

## STUDENT BODY ELECTIONS COME TOMORROW A. M.

The general election for the officers of the Student Body, the editors and business managers of the various publications, the president of Finals, the president of the Fancy Dress Ball, and the cheer leader for 1926-27 will be held in the Lee chapel tomorrow morning. The polls will be open from 9:00 a. m. to 2:05 p. m. It is the duty of every student to vote, as the result of this election is a matter of great importance. In order to avoid congestion at the last moment, everyone is urged to cast his vote as early as possible.

Rod Latham is a member of the Intermediate Law Class, a member of the "13" Club, of the Phi Delta Phi leagal fraternity, and the Kappa Alpha social fraternity.

Bill Owen is a junior in the Commerce School, a member of the "13" Club, of the White Friars, and of the Phi Kappa Sigma social fraternity. Also he is a junior manager of baseball.

The Cotillion Club gives a formal dance every Thanksgiving and Easter and throughout the school year sponsors many informals. The president of the Club leads the formal dances and is assisted by the secretary-treasurer.

### Do Not Put Out "Rebel Yell" Tonight

R. Maynard Holt, president of the Student Body, announced today that if a "Rebel Yell" is attempted to be put out tonight any persons connected with its distribution or selling will be subject to extreme consequences. Action to this effect was taken by the Executive Committee in their regular meeting last night.

Although no "Rebel Yell" appeared last year, it has usually appeared the night before the general election day. There appears to be some rumor on the campus to the effect that one might come out to-night and the executive Committee is determined not only to prevent its distribution, but also to exert every effort to determine responsible students and inflict the necessary consequences.

## GENERALS COME FROM BEHIND TO DOWN ST. JOHNS

After two straight defeats the Generals came from behind to win from St. Johns 4 to 2 yesterday afternoon. The visitors took the lead by forcing across a tally in the first inning. In the second canto the Blue and White knotted the count. The visitors then took the lead again in the fourth only to have the Generals knot the count in the fifth and forge ahead in the sixth to clinch the victory.

Both teams were erratic afield. At times the play was smooth, but at others it was terribly ragged. The Saints made eight miscues during the afternoon's play. The Blue and White showed only half this number. The visitors were allowed only four hits during the day while the Generals

### Last Informal Comse Saturday

Saturday night in Doremus gymnasium will be given the last informal dance of the school year, the Finals Informal, and this event will terminate the social calendar until the glorious Finals in June.

The Cotillion Club, which so successfully has sponsored the previous informals of the school year, will also see the last one to a happy close Saturday night May 7. At present nothing stands to prevent a typical Washington and Lee hop, and if, as is anticipated, a typical dance is had, it promises to be the biggest and best this year.

The presence of girls may be had by the mere asking. Every one is urged to wire a girl immediately if he has not already done so. All of the neighboring institutions have returned from the spring vacation and their not being accessible will not suffice for their absence.

The Southern Collegians will play for the finals informal. The Collegians widely advertised Washington and Lee on the recent Troubadour trip and at the same time made a splendid name for themselves. Saturday night will mark their last local appearance until the 1927-28 session.

## Tomorrow's Duty

IT'S ALL over tomorrow.

The annual election of the officers of the Washington and Lee Student Body begins tomorrow morning at 9 o'clock and lasts until 2:05 o'clock in the afternoon.

This event throws a responsibility on the shoulders of the Student Body—the responsibility of electing its leaders for next year. This is a very serious question, and should be carefully thought out before action is taken on it.

Who do you want for your leaders next year—leaders of Student Body activities and government at this University?

The candidates will finish their "politicking" tonight and tomorrow the ring will be cleared for action.

Every man's vote is his own, and there are no "strings" whatsoever on any ballot.

It is the solemn duty, therefore, of every Washington and Lee man to think over the matter tonight, and go to the polls tomorrow with his decision firmly made—and cast his vote that way. Unbiased consideration should be given every candidate, and the man who is best qualified for the office should be given the vote.

Think it over tonight, and vote right tomorrow.

It is your duty—to the candidates, to yourself, and to Washington and Lee.

## Executive Committee Goes On Record Favoring Chapel Vigil

May 2, 1927

The Executive Committee of the Student Body has gone on record as favoring the idea behind the Chapel Watch. That is, it is in favor of paying every possible respect to General Lee which is possible and practical under our present day organization. This committee realizes that the practicability and success of such a plan as the Chapel Vigil depends greatly, if not wholly, upon campus sentiment. Therefore, the following tentative plan is submitted for the purpose of getting the true student reaction to the plan in general. This plan is to be voted on in the general elections next Thursday. Provided the Student body indicates that it is in favor of such a plan, this tentative plan will be worked over by the Executive Committee of next year and put into practice. If the vote shows that the Student Body is not in favor of it, the matter of the Chapel vigil will be settled once for all. A negative vote will in no way indicate that the Student Body is not in favor of paying some definite mark of respect to General Lee, but will merely show that it does not think that such a plan as here represented is practical. In case of such a negative vote the Executive Committee will then recommend to next year's Committee that some other more practical method of showing our respect be devised.

The plan is as follows:

The Executive Committee shall appoint a committee to see to the administration of the Chapel Vigil consisting of various members of the classes or of any other men the Committee thinks more capable.

1.—Beginning with the Senior Academic class, all seniors will take their turns at the Chapel Watch. The name of the senior, the date and the time of the watch shall be posted by the Secretary of the individual classes. When all seniors have had their turn, the juniors shall continue the watch in the same manner. Then if necessary the sophomores will conclude the watch for the year. In this way, no student will serve more than once each year.

2.—Two students shall be assigned for each day, one serving during the morning and one in the afternoon. The watch will be divided into two parts. The morning watch shall begin at nine o'clock and last until 2 o'clock p. m. The afternoon watch shall begin at two o'clock and end at six p. m. Class absences during the period of watch will be excused. No watch will be maintained on holidays or during exams.

3.—It shall be the duty of each student on watch to prepare himself to intelligently act as guide for all visitors to the chapel.

It is hoped that this matter will receive the serious and conscientious consideration of every student. A two-thirds majority is required for the plan to pass.

—The Executive Committee of the Student Body

## College Students To Make Tour Of West On Pullmans

Dancing at the Canyon Hotel at Yellowstone . . . camera hunting in the Five National Parks . . . a boat trip into Canada . . . golf in California . . . visits to Chinatown in San Francisco . . . then across the line into Old Mexico . . . doesn't that sound interesting?

It's all happening on the four weeks' circular tour of the Far West by the Traveling University Club, and you have been elected to membership for two years—no dues or assessments, but lots of advantages. This four-week tour is the first undertaking of this unusual club.

July 16 a special train of ten or twelve cars, diners, all-steel Pullmans, ball-room, college orchestra, carrying

one hundred and twenty-five collegians like yourself will start on a tour of the Far West. All expenses are paid in advance, meals, hotels, side trips, all uninteresting details looked after for you by experienced college men. Each member saves more than \$200 because of the special rate. You just enjoy yourself. The fact is, you have the help of more than a hundred college students and graduates to make this the trip of your lifetime. Reservations for this trip will be made in another two weeks.

Further plans for the tour may be had by writing The Traveling University Club, 1050 North La Salle Street, Chicago, Ill., for a 16-page complete travel booklet.

"Tiny" Hearn, a good man in the Georgia Tech line last fall against us, was married last Wednesday. He may stop college.

## Winning Essay Will Give Year's Session On Floating School

New York, April 16.—A school year in the University-Afloat-on its second college cruise around the world is the prize offered in a national essay contest, according to an announcement made today by the University Travel Association, 285 Madison Avenue.

The scholarship, valued at \$2,500 will pay the entire expenses of tuition and lectures in the floating college, the steamship ticket around the world, stateroom, shore trips and meals.

It may be won by any young man student who is now an undergraduate in any college or university in the country and goes to the writer of the best essay on one of three specified subjects.

"The University Travel Association recognizes the value of education which is combined with travel and wishes to place before ambitious students the opportunity for a school year spent in study and a tour of the world," said Charles H. Phelps, Jr., president of the association, who made public the conditions of the contest today.

The candidate for the scholarship is given the choice of three subjects: The International point of view in Education. The Contrast between Eastern and Western Civilization. The Influence of the West on the East. The scholarship provides for a continuation of the regular academic courses aboard the S. S. Ryndam, col-

lege ship, which is now on the first college cruise round the world. It may also be used for post-graduate study or the study of a special business course relating to foreign commerce and international relations.

The second cruise leaves New York about September 20, 1927 and after visiting 25 countries will return in May, 1928. This cruise is to be a college for men with the enrollment limited to 375, instead of the co-educational student body of 500, now enrolled in the first year of the University Afloat.

In order to give the winner of the contest sufficient time to make arrangements, the contest will close May 15, 1927.

Mr. Phelps stated that any student interested in competing for the scholarship may obtain further information by writing to the University Travel Association, 285 Madison Avenue, New York City.

### Records Fall As V. P. I. Trackmen Win

Virginia Tech Defeated The Blue And White Runners In Interesting And Fast Meet 71-55

Although beaten by the track team from V. P. I. yesterday by a 71-55 score, the Washington and Lee harrriers gave a great account of themselves, and were vanquished only after a hard struggle in which one school record and many records for the new track were shattered.

A. R. Coleman of the Generals became the outstanding performance of the meet by throwing the javelin 179 feet 2 inches for a school record which bettered the old record by 7 feet, five inches. The most thrilling feature of the afternoon was the duel between the two captains, Milbank, of Washington and Lee, and Montague, of V. P. I. Montague got a fast start in the century dash and lead the General captain to the tape. But in the 220-yard dash, Milbank, spurred on by desire for revenge, stepped away from the Gobler to win by a fairly comfortable margin. In the 440-yard dash Hutchison of Tech and "Buck" Wilson staged a pretty race in which the Cadet nosed out by inches. It was the fastest quarter mile race yet run on the new track on Wilson field.

"Pete" Reardon, versatile performer, kept up his good work in his events, winning the high hurdles and broad jump, and taking second place to Coleman in the javelin. Reardon who has not lost a hurdle race this year, skimmed over the barriers in the best time he has made this season. He was, incidentally, high scorer for the day with thirteen points. Nance of the Generals gave Penn a hard race in the two-mile run, and was barely beaten in a fast finish. New records for the new cinder track were established by Milbank in the 220, Hutchison in the 440, Wilbourne in the mile run, Reardon in the high hurdles, and Hicks in the low hurdles.

100-yard dash—Montague (V. P. I.), Milbank (W. & L.), Shankton (V. P. I.). Time: 10.1 sec.

220-yard dash—Milbank (W. & L.), Montague (V. P. I.), Shankton (V. P. I.). Time: 22.2 sec.

440-yard dash—Hutchison (V. P. I.), Wilson (W. & L.), Dowdy (V. P. I.). Time: 50.4 sec.

880-yard dash—Cooke (V. P. I.), Hutchison (V. P. I.), Clauch (W. & L.). Time 2 min. 3.6 sec.

1-mile run—Wilbourne (V. P. I.), Cooke (V. P. I.), Sutton (W. & L.). Time: 4 min. 42 sec.

2-mile run—Penn (V. P. I.), Nance (W. & L.), Jennings (W. & L.). Time: 10 min. 17 sec.

High hurdles—Reardon (W. & L.), Sproul (W. & L.), Patterson (W. & L.). Time: 16 sec.

Low hurdles—Hicks (V. P. I.), Cowell (V. P. I.), Patterson (W. & L.). Time: 26.4 sec.

Shot put—Fussel (V. P. I.), Kidd (W. & L.), Gray (V. P. I.). Distance 42 ft., 9 in.

Discuss throw—Lund (V. P. I.), Gray (V. P. I.), Fisher (W. & L.). Distance: 140 ft., 4 in.

Javelin throw—Coleman (W. & L.), Reardon (W. & L.), Janney (W. & L.). Distance: 179 ft., 2 in.

High jump: Holsworth (V. P. I.), Sproul (W. & L.) and Caperton (V. P. I.) tied. Height: 5 ft., 10 in.

Pole vault—Hoh (W. & L.) and Holsworth (V. P. I.) tied, Pilley (W. & L.). Height: 9 ft. 9 in.

Broad jump—Reardon (W. & L.), K. Bank (W. & L.), and Brown (V. P. I.). Distance: 20 ft. 7 1/2 in.

### Only Four More Games Scheduled

Just a week from today the baseball season for the Generals will come to a close. Four more contests on the calendar, Quantico Marines, Richmond Medical college, Virginia and V. P. I. Of these four all will be played on Wilson field with the lone exception of the game with Virginia, which will be held in Charlottesville.

The V. P. I. Game does not only bring to a close the present baseball season for the Generals but also rings down the curtain on the careers of five of the main cogs in the Blue and White machine. Captain Palmer, Rauber, Maben, Gwaltney and Stearns all play their last game.

The contest with the Quantico Marines Thursday should furnish plenty of competition for the Generals as the service team is composed of men who have played college baseball before entering the corps. But the Generals are out to "Tell It To The Marines" and if the Blue and White have on their hitting clothes they should not have too much trouble in spelling defeat of the opposition.

The contest with Richmond Medical College Saturday afternoon is the last non-conference tilt that the Generals will engage in this season, and they are out to take this bunting. Wins over the Quantico Marines, Richmond Medical College, Virginia, and V. P. I. would give the Generals a clean claim to the championship of the state, and a good chance at being awarded the conference champs, as the Generals would have lost only two conference settoes.

### Date Changed Of Registration

The Faculty Committee on Registration has changed the date for the registration of the students on the campus, from Tuesday, May 3, to Tuesday, May 10. This was done so as not to make any interference whatsoever with the election-politics now in force. The Committee urges that each student register for next year's classes as soon as possible after the date set aside for that purpose.

For the first time Columbia University varsity crew has a sophomore captain. Eric Lambert, stroke, has this honor.

### Candidates To Speak To Students Tonight

Will Make Final Appeal For Votes In The Gym At 7:30

All candidates for Student Body offices will have the opportunity of making their final appeal to the Student Body tonight at 7:45 o'clock in the gym. R. M. Holt, president of the Student Body, will preside and introduce each candidate. The meeting is not compulsory but every student is asked to attend so that the candidates may have a chance to reach all.

These short stump speeches come each spring. They have been a part of Washington and Lee tradition for several years. Everyone will have the chance of hearing the candidates and judging them at their best. Many new cards will appear and after tomorrow, politickin' will be over for another year.

In order to join a fraternity at Heidelberg a student must fight seven duels, and at the conclusion of the last, whether victorious or not, he is allowed to carve his name on one of the tables in the drinking room, thereby becoming a full-fledged member.

### S. FOSTER DAMON

S. Foster Damon, whose volume of verse, "Astrolabe," has just been published by Harpers, became the president of the New England Poetry Club a few days ago, on the death of Abbie Farwell Brown. Although "Astrolabe" is Mr. Damon's first volume of verse, he is well known to readers of Harper's Magazine, The Nation, The Saturday Review, The Dial, etc., and as the author of one of the most significant and discussed biographies of Blake.

Before being retired from the game Snake Maben connected with two safeties out of two trips to the plate to lead the willow swingers.

"DOES PROHIBITION WORK"

Martha Bensley Bruere, author of "Does Prohibition Work?" published April 8th by Harpers, explains that she has not reached a conclusion in her book because there is no conclusion to reach.

A class at George Washington University recently waited fifteen minutes for an instructor and then dispersed. The next day the instructor claimed to have been in the class because he had left his hat on the desk.

The University of South Carolina is to have nine blocks of paving done around the campus.

HEAVE, HO! "Look, Daddy, I pulled this weed right up by myself." "By jove, you're strong." "Yes, aren't I daddy? The world had hold of the other end!"

Freshman Nine Has Won But Two Tilts

Little Generals Have Conquered Only A. M. A. And S. C. I. Ball Tossers

The freshman baseball team has won two and lost four of the games played, not including the one today with Oak Ridge. Captain "Eddy's" tossers have won from A. M. A. 6-4; and from the Shenandoah Collegiate Institute, 8-6. S. C. I., Virginia Freshmen, John Marshall High school and S. M. A. are among those to whom they have lost.

Over One Million Words Sent Out

More than one million three hundred thousand words have been sent out by the Washington and Lee University news service, working under the direction of the Lee School of Journalism, so far this year.

Nearly a million words of this total were sent out in connection with the recent Southern Interscholastic Press Association, and the remainder have been sent out during the entire year, on news of the University, and what its faculty and students were doing.

The news work is under the direction of Howard M. Thompson, acting director of the Lee School of Journalism, and his assistants, Guinden C. Olson, of Chicago, and William Hill, of Washington, D. C., both students.

It is the hope of the department to have more than a million and a half words, distributed to the press of the Southern states before the closing of school this June.

Preparations For Finals Progressing

Progress On Decorations Is Rapid Under Professor C. E. L. Gill's Direction

In an interview, "Fanny" Hearn, president of 1927 Finals, said, "With the exception of finances, everything is coming along fine in our preparation for Finals. Next week, after the politicians have stopped worrying the students, we will start our last drive for one thousand dollars, which will be absolutely necessary to put over the dances. After that sum has been secured, all will be ready."

He also announced that a good deal of the decorations have already been completed. Blue and white will be the color scheme for the first three days, and a pastel shade will be used for the Final Ball, giving the effect of an "Old Fashioned Garden." Prof. Carl Gill has charge of the decorations and is most successfully bringing them to perfection.

Press Wants Student Syndicate Writers

"Collegiate stuff" continues to be wanted by the newspapers. Football, collegemorals, the "revolt," and, during the past few months, the "suicide wave" still made good copy for the daily papers.

The latest efforts along this line is a proposal for an international newspaper service of student writers by the United Feature Syndicate of New York, an organization owned and operated by the United Press.

As a starting point for this service the Syndicate has sent out a call for student articles, not to exceed 500 words, "giving a direct, vitalized and intelligent cross-section of youthful thought and outlook." Five or six of the most important and interesting articles so secured will be organized into a weekly service for Saturday or Sunday publications.

Here are a few of the twelve suggested topics: 1, What three Americans do you consider are having the most influence upon the thought of American youth; 2, Is Judge Ben Lindsay's companionate marriage proposal a remedy; 3, Is Christianity destined to endure?; 4, It has been stated that the revolt in China has rung the death-knell of "White man's vaunted supremacy." What is your opinion?; 5, Is the United States becoming imperialistic? Are we on the way to Rome?

A NOVELIST'S FATHER READS HER BOOK

Emanie Sachs says that her father didn't think it fair of her to tell so much of her heroine's private life as she has done in her just-published novel, "Red Damask." She adds that she cured him by making him read John Erskine's "Galahad."
