

V. S. 49.

MIDWIFE PERMIT

The document in this envelope is proof that the owner is a REGISTERED MIDWIFE and has the right to charge for her services. It should be carried with her when she visits patients and shown when called for. The Safety Rules on the back of the Permit must be read and followed, and the birth reported before ten days to the local registrar of the district in which it occurs. If lost, this should be returned to:
