

4 Selected To Serve On SWMSFC

Funds To Be Raised By Jam Session

Four sophomores were selected Wednesday from a group of more than 20 applicants to serve on the Student War Memorial Scholarship Fund Committee.

To be added to the membership of the group this year are: Rob Peebles, John M. Smith, Buck Buchanan, and Fred Magoline.

Joe Pontius, chairman of SWMSFC, announced that the first activity to be sponsored by the group this fall will be a jam session similar to those conducted here by the committee in previous years.

Pontius said that the jam session will be held on a week end within a month. The exact date of the affair will be announced after the next meeting of SWMSFC.

SWMSFC is the service committee of the Executive Committee. Its primary function is to raise funds for new scholarships through campus entertainment activities.

Applicants for membership in the SWMSFC were interviewed individually by the combined membership in the Student Union. On the basis of this interview the selections were made. Positions were open only to sophomores.

Pontius and Gordon Gooch are serving this semester as Chairman and Secretary, respectively.

Reached First Goal

Early last year the Student Committee reached its first goal of \$10,000 under Chairman Dean Guy. Later in the year Dave McCain took over as chairman of SWMSFC.

Some activities of the organization include the annual raffle in the spring, the Corn Bowl game, songfest, and talent show all under SWMSFC sponsorship. Last year a special program featured the W&L Quiz Bowl team against a group of four faculty panelists.

Daugette Named To Head Band

Forney Daugette was elected president of the W&L Concert Band yesterday, according to Director Robert Stewart. Other officers are Don Stine, secretary, Don McArthur, treasurer, and Lee Waltz, publicity chairman.

The concert band is composed of all participants in the instrumental program, including both ROTC members and other students.

The group is now making plans for a Christmas Concert consisting of a varied program highlighted by LeRoy Anderson's Christmas Medley.

Brashears Promoted

Capt. George L. Brashears, former assistant professor of military science and tactics here, has been promoted to the rank of Major. He is now serving in Europe.

MAJ. GEN. P. F. YOUNT, Army Chief of Transportation, who will address the eighth annual Virginia Highway Conference at VMI Friday. He will talk on "Highways and the National Defense." Governor Thomas B. Stanley will speak on the same program.

ROTC Sets Up New Company

Half of the fourth-year ROTC cadets who do not now hold positions in the companies on the battalion staff—will comprise a new "Officers Company."

This new company will drill each Wednesday.

Cadet Captain Hal Hamilton will command the company, expected to have a strength of about forty cadets.

Drill instructor M/Sgt. William Watson said that the object of this move is to give these cadets more advanced training, particularly on the company level, in order to more fully prepare them for active duty. The cadets in Officers Company have all completed summer camp training, and will be commissioned upon graduation.

Command positions in the company, except for the company commanders post, will be shifted each week to give each cadet an opportunity to gain more experience and obtain a working knowledge of company operations, Sgt. Watson said.

Lowell Hamric, cadet battalion commander, said this new organization is also expected to create more "esprit-de-corp" and result in higher morale than has been obtained in years past.

EC To Start Series

Beginning next week, the Ring-tum Phi will print a series of three articles dealing with the nature, background and operation of Washington and Lee student body government.

The Executive Committee realizing that over a period of time students begin to take for granted their representative student government urge each student to read with care the articles following in the three subsequent issues of the Ring-tum Phi.

Troubadours To Present 'Male Animal'

Wide Student Interest Predicted for New Play

"The Male Animal," a smash-hit on Broadway, will be the first production of the Washington and Lee Troubadours for the 1954 season.

No definite dates have been set by the theater group, but Andy Greenman, publicity director of the players, said arrangements are being made to have performances during the Opening Dance Set weekend.

The play, expected to be especially effective at W&L, is built around non-conformists, university trustees, and football. "These are all subjects of current interest here," said Greenman. The Troubadours hope to draw as large a crowd to "The Male Animal" as were on hand for the 1953 hit, "Mr. Roberts."

Faculty in Cast

The cast of "The Animal" includes: Mrs. James S. Moffatt, wife of the head of W&L's English department, will take the part of Cleota. Mrs. Thomas V. Barrett, wife of The Rev. Dr. Barrett of Lexington, will take the part of Ellen Turner; Mrs. Marshall W. Fishwick wife of the W&L history professor, will play the part of Patricia Stanley; Mrs. Tom Loving, plays the part of Mrs. Blanche Damon; Mrs. Kitty Bishop is cast as Myrtle Keor.

Student Parts

Students in the cast include Milam Turner, as Tommy Turner; Phil Morgan as Wally Myers, Rud Abbott as Joe Ferguson; John Duncon as Dean Frederick Damon; Bob Paff as Ed Keller; Ben Hoover as "Nutsy" Miller; and Jack Morgenstern as the newspaper reporter.

Most of the nation's Broadway reviewers have praised the "Animal." The New York Times said, "the 'Male Animal' will dismiss you from the theater on a spirit of dazed hilarity." The New York Journal-American further stated "The Male Animal is a laughable cartoon, with enough in it to make it sting."

Rehearsals are being held five times a week under the direction of Carlson Thomas, assistant professor of dramatic and public speaking.

Four Fraternities Plan October House Parties

Four fraternities have scheduled house parties in October in the kickoff of the fall social season.

Beta, Lambda Chi, and Kappa Sig will hold their parties on the weekend of October 9.

Phi Ep has scheduled its first house party for the October 16 weekend.

Although the Interfraternity Council has not yet reached a final decision, some fraternities are asking for an increase in the number of house parties allowed in one semester. The limit set by the IFC is three house parties per year.

Due to cancellation of Homecomings this fall, most fraternities are in favor of the additional party.

The IFC has placed a limit of five house parties for any one weekend.

Fire Escapes on All Houses Ordered by Fire Marshall

RALPH L. ELLIS, JR., district engineer for the State Corporation Commission, goes over fire protection requirements last night with fraternity managers John Rutherford and Walk Jones.—Photo by Cope

Enclosure Of Stairs Also Asked

Ralph L. Ellis, Jr., district engineer for the State Corporation Commission, Bureau of Insurance, told fraternity house managers last night that each fraternity house on campus must:

(1) Build an outside fire escape or fire stairwell, and

(2) Enclose the present stairway where a house has three floors by building partitions and installing doors at each landing.

Mr. Ellis spoke at the Fraternity House Managers Association meeting at 8 p.m. in the Student Union.

He said that while the Commission expected fraternities to carry out the request within a reasonable period, no definite time limits would be imposed. The Commission, he continued, wanted to place as little hardship on the houses as possible, and wished to do everything it could to help facilitate matters.

Within the next month Mr. Ellis plans to go over fire protection specifications for each house with its officers. At that time he will be accompanied by two or three contractors who will make estimates on each job.

Most fire escapes can be built of wood, he said, but added that houses in the business district will have to install steel ones.

A plan to hire one contractor to do the work for all houses was discussed, but nothing definite was decided.

Mr. Ellis said that the construction may cost some houses as little as \$70. For others it will be much more expensive.

He also recommended that, if possible, each house install fire extinguishers, a sprinkler system, and a fire-detection device, in addition to removing excess paint and paper from walls and rubbish from closets, basements, and attics. Compliance to these recommendations is up to individual houses.

The Commission's order came as a result of an inspection of fraternity houses last spring.

'Five Basic Steps' Course Will Be Offered Here

It wasn't in the catalogue, but a course in ballroom dancing is being made available to W&L students.

And you don't have to name the "Mystery tune."

Arthur Murray's "five basic steps" will be taught in 10 lessons costing a total of \$15. The course will be concluded before Fancy Dress.

"If a lot of men are interested, lessons may get under way around November," said Jim Reeder, who is in charge of the program.

Dr. Myers Visits Arnold Toynbee, Works on Gazetteer for History

Dr. Edward D. Myers, head of the philosophy department here, on a trip to Europe this summer, visited Dr. Arnold J. Toynbee, noted English historian and author of "A Study of History," of which volumes vii-x will be published Oct. 14 and volume xi in May, 1955.

Dr. Myers spent a large part of the past summer in conference with some of Europe's most prominent economists and historians.

Deferred Rush Starts Oct. 15

Delayed Rush Week will begin Oct. 15, Lee White, IFC Rush Chairman, announced today.

Deferred rush week will give NFU students a chance at the W&L fraternities. All non-fraternity men are eligible, but must register with the IFC.

The rules for deferred rushing are similar to the regular rushing. Unlimited contacts may be made by upperclassmen and pledges with rushes after Oct. 15.

Deferred rushing is tentatively scheduled to end Oct. 22.

Water Conservation Urged

Paul A. Holstein, mayor of Lexington, urged that residents conserve water. The request came as a result of Lexington's water supply dropping to a dangerously low level.

Use of water for washing cars or sprinkling lawns is strictly forbidden, said the mayor. Offenders are subject to fine and/or having their water cut off.

W&L Reportedly Selected For College Quiz Bowl Again

Washington and Lee will again be asked to appear on the College Quiz Bowl radio show, according to unofficial sources close to the National Broadcasting Company.

The Quiz Bowl, which stirred the W&L campus for six weeks, last spring, is expected to return to the air October 23, with the championship Syracuse University panel.

Several time changes will take place in the program. It will be heard from 7:30 to 8 p.m. on Saturday's and recorded on the preceding Thursday from 9:00 to 9:30 p.m.

"Washington and Lee will definitely be on, probably about the seventh week," said John H. Moses, originator and producer of the college panel show. Moses, prominent in the radio field, is the father of Harry Moses, a freshman student at W&L.

It is expected that the Syracuse challengers will be Trinity College, followed by Barnard College, Georgetown University, George Washington University, and the University of Minnesota.

Dr. James G. Leyburn, dean of

LAST YEAR'S QUIZ BOWL TEAM, composed of, left to right, Fred Lackman, Harold Quinn, Robert Paxton, and Henry Turner, which set a fine record before losing to Syracuse University in May.

the University, said "I am delighted that Washington and Lee will have another opportunity to participate in the Quiz Bowl. I hope this year's team will even outshine last year's.

Frank J. Gilliam, Dean of Students said, "it would be necessary to wait for official word from the National Broadcasting Company before making any statements." Dean Gilliam did say that Washington and Lee had a "happy and successful experience with the radio show and would look into any approach made to us."

Last year's "miracle" panel took over the series from Smith College, and later turned back representatives from Princeton University, University of Chicago, Barnard College, Women's Division of Columbia University, and University of Pittsburgh.

The team members, all of whom graduated in June, were Fred Lackmann from Lexington; Harold Quinn, Shreveport, La.; Robert Paxton, Lexington; and Henry Turner, Bethesda, Md.

University officials are expected to

wait for word from NBC, New York before preparing another Quiz Bowl team. Dean Gilliam said, "participation will be based on whether there are boys who we feel can make a creditable showing."

Frank Parsons, director of publicity, said he was extremely interested in the possibility that Washington and

Quiz Bowl Confirmed

John Cleary, program director for the National Broadcasting Company, late this afternoon confirmed that Washington and Lee would be on the Quiz Bowl program's broadcast of Dec. 11. In a telephone conversation with W&L publicity director Frank Parsons, Mr. Cleary said the recording for the program will be held Nov. 29.

Lee may be in another Quiz Bowl series.

Last year's bowl activities were handled primarily through the publicity office.

# 'You Have To Crawl Before You Can Walk'--Williams

## Opening Game Is Scheduled With Hargrave

By BILL NORTHPROP

"The way I see it, you have to crawl before you walk, and walk before you run."

That's what coach Boyd Williams said yesterday regarding the approaching game with Hargrave Military Academy.

Williams emphasized the fact that almost 80 per cent of the players on the squad are freshmen and that they will be played against the Hargrave squad. "Regardless of whom we play," Williams added further, "you must realize that not only did we get a late start, but the preparation time before the first contest is extremely short."

Continuing, Williams commented at some length upon Wednesday afternoon's scrimmage. "I was quite pleased with the boys' performance Wednesday," Williams said, "considering that it was only the fifth day of practice." He added, "Of course, our timing and tackling were off, but perfection comes only with practice and I expect the details to be ironed out in the next couple weeks."

Williams refused to appear optimistic concerning the caliber of play until he is able to see more of the team in action. However, he stated that the willingness of the boys to play and work was beyond his expectations. He said, "I am surprised at the number of boys that wanted to play and am very pleased with the mental attitude of the entire squad." He went on to say that among the fifty men participating there are many in the group who can be worked into top-notch players.

In conclusion Williams emphasized the fact that the game with Hargrave Military Academy next Friday need not be looked upon as degrading. "Let me repeat," he said, "you have to crawl before you can walk."

## Dusty Rhodes Pinch Hits Giants to Two Series Wins

In spite of the fact that we do not profess to be a daily newspaper nor report national sports events, we feel that the performance of "Dusty" Rhodes in the first two games of the World Series deserves some mention.

Much to the chagrin of the Cleveland fans Rhodes proved himself instrumental in the Giant's first win as he smashed out a pinch hit home run with two men on in the bottom of the tenth inning. Dusty did it again today when he knocked out a single to right with the bases loaded in the top half of the third scoring two runs.

Yesterday Rhodes moved in as a pinch hitter against Early Wynn in the fifth inning. He promptly knocked a single also knocking in the tying run. Later in the eighth inning Rhodes blasted a home run into the right field stands putting the Giants out of danger.

WASHINGTON AND LEE'S first football scrimmage Wednesday which was quite pleasing to Coach Williams. Arrow points to ball carrier.

## Coach Herbert Polishing Soccer Team For Monday's Opener Against Lynchburg

With Monday's opening encounter against Lynchburg here in Lexington, only a few days away Coach Charley Herbert and his assistant Len Hough are busy putting the final touches on the 1954 edition of the Washington and Lee soccer team.

Progress made by the team to date betrays the view that the Generals will have to be at their very best if they are to leave the field victorious over Lynchburg.

### Injuries Cause Trouble

Injuries have been the main cause of troubles to the coaches in their effort to lift Washington and Lee's soccer fortunes. Sidelined at present are two probable starters—freshman center forward Pete Perry and the durable center half Lucky Denu. These two boys' presence will be sorely needed if the team is to perform at anywhere near capacity. Barring any further complications these two boys are expected to answer the starting whistle.

In an effort to bolster the scoring punch two changes have been made in the line-up. Bill Boyle has been shifted to the line from his usual post at center half back to help

complete what is hoped to be a very potent forward line made up of John Buckley, outside right; Boyle at inside right; Pete Perry, center forward; and the converted center forward Beldon Butlerfield at inside left and frosh Brad Gooch at outside left.

### Backfield Looks Good

The backfield looks a little better with Captain Jim Lewis at his familiar right full back post along with the veteran Moose Schafer at left full back.

Lucky Denu and senior Dick John-

son are spear heading the half backs, but are ably supported by the other starter, freshman Brayton Campbell, at right half back.

Bill Russell, a sophomore goal tender, is showing great promise in the nets thus far and is almost certain to get the nod against Lynchburg.

Come Monday the team promises to be in top shape for their initial effort which they hope to make a victorious one in their determined attempt to better last season's log of no wins and seven losses.

## Belch's Future With Harriers Is Doubtful

Captain Keith Belch will be ineligible for cross-country this season for academic reasons. Belch will be greatly missed if his outstanding record of last year was any indication of the future.

However, Coach Dick Miller has petitioned the Executive Committee in hopes that Belch may be made eligible, but no decision has yet been handed down.

The petition arose because of the fact that Belch was able this summer to make up all credits lost in the previous year. The same case was brought up last year regarding Gibby McSpadden who was awarded his eligibility for wrestling.

Washington and Lee's Cross-Country schedule was announced today featuring a nine-meet agenda climaxed by the Southern Conference meet here November 15. The schedule is:

- Oct. 8—Bridgewater ..... away
- Oct. 12—Hampden-Sydney ..... home
- Oct. 16—William and Mary.....away
- Oct. 23—Lynchburg, VPL.....home
- Oct. 29—Davidson, VML at Davidson
- Nov. 2—Roanoke ..... home
- Nov. 6—Richmond ..... away
- Nov. 8—Big Six Meet ..... at VPI
- Nov. 12—Virginia ..... away
- Nov. 15—S. Conf. Meet ..... here

With a promising squad of 20 runners (Continued on page four)

**CAPTAIN KEITH BELCH**—Whether Belch will be able to run next week or not is in the hands of the Executive Committee.

## IRC To Hold First Meeting Thursday Night

Indian Ambassador Plans Visit Here

Dr. John W. Wheeler, Jr., recently appointed faculty advisor to the International Relations Club, announced today that the group will hold its first meeting next Thursday at 7:30 p.m. in the Student Union.

The purpose of IRC is to bring facts on international affairs to the students, and to give interested men opportunities for discussing and understanding the basic problems of our times.

Interested students will have a chance to represent W&L at several collegiate conferences on foreign affairs. The club plans joint meetings with Hollins, Sweet Briar, Randolph-Macon, and other neighboring girls' schools.

Dr. Wheeler also announced that G. L. Mehta, Indian Ambassador to the United States, has accepted an invitation to come to Washington and Lee and speak to various classes and groups.

He is expected to come some time early in November, Dr. Wheeler said.

### COTILLION CLUB MEETING

The Cotillion Club will meet Monday at 7:15 p.m. in the Student Union Building. Members of the club are requested to bring new sophomore members to the meeting. Each fraternity is allowed two new men. The \$11 initiation fee will be due at that time.

NEW SENIOR EDITORS on Home Edition radio show check out the equipment. John Jennings is at the mike, with Tony Sargent and Chris Luhn standing.

## 'It's Home Edition Time'; Student Interest Highest Ever

"It is Home Edition time"—that's the cue that sends Washington and Lee students into operation on their 15 minute newscast each weeknight at 10 p.m.

Student interest and participation in the radio show is the highest it has been since the project was begun six years ago. The staff now numbers over 30.

### Local News Featured

The outlet for the show is local station WREL. The program emphasizes local news coverage, which accounts for the fact that it has the highest listenership of any locally-originated program over WREL.

It is the only source of daily local news in Rockbridge County, points out the news director of the show, Lewis Cope. The nightly newscast features national, international and sports news from the AP along with the local coverage.

### 'Beat Men' Help

"Beat men," under the direction of City Editor Dave Clinger, gather the local news. The program is produced in the journalism news room, Payne Hall, where an AP teletype furnishes latest news.

Each night's show is under the direction of a senior editor. Cope and John Lytton are the two veteran senior editors of the show.

New senior editors this year are Chris Luhn, Tony Sargent, and John Jennings.

## Meetings Set For Alumni This Month

Lynchburg Group To Hear Caskie

The Alumni office announced today that several alumni chapters would meet during October.

On Oct. 5, Lynchburg alumni will hear addresses by James R. Caskie, rector of the Board of Trustees, Dr. Francis P. Gaines, and Dean Frank Gilliam.

The Appalachian Chapter will gather at Bristol, Va., Oct. 9. Professor Charles McDowell, the University representative to the group, will speak at this meeting.

Baltimore's chapter will hold a formal dinner meeting Oct. 16. Dr. Francis P. Gaines, Dean Frank J.

Eleven thousand copies of the September issue of the Alumni Magazine were recently distributed to alumni, according to Cy Young. The recent issue includes an address to the June meeting of the alumni by H. Graham Morrison, '30, entitled "Faith and Freedom."

Gilliam, Donald Smith, director of University Development, and Cy Young, alumni secretary, will represent the university at this meeting.

On Oct. 31 the Northern Ohio Chapter will hold its fall meeting in Cleveland. Gilliam will attend.

### Cross-Country

(Continued from page three)

ners Coach Dick Miller hopes to better last year's 3-4 record. Despite the loss of the Big Six Champ, Walt Diggs, Miller seems hopeful counting upon Watty Bowes, John Arnold, Bob Wood, and freshman Burke Armstrong, all of whom have shown up well in practice, to provide the "kick" for his squad this year.

## EC To Fill Posts Monday

The regular Executive Committee meeting will be held Monday night, Watty Bowes, president of the student body, announced today. Members of the Student Library and Student Advisory Committees will be selected at this time. Vice presidents will also be elected to fill the vacant positions in the junior and senior classes.

Elections for the freshman EC and freshman Law EC will be held on the third Monday in October, Bowes said. Time and place of these elections will be announced about ten days before the elections.

## Grounds Crew Makes Many Improvements

Mr. Douglas E. Brady, Jr., superintendent of buildings and grounds at Washington and Lee University has announced that many improvements were made on the W&L campus this past summer.

The exteriors of Doremus Gymnasium and McCormick Library were repainted and interior painting was done in Payne Hall and portions of the Freshman Dormitory.

Mr. Brady said that the Preston House, formerly a private residence, was acquired by the University for use as an auxiliary dormitory and that extensive improvements had to be made to ready the building for the incoming freshmen.
