

Deerfield Dec 1st

Dear Cousin Alex.

Betty Winston

requests me to give you any
information in regard to the
Guy kin I may possess.

I should have written
sooner, but have been sick.

W^m Guy was born near
Londonderry 28 July 1796. He
was seven years old when
his parents came to this
country in 1803, he died
March 16-1864. I can find
no record of Uncle James'
birth. Mr John Irvine, the
oldest man in our church,

says Uncle J. was born in Ireland, as your Mother was born in 1801, he must have been an infant when they left the "old country" in 1803. I am not sure about the date of his death but think he died in 1875.

About two years ago Judge Chalkley told me that in looking over some old papers in the Court House in Staunton, he found one written by Robert Guy Sen, & William Glendy Sen - giving an account of when they came to this country and why they came. They were brothers in law, &

Your Grandfather & mine.
Judge Chalkley promised
to send me a copy but
I never received it -

If you could in any way
get a copy, you might be able
to learn something interesting
about our kin. Mr J. A.

Waddell also saw the paper.
Best wishes for Frank and
his bride -

Your aff cousin
Belle M. Guy.
