Dear Dr. Hutcheson:

I am quite sorry that it is necessary to bother you with the following matter, but I believe I have no alternative but to do so.

The editors of THE RING-TUM PHI have requested that I ask you to afford them an interview while you are in Lexington for the Board meeting. It is their desire, if agreeable to you, to discuss with you the decision in regard to the admissions policy made in the past summer. As I pointed out to you in my last letter, they have learned of the decision from various sources and they feel that it would be helpful to write about the matter in the student paper. You can inform me of your decision in this regard prior to the meeting, or perhaps you may wish to discuss it with your fellow Trustees.

Best wishes.

Sincerely yours,

Fred C. Cole

P. S. I should add that both of these young men are very thoughtful students and are deeply devoted to the best interests of Washington and Lee.
