A Testimonial to Rev.
H. N. Holt for Public
Service Rendered Here.

The Home and School
League would let slip
an opportunity it should
be glad of more often if
it did not express our its
appreciation to Rev. Holt
for the excellent service
he has rendered as a leader
of the first magnitude
since he has been here.

Under his leadership
one of the most arduous
and hopeless tasks has been
accomplished for our
people. A Task which
meant a sacrifice of fre-
end and almost a charge,
which sacrifice is a con-
crete evidence of Race
Loyalty, and an outstand-
ing example of aggressive
leadership.

He is fearless and
courageous and optimistic
in his views, and his service
is beyond a reward for us.

his ability to cooperate
the citizens, to create
such a sentiment that
we are now made aware
that one will be obtained
to the value of 20 or 25
thousand dollars.

This one service im-
bodies more real achieve-
ment for the race than
has actually been achiev-
ed since the Civil War
Then to him all cred-

it is due for his sacrifice
at service.

We wish he could
be with us if it fits to
see the work brought to
a close, that he may be
able to rejoice with us
on the day of the great
Jubilee
