## WHITE AND BLUE CROSS COUNTRY TEAM SCORES A STRIKING VICTORY

Washington and Lee Triumphs  
Over Virginia and V. P. I.  
—Johnson Wins Run

Washington and Lee scored a signal victory in track Saturday by winning the South Atlantic Intercollegiate Cross Country title over the University of Virginia and Virginia Polytechnic Institute over a 6½ mile course. The run resolved itself into a dual race between the University of Virginia and Washington and Lee, as V. P. I. entered but two men and, by the conditions of the race, at least five men of one team were required to finish to enter into the competition. Virginia captured but one place, fourth, which fell to Norris, in the first six. The General track squad triumphed by a wide margin, 17 to 40.

The victory was sweeping, the score 17 to 40 being the lowest on record in Interscholastic competition. The winner of the race was J. B. Johnson, winner of last year's cross country, and holder of the record over that course. His time was 34:04, which is considered excellent for the hilly six and a quarter mile run. Hastings was a close second, with 34:14 as his time, while S. L. Adams was not far behind with 34:22. Norris, the crack Virginia distance runner and former Yale miler, registered fourth, closely followed by Johnson and McNitt of Washington and Lee. Norris had been pretty generally picked to win and his defeat by three of the Generals came as a distinct surprise. The two remaining White and Blue runners, Englebert and Moore, finished tenth and eleventh, respectively. Chinn, V. P. I.'s star and winner of the two mile race at the S. A. I. A. A. meet in Baltimore last spring, took ninth place in the scoring. All of the sixteen entrants finished the race.

### Johnson Takes the Lead

Despite the adverse weather conditions, the grandstand was well filled when Dr. Oscar Randolph fired the starting shot. Johnson immediately took the lead which he maintained throughout the course, and left the field some twenty five yards in advance of Norris, who was running second. At the flag, marking the half way point, out on the Natural Bridge road, Johnson was in the lead with Hastings second. Chinn, however, was slightly in advance of Adams, for third, while Norris, Rollins, Tucker, McNitt, Fields and Berry were all in advance of A. S. Johnston. But the plucky little freshman let himself out on the back stretch and outdistanced six of them, pulling his position up from eleventh to fifth. Chinn, who was only some sixty yards behind Johnson at the turn, began to fall back about a mile later, until he was preceded by eight men. About twenty eight minutes after he left the field, Johnson reappeared. The cheering which broke out was strengthened the next

## GENERALS GAIN A DECISION OVER WEST VIRGINIA BY A NARROW MARGIN

Safety Enables Generals to Win  
Although Mountaineers Are  
Decisively Outplayed

Decisively outbattled in three gruelling quarters, the powerful West Virginia eleven yielded the decision to Washington and Lee in the annual gridiron engagement in Charleston Saturday, 8 to 6. The Generals achieved a victory by virtue of a safety scored in the opening period after Beuhring had crashed through the Mountaineer line for a touchdown, as Curry scored a touchdown against the Generals in the third quarter. Neither eleven registered goal after touchdown.

The battle was marked for hard vicious tackles, brilliant runs and sensational defensive rallies. The forward pass met with uniform ill success. Washington and Lee failed in every attempt to advance on forward hurls, while the long spirals essayed frequently gave West Virginia but six yards during the four spirited periods.

Due to the sweeping end runs of Young and Donahue and the crashing line plunges of Beuhring, the Generals' advance was effected. Mike Leatherwood, the West Virginia quarterback, starred for the Morgantown aggregation, with Colebank and Curry.

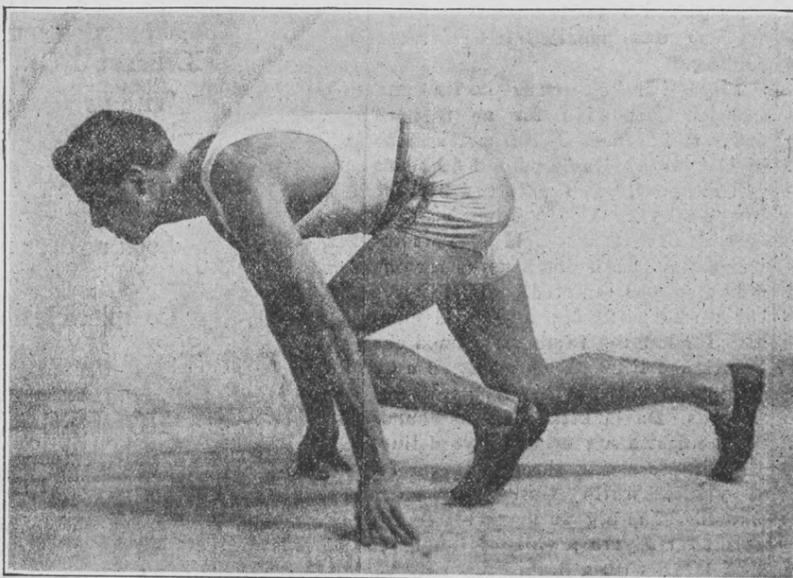

Cy Young played a remarkable game for Washington and Lee. His sweeping end runs were responsible for much of the ground gained in the first two periods. In punting the speedy halfback gained a decisive advantage over Davis. The scoring of the lone touchdown was due in a large measure to his deft toe and brilliant runs. Big Cannon Ball Beuhring hit the line with irresistible pressure in the opening period and finally carried the ball over for the only touchdown. Ira Simms, at left end, played a wonderful game on the defense and showed to advantage on offensive play. His desperate tackles were the feature of the defense, although Scarry and Pierotti effected several daring tackles.

### Fumble Allows Touchdown

A fumble by Gallagher at a critical moment gave West Virginia the lone touchdown. In the third period, the mountaineers rallied and made three consecutive first downs after the kickoff. The Generals countered and held the charging backs without advance, forcing Davis to punt. He kicked to Gallagher, who fumbled the punt, and Curry recovered on the two yard line. On two line plunges, Curry carried the ball over for a touchdown.

One of the most sensational plays of the battle occurred in the second quarter. Leatherwood, the speedy mountaineer quarterback, crashed through the Washington and Lee line by hurdling over center, and shot past the secondary defense. As quickly as he could recover, Halfback Young started in the pursuit of the fast speeding sprinter, but under a handicap of nearly fifteen yards. It

## COACH FLETCHER STARTS A NEW ERA IN TRACK AT W. & L.

Coach Forest Fletcher, the New Washington and Lee Track Coach,  
Ready for a 50-yard Dash

Coach Forest Fletcher has a comprehensive schedule under consideration for the track team. The initial event of the new track era at Washington and Lee was a very pronounced achievement for the Generals, but bigger events are in store for the White and Blue cinder path artists.

The University of Virginia has proposed that Washington and Lee's track team engage in a dual meet with its corps of cinder path products in the early spring. While nothing definitely has been decided as to the date or place, Manager Fite of Virginia, and the track authorities at Washington and Lee discussed the proposed meet while the Virginia cross country squad was here Saturday. It is regarded as de-

cidely probable that the meet will occur.

Manager Evans is also considering a triangular meet with North Carolina A. and M. and Virginia Polytechnic Institute in Roanoke during the early spring. Both of these meets will precede the championship tourney, which heretofore has been held in Baltimore in May. This will probably put both events on some date during the month of April. As a number of indoor meets will precede these athletic contests, the Generals are preparing to enter their team in the George Washington University Indoor meet, the Richmond Blues and other annual meets, including that at Baltimore.

Realizing that the extent of track

## ADDITIONS TO THE FACULTY ASSURED

Several Associate Professors  
Will Be Added Before  
Next Year

Announcement was made by President Henry Louis Smith that the General Board of education has made a special gift of \$5,000 to Washington and Lee university. Last Monday, Dr. Smith was called to a conference with several officers of this board at Hampton, Va., and as the result of the session, the board, in addition to its conditional offer of \$100,000 for endowment, made a special gift of \$5,000 to be expended in the employment of additional professors. Dr. Wallace Buttrick, executive secretary of the General Board of education, announced the gift.

## THE TRIANGULAR DEBATE IS OFF

University of Tennessee With-  
draws From Meet—Another  
to Replace It

The plans of the Washington and Lee debating council met an abrupt reversal when the University of Tennessee notified the authorities Sunday that it would be impossible for its team to participate in the triangular debate scheduled for next March. The proposed triangular debate between Trinity College of North Carolina, University of Tennessee and Washington and Lee had progressed slightly although the question had not then been decided.

It will be necessary for those in control of the debating teams at Trinity and Washington and Lee to secure a third college to encounter,

seemed as though Young's pursuit was in vain, but the General overhauled Leatherwood and downed him with a sensational flying tackle on the four yard line. Following this dazzling feat, the Washington and Lee forwards took a brace, and after West Virginia had spent four futile downs in crashing against the maddened forwards, the pigskin rested on the five yard line.

#### West Virginia Forwards Brace

The West Virginia eleven rallied in the first quarter and held the Generals to downs when a one yard advance by Beuhring on the fourth down would have meant a touchdown. Just before the close of the period, Davis kicked out of bounds on the thirty four yard line. Beuhring's plunge of nine yards, followed by Gallagher's advance of two yards, gave first downs. Beuhring ripped the line for eight and a half yards advance and Miles secured first downs with a three yard plunge. Young bucked through the wavering mountaineers for eight yards, placing the ball on the three yard line. Gallagher advanced a half yard, while Beuhring added another, bringing the ball right on the chalk line. The fourth attempt proved futile and the Generals surrendered the pigskin.

Punting was resorted to in an effort to propell the pigskin from the danger zone. However, Davis' spiral soared with a bizarre twist upward and fell back of the line of scrimmage. In a wild scramble to recover the oval from the onrushing Generals, Newman succeeded and pounced upon it, thereby preventing a touchdown, but affording Washington and Lee with a safety—the two points that ultimately decided the conflict.

In the second and fourth quarters, the White and Blue outplayed West Virginia, but could not rally at critical stages and failed to swell the score. In the final period, the Generals advanced the pigskin to the fifteen yard line, but were forced to surrender it on downs.

Several brilliant runs injected thrills among the gaily bedecked stands. Young circled right end for forty one yards on the opening maneuver of the game, while Leatherwood's spurt of nearly sixty yards was a sensational advance.

The Generals started out aggressively. Captain Donahue having won the toss, Davis kicked off 45 yards to Gallagher, who returned the kick 15 yards to the 30 yard line. On a sweeping end run around right end, by Young advanced 41 yards, Leatherwood, the sole unpassed member of the backfield, bringing him to the ground. Gallagher hit right tackle for 4 yards, while Beuhring hammered the same spot for 3. Beuhring plunged 1 yard, but a penalty for holding reversed the Generals' advance 15 yards. Gallagher's forward pass to Shultz failed, and Young made a wonderful diagonal punt that carried out of bounds on the 2 yard line.

Chenoweth, from behind his goal line, kicked 25 yards to Beuhring. Gallagher made 2 yards around right end, while Young ripped the line for 4. Beuhring smashed the line for 6 yards and first downs. Young circled right end for 3 yards, while "Cannon Ball" Beuhring registered a touchdown with a 4 yard plunge. Donahue kicked out, but both Miles and Young essayed receiving it and the ball dropped to the ground.

Young gave a great exhibition of kicking, following the touchdown. On the kick off, he booted the oval 65 yards over the goal line, but Washington and Lee was offside and the ball brought back. From the 35

yard line, he again kicked over the goal line, and the ball was placed in scrimmage on the 20 yard mark. Chenoweth circled left end for 9 yards, but his attempt to rip the line failed. Leatherwood was thrown for a 2 yard loss testing Simms' end, forcing a punt. Gallagher signalled for a fair catch but Barnnan tackled him and West Virginia was penalized 15 yards.

Fleetfooted Cy Young circled right end for 21 yards. Beuhring failed. Gallagher fumbled and Chenoweth recovered the pigskin on the 10 yard line. Gallagher advanced 2 yards on receiving Chenoweth's 45 yard punts. Donahue went out of bounds without gain. Hite tackled Gallagher on an attempted left end run. Forward passes by Gallagher and Young were grounded, the ball changing over on the 38 yard line. Although Chenoweth gained 9 yards off left tackle, W. Va. was penalized 15 yards for holding.

Pierotti broke through the line and tackled Chenoweth for an 8 yard loss, and rendered him unconscious by the blow. Davis punted 40 yards to Gallagher, who returned 3 yards to the 50 yard line. Beuhring failed, while Young was held without advance. A penalty of 5 yards for off-side play was inflicted. Young was thrown 12 yards and a 15 yard penalty for holding further reversed the White and Blue. Young hoisted a 60 yard punt that Leatherwood returned 5 yards. Davis kicked out of bounds on the first down on the 3 yard line. Beuhring crashed through center for 9 yards, while Gallagher made downs. The big fullback hit center again for 9 yards, while Miles made first down with a 3 yard plunge.

Young hammered left tackle for an 8 yard gain, bringing the ball to the 2 yard line. Gallagher made a half yard, while Beuhring added another. Beuhring was held on the fourth down and the ball surrendered on the 1 foot mark. Davis, in attempting to punt out, made a fizzling kick. The ball soared horizontally into the air and landed back of the goal line. In a spirited scramble between the two teams, Newman recovered the ball and was downed back of the goal line, thereby giving Washington and Lee a safety, scoring two points.

Leatherwood skirted left end for 5 yards, but was held on his second trial. Hite made first down with a 6 yard plunge through left tackle. Hite hit left tackle for 5, while Curry advanced 3 through center. Leatherwood hurdled over Pierotti, broke through the secondary defense and ran 55 yards to the 4 yard line. One of the most thrilling sights of the game was that when Young overhauled Leatherwood, who had a remarkable lead, and hurled him out of bounds. It saved a touchdown.

Curry gained slightly on the second trial. Bernard relieved Neidermeyer. The double pass, Leatherwood to Curry did not produce another yard, while on the last down Leatherwood was hurled backward and the ball went over on the 5 yard line.

Although back of the goal line, Young ran 18 yards from the kick formation, around right end. Young kicked a short high punt that bounded back toward the goal line, no one recovering. It was good for 16 yards only. Stewart made first downs on three successive assaults against the line for 6, 3 and 2 yards. Leatherwood made 2 yards through left guard. Stewart sped 5 between right tackle and end, but Scarry hurled Curry backward for a slight loss. Colebank's long forward pass to Hite failed and the ball went over on the 2 yard line.

Colebank threw Gallagher for 1

yard loss. Donahue circled left end for 11 yards. Beuhring smashed right tackle for 3 yards, while Gallagher circled right end on a sweeping run that netted 8 yards. Young skirted right end for 8 yards. Seckman was substituted for Bernard, just before Beuhring made first down. Young's forward pass was intercepted by Davis, but Stewart interfered and the Generals retained it. With the quarter nearly spent, Donahue dropped back from the 27 yard line and attempted to drop kick a field goal, but the attempt was low and caught by Leatherwood, who advanced it 1 yard. Rogerson replaced Newman. With ball on the 19 yard line, the first half closed.

West Virginia came back strong at the opening of the third quarter. Young's kick off soared over the goal line and the ball was put in play on the 20 yard line. Curry made a yard, while Leatherwood advanced 9 yards around left end, injuring Donahue. On the double pass, Leatherwood made 5 yards, but Chenoweth was held to one. Simms tackled Leatherwood from behind after he had gained 7 yards and first down. Hite hit the left side for 5 yards, and Leatherwood made downs on a double pass around right end after Curry had failed. Dingwall's vicious tackle held Hite to 1 yard. Curry was hurled back without advance, while Miles grounded Chenoweth's forward pass. Davis kicked 8 yards to Gallagher, who fumbled as Neidermeyer tackled him viciously, Curry fell on top on the stray oval on the 2 yard line. On the first down, Curry made slight progress, but on the next down he smashed the center of the Generals' defense for a scant yard and scored a touchdown. Davis' kick for goal hit the bar and bounded back.

Davis kicked 40 yards to Simms, who advanced 6 yards. Donahue circled left end for 3 yards. Race substituted for Chenoweth. Young failed to gain around right end, but skirted left end for a 11 yard advance. Tackled heavily, Young was rendered unconscious, but was resuscitated later. However he was forced to retire in favor of Smith. Colebank tackled Gallagher without advance. Smith punted 30 yards, but the ball took a freak rebound and Leatherwood grabbed it.

Curry failed, while Pierotti hurled him for a 5 yard loss on the second down. A forward pass, Race to Leatherwood, netted 6 yards. Colebank's pass to Neidermeyer failed and the oval changed hands on the 35 yard line. On a double pass, Donahue was held to 1 yard. Sweetland added another, but Hite held Gallagher, forcing Smith to punt 40 yards to Leatherwood, who effected a sen-

sational broken field return of 35 yards. Race made 6 yards between left tackle and guard. Curry gained 2 yards. Leatherwood made first down through tackle. Curry juggled the ball and was thrown for 1 yard loss. Leatherwood hurdled and West Virginia was penalized 15 yards. As Donahue broke up a forward pass hurled by Colebank from the 50 yard line, the third quarter closed.

Leatherwood was stopped on the third down, but Davis essayed to drop kick a field goal. Shultz intercepted it and returned it to the 50 yard line. Gallagher lost 5 yards, while Curry grounded his forward pass to Donahue. Beuhring was substituted for Smith. Dingwall kicked 5 yards to Leatherwood, who fumbled but recovered on the 20 yard line. Davis kicked out of bounds on the 40 yard mark. Donahue swept past left end for 15 yards advance. Gallagher plunged 2 yards, while Beuhring added 3. Sweetland's buck netted 4 yards. Beuhring failed to make downs by a very scant margin, the pigskin going over on the 15 yard line. Seckman relieved Neidermeyer.

Race made 3 yards through left guard on a fake kick formation. Leatherwood hammered the same spot for 1. Simms' vicious tackle held Race, forcing him to kick 40 yards out of bounds to W. and L's. 47 yard line.

Gallagher's forward pass to Shultz failed. Harrison held on the second down, Washington and Lee being penalized 15 yards. Donahue made 5 yards on a criss cross, but Dingwall punted 40 yards to Leatherwood, Scarry tackling him on the 22 yard line. Rogerson relieved Newman. Race hammered right guard for 6 yards. Race gained a yard, injuring Barrow. Stewart went in for Race. Curry made first downs on two vicious plunges. Gallagher intercepted Colebank's forward pass and ran it back 20 yards. Beuhring hit center for 3, while a double pass Shultz to Gallagher netted 2. Sweetland ripped the line for 4 yards, but Gallagher failed and the ball went over.

Spears relieved Leatherwood and Race supplanted Stewart. Spears failed to circle left end, but made 7 yards through line. After Spear gained a yard, Gallagher made an 18 yard return of Race's 38 yard punt. Brooks went in for Rogerson, while Bryan relieved Dingwall. Donahue lost 4 yards around right end. Sweetland hit the line for 8 yards. Smith relieved Sweetland and soon the whistle, ending the game.

## A Striking Beginning

The inauguration of the new track era at Washington and Lee was accomplished by a signal victory on the cross country team trained by Coach Forest Fletcher. Such a striking victory was not anticipated by the student body, but it should fairly set them bubbling over with enthusiasm. The heartiest congratulations are rendered Coach Fletcher on the victory with the hope that he may continue to share the same success in later contests.

The triumph of the squad should serve to demonstrate that Washington and Lee boasts of proper talent to make a representative showing in track. Coach Fletcher is confident that, with proper support, he will be able to develop teams that will cope with the best.

If the meets proposed develop into realities, Washington and Lee will meet the foremost squads in the South Atlantic division on the cinder path and will be given an ample opportunity to establish its rank.

But the feat of furnishing five runners in the first six from a corps of inexperienced cross country runners is truly wonderful and shows that the Generals will soon experience as great success in track activities as has met the efforts of the football and baseball teams during the last four years.

if a triangular debate is to be arranged. However it is possible that the triangular scheme will be abandoned and that Washington and Lee will have two teams—one to debate against Trinity and the other to meet Tennessee.

The University of Tennessee explained that negotiations with the University of Georgia were pending before the time the agreement with W. and L. was reached, but afterwards, the University of Georgia replied favorably and, as the correspondence was prior to that with Washington and Lee, it was forced to accept Georgia's proposal.

The debating council met this afternoon to consider the action it would take in the matter. Other colleges will be written to regarding an intercollegiate debate. The secretary, Morris Masinter, will conduct the correspondence.

The assistance of this gift will enable the President to add three or four associate professors to the teaching corps next September. The need of these associate professors has been felt for some time by President Smith, but lack of funds has prevented their appointment.

A search will be begun immediately for competent men to fill these positions. President Smith will announce soon in what departments the prospective instructors will be placed. The various department heads are anxious to gain the services of the associates, but it has not been fully decided where they will be employed.

## WORK ON NEW GYM

### WELL UNDER WAY

With some forty huskies working all day, and by electric light until 12 o'clock at night, prospects look bright for the new gymnasium in front of Lee's dormitory. The cement foundation work is well under way, and the excavation for the big swimming pool is practically finished. However, to those nervous individuals who hate to hear a pin drop, but little consolation can be offered, as the blasting will continue to shake Lexington for at least a month, and perhaps more. The contractors expect to complete the foundation work by Dec. 1st, when the work of laying the bricks, which have already arrived, will be immediately started. With a last year alumnus, Claude B. Bush, inspecting the job, it is sure to be done as carefully and as rapidly as possible.

## TEAM GETS GOOD SEND-OFF

A fair crowd of students and lots of "the old pep" were at the station at 4 o'clock Thursday afternoon to see the big team off for West Virginia. The W. and L. band was right there with the music, and Eddie Parks led in several yells, making plenty of noise on all sides. The team reached Charleston Friday morning, so as to give sufficient time for final preparation for the game Saturday afternoon.

Herbert Hannis, class of '12, and captain of the basketball team while in college, is at present teaching in the high school at Martinsburg, W. Va.

activities will be controlled to a large degree by the talent developed. Coach Fletcher has announced that a fall track meet will be held on Wilson field on the Thursday following Thanksgiving. The date is not definitely settled upon, but it will be staged as soon as practicable.

The following events will be included on the program: 100 yard dash; 220 yard dash; 440 yard dash; half mile run; mile run; two mile run; pole vault, high jump, broad jump, shot put, discus throw and an interclass relay race.

To work the indoor relay team into trim for the indoor relay races, it is announced that a 160 yard board track will be erected in the hollow just below the gymnasium. Plans for the track have been drawn up by Carl Davidson and it is expected that work will be commenced at an early date. In past seasons, relay teams representing Washington and Lee and indoor relay events have been handicapped by lack of practice on board tracks. The erection of this track will offset this handicap.

Among those aspiring for the relay team are: Hastings, Shultz, Gladney, Curtis, de la Haba, Bailey, Saunders, Englebert, Y. W. Lee and Dean.

## GREENBRIER TOO MUCH FOR W. & L. FRESHMEN

The Washington and Lee Freshman football team suffered defeat at the hands of the heavy Greenbrier Presbyterian Military school eleven at Lewisburg, W. Va., Saturday, 31 to 0. The Greenbrier team averaged 168, while the freshmen weighed but 150. The score, 31 to 0, due to five touchdowns, was largely made by fake plays on the part of the preps. After the game the team was given a reception at the Lewisburg seminary.

The lineup was as follows:

Freshmen	Position	Greenbrier
Crymble	L. E.	Murphy
McHenry	L. T.	Pharr
McKinnon	L. G.	Barnes
Stephenson	C.	Turley
G. Revercomb	R. G.	Carskdon

## FRESHMAN CLASS HOLDS MEETING

A short meeting of the Freshman class was held Thursday in the English room. Ben Rives, president of the Sophomore class, gave a short talk, explaining some rules the freshmen had not regarded carefully. Special stress was laid upon the rule that no freshman could call upon a young lady without being accompanied by an upper classman. The freshmen were also advised to attend all mass meetings, or any meeting at which they are expected to be present.

The University Assembly which would have been held yesterday has been postponed as the speaker of the occasion, Dr. Henry S. Pritchett, is now in California. He will return to the east during the first week in December, the exact date to be announced later, and will deliver a lecture. Dr. Pritchett is a distinguished astronomer and was superintendent of the United States Coast and Geodetic survey until elected president of the Massachusetts Institute of Technology in 1900, which office he resigned in 1906 to become president and managing director of the Carnegie foundation for the advancement of teaching. ## MYLES WINS GAME FOR ALL STARS OVER SOPHS

While the cross country run was in progress Saturday, the spectators on Wilson field were entertained by a football game between the Sophomores and the All Stars, resulting in a victory for the latter by the score of 7 to 0. For the Sophs. Paxton and Wadsworth were the stars, while Hinkle and Myles were the scintillants of the opposing team.

The decisive score was made in the second quarter, when Left Half Back Myles of the All Stars intercepted a forward pass and made a spectacular run of sixty five yards for a touchdown. Both teams played well and the game was one of interest and excitement to the end.

## MASON DEAVER A BENEDICT

Mason C. Deaver, '12, of the Lexington postoffice, was married on last Thursday, Nov. 12th, to Miss Ethel Pearsall, at the home of the bride's mother in Westfield, N. J. After visiting relatives in New York, Philadelphia and Baltimore, Mr. and Mrs. Deaver will come to Lexington Wednesday, where they will make their home.

Miss Anne Riddle of Petersburg, Va., is spending the week with Miss Virginia Moore.

Kid Williams, instructor in chemistry, has recovered from a recent attack of pneumonia that placed him in the Jackson Memorial hospital for several weeks, and has resumed his work.

Coach Elcock, M. R. Miles, W. R. Burton, F. J. Gilliam, Ted Waters, John Gallagher, McCue Marshall and Bill Smith went to Staunton Monday to see the Fishburne-A. M. A. game.

President Henry Louis Smith will leave Lexington Wednesday for about ten days. He will spend some time at Davidson College and in western North Carolina in the interest of the University. He will make several addresses while he is away on his trip.

The annual News Letter of the president to the alumni is now on the press and a copy will be mailed out in a few days to each living alumnus. The letter gives a detailed account of the changes in the faculty, a description of the improvements in the grounds and buildings, the acts of the board of trustees and much other matter of interest that has transpired during the past year.

COUNTRY TEAM SCORES

instant when Hastings appeared, and heightened when Adams showed up as third man. Norris was the first outsider to reach the field, coming into view slightly in advance of Johnston and McNitt. In the closing lap around the track the distance between Adams and Norris lengthened as that between Norris and Johnston shortened, but the finish was in the same order as the appearance on the field. At a the close Norris was only thirty yards in advance of Johnston. Within a few minutes of Johnston the last man had crossed the line.

During the thirty odd minutes of suspense while the runners were on the course, the crowd was entertained by a football game between the Sophomores and the All Stars. Then and also after the close of the race, returns from the Charleston game were read, although owing to poor telegraphic facilities at the other end, the reports were meager and slow in arriving.

## Loving Dup for W. and L.

Medals were awarded to the three first men to finish the race, and a beautiful large loving cup becomes the property of Washington and Lee, as the result of the brilliant victory. It was the first victory for the track men under Coach Forest Fletcher, and to carry off the first three places and win by the exceptional score of seventeen points was considered a notable victory of a new era seems to have come over W. and L., and this successful start augurs well for an equally successful season next spring—a season that should give Washington and Lee a fitting place in the rank of track athletics.

## NOVEL MUSIC FOR DANCES

One of the novel features of the approaching Thanksgiving dances will be the music. Travelling some 300 or more miles from Columbus, O., Wright's Saxophone trio will render its gay selections for the holiday festivities. This trio is a colored organization consisting of a piano, drum and saxophone. It has a wide reputation throughout the cities and colleges of the North and Middle West for its dance music; and the Cotillion club has been extremely fortunate in getting these musicians, as their engagements run for months ahead.

## Dr. J. N. Mills Makes Address

The Y. M. C. A. meeting last week was addressed by Dr. J. N. Mills of Washington, D. C., who spoke on "Missions From a Traveler's Point of View." Dr. Mills is a very forceful and attractive speaker, and in a recent tour around the world, he was so impressed by the work of the foreign missionaries, that at his own expense he has been lecturing on this subject ever since his return to America. In the course of his remarks the speaker mentioned a number of interesting incidents of his travels through the Orient.

While in Lexington Dr. Mills also spoke at the V. M. I., where he was well received.

## Student Speakers Tonight

The weekly Y. M. C. A. meeting will be held in the chapel tonight as usual. The speakers will be P. D. Converse, R. N. Latture and P. C. Buford, all men who are prominent in college life. It is hoped that a good crowd will come out to hear these student addresses.

LITERARY SOCIETIES MEET  
AFTER TWO HOLIDAYS

After being adjourned for two weeks, on account of the two successive trips to Roanoke and to Lynchburg, the Graham Lee Literary society held its customary meeting Saturday. The meeting was well attended and lively throughout, and an interesting program was rendered, the orator of the evening, however, being absent. E. D. Campbell delivered a declamation, followed by the two extemporaneous speakers. W. W. Sager spoke on "The Average American's Carelessness in the Use of the Mother Tongue," and G. R. Shaw remarked on the "Right of a Man to Spend His Money as He Wills." Both speeches were brief but pointed and refreshing.

Resolved, That Labor Saving Machinery is Advantageous to Labor," was the question for the evening's debate, affirmed by R. P. Hawkins and L. D. Arnold, and negative by Elliott Stewart and Laurence Williams. A decision was given by the judges for the negative.

## Washington is Active

The Washington Literary society held its regular weekly meeting on Saturday night, with the vice president, J. C. Rivers, in the chair.

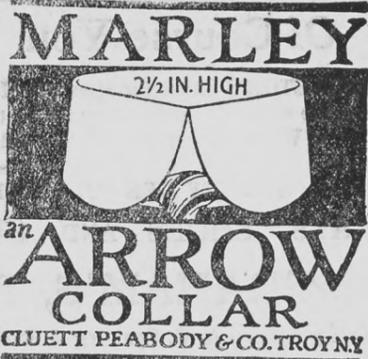

The program for the evening was opened by an oration by J. R. Collins, on "The Power of War." The second orator, J. W. McCready, spoke on the subject entitled "Are Men Sane." J. W. May delivered "Ingersoll at the Tomb of Napoleon."

The debate, Resolved, "That all cities between 50,000 and 250,000 population should adopt the commission form of government," was heated. Cannon and D. B. Harris upheld the affirmative side against J. A. Rue and M. D. Ridenour for the negative. The judges, Bennett, Cole, and Smith rendered their decision two to one in favor of the negative.

Morris Masinter spoke extemporaneously on the subject of "Misdirected Ambition," and C. E. Worth spoke likewise on the subject of "Near Success."

H. S. Brown and G. B. Lampton were initiated into the society as new members.

Spencer M. Turnbull, ex'14, is now taking graduate work in economics at the University of Tennessee.

## YEARLY MOCK TRIALS MAY COME TO AN END

"Domestic Relations" of Siamese Getting to Be a Serious Business

For some time past one of the yearly vaudeville attractions offered to freshmen and strangers in Lexington has been the "Mock Trial" presented by Siamese; but this feature may be dropped from the operative curriculum in the future, as the affair has begun to assume a more serious aspect for Siamese. Every student is familiar with the "Domestic Relations" of Siamese and has patiently borne with him in the oft recited woes of his henpecked existence, but when one of his connections began to take "Real Property" they decided things were going too far.

Some three weeks ago the stepson of Siamese, hearing of one student that his stepfather had overlooked in asking for subscriptions, entered the student's room and made away with something like thirty cents. A couple of bloodhounds, aided by the Lexington police force, who were persuaded that the thief was young and homeless, took up the trail and in less than twenty four hours had tracked and captured the criminal not more than a mile from the scene of the crime, and at once gave him a room in the county boarding house to await proof of his innocence.

As Siamese did not appeal to the students for financial aid, it was understood that he would make no effort to stay the hand of the law. However he procured legal aid in the person of Attorney Ben Ainsworth, '10, for although the boy was a son of his wife, Siamese overlooked the fact in his desire to preserve the reputation of his family connection. But his efforts were in vain. The prosecuting attorney, Hugh White, having found sufficient evidence to convict, the defendant was awarded five years of physical culture at the expense of the county. Almost a week has elapsed since the trial and still Siamese has not yet begun a petition for a pardon.

## TEXAS CLUB ORGANIZES

At a meeting of the students from the Lone Star state held yesterday afternoon, the Texas club for the 1914-'15 session was organized, with the following officers:

Jeff D. Hefley of Cameron, president.

H. G. Brown of Mt. Pleasant, vice president.

C. C. Wurzbach of San Antonio, secretary and treasurer.

A new feature will be introduced by "The Longhorns" this year by having their banquet with the Texas club from V. M. I. There were thirteen men at the meeting yesterday, and when these combine with the twenty-three cadets from Texas at V. M. I., a large gathering of representative citizens from that state will celebrate their year in the Lexington institutions. The proposed combined banquet will be held about the middle of December.

## SOCIALISTS HANDICAP HARVARD

At the Harvard-Michigan and Harvard-Princeton games, both of which were played in Cambridge, all Harvard banners and pennants were strictly tabooed. This was the result of a law just passed by the Massachusetts legislature, which prohibited the waving of red flags. This law was primarily aimed at the Socialists, but since the colors of Harvard are Crimson and White, it had an entirely unlooked for result.

## GENERALS ARE WELCOMED WARMLY IN CHARLESTON

Round of Entertainments For Team and Followers Given—Miss Chilton Gives Reception

The few supporters who accompanied the Generals on their recent journey to Charleston were royally entertained during their stay by many functions tendered the rival teams and their followers.

Miss Agnes Chilton opened the series of festivities with a delightful reception for the two teams, and their followers, at her home on Virginia street, Friday afternoon. The house was beautifully decorated with streamers of the college colors and yellow and White chrysanthemums, while a huge football was suspended in the dining room. Those assisting Miss Chilton were: Miss Clara Wilson, Miss Virginia Williamson, Miss Alice Peyton, Miss Viola Elliott, Miss Carrie Hoy, Miss Harriett Williamson, Miss Margaret Singer, Miss Pearl Lewis Chilton, Miss Phyllis Thornhill, Miss Katherine Stewart and Miss Amazetta Northcott.

Friday night the two teams were entertained with a box party at the Plaza theater that was followed by a fashionable dansant at the Kanawha hotel.

Following the battle, the alumni of the two institutions added a finishing touch to the series of entertainments by a large dance at the Armory, which was attended by nearly 150 couples. The grand march was led by Harry Moran with Miss Agnes Chilton. The armory was lavishly decorated in the college colors of the two rival institutions. Charleston society turned out en masse for the event.

G. F. Coyle was chairman of the Washington and Lee alumni serving on the committee that arranged the wonderful series of entertainments, which consisted of E. L. Long, G. F. Coyle, Bernard Gates, John Shanklin, T. B. Hodges, W. G. McCorkle and E. T. Donally.

A special train was run from Huntington to carry nearly 300 spectators to the game. John Harmon headed the Huntington delegation, while "Fats" Miller directed a special train from Hinton.

Quite a number of the alumni viewed the battle. Edward Cooper, recently elected to the United States house of representatives, was present, as was ex-Governor McCorkle.

"Fats" Miller, George Armentrout, Kemper Shelton, Don Earwood, Sam Chilton and John Harmon were among the ex-gridironists at Charleston, while Harry Miller, "Bunny" Humphries, "Flossie" McDonald, J. Davis, J. H. Kelley, Walter Eager, Harry Moran, Otho Kerns, Graham Sale and J. McVey were others on the scene of action.

But few students attended the game. Eddie Parks Davis, Phil Loughlin, Reuben A. Lewis, Dick Heavener, J. P. Richardson, S. Silverstein and C. R. Weinburger made the journey, while the faculty was represented by Dean Harry D. Campbell, Registrar N. D. Smithson and Dr. J. W. H. Pollard.

The enthusiasm shown by the supporters of the rival elevens was more marked than at any other game of the year. Charleston was bedecked in its gayest raiments, while almost every gridiron follower wore colors of one of the two schools. At the opening of the game, sentiment seemed to favor Washington and Lee, for it as expected in Charleston that the Generals would equal or excel the

score of 1913. But as soon as West Virginia rallied, the attendance switched in sentiment from the Generals to the mountaineers. The crowd was easily swayed by the result of almost every play.

S. R. Paul is at present practicing law in Richmond, Va.

A. W. McCain, '14, is working in the Bank of Jonesboro, Ark.

George T. Lee, ex'17, is a student at the University of Texas.

Claude P. Light, class of '11, is at present practicing law in Parkersburg, W. Va.

Pat Maloney, class of '15, is now in the brokerage business at Morristown, Tenn.

Earl Herman Ignatius Rivalier Ludo von Meysenbug, '13, is studying medicine at Harvard for his second year.

Francis Miller, '14, is on the International Y. M. C. A. commission, doing secretary work among the Northern preparatory schools.

J. G. Herndon, class of '11, and formerly instructor in the school of commerce, is at present acting professor of economics in the University of Arkansas.

John Larrick, '14, is Y. M. C. A. secretary at the University of Alabama. Evans Dunn, ex'15, and Gus Moore, ex'13, are in the law school, as is Billy Hogue.
