

investigation ³ and history: with the
freight board freight write
Many of Mrs Roland's friends as
a traitor

the investigation brought
out many more of Mrs Roland's
friends than the freight and part
of a new Mrs Rogers' friends

3

thorough investigation was made
thorough and many things came to
light that Citizens knew nothing
of a hearing of the school board
was ~~successful~~ granted and this
~~the~~ waters began firing water
and at first ~~the~~ with this ammunition
the children of the first and second
grades were ~~also~~ compelled to ^{open} stay
2 years to the grade and then one
year to each grade until they reached
the 7 grade which was the principal grade
and there they again they were compelled
to spend two years ~~again~~ and cover
less ^{work} ~~work~~ than the children else
where in our when asked a member of
the board why this condition exist
his reply was the ^{that} children [REDACTED]
said the colored children could not
do the work in the ^{length of} ~~same~~ time that it

as the whites because of the negro ^{arise-} stores but ~~the~~ ~~Halt~~ ~~soon~~ ~~exposed~~ ~~the~~ ~~whole~~ ~~condition~~

But Master Halt explained ~~condition~~ by telling that when he had a problem that ~~was~~ ^{she} was unable to work she would say well I'll just swap with you and give you one you can work. Thus ~~many~~ in this way many problems pages of arithmetic was left undone which caused in sufficient in the paper when entering ~~the~~ ~~the~~ ~~in~~ ~~high~~ ~~school~~ ~~work~~. ^{and the letter she arranged a so called 8 grade} ~~class~~ where at this time there were no high school in Lexington and at the perance payed for 4 to 8 months for other schools that should be used here at home

the next ^{Enquiry} ~~of~~ ~~question~~ by the Rev and
 his Father was the ~~shortage~~ of
 why ~~that~~ the white town should had
 eight months and the colored of
 this also was explained by the a
 Member of the board that [redacted]
 [redacted] said when the ^{weather} children
 got warm the colored children
 wouldnt attend school. the Rev
 asked asked if it was ~~permissible~~
 to close the school doors when ^{the} ~~the~~
 in the face of 2 ~~20~~ - children ^{14 or 16}
 Careless Mothers were negligent eno-
 ugh to keep their children at home
 . This was under stood by the colored
 present. as Mrs [redacted] like to
 assist her husband at Currierment
 in his restaurant at the big cur-
 rierment. that came to Leany

as other white colored towns and
then to [redacted] like to a like
to attend the Conventions and help
make trouble for the Conventions
as she ^{made} kept ^{for these} up at home

~~the~~ [redacted] Enough Industrial work
industrial work was was incourted in
the ~~particulars~~ also to start in industry
work [redacted] industrial work that
shed Enough ^{insurated in} attached to the
public ^{the} grammar School Enough
for a trade school. little children when
entering in school the first day
was furnished a dress or sand piece
of sewing was given the child to bring
home to work on great demonstrati-
ion was mad at the Fair and the
one whole day was spent at a show
demonstrating the work of the child-
ren done in the Harvest Festival of
school and receiving help for
members of the faithless

The patrons urged this curriculum
to be ~~examined~~ by the board which ~~was~~
had 1.2 years ~~curriculum~~ removed but
allowed this request was granted only
for 1.2 with the curriculum of this 7 grade
work which they allowed be to insert
a pure ridiculous ^{fraud} fraud called the
grade this special certificate was printed
and signed by the superintendent of
County schools and this eight grade
is ~~supplied~~ removing the part of the
grade as the 7 grade was not compl-

did have many objections
He was objected to by the citizens.
