

Spend Your Summer Vacation at The
BLANDOME
Our Private Residence

A COLONIAL MANSE, the type of Southern Aristocracy, with all modern conveniences. Seated on a three-acre lot, with spacious lawn, and shaded with rare species of giant trees.

SCENERY: Natural Bridge and Goshen Pass.

MEDICINAL WATERS: Sulphur, Alum, Lythia and Magnesia easily obtained.

LEE HIGHWAY and Midland Trail intersect at the heart of the City. Fresh milk and all kinds of country produce daily.

SCIENTISTS have proven that Lexington is the healthiest spot in the world.
