

General Hershey To Give ODK Talk

McKeldin To Speak Friday; Is Potential Veep Candidate

A near record crowd is expected to be on hand for the talk Friday by Theodore R. McKeldin, Governor of Maryland, according to Carl Swanson, president of Pi Sigma Alpha, honorary political science fraternity.

The governor will speak in Lee Chapel at 8:15 p.m. and students, parents and guests are invited to attend the speech.

Governor McKeldin indicated last week that he would not resist nomination as a vice presidential candidate on the Republican ticket in 1956.

In a televised interview in Washington the Maryland Governor was asked how he felt about the second

spot on the GOP ticket. "I'm sure any American would be interested in the vice presidential nomination," he replied.

He said he hoped President Eisenhower would run again and repeated that he would consider it a great honor to be able to nominate him in 1956 as he did at the 1952 national convention.

Hopes Ike Will Run

"I hope if it is possible he might be our candidate," he said.

By February, the Maryland Governor continued, he believes Mr. Eisenhower will be in excellent condition and there will be tremendous demand for him to run again.

Asked if he thought he might be a "favorite-son" nominee from the Maryland delegation, Mr. McKeldin said "traditionally that will be so."

But he added that if the President decides to run again "there will be no favorite sons."

The Maryland Governor will also address a dinner meeting of the Washington and Lee political group at 6 p.m. Friday in the Robert E. Lee Hotel.

Swanson said the subject of McKeldin's talk, scheduled for 8 p.m. in Lee Chapel, would be announced Friday. The Governor's speech will be covered by Virginia press and radio services.

MAJOR GENERAL LEWIS B. HERSHEY

41st Tapping To Be Held December 1st

Major General Lewis B. Hershey, Director of the Selective Service, will address the student body at the Omicron Delta Kappa tapping ceremony, Sam Syme, president of Washington and Lee Alpha Chapter, announced today. The ceremony will be held in the Doremus Gymnasium at 12 noon on December 1.

This year's tapping will mark the forty-first in the history of the Washington and Lee chapter. ODK was founded at Washington and Lee in 1914, and is now established throughout the country as a leadership fraternity in 66 colleges and universities.

A midwesterner, General Hershey was born in Steuben County, Ind., and received a B.S. and A.B., and a B. Pd., from Tri-State College. He was a graduate student at the University of Indiana when the United States entered World War I.

Hershey began his military career before he was 18 by enlisting in the Indiana National Guard in 1911. In February, 1916, he was promoted to the rank of first lieutenant and in June of that year he was sent with the National Guard to the Mexican Border. After attending school at Fort Sill, Okla., Hershey, who had been promoted to captain, was sent to France, where he served until 1920.

Prior to permanent assignment in Washington, D.C. in 1936, Hershey attended the field artillery school at Fort Sill again and was assistant professor of military science and tactics at Ohio State University. He subsequently was on duty at Fort Bliss, Fort Leavenworth, the Army War College and at Fort Shafter in the Hawaiian Islands.

General Hershey was named director of the Selective Service System in July, 1941, and was promoted to the rank of major general in April, 1942.

He was awarded the Distinguished Service Medal of the Army by President Truman in 1946 and a few months later received a similar award from the Navy. In that same year, the National Convention of the American Legion awarded him its medal for distinguished leadership.

General Hershey is a trustee of Tri-State College and he holds the honorary degree of Doctor of Laws from Tri-State College, Ohio State University, Oglethorpe University, Albright College, LaFayette College, Columbia University, Norwich University and Indiana University.

Discussion on Missionary Work To Be Held by Reverend Rosser

The Rev. H. Edwin Rosser, director of the Mexico City Center, a hostel for Christian students who come from the province of Mexico to study in the capital city, is visiting

REV. ROSSER

the Washington and Lee campus today and tomorrow, Nov. 15 and 16.

At 7:00 tonight, he will meet with the Christian Council at the Student Union. All students, especially overseas students, are urged to attend this meeting. Rev. Rosser will discuss Christian missionary work as a future vocation for Washington and Lee students. He will also interpret plans for the Ecumenical Student Conference on the Christian World Mission to be held at Ohio University in Athens, Ohio from Dec. 27, 1955 to Jan. 1, 1956.

Rev. Rosser is one of 25 persons who are now touring college campuses in the United States to promote world mission of the church. This tour is being sponsored by the Student Volunteer Movement.

Mr. Rosser spoke this morning on "The Early Church" to the members of several religion classes. Tomorrow morning at 10:00, he will speak to a meeting of the Ministers of Lexington and student leaders of Christian activities on the Wash-

(Continued on page four)

Lit. Committee Announces Five New Members

The Washington and Lee Committee for the Seminars in Literature today announced the selection of the new members of the committee who are to serve for this school year.

The new men on the committee are Bill Williams, senior; Richard Crutchfield, Junior; Tom Litzburg, junior; and Maxwell Caskie, sophomore. Dr. Nelson succeeds Dr. Flournoy as the English Department representative.

Old members of the committee are Dr. Perry and Dr. Pusey, faculty; Ed Hood, senior; Sam Syme, senior; Ray Stultz, senior; Trev Armbrister, senior; and Ed Givhan, senior.

This committee plans the Seminars in Literature that are held each year under the sponsorship of the Friends of the Library, the Graham-Lee Society, the Washington Literary Society, and the English Department.

Thus far this year the committee

(Continued on page four)

Varsity Debate Squad Selected; Will Attend Tournery Saturday

Mr. Jack Lanich, Faculty Debate Director, announced today the selection of the intercollegiate debate team.

Those selected for the varsity team were Whit Jack, Joe Ripley, Cliff Smith, and Jere Williams. Jack, Ripley, and Smith are all sophomores and Williams is a freshman.

The junior varsity team will consist of Amzi Barber, Bill Hughes, Bob Shepherd, and Rice Tilley. All of these men are freshmen with the exception of Tilley who is a sophomore.

There was also an alternate team of four men chosen. These debaters are Art Gottsegen, Charles Hayden, Evan Kemp, and Lash LaRue. All are freshmen and will serve as replacements for the varsity and junior

varsity and will provide competition for places on the two debate teams.

These twelve debaters were selected from a group of twenty-six students who took part in the elimination contests. This assignment to the varsity, junior varsity, and alternate teams is only for the Regional Tau Kappa Alpha Tournament at William and Mary College on Saturday, Nov. 19. The teams may be changed several times during the semester.

Mr. Lanich stated in making the announcement that Joe Ripley is the only debater back from last year's team and that there is a very close race between six debaters for the top four positions and that the others are also in very close competition for the other two junior varsity positions.

"We ought to be able to put together a pretty good varsity team, but we have a definite lack of depth of experience. Only seven of the twelve have had previous debate experience and we are going to need a lot of practice to gain the polish that any good debate team must have," he added.

There is a practice debate scheduled with Bridgewater College Wednesday afternoon at 4:00 p.m. in the Student Union Building in which eight of the W&L debaters will take part. This team according to Mr. Lanich, was Virginia Regional Champions two years ago and two of the championship team are on the Bridgewater debate team.

The team has several matches scheduled with teams in and outside Virginia during this semester and they now plan to send the varsity team to the large annual forensic meet to be held in Charleston, W. Va., on December 2-3. The delegation to this tournament will also include entries from the Forensic Union in the various individual events, and it will be the largest group representing W&L in forensic in many years.

Elimination try-out for the debate team will be held again at the first of next semester from which the final debate team positions will be determined.

Classes Shortened Saturday

Because of Parents' Day on Saturday, Nov. 19, there will be a shortened schedule of classes on that day as follows:

- B 8:25- 9:05
- D 9:05- 9:45
- F 9:45-10:25
- H 10:25-11:05
- J 11:05-11:45

James G. Leyburn

SWMSFC Announces Minstrel Plans

The Student War Memorial Scholarship Fund Committee will produce their Minstrel show again this year in the latter part of February, with Jack McQuiggan as the director, and Gordon Gooch as the producer, it was announced today by Trev Armbrister, the chairman of the committee.

Armbrister will be in charge of writing the script and will be assisted by Clay Carr. Composing many of the songs and dances will be the musical director, Jim Lewis who is also the leader of the W&L Sazaracs.

Armbrister expressed the belief that this year's extravaganza will meet with even more acclaim than that which was accorded to the 1955 Cotton Picker's Minstrel Show. McQuiggan stated: "I hope to make the show bigger and better not only by maintaining the spirit of last year's show, but by a wider search for talent and by making technical improvements in staging."

Armbrister, McQuiggan, and the committee are at the present time busy drawing up the basic plans. The program will be built around the general framework of a minstrel show. However, an entirely new theme will be incorporated along with many other innovations which will be released at a later date.

The show, presented for the first time last year by SWMFC, represented a new approach in their efforts to earn scholarship funds. The production was a success last year largely due to the enthusiasm, talent and hard work of the cast and Harry Ford the director. The

A SCENE from last year's "Showboat" Minstrel is shown above. The show is sponsored by the SWMSFC and the proceeds go to their scholarship fund.

Faculty and Student Body has recognized the production as a definite asset to Washington and Lee.

McQuiggan has announced an organizational meeting on Dec. 5, for all those who are interested in any phase of the presentation. Dates for the try-outs will be announced and

the various staffs will be organized at the meeting. Auditions are planned at Hollins, Randolph-Macon, and Sweet Briar. Auditions will also be held at Mary Baldwin and Southern Seminary. Those few selected will comprise the feminine portion of the show.

Last year's production was composed of two acts. The first act consisted of the Interlocutor and End Man routine backed up by the Cotton Picker's Chorus. The second act focused upon individual songs and dances placed in the setting of the Show Boat.

Concert Guild Will Present One Act Opera

The Washington and Lee Concert Guild will present *Amahl and the Night Visitors*, a one act opera by Gian-Carlo Menotti, in the Troubadour Theatre at 8:30 p.m., on Dec. 2 and 3.

The 18 member cast includes Henry Typinger, a 12-year-old boy soprano from Salisbury, N. C.; Helen Wood; the three kings, Bill Greene, Max Caskie, and Ralph Baucum; also Leon Bernstein as the page.

The cast also includes a 15-member chorus and a 12-piece orchestra. With the exception of Helen Wood and Henry Typinger, the cast is comprised of all local talent.

The opera will be produced by Robert Stewart and directed by Glen Collins. Scenery and costumes will be handled by Henry Heymann and lighting by Bob Stroud.

Student admission will be 75c and general admission will be \$1.50.

Pusey Addresses Graham-Lee

Dr. Pusey will speak on Thomas Wolfe at the first meeting of the Graham-Lee Society at 7:30 in the Student Union on Thursday, Nov. 17. All students are invited to attend.

Washington and Lee Upset By Sewanee 12-0

Tigers Win at Homecomings; End 12-Game Losing Streak

By BOB SHEPHERD

Victory-hungry Sewanee won their first football game in two years, 12-0, at the expense of the Generals on Saturday. The University of the South had not won a game since Nov. 14, 1953, and was on the crest of a 12-game losing streak, the longest in the history of the school, when they defeated the Blue and White before 3,000 homecoming fans.

It was a very tight defensive game, with the Tigers rolling up 201 yards on the ground for 7 first downs, while the Generals made 8 first downs and 104 yards rushing. The Generals were unable to pass the home team's 50-yard line during the first half but the invaders made several threats in the final segment. Two bad breaks, a combination of a 15-yard penalty and a short kick, and a fumble deep in their own territory, lost the game for the Generals.

The Tigers' Fullback, Bill Doswell, scored both times for the home team, from the five-yard line in the second, and from three yards out in the fourth.

First Score

The Tigers' first score came as a result of a couple of breaks late in the second quarter. On fourth down, with the Sewanee eleven on the 20, they tried a field goal without success and the Generals took over. Pres Pate hauled in an Al Gitter pass for a 10-yard gain, but a 15-yard penalty moved the Generals back to the 20 two plays later. Gitter picked up 10 yards, but was forced to kick on the fourth down. Al got off a short kick which Lee Rowell took on the 46 and ran back to the 39 in Blue and White territory.

Orville Spore picked up 14, Doswell sped for 15, and QB Al Jones passed to Marlin Moore for seven yards to the W&L 5. Doswell slammed over guard for the six-pointer. Dick Welch's placement was no good so the score stood at 6-0 at the half-time buzzer.

In the fourth quarter, Sewanee captain Dick Spore blocked an at-

tempted quick kick by the Generals and fell on the elusive pigskin on the W&L 11. Sewanee ran into a stone wall for four plays and the Generals took over on their own 9.

Gitter fumbled on the second play and Lee Glenn recovered for Sewanee on the 11. Four plays later Doswell once more danced into the end zone. An attempted pass for the conversion was broken up.

Final Home Game

The Generals wind up their season next week as they host West Virginia Tech on the first annual Parents' Day. It will be W&L's last chance to keep from having a winless season. West Virginia Tech tied Emory and Henry Saturday at Emory.

Tankers Post Strong Team; Start 3rd Week's Practice

Washington and Lee's swimming team is now in their second week of practice. Coach "Cy" Twombly's squad of about 20 men will hold time trials just before the Thanksgiving holiday. The team should be well balanced according to Twombly, except for a lack of depth in the backstroke slot.

Four outstanding swimmers of last year's team, Bill Dazell, Bill Chiles, Frank Kalmback, and Frank Chiles, will not be back. Last year's team had a 4-3 record and captured two lead positions in the Southern Conference meet, the 300-yard medley and 200-yard butterfly.

J. Fox, Southern Conference champion in the 200-yard breast-stroke event, is back this year. Fox is perhaps one of the best men in the breast-stroke events that Washington and Lee has ever had, according to Coach Twombly.

Also back with the Generals this year is Captain Frank Gunther, whose specialty is the 100- and the 50-yard dashes. Other returning veterans are Don Duncan, Lew Al-oitti, Charles Richardson, John Gold, John Gibbs, Tom Branch, and Dick Raines.

Judging from the practices held to date, Coach Twombly thinks that the freshmen members of the squad will be of aid to the team. Some promising ones are Henry Smith, Mauricio Clauser, Lloyd Hager, Allen Osher, Tom Gowenlock, Will Morris, Charles Coe, and Thomas Broadus.

Two meets will be held before Christmas this year. Dec. 10, the Generals meet Catholic University in Lexington and on Dec. 14, they will tangle with the University of Virginia in Charlottesville.

Conference Basketball View

By DICK MAUTER

The winner of the Southern Conference will certainly know they've been in a battle this year. Basketball is on the rise in the south and the Southern Conference is proof of it. There will be no "breathers" this year for anybody in the league as there was last year.

George Washington

George Washington, runner up in the Conference tournament last year, loses only Corky Devlin, their high scorer. The team led the nation last year in shooting, hitting 47.6 per cent of their shots.

Coach Bill Reinhart still retains 6-6 Joe Holup and 6-5 Joe Petcovich. This tall pair got 850 rebounds and averaged 33.6 points per game between them last year. Jay Manning, a 6-5 junior will aid the club underneath the boards this year. In back-court GW will have George Klein and Dick Young. GW has three seniors on their starting five and a lot of experience. All this adds up to a pre-season pick of sixth in the nation by most of the basketball experts.

West Virginia

West Virginia, last year's conference winner, has three of the starting five from last year's ball club returning, Rod Hundley, 6-4, 6-6 Willie Bergines, and 6-1 Clayle Kishbaugh. Two soph, 6-9 Lloyd Shar-rar, and 6-0 Joedy Gardner, might just fill the shoes of the graduating seniors to round out Frank Schaus's ball club. The only weak spot in this team is its defense, but they are picked to be 12th in the nation this year.

Richmond

Richmond has four of its top scorers returning this year as seniors. The only man Coach Les Hooker loses is Warren Mills. Returning to the team this year are: 6-5 Walt Lysaght, 6-5 Ken Daniels, 5-10 Ed Harrison, 6-2 Warren Mitchell, and 6-2 Bob Witt.

The Spiders will have three new faces on their ball club this year who will be of great aid in this tough battle for the title. Transfer Roy Peschel, 6-3 Bobby Brown, 6-4, Curt Adkins and 6-3 Larry Rupplius all sophs.

Washington and Lee

Washington and Lee, a fast rising team in the conference who will have a lot to say about the outcome of the race, has the same team back. Returning starters are: Dom Flora, 6-2 soph, 6-5 Lee Marshall, 6-3 Barry Storick, 6-5 Barclay Smith, 6-3 Milt Winawer, all juniors this year.

Gene Girard, 6-4 freshman, who was All Europe last year, will certainly give the Generals even greater strength and depth. Also returning to the team are: Dick Skolnik, Bob McHenry, both seniors, Frank Hoss, Nick Nichols, and Jerry Moyer.

Furman

Furman has the same situation as most of the other teams in the league, in that they have the same team back. Furman led the nation in scoring last year averaging 95.3 ppg while 6-1 Darell Floyd went on his merry way leading the nation's scorers. Furman scored over 100 points twelve times, while their opposition surpassed the century mark five times.

The Hurricanes have a definite lack of height, with only 6-7 Bob Thomas as the tallest man on the squad. The other men are: 6-3 Dave Kyber, 6-1 Dave Railey and 6-0 Fred Fraley, which makes up the same starting team as last year.

Furman may be weak on the boards and on defense, but they still loom as a threat to any team.

William and Mary

William and Mary will be hurt by the loss of big John Mahoney and two other starters. However, Coach Boyd Baird can expect some help from 6-3 Dick Savage, and Bob Hoitsman, both returning from the service. The height is weak with starter Bernard Goldstein, the tallest man on the squad at 6-6.

The Indians will also have Bill Person, Jim Kaplan, Don Engelen, and Harry Cornell returning from last year's squad.

What young people are doing at General Electric

Young engineer decides what colors are best for G-E reflector lamps

Which color of light makes people look natural? Should a blue light be used more often than a red? What kind of effect does a violet light have on merchandise?

In recent years, color lighting has become so important in stores, restaurants, theaters, and displays that General Electric developed a line of new easy-to-use color-reflector lamps for this market.

The man responsible for deciding which colors are most effective for users of these lamps is 29-year-old Charles N. Clark, Application Engineering Color Specialist for General Electric's large lamp department.

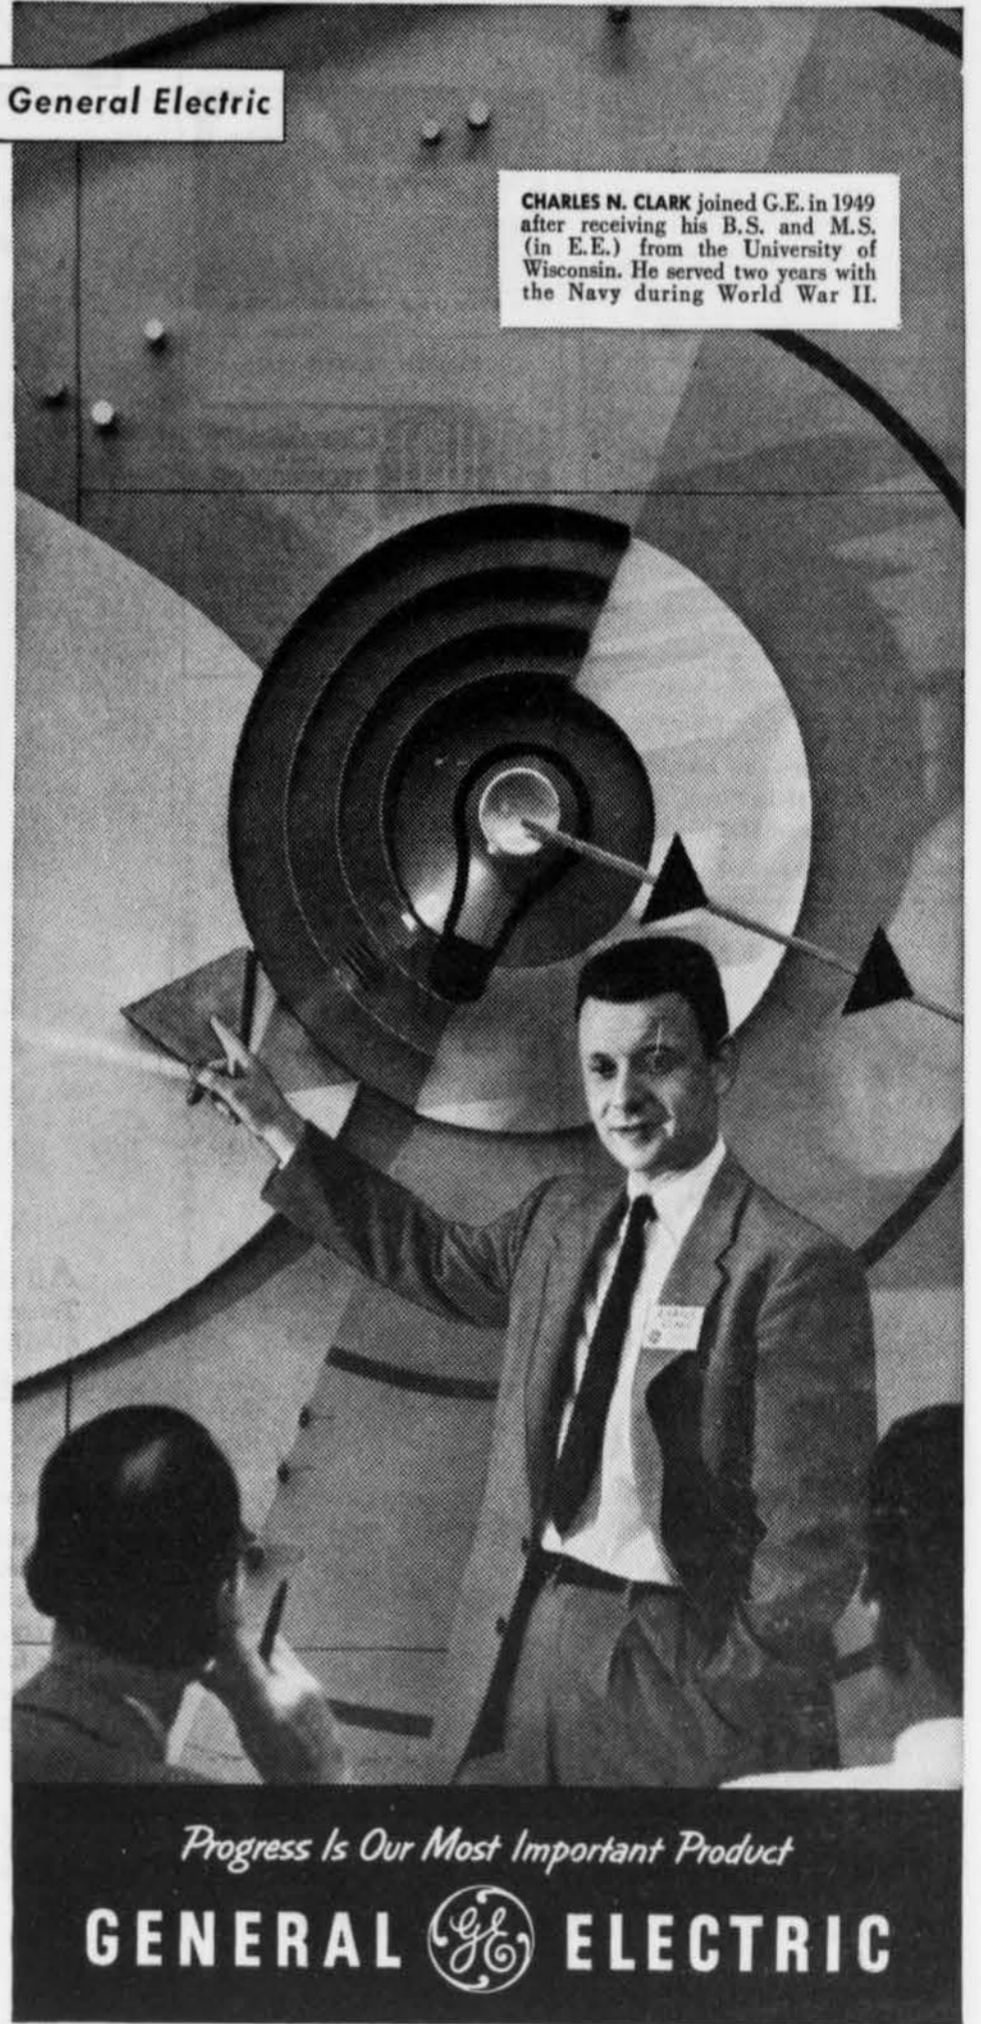

Clark's Work Is Interesting, Important

In a recent series of tests, Clark made a critical appraisal of literally hundreds of color-filter materials to find the ones that produced maximum results but were still suitable to high-production techniques, practical stocking and simplified selling. This experimental work also had to take into account all the information on human perception of color.

25,000 College Graduates at General Electric

When Clark came to General Electric in 1949, he already knew the work he wanted to do. Like each of the 25,000 college-graduate employees, he was given his chance to grow and realize his full potential. For General Electric has long believed this: When fresh, young minds are given freedom to make progress, everybody benefits—the individual, the company, and the country.

CHARLES N. CLARK joined G.E. in 1949 after receiving his B.S. and M.S. (in E.E.) from the University of Wisconsin. He served two years with the Navy during World War II.

Progress Is Our Most Important Product

GENERAL ELECTRIC

A. E. Stephenson Speaks at UVa.; Presents Foreign Policy Views

By C. J. BALDREE

Several Washington and Lee University students heard Adlai E. Stevenson speak at the University of Virginia Friday evening on "A World Safe for Mankind."

The 1952 Democratic Presidential candidate delivered the address to a special meeting of the National Citizens Committee in honor of the Woodrow Wilson Centennial.

Stevenson, in a major foreign policy address, called for United Nations troops to patrol the borders between Israel and the Arab states. He said that the United States has devised few measures to prevent these border incidents inside and outside of the U.N. After years of experience, he said, the only way to avoid bloodshed "is to keep the troops of these two antagonists apart."

He inferred that if it were necessary to maintain a balance of arms in the Middle East, the United States should sell some to Israel to counteract any effort of the Soviet Union to upset that balance.

Looking at the signs of the disintegration of our security system, Stevenson pointed out that "we must take care lest the illusions of their (Soviet) charm policy further weaken our defenses, moral, and physical."

In urging support of the policies which President Wilson had worked for before and after World War I, Stevenson said it was the country's duty to work for peace and dis-

armament because in a hydrogen-bomb era wars must be abolished since they could not be limited.

In a recent letter to the president of the International Relations Club, he stated he was unable to come to accept a speaking invitation here due to a busy schedule. It is expected that he will announce his candidacy for president in a press conference today in Chicago.

S. C. Basketball

(Continued from page three)

were VPI, VMI, Davidson, and The Citadel. Unfortunately for some teams this will not be true this year. VPI has all its boys back with Matthews their big scorer returning. VMI lost only a few players and will have just about the same team back, plus a new coach, Jack Null.

The Citadel and Davidson will have some new faces and height which will greatly aid their bid for a berth in the Southern Conference tournament. Harding returns to the Davidson five plus two freshmen, 6-6 and 6-4.

That's how the Southern Conference looks on paper at this date. How will the teams do when it comes right down to the actual play on the court? That's the million dollar question I wish I had the answer to.

Kaleidoscope Series Starts

The new W&L radio program, "Kaleidoscope," will present a half-hour program on the "Music of Rockbridge County" over Station WREL at 8 p.m. tomorrow.

The program, produced and directed by Jim Perryman, a senior journalism major, will be the third in the new "Kaleidoscope" series, all of which are being prepared, written and produced by members of the Communications Laboratory of the Journalism Department.

Seminars in Literature

(Continued from page one)

has presented two distinguished speakers, Miss Elizabeth Bowen, noted Irish-English novelist and recognized as perhaps the best woman novelist in England at the present time; Cleanth Brooks, one of America's most influential literary critics and author of the freshman English text used at W&L.

The Committee on Seminars in Literature plan to present two more distinguished speakers during the year. The names of these two persons have not yet been announced. However, one of the speakers will be presented during the winter months and the other will be introduced sometime next spring.

In keeping with the custom of the seminar committee, one of these last two seminars will be on continental literature.

IFC Meeting
