a parents' weekend. Seventy-five of the parents are expected. The house, which will be closed, will have a band to entertain guests.

Regular Parties

The other houses on the campus are all planning to have spirited parties, which will be the same as on all other football weekends. All of these parties will be open to the campus.

War Memorial Committee To Sell Openings Flowers

Members of the Student War Memorial Fund Committee will take orders for dance set corsages. Hal Hill, chairman of the committee, announced today.

The committee has reached an agreement with a Lynchburg florist and expects to be able to offer flowers at prices somewhat under those charged last year. Flowers will be delivered to each fraternity house Friday afternoon before each dance.

Tentative plans are also being laid for a Varsity minstrel show, a "corn bowl" football game between intramural all-stars, and a donkey baseball game.

All profits made by the group are turned over to a scholarship fund created to honor Washington and Lee students and alumni who lost their lives in world war II.

Literary Societies Lay Plans for Coming Year

In its organizational meeting, Oct. 4, the Washington Literary Society laid plans to improve the literary and intellectual atmosphere of the group's activities during the coming year.

Discontinuation of a time limit for regular meetings is one important new feature this year. Business meetings will be held hereafter in the Student Union, and upon conclusion of the business session, the Society will adjourn to fraternity houses or private homes for informal discussions, which will not be restricted by time limit.

The Society will continue its activities as a sponsor of the W. and L. literary magazine, the *Shenandoah*, and as co-sponsor of the Friends of the Library Club.

The Graham-Lee Literary Society also outlined its plans for the coming year at the group's first meeting, Oct. 4.

The society decided that each member must be in charge of one program during the year in order to retain his membership. Also, if it can be satisfactorily arranged every third program will be directed by a member of the faculty.

The next meeting of the society will be held Oct. 25, in the Student Union. All meetings thereafter will be held on alternate Thursdays.

U.N. Program

(Continued from page one)

sary of the ratification of the United Nations Charter, as United Nations Day. The anniversary commemorates a landmark in the history of the human race, and its significance is of vital importance to each one of us.

"To this end, a meeting has been arranged for the evening of Oct. 24 at 8 p.m. in Lee Chapel, on the campus of Washington and Lee University. The speaker will be Prof. O. W. Reigel, who recently returned from a tour of duty in Europe undertaken at the request of the State Department.

"I extend a cordial invitation to all citizens of Lexington and Rockbridge County to come to Lee Chapel on Oct. 24, and hear Mr. Reigel's 'Report on Europe'."

Invitations have also been sent to the various organizations in Lexington, including Kiwanis, Rotary, civic clubs and woman's organizations. All are urged to attend or have at least one representative at the meeting. The International Relations Clubs of Washington and Lee and V.M.I., as well as

Campus Interviews on Cigarette Tests

No. 25
**THE
SEA
HORSE**

Well...! That's a sea horse of a different color!

This little gee-gee was all at sea. It was enough to upset his equine-imity. He'd been reading about those rush-rush cigarette tests—the quick sniff, the fast puff. "Hardly the scientific approach," he said in his confusion. But then he realized that one test is an equine of a different pigmentation—a thorough, conclusive test of cigarette mildness.

It's the sensible test... the 30-Day Camel Mildness Test, which simply asks you to try Camels as your steady smoke—on a day-after-day basis. No snap judgments! Once you've tried Camels for 30 days in your "T-Zone" (T for Throat, T for Taste), you'll see why...

After all the Mildness Tests,

Camel leads all other brands by billions
